

For those still drinking the Rishi Devra ‘Kool aid’ here are 30 shocking examples of ‘World Service’ from the deeply disturbed psychopathic person / personality.

The [Omniawakening](#) website is the latest propaganda platform of Devra Patton West, a con artist currently calling herself the Ascended Master Rishi Devra. The left hand two thirds of the image below can be found on her [‘life journey’](#) page 99% of which is a total pack of lies, a trap, designed to convince the spiritually confused that she is an Ascended Master and worthy of their worship and the contents of their bank accounts. This is Devra West’s third incarnation as an Ascended Master in just two decades – Jesus only reincarnated once, Devra West does it regularly.

Previously, she was ‘run out of’ New Mexico in 1995 (chased by one angry victim wielding a large gun) and ‘run out of’ Montana in 2011 after her ~~guru / cult / extortion business~~ **‘world service’** efforts became the subject of three damning newspaper articles.

She received her ‘call to serve the world.’

If you follow the link to her [‘life journey’](#) page, you will see that as outlined above, she claims to have received her call to **‘serve the world’** at age 7. Of course this is all a pack of lies, a huge deceit, all just propaganda laying the ground for what has been a well-oiled fraud scam these past 20 years or more. I have no idea what Debbie West did between age 7 and age 40, save for the fact that she was a pot grower, a bankrupt jeweler and, according to a friend [Jeremy Samuelson](#) who was conned out of \$10,000 by her, a small time con artist with husband Jack West.

In 1990, Debbie West decided that conning one individual at a time out of \$10,000 here and \$6,000 there was hard work, so decided to up her criminal game by becoming an ‘Ascended Master’ because as a minor deity, she could con tens or hundreds out of their life

savings. Additionally, instead of her having to go looking for victims to prey upon, the victims would come to her, drawn in like moths to the flame often with the same outcome.

Occult Thief Devra Patton West sits on her throne and lords over the sheeple as they hang on her every word. Jack West, Devra West's ex-husband accomplice in organized crime since the 1970's, sits amongst the new intake just as he did in 2000 when the whistle-blower was recruited from a meditation group he chaired.

His role is to meet, greet and circulate amongst the potential recruits to the cult to see which is wealthy, which has influence and who would be useful as low paid or no-paid labor. This well-oiled criminal conspiracy has not changed in its approach in two decades or more and why should it? As Devra and Jack West's guru / cult / extortion business model has netted tens of millions of dollars a year for **'world service'** and yet no records exist of funds going anywhere except to fund her lavish lifestyle costs.

Accordingly, she signed up for a two year course at **'Robert Jaffe School for Energy Mastery'** which she attended between 1990 & 1991. Here is what fellow pupil Satya, also attending the school at the same time, had to say about Devra Patton West....

"I lost many friends / colleagues who remained under her spell for many years-many of whom were bright sensible evolved people who had no idea that they were dealing with a **deeply troubled psychopathic person/personality.** (Devra had earlier convinced me to give \$6,000- to a scheme she either > invented or was involved with.) In retrospect- Devra is/was a brilliant, powerful, **manipulative, delusional psycho/socio path** and it saddens me to see that her illness and her destructiveness and manipulation of others has escalated over the years. She is a powerful and charismatic personality- as most psychopaths are- and is it very tragic that she abuses her power to abuse and victimize > others. This is what they do and how they survive.

Note that Satya too was conned out of \$6,000 (probably used by Devra West for **'world service'**) and note that she described Devra west as a "deeply troubled psychopathic person/personality." You can read the entire content of Satya's email by going [here](#).

Regarding the state of Devra West's mental health; below is an excerpt of what Tanya Hurley, Devra West's personal assistant between 2002 and 2002 had to say about her. You can read the email in full by going [here](#).

"In closing, it is my opinion that Mrs. West is mentally ill and is a danger to herself and others. I was very damaged from my involvement with Mrs. West, physically, mentally and spiritually. I don't want to keep silent and allow it to happen to someone else."

I will now review some of the shocking examples of what Devra West calls **'world service'** and, to illustrate the huge gap between what this compulsive liar **says** on her website and what she actually **does** in real life. I'll also insert, amongst her **'world service'** efforts some of the 'catchy phrases' / mental constructs (Royal Path, Enlightened Endeavor, Master Teacher etc.) that she uses as part of the subliminal propaganda with a little artistic license from me to portray the true nature of the beast!

RISHI OF THE ROYAL PATH
Enlightened Teachings for a New Potential

Welcome to the Divine Embrace...

