

# ENLIGHTENED HOUSEHOLDING – RISHI STYLE

ONE OF THE BIGGEST LIES TOLD BY PATTON WEST.

If the email doesn't show properly, go [here](#).

Patton West's website is 99% lies, BS and propaganda. One of the biggest lies is about her home life. If you go to her website, choose the page entitled '[The Mataji Master](#)' and scroll down until you find this posting....

## MODERN ENLIGHTENMENT

### *The Mother and Grandmother*

Mataji Rishi's life expression is a living legacy of enlightened householding. Integrated and engaged, yet free of ego and attachment, the Rishi has pioneered not only feminine enlightenment in the West but also enlightened family life. Her mastery of the Supreme Raja of Divine Logic brings her illumination to all life circumstances. Guiding children and grandchildren alike, the Mataji is an integral part of the family and a guiding light for bringing enlightenment out of the cave and monastery into the heart of modern enlightenment.

**Enlightened Householding?** Pure BS but decide for yourself are reading the evidence below. As for **feminine enlightenment**. Patton West is to feminine enlightenment as Hitler was to world peace. Below are three examples of women in Patton West's cult getting a dose of feminine enlightenment. The dog maybe female as well!

As for [guiding children etc](#). Scroll down into this bulletin to view her son's criminal record, Learn about his alcohol, drug problems and apparent addiction to pornography. THESE ARE FACTS. Which makes Patton West's claims about 'ENLIGHTENED HOUSEHOLDING' Lies, propaganda and deceit all apparently allowed under 'religious freedom' laws. However, as we have made clear Patton West is not religious or in the least bit spiritual.

The evidence over 32 years in three western states makes it clear he is a career criminal. The propaganda piece at the top of this page is partnered with the two photographs (below) published on her website. As Patton West told the whistleblower, and I quote, "It does not matter what is actually true." End quote. If Patton West can convince the public through lies and propaganda that her lies are the public's truth.

And this....

## PASSING THE MANTLE

The Fire of the Feminine and the mantle of compassionate power must be passed to the young women of the world. This is a new calling of female leadership in its most potent human expression. Teachers and mentors of young women must be ignited with the Fire of the Feminine in their own right. As you sense the profound nature of the photo above of the Rishi with her daughter Anna Jere' West, her passing of her mantle to her daughter speaks far more than words on a page. Her daughter is an awakened woman, an initiate and a world server. The Omega Initiative passes the mantle of the sacred famine and the deep wisdom of planetary stewardship for Women of power and purpose.

*Above: According to a posting on her website Patton West is 'passing the mantle' of 32 years of racketeering and domestic terrorism to her daughter Anna West? Does Anna West know? Has she got a good lawyer?*

**The above three images, like everything else on Patton West's website, are lies, an illusion crafted by a criminally insane narcissist, grifter, con artist, violent psychopath, murderer and suspected serial killer.**

Below this paragraph are excerpts from a [statement](#) which Patton West's daughter-in-law, Jamie Haywood, gave at a child custody hearing held in Montana on July 12, 2007. Readers should know that Patton West not only uses her occult [secret weapon](#) against individuals while robbing, defrauding and extorting money, she also uses this weapon to subvert civil and criminal court cases brought against her.

The weapon was also used against her then daughter-in-law, Jamie Haywood, in an attempt to subvert the child custody hearing, with the objective of acquiring Jamie Haywood's child for her son, Chris Haywood. This strategy failed against Jamie Haywood but had succeeded a few short years earlier against Chris Haywood's first wife, Kendall.

**ENLIGHTENED HOUSEHOLDING RISHI STYLE.... THE BIGGEST LIE EVER TOLD!**

The following excerpts can be found by going [here](#) and scrolling down to the page and paragraphs indicated.

**Exhibit 01. Page 86 Paragraph 09.** Patton West's son, Chris Haywood, gets an underage girl pregnant then forces her to have an abortion because it would look bad for the child custody court case Chris Haywood brought against his then existing wife, Kendall. **Enlightened Householding Rishi Style?**

9	Q.	Um, how old were you when he first got you
10		pregnant?
11	A.	I had just turned 18.
12	Q.	Okay. And, um, that pregnancy resulted in an
13		abortion, is that correct?
14	A.	Yes, sir.
15	Q.	And did he have anything to do with that?
16	A.	Yeah, he was involved in a child custody case
17		and it would have probably been quite devastating on
18		his case had they known that he was with a 17 year old
19		and pregnant, and had to have an abortion.
20		Um, we did that secretly. None of my family
21		knew, um, until a couple year -- about a year later
22		when the paperwork was sent to my family.
23	Q.	Okay. Did he put pressure on you to get that
24		abortion?
25	A.	Yes, sir.

