

Subject: Devra Patton West AKA 'The Rishi' marketed to the public as a 'World Server.'

Dear FBI, IRS, Arizona AG's office and Sedona Police Dept.,

Once more, we make the case for Patton West to be indicted for 'Crimes Against Humanity' to include 30 years of Racketeering in three western states and multiple suspected murders. The latter appearing to the coroner and authorities as death resulting from 'natural causes.' The fact that the 'weapon' used by Patton West to carry out multiple extra-judicial killings is not recognized by legal statute as a weapon explains why:-

1. She has avoided prosecution for murder and countless acts of theft, fraud, extortion and multiple violent assaults.
2. Explains why senior cult / gang member, Geoffrey Reynolds CPA, confidently announced the whistleblower's impending murder on August 9 2007 to the local press days before Patton West made a failed attempt on his life. On the same day Reynolds also announced a campaign of violent intimidation was to be launched against Watson, his wife and children which continues to this day. Both Reynolds and senior cult gang member, Dr. Julio E Williams MD, have received 500 plus emails cataloging these violent assaults over the past 5 years but have both declined to share these emails with the authorities. Both are relying on the fact that if Patton West has gotten away with multiple murders and countless crimes over the past three decades, why should they worry about 500 emails that nobody is going to look at?
3. Because Patton West has gotten away with multiple homicides and countless acts of organized crime for 30 years, she now regards herself as a God and struts around in a white, King size bed sheet, masquerading as a Greek Goddess. This is about who is telling the truth. Patton West is a pathological liar and criminally insane. The whistleblower, an ex-marine and a victim of fraud and attempted murder at Patton West's hands, is quite sane. To prove it, he is prepared to give evidence about Patton West's criminal racketeering business model under oath and attached to a polygraph. We invite Patton West, Dr. Julio Williams MD and Geoffrey Reynolds CPA to do the same.

2. Five years from now, Patton West will be recognized as one of America’s most vile and despicable villains. A ruthless and cold blooded criminal who, using her occult hidden knowledge has robbed, defrauded extorted money from, and mentally and physically abused countless victims. Then there are the several suspected murders her ex-husband, Jack West, maintains she is guilty of. This, confirmed by the whistleblower John Watson, who Patton West tried to murder in 2007.

The negative publicity in the Montana Newspapers rendered her criminal racketeering business model 'dead in the water' forcing her to relocate to Arizona in 2010.

Above from left to right: The July 2007 Whitefish Pilot, the August 2007 Bigfork Eagle and October 2008 Ravalli Republic and the April 2008 Whitefish Pilot news article announcing Patton West's conviction for assaulting Dr. Pat Cole MD.

The [Whitefish Pilot](#) newspaper leads with Patton West's assault on Dr. Pat Cole MD and lists several other crimes being committed by Patton West and her accomplices in Montana. [The Bigfork Eagle](#) newspaper also leads with the assault on Dr. Pat Cole MD and delves into a number of Patton West's corporations, many of the involuntarily dissolved or revoked! An in depth analysis of both newspaper articles can be found [here](#). The [Ravalli Republic](#) newspaper focused on the judgment the courts granted John Watson after being defrauded by Patton West. Finally in April 2008, Patton West was found guilty of assaulting Dr. Pat Cole MD – no mention of the \$1.3 million Patton West successfully extorted from Cole, details of which can be reviewed in these documents. (1) (2) (3) (4) (5) (6). Patton West's response at being found guilty of assaulting Dr. Pat Cole MD and defrauding John Watson was to issue two statements on her website denying both crimes. The plot to murder fraud victim turned whistleblower John Watson after he decided to sue Patton West for defrauding him and put up a website listing her crimes in Montana & New Mexico.

However, before Patton West could reincarnate herself in Arizona as 'Rishi Devra' she needed to force down John Watson's website, which contained hundreds of documents evidencing Patton West's crimes in Montana and New Mexico. Watson, a fraud victim at Patton West's hands in 2002, turned whistleblower and put up a website to counter Patton West's lies and propaganda some of which is shown above.

We have just 'heard' from one of Ms West's past personal assistants (see Tanya Hurley Speaks on previous web page). What is interesting about Tanya's statement is that, like many others before her and since who have worked up close and personal with Ms West, she thinks Ms West is mentally ill.

Here are some statements from some of the other employees who came to the same conclusion. In each case click the link to hear their comments.

Shortly after Watson announced his decision to go to law in March 2002, Patton West demanded a private meeting with Watson at his ranch which, unbeknownst to Patton West, the meeting was recorded with a digital tape recorder. Long story short, Patton West admitted defrauding Watson but did not see herself writing out a cheque for what she owed him. She went on to threaten that if Watson went to law, she would get so f*cking down and dirty, huge expenses coming out of his pocket and not hers because members of her cult / criminal gang would pay her legal fees. Below are excerpts from the conversation Watson had with Patton West.