The following examples, in reverse chronological order, occurred during Devra Patton West's incarnation as the Ascended Master 'Surya Ma' in Lakeside Montana between 2005 and 2011.

1. Arrest Warrant for [Felony Theft](#) December 16 2009.
2. Judgement against Devra West (and son Chris Haywood) [for fraud](#); both had ignored the court proceedings brought against them by 'Top to Bottom Construction.'
3. Arrest Warrant for [Criminal Check](#) Fraud April 16 2008.
4. Conviction for Assault April 2008; Newspaper article [announcing conviction](#), Devra West's [written admission](#) of April 17 2006 that she had assaulted Dr. Cole MD, West's denial

and subsequent [clarification by newspaper](#) that West was guilty.

A METAMORPHOSIS OF AWAKENING

Devra's Names of Endearment

5. **Judgment** handed to the whistleblower in October 2008 by a Montana court finding that Devra Patton West had defrauded him; newspaper article in [Ravalli Republic](#) announcing judgment.

6. On 20 May 2008, Devra West became the subject of a [Sheriff's Sale](#) to force her to pay \$2,000,000 in court fines and interest to her creditors arising from her earlier **'world service'** efforts as the Ascended Master Devra Ji between 1995 and 2004.

7. In 2007, Devra West's criminal activities became the subject of two newspaper articles published in the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers. While these two articles are informative, they do not truly show the scope of West's criminality, most of which is hidden inside the cult.

8. The fraudulent depiction of a multi-million dollar lakeside property on her website and in her brochures as belonging to her; this property described as 'Surya Ma's Abode' in reality, belonged to Robert & Tabby Ivy, who over a two year period repeatedly asked Devra West not to use images of their property. See July 12 2007 [Whitefish Pilot](#) news article for details.

ROYAL PATH MASTER TEACHINGS

Essential Truth for the Modern Seeker

9. Also on July 12 2007, Devra West appeared in court as a witness for her son in his attempt to get custody of his infant daughter from his estranged wife. During her appearance in court, Devra West described her businesses as [multi-billion dollar enterprises](#) even though at the time, she had a lien against her for [unpaid employment insurance](#) and was in the process of being evicted from two rental properties in quick succession.

10. While in court, she was asked by counsel about the many ex-employees that had posted statements on the whistle-blower's website, alleging that they were mentally and physically abused by her. The Master Liar's response was to say that many of those mentioned on the whistle-blower's site were [fictitious or fabricated](#). Below is a graphic which shows how her 'business model' works; the photograph contains most of the employees (and some students) that Devra West says do not exist!

11. Devra West, with the aid of senior cult member [Geoffrey Reynolds CPA](#), had fraudulently applied for \$30,000,000 in CPEA grant money; when the grants were denied Devra West, owing millions in court fines, decided to ‘harvest’ one of the wealthier members of her cult – Dr. Pat Cole MD.

12. Devra West is a vicious and violent criminal who uses her occult knowledge to terrorize both victims and witnesses into silence. Here is a short excerpt from a harrowing email [entitled ‘Help Me’](#) that Rebecca West (no relation to Devra West) sent to the whistleblower in March of 2007 – Rebecca being a friend of Dr. Cole’s and a witness to Devra West’s brutality towards her.

“I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. **I need support in how to deal with her shamanic witchcraft.** Can you tell me more?”

Clearly, the con artist Devra West could not allow news of her brutality towards members of the herd trapped inside her cult to escape into the public domain it might interfere with her multi-million dollar a year ~~fraud scam~~ **‘world service’** efforts!

SACRED KNOWLEDGE

Illumination for the Modern Initiate

Also in 2007, the whistleblower was contacted via his website by Michelle Fetveit a Lakeside MT neighbor of Devra West’s after she got into a ‘water dispute’ with Devra West. As with Rebecca West (and countless other victims) Michelle reported being the subject of ‘occult’ attacks and was also woken up at 3.00 am each morning. The whistleblower has never met either of these women and yet they both report being subject to the exact same phenomena – the

common denominator being Devra West. Follow [this link](#) to hear what Michelle Fetveit had to say.

13. Around this time Devra West, already a Master in what she calls the malleable fluidity of reality (lies, deceit and propaganda) announced that she was single handedly [holding open the gates of time!](#) This in addition to an earlier statement to her students insisting that her two doctorates were [presented to her by the Christ](#) in person.