**Exhibit 02. Page 88 Paragraph 08.** Patton West's son, Chris Haywood, slams his wife's face into the dashboard breaking her nose because he believes she was 'hitting' on other men? **Enlightened Householding Rishi Style?**

8 Q. Okay. Can you explain to the Court how it  
9 was that your nose got broken?  
10 A. We were leaving a bar and I was sitting in  
11 the passenger seat, and we had started to yell and  
12 spute back and forth how I was hitting on other men  
13 around the court -- or around the bar.  
14 Q. Were you -- were you hitting on other men?  
15 A. No, we left quite -- quite fastly when I came  
16 in there. And my face had gotten slammed into the dash  
17 along with it being smashed into the side of the car  
18 window. And the police did convict him of that but,

**Exhibit 03. Page 89 Paragraph 22.** Employees went through hell? Lip lashings and physical lashings – I witnessed it all. **Enlightened Householding Rishi Style?**

22 Q. Okay. Have you had an opportunity to observe  
23 his mother since coming back to Kalispell?  
24 A. Oh, yeah.  
25 Q. Um, have you ever seen his mother verbally  
1 abuse employees or other people?  
2 A. Several times, I worked for her when she  
3 first started up this business here and I was the  
4 janitor, I was a secretary and I was also her house  
5 cleaner for quite awhile 'cause she had busted her  
6 ankle on Christmas Eve and nobody else could care for  
7 her so I was designated the one to tear -- caretake.  
8 And, yes, on several employees that were in  
9 that office went through hell and back with that woman,  
10 and still are going through hell right now, so -- the  
11 whip -- the lip lashings and the physical lashings, I  
12 have witnessed with my very own eyes.  
13 Q. Okay. You have seen her actually strike --  
14 A. Pat Cole, yes.

**Exhibit 04. Page 90 Paragraph 15.** Patton West licked her son's face from his chin to his forehead. That is, when he slammed her into the wall holding her by the throat? The children witnessed it and were running through the house screaming and crying? **Enlightened Householding Rishi Style?**

15 Q. Um, have you ever seen her act in violence  
16 towards Chris?  
17 A. Yes, they have gotten into it several  
18 counters, um, she licked him from his chin to his  
19 forehead and that's when he slammed her into the wall --  
20 Q. And when he's --  
21 A. -- by her throat. And our children were  
22 there witnessing it, and running through the house  
23 screaming and crying -- Sandra was while I had Sasha in  
24 my arms.  
25 Q. Okay. So she scratched him across his face?  
  
1 A. First she licked him from the chin up and  
2 then Chris had pushed her into the wall, told her to  
3 knock it off, you'll never do that to me again. And  
4 that's when she went like this (indicating) -- he  
5 couldn't go to his doctor's appointments because of the  
6 way his face looked.  
7 Q. Okay. And he held her by her throat?  
8 A. Up against the wall, yes.

**Exhibit 05. Page 92 Paragraph 17.** Chris Haywood calls Jamie at 1.00 am in the morning from a bar asking his eight and a half month pregnant wife to come pick him up? Chris Haywood got belligerent, so Jamie stopped the car and jumped out at which point Chris Haywood drives off and leaves his very pregnant wife stood by the road at 1.00 am in the morning? The cops drove Jamie home. **Enlightened Householding Rishi Style?**

17 A. (BY MS. HAYWOOD) I was eight and a half  
18 months pregnant so, um, the -- that would be last  
19 summer -- no not last summer, I was eight and a half  
20 months pregnant so --  
21 Q. Okay. And --  
22 A. And we had -- he had called me from the  
23 Garden Bar to come pick him up at one in the morning.  
24 Q. And was he intoxicated?  
25 A. Very intoxicated and, me, I went ahead and  
1 drove in the middle of the night to go get him -- and  
2 went and got him. And when I did get him he was so  
3 intoxicated that he was being so belligerent I had to  
4 stop the car. When I did do that and get out, he  
5 jumped in the driver's seat and took off driving. The  
6 police picked me up on the highway in the middle of the  
7 night, eight and a half months pregnant, walking,  
8 because I had to come pick up.  
9 Q. So he jumped in the driver's seat and drove  
10 away --  
11 A. Took --  
12 Q. -- did not come back?  
13 A. Did not -- the cops took me to my mother's  
14 home.