REALITY	PROBLEM	SOLUTION	ILLUSION
	<p>TRUTH POSTED ON-LINE SHOWING PATTON WEST TO BE A PATHOLOGICAL LIAR, A THIEF, A MURDERER & SUSPECTED SERIAL KILLER.</p>	<p>ATTEMPTED MURDER, CRIMINAL CONSPIRACY AND AN ON-GOING CAMPAIGN OF VIOLENT INTIMIDATION AGAINST WATSON & FAMILY.</p>	

When the threats against Watson failed to deter him, Patton West recruited two senior members of her cult to:-

1. Be complicit in a plot to murder Watson. Senior cult member Geoffrey Reynolds [announced Watson's murder](#) to the local press on August 9 2007, just days before Patton West made a failed attempt on Watson's life. At the same time he announced Watson's impending murder, Reynolds also announced a campaign of violent intimidation against Watson, his wife and children which is ongoing. Reynolds stated that, and I quote, "Watson will be dead or in jail for reacting to what Patton West was going to do to his wife and children."

2. When the murder plot failed and Patton West's campaign of violent intimidation against his wife and children failed to stop him, Patton West put Plan 'B' into operation. This involved [Patton West and 'liar for hire' Geoffrey Reynolds](#) launching multiple frivolous (without merit) lawsuits against Watson. The cost of these lawsuits were entirely funded by senior cult member Dr. [Julio E Williams MD who personally allocated \\$2,000,000](#) for the 'project.'

The truth is an absolute defense against defamation but only if you can afford to defend the truth in a court of law. Watson had successfully sued Patton West for fraud and got judgment against her in 2008. However, after emigrating abroad in 2005 and after spending tens of thousands of dollars on a fraud lawsuit lasting 5 years, Watson could not afford to travel to the US and defend against Patton West's and Reynolds' lies.

As the illustration above makes clear the courts are set up for the benefit of those who make a living from them. Justice is not the objective. 'Practicing' the law is the objective. As a result the winner is often the person with the most money to spend.

In recording number (2.) above, Patton West freely admits that she has defrauded Watson but does not see herself writing out a check for what she owes. In recording number (7.) [West threatening to get down and f*cking dirty huge expenses coming out of Watson's pocket not hers.](#) Patton West makes it very clear that if she is sued, there will be huge expenses coming out of Watson's pocket but not hers because cult / gang member Dr. Julio E Williams will pay her legal expenses.

This is what criminals do if they cannot intimidate you or murder you, they buy the law they want by outspending their victims in court.

INTRODUCING DR. JULIO E WILLIAMS MD - A WILLING ACCOMPLICE IN RACKETEERING AND COMPLICITY TO COMMIT MURDER.

Above: Dr. Julio E Williams MD a pathological liar. Patton West sits at the head of a criminal racketeering gang that has operated in three western states. During the past three decades Patton West has gotten away with countless acts of theft, fraud, extortion and perhaps multiple murders. As we shall demonstrate Dr. Julio E Williams is a willing accomplice in it all.

To review a detailed analysis of Williams' involvement in Patton West's cult / criminal racketeering business model [go here.](#)

Dr. Julio E Williams MD grew up in the Dominican Republic where Voodoo (black Magic) was a recognized religion. Being a member of a Satanist cult led by a woman like Patton West, must be like a dream come true to someone as corrupt as Williams. He admires her use of Shamanism and the occult to control and manipulate others and when necessary, murder with impunity. Williams has been apprenticed to Patton West for 20 years so that he can learn how to do the same for himself. This explains his devotion to her, however illegal and immoral her actions.

Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

Note to Essentia Health or any other prospective employer. Why, knowing the truth about Williams, would anyone employ a pathological liar like Dr. Julio E Williams MD? Why would any medical establishment take the risk of letting a shit show like Dr. Julio E Williams MD, wield a scalpel over an unconscious patient? Dr. Julio E Williams MD continues to provide Patton West with a stream of 'testimonials' and even recently, provided his own home as a venue for her to 'sell' fake cures for cancer.

Julio Williams So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey. My humble salutations to thy lotus feet.

INTRODUCING GEOFFREY REYNOLDS CPA - A WILLING ACCOMPLICE IN RACKETEERING AND COMPLICITY TO COMMIT MURDER.

