

NEWSFLASH - After being forced to leave New Mexico in 1995 and Montana in 2010, Patton West moved her shit show to Arizona. The first link below is to an article about Patton West which was published on May 21 2023 by respected journalist, Be Scofield. The article features some of the latest crimes committed by Patton West in Arizona, in addition to the cruelty meted out to some of her cult members / disciples. In particular, it focuses on Patton West's attempts to force one of her slaves, Lalita Jordan, into accepting a demonic entity into her body. The aforementioned demonic entity controlled by black magician Patton West. The second link is to a memorial for Lalita Jordan that died (was murdered?) shortly after. The third link is to a damning article posted by friends and relatives of Lalita Jordan.

Would you agree to the Murder a Stranger to save your Marriage and CPA License? Reynolds did! Along with committing fraud, extortion, making false statements to court and being complicit in domestic terrorism. Go here to our latest bulletin to the FBI where we ask the serious question. "How many MURDERS does it take for the FBI to make Patton West (and Reynolds) a person of interest?"

According to a witness, a fellow employee, Geoffrey Reynolds agreed to be complicit in the murder a stranger, and other crimes listed above, to 'SAVE HIS MARRIAGE AND HIS CPA LICENSE!' Follow the link below to read what the witness had to say.

The campaign of intimidation against the whistleblower and his family that scumbag Reynolds announced in 2007, when he was a member of Patton West's cult / criminal racketeering gang, is ONGOING. Reynolds has received 500 complaint emails from the victim.

THE ONLY WAY TO END THE INTIMIDATION OF ALL VICTIMS AND WITNESSES BY PATTON WEST IS TO BRING ABOUT A CRIMINAL INVESTIGATION UNDER RICO STATUTES INTO THE CULT / CRIMINAL RACKETEERING GANG'S ACTIVITIES.

Reynolds' lies and false pleadings to court in 2010 were instrumental in allowing his gang / cult leader Patton West to escape criminal prosecution in Montana, and allow her to move her criminal racketeering business model to Arizona. Reynolds cannot escape justice the crimes he was complicit in are far too serious. Not least because Reynolds is complicit in the ONGOING attempts by Patton West to 'silence' the whistleblower by any means. Just before leaving the cult in 2014 Reynolds posted a statement on social media within which he stated how proud he was to have been associated with Patton West and how Patton West had been guiding his life for many years. Recently Geoffrey Reynolds' cult / gang leader Devra Patton West posted a propaganda statement online about her 'legacy.' The statement is full of lies and bullshit about how she has been planning to lead humanity for thousands of years. In reality her legacy is that of a cold blooded killer who for 32 years has masqueraded as a 'World server' while robbing, defrauding and extorting money from victims suckered into joining her cult by the lies and propaganda on her website where she promises 'enlightenment' for a large fee but instead delivers pain and suffering.