**Exhibit 06. Page 93 Paragraph 15.** According to Jamie, Patton West's son Chris Haywood uses marijuana, cocaine and alcohol. **Enlightened Householding Rishi Style?**

15 Q. Um, what has been the nature of his drug use,  
16 if any, since Sasha was born?  
17 A. Marijuana and during the wedding cocaine.  
18 Q. Um, when was Sasha born?  
19 A. August 8<sup>th</sup>, 2006 -- or August 24<sup>th</sup>, I'm sorry,  
20 8/24/06 -- that's -- I got the 8.  
21 Q. Um, and when were you married?  
22 A. Uh, 2006 of -- July 2<sup>nd</sup>.  
23 Q. Okay. And, um, did your husband consume any  
24 drugs during that marriage ceremony?  
25 A. Yes.  
1 Q. What drugs were being used there?  
2 A. Marijuana and cocaine and alcohol.  
3 Q. And you actually observed that?  
4 A. Yes.

**Exhibit 07.** While Jamie was driving with two small kids in the back, Chris Haywood started to argue with Jamie. This resulted in Chris Haywood slapping Jamie across the face (while she was driving). She pulled over to the side of the road and started screaming at him (with two small kids in the back). As he went to hit her again, and in self defense, Jamie hit him and in response Chris Haywood hit Jamie again leaving her with a large bruise that was seen by all in court. **Enlightened Householding Rishi Style?**

5 Q. Okay. Can you describe for the Court what  
6 occurred in the altercation on June 21<sup>st</sup>?  
7 A. Yes. We had left Geoff and Leslie's home, we  
8 did both have two glasses of wine at dinner, we left  
9 and started to argue about apparently I was driving too  
10 wobbly, wobbly and in fact I was not. He started to  
11 proceed to scream and yell at me and Sandra told her  
12 daddy to knock it off. Sasha was also in the backseat.  
13 We had made it to the top of the hill coming in between  
14 Lakeside and Somers, heading towards Lakeside, when he  
15 then smacked me across the face. So --  
16 Q. With his fist?  
17 A. No, with his open hand. And I pulled over to  
18 the side of the road, stopped, and yelled and screamed  
19 at him. He then went to go hit me again and I, in  
20 self-defense, hit him in his mouth. So then I got  
21 wapped right again right on the side of the face with a  
22 nice gnarly bruise as you have all seen.

**Exhibit 08. Page 95 Paragraph 01.** The fighting never stopped. Chris Haywood tried to convince Jamie that she had beaten herself up. The kids were present in the car when he hit her in the face. The physical and mental abuse has been going on in front of the kids for too long. **Enlightened Householding Rishi Style?**

1 The fighting never stopped, we continued to  
2 argue all night until I had to lock the bedroom door  
3 and me and Sasha went to bed in Sasha's room.  
4 The next morning I got up and he tried to  
5 tell me I beat myself up. I know what I -- I could  
6 never put that nice of a bruise on the side of my face,  
7 so in fact knowing that I grabbed my little girl and I  
8 did leave for my own safety and the safety of my child.  
9 Q. Okay. And the kids were present in the car  
10 when he struck you?  
11 A. This -- yes, this physical and mental abuse  
12 has been going on in front of these kids for too long.

**Exhibit 09. Page 103 Paragraph 09.** Jamie is asked if she is happy with Patton West, Chris Haywood's mother. Absolutely not she replies. Jamie refers to the photos of Pat Cole's beating by Patton West.

9 Q. Okay. Um, are you comfortable with the  
10 possibility of Mr. Haywood's mother?  
11 A. Absolutely not. There are pictures right  
12 there that show it to you that she is capable of  
13 anything. And if that happened to be my daughter's  
14 head, where would -- where would she be then, so no.  
15 It's not a safe condition, and, yes, she -- absolutely  
16 not.