14. On or around the 14 April 2006, Devra Patton West viciously assaulted Dr. Pat Cole MD who was both a 'student' and business partner of Devra West's. The assault was part of a well-orchestrated campaign of violence aimed at extorting \$1.3 million from Dr. Cole, which Devra West succeeded in doing. This story, along with many other crimes being carried out by Devra West at the time, is covered by two news articles that were published by the [Whitefish Pilot & Bigfork Eagle](#) on July 12 2007 and August 9 2007 respectively; see point (7) above.

15. Following the assault, which shocked many of the witnesses present, Devra West issued a written statement to her entire mailing list seeking to justify the assault by saying that the victim was a Nazi in the WWII death camps in another lifetime and that though the assault was severe, it was at all times administered with grace. Here is a link to the missive she sent out after the assault it is entitled ['The Law of Severity on the Path to Purification'](#) evidence enough that Devra West is a dangerous psychopath. Devra West would later deny that she had assaulted Dr. Cole MD, fail to turn up for court hearings and was found guilty by the courts in April 2008.

The following examples, in reverse chronological order, occurred during Devra Patton West's incarnation as the Ascended Master 'Devra Ji' in Victor Montana between 1995 and 2005.

16. In 2005, after her Victor MT charity was struck off, desperate for funds and owing \$2,000,000 in court fines and interest to creditors Devra West, still posing as the Ascended Master Devra Ji, [wrote to her mailing list](#) in an attempt to bully the individual rank and file cult members into giving up to 66% of their net worth to her. Within that missive she made the following statement. **"It will be your privilege to seed my financial transition."**

The problem of financial withhold and the mistrust of my ability to properly assign the direction of finances is not a suitable environment for me to unfold this work. It is toxic and limiting. I continue to hope that you will see the light and break free. It will be your privilege to financially seed my transition. It is not my need, but rather it is your need. My due is Truth of Balance with each of you. This is the criteria for standing as my circle of light. My needs will be met in any case. This is your window of opportunity to come clean, naked and innocent of the Dweller. As you do your mind will become clean and in White Light receptivity for the Lord's Holy Plan on Earth.

Was all this money for Devra West's 'world service' efforts or to pay her creditors the \$2,000,000 she owed in court fines and interest? We know that the 'sheeple' in the cult did not pay up quick enough hence the need to extort \$1.3 million from Dr. Pat Cole MD. The \$2,000,000 she owed would become the subject of a Sheriff's Sale in 2008.

17. In 2005, some eighteen months after issuing legal proceedings against Devra West for fraud, the whistleblower became the subject of a campaign of defamation, character assassination and dirty tricks at the hands of Devra West and her cult. This took the form of a [defamatory statement](#) posted on Devra West's website by three of her cult members amongst them Dr. Julio Williams MD. He also received a [threatening email](#) from Julio Williams MD, stating that he was personally going to fund Surya Ma's legal expenses to the tune of \$2,000,000 and that the whistleblower should not "fu*k with him or else."

The whistleblower was also advised by a friend still in the cult, that Devra West had ordered her employees to 'manufacture' false statements about the whistleblower or be fired for refusing! [This link](#) leads to an email from a member of the cult, who later retracted her false statement.

18. Ingrid Bayer, a teacher at Devra West's unaccredited school, wrote to the whistleblower stating that her 6 year old son had been abused by Devra West; here is a short excerpt from Ingrid's statement which can be read in full by following [this link](#). "I am a firsthand witness to the physical and emotional abuse from Devra as I experienced it myself, as well as witnessing the abuse of my 6 year old son by Devra."

Perhaps Ingrid's 6 year old son represented a threat to the beast's 'world service' efforts?

19. Lisa Swidler, student and confidant to Devra West, died suddenly and mysteriously of 'natural causes' after witnessing two serious crimes that were committed by Devra West against two other students to West's unaccredited school. Lisa broke away from the cult and died shortly after, leaving behind two small children under age ten. The whistle-blower believes she was murdered by Devra West to keep her quiet.