Above left: Geoffrey Reynolds CPA travelled from California in September 2006 to take up employment in what he thought was a normal corporation. Only after loaning \$300,000 to its CEO Patton West did he realize that the corporation was a front for organized crime. Reynolds agreed to become complicit in serious crime to 'save' his marriage, his CPA license and his \$300,000!

To review a detailed analysis of Reynolds' involvement in Patton West's cult / criminal racketeering business model [go here.](#)

When we made this information available to McSwain & Co., Reynolds' current employer, their first response was to sanitize Reynolds' online resume to remove all mention of his 'employment' with the cult / criminal gang between 2006 & 2014 and then later to remove Reynolds' photograph from their website.

Above left: At first all mention of Reynolds' involvement with the cult / criminal gang between 2006 & 2014 was removed from his on-line resume. Above right: Then his resume was reduced still further and his photograph removed.

Then they rearranged their website completely. It is not for us to impugn McSwain & Co.'s motives for sanitizing Reynolds' resume entry on their website, but the result is to hide Reynolds' criminal past from the public and existing clients. As one can see from the evidence above, Reynolds should not be given access or trusted with client's confidential records. Then there is the huge risk any employer takes in having Reynolds as an employee, even if he is hidden from view, as we are 100% certain that Reynolds is going to trial for racketeering and complicity to commit murder.

Above: Geoffrey Reynolds CPA a pathological liar who would sell his wife and children if the price was right. The price for the murder of the whistle-blower and, when that failed, being part of a criminal conspiracy to bankrupt him was \$300,000!

This campaign's objective is to force a criminal investigation into Patton West's criminal racketeering business model which she has operated in three western states over the past 30 years. During that time, it is estimated that she has netted some \$30 to \$50 million from theft, fraud and extortion. There are literally scores of victims of organized crime, some mentally and physically abused and perhaps several, according to the whistleblower and Patton West's ex-husband, murdered. Reynolds (and Julio Williams MD) agreed to become willing accomplices in the conspiracy to murder Watson, and when that failed, bankrupt him into silence after he went public about Patton West's criminal activities in Montana.

WATSON AND HIS FAMILY ARE JUST ONE SET OF VICTIMS. THERE ARE SCORES OR HUNDREDS OF VICTIMS AND, IF WATSON AND PATTON WEST'S EX-HUSBAND ARE TO BE BELIEVED SEVERAL VICTIM'S OF MURDER.

Above left to right. Occult thief / suspected serial killer Patton West. Ex-student Lisa Swidler murdered to keep her quiet. Fraud victim turned whistleblower John Watson targeted because he went public. An employee overheard Patton West planning Dr. Pat Cole's murder. Ex-student Marion Cantwell a victim of extortion was told she would be killed if she went to the police.

PATTON WEST IS CURRENTLY INVITING HUGE CASH DONATIONS FROM THE PUBLIC IN ARIZONA BASED ON LIES, DECEIT & PROPAGANDA. THIS IS MAIL & WIRE FRAUD.

 <p>The Rishi DEVRA ADI MAA ROYAL PATH MASTER TEACHINGS</p>	 <p>Donations DONATIONS FOR LIGHT \$10,000 - \$5,000,000</p>	<p>SUSTAINING ENDOWMENTS</p> <ul style="list-style-type: none">Golden Flame Patron Member Endowment of +\$10,000Golden Flame Sustaining Member Endowment of +\$50,000Golden Flame Endowing Member Endowment of +\$100,000Golden Flame Omni Benefactor Endowment of +\$500,000
--	---	--

But defrauding the public out of cash donations based on a fake life story / bio is just the tip of the iceberg. The latest con involves Patton West selling 'fake cures for cancer' to those dumb enough to attend her '[Private Sessions](#)' & '[Private Audiences](#)' as advertised on her website. The secret of Patton West's ability to control and manipulate others is her use of an [occult \(hidden\) weapon](#). The same hidden weapon used to intimidate victims and witnesses into not going to the police, is used to extort millions of dollars a year from victims suffering from cancer and other illnesses. Dr. Julio E Williams MD is directly involved in these crimes to the extent that he has supplied his own home as a venue for extortion. Go [here](#) to learn about Dr. Williams' involvement in 'Sacred Sundays with Rishi.'

IN CONCLUSION, THIS CAMPAIGN WILL CONTINUE UNTIL PATTON WEST, DR. JULIO E WILLIAMS MD & GEOFFREY REYNOLDS CPA ARE INDICTED FOR THEIR CRIMES.

We suggest the authorities start their enquiries by interviewing Dr. Julio Williams MD & Geoffrey Reynolds CPA. Since both of them were total strangers to Watson, it is clear that their actions were orchestrated by Patton West. Since both have proved themselves to be pathological liars, we suggest at the very least, they are hooked up to polygraphs / lie detectors.