**Exhibit 10. Page 108 Paragraph 01.** Jamie talks about Chris Haywood and his mother, Patton West's temper. Jamie talks about the lack of money being a cause of contention. Explains this is the reason she, Jamie, was working until she was eight and a half months pregnant. The lack of money was due to the fact that Patton West never worked in the usual sense. She was and is a parasite and a career criminal who sometimes had to wait for the next wealthy victim to turn up.

#### Enlightened Householding Rishi Style?

1 Q. Um, does Chris have a temper problem?  
2 A. Yes.  
3 Q. And can you sort of describe the nature and  
4 extent of that?  
5 A. Very short fuse like his mother. They both  
6 will go from an extreme to back again being nice. Um,  
7 when money is not an issue, he's a pretty happy man,  
8 but when money has been an issue which it has been for  
9 the past three years, living in his mother's home that  
10 she had supposedly bought for us, has been a huge  
11 issue. Any time money has come into the game we have  
12 gotten into severe arguments, severe fights. These  
13 children have been subjected to the arguing and to  
14 seeing it, and it's -- it's not fair to them and that's  
15 why I left. I don't want our children to see it no  
16 more, I want our children to grow up happy.  
17 Q. Okay. Have there been financial pressures in  
18 the period before you left?  
19 A. Yes, all the way up 'til -- it's always been  
20 and why you -- I was working 'til I was eight and a  
21 half months pregnant, not him, I was.

**Exhibit 11. Page 108 Paragraph 24.** Counsel asks Jamie about Chris Haywood's sexuality around his daughter.

24 Q. -- do you have concerns at all relative to,  
25 um, his sexual habits and having a daughter around?

**Exhibit 12. Page 109 Para 01.** Jamie alleges in her testimony that Chris Haywood would drink alcohol and then jerk himself off in front of the computer while watching pornography. This happened at least once while Jamie had a girlfriend visiting. **Enlightened Householding Rishi Style?**

1           A. I think that the computer pornogra --  
2 pornography deal is just absolutely disgusting and I  
3 don't think that -- when he drinks he thinks with the  
4 same mind, he'll just go do it and in the fact that it  
5 is an open room, anybody can walk through the living  
6 room and there he is, is not a safe place. That thing  
7 should be in a room if you're going to do something  
8 like that, period.  
9           Q. And what --  
10          A. So the children --  
11          Q. -- something like what?  
12          A. Something like what?  
13          Q. Yeah, like what -- what's he doing?  
14          A. Jacking off in front of the computer and  
15 while we're outside on the deck or down in the yard and  
16 it -- on one occasion it did happen and it was -- due  
17 to a friend of mine, so I can't have friends at my  
18 house due to the fact of him being so sexual.  
19          Q. Okay.  
20          A. With them or with himself or with myself.

**Exhibit 13. Page 113 Paragraph 14.** Jamie acknowledges fraud victim-turned-whistleblower, John Watson's website and the contributions from at least 40 people / victims of Patton West's 'World Service' AKA cult / criminal racketeering gang. **Enlightened Householding Rishi Style?**

14 Q. This website that they introduced as one of  
 15 their exhibits, what's on that website?  
 16 A. A lot more than what I had to write. There's  
 17 probably 40 people out there who have the same feelings  
 18 and with the same thoughts as I do and I've been  
 19 involved in it firsthand for -- since I've known Chris  
 20 and --  
 21 Q. And --  
 22 A. -- it's been --  
 23 Q. -- and what are those feelings?  
 24 A. What are those feelings?  
 25 Q. Yeah, what is it that --

1 A. Um, there's a lot of financial, um, IRS stuff  
 2 going on, there's a lot of embezzling, there's a lot of  
 3 abuse, there's a lot of mental abuse, physical abuse  
 4 all of these people are claiming. I don't know if  
 5 they're all crazy or she just is, I don't know. So  
 6 that's where I -- I was introduced -- it.