20. Sometime in 2005, Devra Patton West without a business container to run her fraud scam from and heavily in debt, allegedly kidnapped student [Marion Cantwell](#), held her captive, beat her and only released her after Marion agreed to 'donate' tens of thousands of dollars from the sale of her home to Devra West. I suspect this money was not for **'world service.'**

21. [Dave Kushner](#), a student of Devra West's, was defrauded out of \$30,000 by Devra West this money supposed to be a two week bridging loan. Dave Kushner never got a penny back and Devra West refused to ever speak to him about it. Rather than become a murder victim Dave Kushner decided not to go to the police or to court for restitution even though he had a signed agreement from Devra West in respect of the loan! As Devra West made clear to the whistleblower in 2003 [her agreements are worth nothing!](#)

22. In 2004, student Mike Hendrickson was defrauded out of \$200,000, as after signing a note at the bank to guarantee the charity's overdraft of \$200,000, Devra West emptied the bank account and put the \$200,000 in a personal trust fund for herself and her eldest son, Rob Meador. Mike is mentioned in the [Whitefish Pilot](#) news article; he too chose to walk away rather than become a potential murder victim.

23. At around this time, the whistleblower received [an email from Judy Morris](#), an ex-student / cult member, that was part of Devra West's European group of students informing him that many of the European students had taken out loans and mortgages to give money to Devra West. They were told, and I quote, "The more they gave the more God would love them."

24. Around this time, according to another student, Elaine, who wrote to the whistleblower in 2009 about a conversation in 2004, Devra West bragged about her ability to attract wealth – no mention of 'world service' here is an excerpt from Elaine's email.

While Devra is obviously a pathological liar, she unwittingly reveals herself quite frequently because she can't keep her own mouth shut and so loves to brag. This was more than five years ago -- in the course of bragging about her ability to attract wealth, she explicitly stated **she doesn't have any bank accounts because she didn't need them in order to be wealthy.** She then pointed out that at that very moment she was wearing **\$250,000 worth of emeralds.** And she implied she had a lot more than what she was wearing. She's so sure she's smarter than everyone else, I doubt the jewels are very far away and **I strongly suspect she has at least a million in jewellery.**

Maybe the jewelry, precious metals and the millions in artwork and valuables stolen from the Montana charity will be combined to fund her **'world service'** efforts?

INSPIRATION FOR THE PATH

Wisdom Posters for Home and Office

25. In 2004, having had her charity, The Circle of Divine Unity, struck off for fraud in November 2003, Devra West perpetrated a massive fraud on that charity which resulted in her stealing a property from the charity paid for by public donation worth \$1,250,000 (2003 valuation) which she put into a personal trust fund for her and her son Rob Meador. Former board member of that charity [AJ White](#) describes the theft of \$80,000 from that charity by Devra West and the conversation she had with Devra West about the charity's finances during which Devra West stated that all the money belonged to her!

26. At the same time, Devra West stole \$4,000,000 (2002 valuation) of artwork and valuables and hid them in a lock-up until the statute of limitations on theft passed, at which time in 2014, these items appeared at auction in Cave Creek AZ and as for sale from her website. In a statement given under oath (she is a compulsive liar) while being [deposed in October 2009](#) Devra West stated that the art work and valuables on a list shown to her by the lawyer did not exist, were not hers and if they did exist were stolen.

These are the very items that were being auctioned by her in 2014 or as for sale from her website; many of these stolen items they are still being advertised for sale as the 'Rishi Collection' from her website under the ['art gallery'](#) tab. Who says organized crime does not pay.

THE RISHI COLLECTION

Sacred Art & Antiquities

27. On November 23, 2003, Devra West's charity 'The Circle of Divine Unity' was struck off the Montana charity register after rampant fraud was discovered by Devra and Jack West who were found to be using public money given as donations for certain projects being used to fund their lifestyle costs including the purchase of jewelry by Devra West.

28. In March of 2003, Devra West asked for and was given an opportunity to meet with the whistleblower in private at his property in Victor MT. Notionally the meeting was to see if they could settle their differences without going to law; fearing some kind of trick or stunt by Devra West the whistleblower made an audio recording of their encounter which turned out to be nothing more than Devra West threatening him if he went to law. Here are some of the highlights; follow the links to learn exactly what kind of **'world server'** Devra West really is!

[**You are f*cking over a spiritual teacher.**](#)

[**I'll get so f*cking down and dirty, huge expenses coming out of your pocket not mine!**](#)

[My agreements mean nothing.](#)
[I dispose of people like Kleenex.](#)

29. In 2002, while attending a function held in Montreal by Devra West, student [Beatrice McGuire](#) was viciously assaulted by Devra West to the extent that she needed plastic surgery to repair a torn ear. The reason for the attack was that Beatrice challenged some of the obvious lies being spouted by Devra West. Although the attack took place in front of scores of witnesses, Devra West later stated that her recollection of the incident was different to that of the victim's. None the less, Devra West had her charity pay the medical costs of repairing Beatrice's ear.