In 2002, while employed as a business consultant for Patton West's 'charity,' the whistleblower discovered that Patton West had diverted an \$80,000 donation away from the charity to pay for her son's legal fees.

Days before the whistleblower reported the fraud to the authorities Jack West took the whistleblower aside and made the following statement, and I quote, **"Those who opposed my wife have a habit of dying suddenly."** End quote.

In 2002, Jack West tried to warn John Watson off by confiding that those who opposed his wife, had a habit of dying suddenly. The use of the word 'those' implies at least two and maybe more. Student Lisa Swidler, a witness to several serious crimes committed by Patton West against two other students in 2005 (fraud, kidnapping, false imprisonment and extortion), was obviously murdered by Patton West to keep her quiet. Like all of Patton West's victims, Lisa's murder would have looked like a death resulting from 'natural' causes. How many other extra judicial killings have there been in the past 15 years? The whistleblower's murder, announced in advance by Geoffrey Reynolds to the press on August 9 2007, was intended to be another.

A review of the victim's audio and written statements on our websites show Patton West to be a totally ruthless criminal / murderer and possibly a serial killer, who has avoided jail by terrorizing both victims and witnesses into not going to the police or to court. There is clear evidence that she has subverted multiple court cases in this way, and in particular, two child custody cases involving her son Chris Haywood. Patton West is a pathological liar, and in our opinion, criminally insane. Therefore, it is unlikely that a polygraph would work with her.

Above: Patton West's lies and propaganda appear to be 'protected' under religious freedom laws even though the obvious motive for the deception is organized crime. None of what she says on her website is based in truth. Her life story / bio is a total fiction and fails to mention the scores of victims left behind in New Mexico and Montana over the past three decades.

The 'Racketeer Influenced and Corrupt Organizations' (RICO) statutes would certainly apply to Patton West and in multiple counts. At the very least, the '18 U.S. Code § 241 - Conspiracy against rights' would apply to Patton West, Williams & Reynolds in respect of the following. The attempted murder, the subsequent conspiracy to bankrupt Watson into silence and the ongoing campaign of intimidation against Watson and his family, which Williams & Reynolds are both aware of. The clear objective of the above mentioned conspiracy being to hide the truth from the public, so that Patton West and her accomplices can perpetrate their multi-million dollar a year fraud / extortion scam against the unsuspecting Arizona public.

18 U.S. Code § 241 - Conspiracy against rights

If two or more persons conspire to injure, oppress, threaten, or intimidate any person in any State, Territory, Commonwealth, Possession, or District in the free exercise or enjoyment of any right or privilege secured to him by the Constitution or laws of the United States, or because of his having so exercised the same; or..

If two or more persons go in disguise on the highway, or on the premises of another, with intent to prevent or hinder his free exercise or enjoyment of any right or privilege so secured—

They shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse or an attempt to commit aggravated sexual abuse, or an attempt to kill, they shall be fined under this title or imprisoned for any term of years or for life, or both, or may be sentenced to death.

Above: Occult thief / suspected serial killer Devra Patton West believes that her ability to use the occult to commit serious crimes, to intimidate victims and witnesses into silence and to murder those who oppose her, makes her a minor deity worthy of worship. Geoffrey Reynolds & Julio Williams market her to the public as such, deny the crimes she commits, and conspired with her to murder John Watson when he turned whistleblower.

Below are some of the titles and accolades Patton West has awarded herself since arriving in Arizona in 2010. This, only made possible after the cult / gang's successful conspiracy to silence Watson.

The Regent of the Spiritual Hierarchy for the Western Hemisphere.

THE SAGE OF SEDONA and the RISHI OF THE WEST!

The Rishi (The Teacher), The Mataji (The Divine Mother) & The Regent (The Western Regent).

The Mother of Ten Thousand Suns.

She has been preparing for thousands of years to guide humanity

As the light that shines behind leaders and world servers from across the globe.

As a Planetary Regent her auspicious presence offers the rare opportunity for private audiences etc...

As an instrument of mercy she offers the phenomena of Divine Grace Healing and the karmic resolution of divine dispensation.

Above: A pathological liar whose psychosis has her believing she is a god on a special mission to save humanity. She is standing next to part of a \$4,000,000 haul of artwork and valuables (as valued in 2002) that she stole from a Montana charity in 2004. While giving a statement to a Montana court under oath in 2009 Patton West stated that these items did not exist. In reality after stealing these items from the charity she hid them in a lock up for ten years and, after the statute of limitations on theft passed, retrieved them. Her Greek goddess outfits and the stolen statuary are all part of the illusion that she is a god.