**Exhibit 14. Page 118 Paragraph 13.** Jamie mentions Chris Haywood's two DUI's. She does not mention his criminal record for substance abuse or his FBI record for forgery (see below). **Enlightened Householding Rishi Style?**

14 Q. Um, regarding this website in that you wrote  
 15 what is marked as Petitioner's Exhibit 5.  
 16 A. Uh-huh.  
 17 Q. Um, that -- you wrote that, you acknowledge  
 18 you did?  
 19 A. I wrote it but there's quite a few mis-  
 20 changed words in there. But, yes, I did write that.  
 21 Q. Who did you go to to cast -- take the spell  
 22 off you and your daughter --

 25 You said you went to a guide?

*Notice Jamie's reference to Patton West using her occult (hidden) [secret weapon](#) to try to subvert the child custody hearing. And or use the weapon to intimidate Jamie into giving up her baby to Patton West's son Chris Haywood. These same tactics worked on Chris Haywood's first wife Kendall a few years earlier. As a result Kendall lost her infant daughter to Patton West's son as a direct result of the hidden attacks.*

**Exhibit 15A. Page 127 Paragraph 10.** Jamie explains why the document being read out in court (her plea for help to the whistleblower John Watson) is not an exact match to her [original email](#).

10 Q. Then how would you -- in that statement you  
11 posted on the internet, um, how do you know about a  
12 spell in --  
13 A. Like again, I will say a lot of that wording  
14 has been changed but a lot of that is true. Besides  
15 that spell crap, I did put in all that writing besides  
16 right there. That man has done different writings and  
17 that I will have to admit.  
18 Q. Could you be more specific -- that man, who?  
19 A. The man who has posted the website, John  
20 Watson.  
21 Q. He's done what?  
22 A. Changed those wordings in there. I wrote  
23 every last drop of that besides where you take that  
24 spell and black magic out of there -- you go look at  
25 the rest of the website. You will see what that  
  
1 website is filled up with. That's all it has to say.  
2 Everyone has had that happen so I -- I don't -- it's --

Below is Jamie Haywood's email to the whistleblower, John Watson, asking for help. The blue bracketed text is our comments. Patton West has used her occult [secret weapon](#) against scores of victims of theft, fraud and extortion these past 32 years. According to Jack West, there have been at least a couple of suspected murders and two well documented attempts by Patton West to murder the whistleblower, John Watson. Because legal statute does not recognize the occult as a weapon, Patton West has, for 32 years or more, gotten away with crime on an industrial basis and looks set to continue unless the authorities choose to act!

It speaks volumes about how confident the cult / gang is that Geoffrey Reynolds, a senior member of Patton West's cult / criminal racketeering gang, actually announced Watson's impending murder (1) & (2) to a local newspaper reporter a week before Patton West's failed attempt to murder Watson. **Enlightened Householding Rishi Style?**

**Subject:** Another victim/ fighting for my life and my 11 month old daughter!

Hello, My name is Jamie Haywood, Chris Haywood's ex-wife. And Devra West's ex daughter-in-law. Well actually I am in the middle of the divorce.

I finally found this website and have been searching for you and Pat Cole due to the fact that my daughter and I have been subjected to this nasty woman. **I thought that I was going crazy and thought there was something wrong with my daughter. Until my mother took me to see a true 'guide' and this wonderful woman told me that I had a spell put on me. She then started to test where it was, lo and behold in the left front side of my brain. Yea something to make me go crazy and whatever else! And that's not all; she also put one in my 11 month old daughters internal organs. So this 'guide' took some time and finally removed these wicked spell's off of me and my daughter then she told me that I would be protected.** (As stated above these tactics worked against Kendall Haywood who thought she was going crazy and Patton West used the mental issues she had created in Kendall to persuade the courts she was an unfit mother as compared to Patton West's wife beating, porn loving, drug addicted son).

This woman (Devra West) is now involved in the divorce case and in some way or another has been able to take my daughter from my possession. Chris has our daughter and is living in our so called home (Pat Cole's house) which they will be evicted from shortly. Pat's house was foreclosed by Wells Fargo Bank and they have to be out in 15 days. Devra West is also living with Chris at Pat's house because Ms. West was evicted from her 2.6 million dollar home on June 29, 2007.

Between the 2 of them, they have tried to break me down and all the way down. From verbal abuse to physical abuse. I have been with this wicked family for 6 years now. and am so happy to get out alive and with my mind intact . Now, John, I'm not too sure if you can remember a day when you and Devra were in her kitchen at the Nakashalla having some sort of meeting, when Chris and Sondra(his daughter), along with myself came in. and she stood up and told me to get the fuck off out of her home. Now that was the first day that I'd ever met her and its been a fight ever since.

Please John, I may need your and Pat Cole's help with getting my daughter Sasha back where she belongs and along with my normal life back. So I am going to leave a phone number and a email address for you and would cherish it if you would call me as soon as possible. I am going into the district court tomorrow and I am going in there with all of your wonderful info and I am going to fight for my daughter to come back to my possession.

Thank You So Much.

**Exhibit 15B. Page 120 Paragraph 01.**

1 A. God. That is my guide, ma'am. I'm sorry.  
2 Q. And that she took the spell off that was on  
3 your internal organs?   
4 A. God is my guide, he may be a he or she, you  
5 never know that. God is my guide.

Above: Jamie is obviously aware of the occult attacks against both herself and her baby. The definition of terrorism is the use of intimidation as a means of coercing others to do ones bidding. Patton West has been getting away with domestic terrorism for at least 32 years.

Well documented cases include both of Patton West's two ex-daughters-in-law, John Watson, Dr. Pat Cole MD, Rebecca West (no relation to Devra west) and doubtless scores or hundreds of other victims in three western states.

**Exhibit 16. Page 121 Paragraph 12.** Jamie relates to the court a physical confrontation that took place in the car with the children present. Jamie alleges that Chris Haywood threatened to hurt her on multiple occasions and threatened to take her baby away. **Enlightened Householding Rishi Style?**

12 Q. In fact it was June -- let me read you your  
13 statement and see if this sounds familiar to you, okay?  
14 A. I already know what it says.  
15 Q. "I am fearing that Chris Haywood will hurt  
16 myself if comes in contact due to the night of  
17 Thursday, June 21, Chris Haywood and I got into a  
18 verbal dispute which led to a physical confrontation  
19 with our child and his daughter in the car. He has on  
20 multiple actions threatened to hurt me -- to hit me.  
21 Sorry. Also, threatening taking Sasha away from me."  
22 Do you recall that statement?  
23 A. Yes, ma'am.

**Exhibit 17. Page 135 Paragraph 02.** Rebecca West (no relation to Devra West) gives evidence about her experiences while working as Patton West's Office Manager. Rebecca confirms that Patton West was verbally and sometimes physically abusive towards her employees. **Enlightened Householding Rishi Style?**

2 BY MR. MOORE:  
3 Q. State your name for the record, please?  
4 A. My name is Rebecca West.  
5 Q. And, Rebecca, are you familiar with the  
6 parties to this action?  
7 A. I am familiar, yes.  
8 Q. Okay. Do you know Devra West?  
9 A. Yes, she was my boss for ten months.  
10 Q. Okay. You're both "West," are you any  
11 relation?  
12 A. No, both -- both of us have our last name  
13 through marriage, but not related at all.  
14 Q. Okay. And what was your position?  
15 A. I was hired as the office manager.  
16 Q. Okay. And, um, during the period that you  
17 were there did you have occasion to observe Devra West  
18 and -- and Chris Haywood relative to their demeanor and  
19 how they treated people?  
20 A. Yes, quite often. Um, I was a witness to  
21 many occasions where Devra was very verbally and  
22 sometimes physically abusive to friends and relatives  
23 and employees.

**Exhibit 17A.** Rebecca talks about the violence she witnessed in the work place. She alleges that Patton West would scream and shout and throw books at employees. Rebecca states that this went on for hours at a time. Her work place was twice deemed a hostile environment by the labor board. However, with Patton West's access to unlimited funds and unlimited liars willing to act as false witnesses, Rebecca's claims against Patton West were denied at the third hearing! Rebecca also details the vicious assaults by Patton West against Dr. Pat Cole MD. These assaults were designed to intimidate Cole into handing over her entire net worth, which is exactly what happened. The police were called after one vicious assault in early 2006 which, two years later, resulted in Patton West being found guilty of misdemeanour assault. Patton West was fined \$500 and given a 6 month suspended prison sentence. Patton West allegedly netted \$1.3 million from Cole which included Patton West forcing Cole out of her \$750,000 home! Who says crime does not pay? **Enlightened Householding Rishi Style?**

1 You observed her being physically abusive as  
2 well?

3 A. Yes, the, um, pictures that I provided you  
4 earlier of Dr. Pat Cole, um, I have witnessed her, um,  
5 scream and shout and swing at her and throw things at  
6 her. And another co-worker, Wendy Stewart, um, I  
7 witnessed her throwing books at her, um, screaming, um,  
8 verbally abusing all of us for hours on end.

9 Q. Okay. Was that why you ceased working there?

10 A. Correct, and I've since been determined twice  
11 through unemployment that it was -- considered a  
12 hostile workplace environment.

13 Q. Okay. Um, were you there when Pat was  
14 assaulted?

15 A. Those pictures were from an assault in April,  
16 um, I was there throughout -- from April all the way  
17 through to October 12<sup>th</sup>, witnessing bruises on Dr. Cole,  
18 offering to give her assistance. And then as of  
19 October 12<sup>th</sup>, the following morning Dr. Cole called me  
20 and said that she had been assaulted again.

9 A. (BY MS. WEST) Well, what I observed was  
10 bruises all over Dr. Cole and I subsequently defended --  
11 was a defendant in a case regarding the assault charges  
12 with Judge Ortley.

Are the above examples of 'Enlightened Commerce Rishi Style?' just a coincidence that Patton West's psychotic behaviour at work exactly mirrors her psychotic behaviour at home? No of course not. This behaviour exactly mirrors the techniques used by the CIA and other intelligence agencies. The abuse is a strategy designed to break down the personality of the targeted individuals (in Patton West's case this includes everyone she meets) with the objective of turning everyone into brainwashed and conditioned droids.

**Exhibit 18. Page 139 Paragraph 12.** Rebecca talks about the emotional breakdown she suffered after months and months of verbal and physical abuse. She observed that Jamie Haywood was also having the same emotional problems for the same reasons. Rebecca reports that if anyone tried to interject their feelings, they were subject to hours and hours of verbal abuse. Rebecca also advises that she was made to stay behind at work and listen to Patton West abusing others. 'Enlightened Commerce Rishi Style?'

12 A. (BY MS. WEST) Well, what I experienced was,  
 13 um, and myself included was an emotional breakdown  
 14 after months and months of the verbal and sometimes  
 15 physical abuse. I eventually would -- began to break  
 16 down. And I observed the same thing with Jamie. Um,  
 17 skinny, nervous, afraid, I mean it's to the point where  
 18 no matter what -- if you said anything at all you were  
 19 in trouble. And if you tried to interject your  
 20 feelings at all, you were subjected to hours and hours  
 21 of verbal abuse locked into the finance office  
 22 listening.  
 23 And Devra often tried to make me be the  
 24 witness to all of this abuse. So I would stay after  
 25 work often for hours just listening to her abuse --  
 1 verbally abuse other people -- Dr. Cole, Geoff  
 2 Reynolds, and then I was told I had to be the witness.  
 3 So to this day it is hard for me emotionally.

**Exhibit 19.** Below is an excerpt from an [email](#) that Rebecca West sent the whistleblower, John Watson, in March 2007. The bracketed text are our comments.

*I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. I need support in how to deal with her shamanic witchcraft. Can you tell me more?*

(Note that Rebecca is asking for help dealing with the shamanic witchcraft that Patton West is using against Rebecca, Dr. Cole MD, John Watson, Kendall Haywood, Jamie Haywood and anyone else opposing her reign of terror.) Below are three more paragraphs from Rebecca's email...

*I have handed over many of the statements made by former employees of which are mostly already posted on your website to Dr. Cole in an effort to assist her. Dr. Cole was severely beaten on several occasions and proof is available. Again the crux is finding a law firm willing to take the case without a hourly payment of services.*

*With all my heart, I hope and pray, the law firm that is currently reviewing her documents will help Dr. Cole recover her losses and/or dignity, as she has no money left after Devra extorted more than \$700,000 from her.*

*I am aware that the only person still financially supporting Devra (the finance controller is out of money), is Dr. Julio Williams and he gave her \$100,000 last week. Devra spends money so fast that this funding will not last long. I know she has hoarded all her expensive jewels, artwork and artifacts and in addition I contemplate how much money/jewels she has stashed in order to bail herself out in the event you are able to take her down completely, or if the funding does not come through.*

**'Enlightened Commerce Rishi Style?'**

Elsewhere in her testimony Rebecca refers to the fact that she sent several emails (1), (2), (3) & (4) to the whistleblower in March 2007, giving detail of several serious crimes being committed by Patton West.

The whistleblower decided to publish these in the hope that the police / authorities would intervene to protect the innocent and stop the mental and physical abuse. It should be pointed out that during the time the whistleblower went public with Rebecca's emails, Patton West was in the middle of a big crime spree. That became evident when, between 2007 and late 2009 Patton West was the recipient of two arrest warrants (1) & (2), a [conviction for assaulting](#) her business partner Dr. Cole, was [convicted of defrauding](#) an earlier business partner, John Watson, was the subject of a [Sheriff's Sale](#) to force her to pay past victims of crime \$2M in court fines and interest! Then there were several other civil [court cases](#) brought against Patton West for fraud related issues.

After all the publicity from Patton West's regular appearances in court, plus three negative newspaper articles (1), (2) & (3) that publicized her criminal activities, she was forced to leave Montana in 2010 as she had been forced to leave New Mexico in 1995. Currently, Patton West is operating in Arizona using a different name, different fake bio / life story.

**NOTHING TO SEE HERE! JUST 32 YEARS OF RACKETEERING & DOMESTIC TERRORISM!**

*Above: For 32 years Patton West, right under the noses of the FBI, Law Enforcement, the IRS and State Governments, has gotten away with countless acts of racketeering and domestic terrorism. Scores of victims have been robbed, defrauded, mentally and physically abused, suffered violent assaults, been threatened with murder and, according to Patton West's ex-husband and the whistleblower John Watson, several victims have been murdered.*

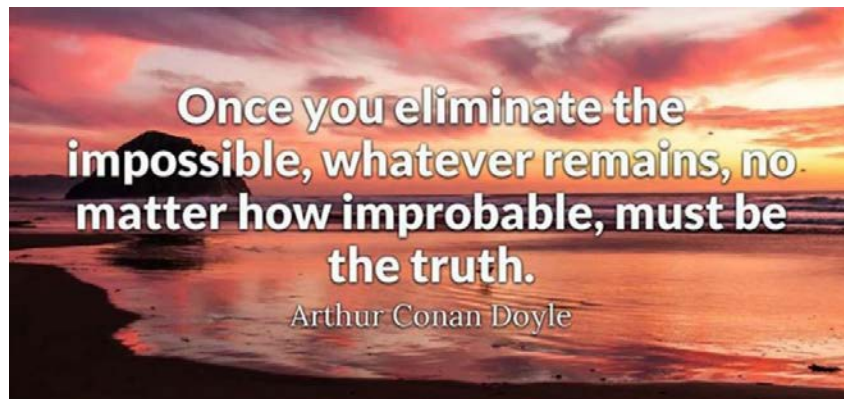

**In conclusion, the facts show that Patton West is a pathological liar and someone who will defraud / extort money from individuals, state and federal governments and the IRS. After reviewing the above FACTS, one has to come to the conclusion that the following is just more BS, more lies and more propaganda. All created to facilitate fraud.**

## MODERN ENLIGHTENMENT

### *The Mother and Grandmother*

Mataji Rishi's life expression is a living legacy of enlightened house-holding. Integrated and engaged, yet free of ego and attachment, the Rishi has pioneered not only feminine enlightenment in the West but also enlightened family life. Her mastery of the Supreme Raja of Divine Logic brings her illumination to all life circumstances. Guiding children and grandchildren alike, the Mataji is an integral part of the family and a guiding light for bringing enlightenment out of the cave and monastery into the heart of modern enlightenment.

Guiding children and grandchildren alike? We are amazed that the family members in the group photo at the top of this bulletin all agreed to pose for this photo. That said, the adults are all aware that they are part of a crime family and the small children have no choice but to do as they are told.

The 'impossible' is that Patton West is a 'world server' or a 'service to others' entity. Having eliminated the impossible, the TRUTH is clear.

**PATTON WEST'S WEBSITE IS 95% LIES, BS AND PROPAGANDA. ITS ONLY PURPOSE IS TO FACILITATE FRAUD. IT NEEDS TAKING DOWN NOW!**

You can help spread the TRUTH by circulating these messages across your mailing lists and social media contacts. For more information about Patton West and her cult / criminal racketeering gang and her activities in Montana, please view the following web pages:-