30. In 2000, employee [Susannah Felder](#) was viciously attacked by Devra West with the result that Susannah was partially scalped by Devra West. Apparently Susannah had challenged Devra West about an \$80,000 donation that Devra West had stolen from the charity to pay for her son's legal fees. Ex-board member, AJ White's statement deals with this, the theft of the \$80,000 and the assertion that all of the money raised publicly was for Devra West's personal use and not for the stated intentions given when the funds were raised.

This completes the list of 23 shocking examples of Devra Patton West's **'world service'** efforts though according to the [records given to the Flathead sheriff's](#) department in Montana by Dr. Pat Cole MD there were many similar complaints of mental and physical abuse made by employees and students in New Mexico.

Devra West has literally gotten away with murder, probably on more than one occasion and perhaps on many. Those inside the cult know that. This is why the likes of Dave Kushner, Marion Cantwell, Mike Hendrickson and perhaps scores of others chose to walk away after becoming the victims of serious financial crimes rather than risk being murdered, like perhaps Lisa Swidler, or becoming the victims of a murder plot, like Dr. Cole MD, or attempted murder like the whistle-blower.

Devra West would have been jailed for life many years ago but for her ability to intimidate, injure and kill with plausible deniability. However, the other reason she has stayed out of jail is because she has a ready supply of accomplices who are prepared to give her false witness statements, lie for her to the police and in court, and join with her in attempts to intimidate witnesses and victims. Take the assault on Dr. Cole MD and the fraud perpetrated upon the whistleblower by Devra West; two crimes in a long list of crimes committed by an occult thief, Devra West, which she thought she would get away with for the reasons explained above.

THE DIVINE SCIENCE OF ENLIGHTENMENT

Royal Path Master Teachings with Rishi Devra

However, when both these crimes, along with dozens of others were made public by the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers in July and August of 2007, the senior members of Devra West's cult, Geoffrey Reynolds CPA, Julio Williams MD and ex-husband Jack West all participated in a campaign of lies and disinformation which included:-

1. Publishing statements of denial on West's website asserting that Surya Ma (AKA Devra West) had never assaulted Pat Cole MD and similarly denying that the whistleblower had ever been defrauded by Surya Ma (AKA Devra West).
2. They also mounted a campaign of intimidation against the two local newspapers, asserting that the stories about Devra West's criminality were, amongst other things, religious persecution.

Criminal Mastermind, occult thief and suspected serial killer Devra Patton West controls senior cult members (from left to right) Geoffrey Reynolds CPA, Julio Williams MD and ex-husband Jack West as though they were marionettes without any choice but to do her bidding.

Here [is a link](#) to four statement of denial posted on West's websites by Geoffrey Reynolds CPA. Two by Julio Williams MD and one by ex-husband Jack West. Below, are short excerpts from each of their statements; each individual totally aware of the crimes listed above and each willing participants in Devra West's murderous criminal conspiracy.

Geoffrey Reynolds CPA

"I have worked for Rishi Devra for the past 6 years; I am honored that she allows me to help her!" And, "Rishi Devra has been guiding my life for many years." End quote.

Geoffrey Reynolds CPA - 2014

The above quote from a Social Media posting designed to attract victims from his old home town of Cave Creek AZ, where he practiced as a CPA, before moving to Montana to join Devra West's cult in 2006 where he covered up the cult leader's crimes and money laundered \$470,000 extorted from Dr. Cole MD in 2006.

Dr. Julio Williams MD

"There are simply no words to express the profound nature of sitting with a Spiritual Master of Rishi's caliber of presence. One can imagine having a private retreat or intensive with a 'virtual wellspring of divinity' but to actually experience it leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."

Julio Williams MD - 2016 cardiologist and thoracic surgeon, avid seeker

The above gushing testimonial currently appearing on the Occult Thief's website.

Jack West

"To all who value the truth. There is nothing in his account of Dr. West's circumstances that bears any resemblance to the truth of her situation. She remains as utterly free of wrong doing and as ethically virtuous as any human being can be." End quote.

Jack West - Senior Cult Member and ex-husband of Devra West's.

The above statement from 'liar for hire' Jack West shortly before his ex-wife and partner in crime Devra West (who is not a doctor of anything) was convicted of assaulting Dr. Cole, was the subject of two arrest warrants (one for criminal check fraud and one for felony theft) and the subject of a Sheriff's Sale to force her to pay her creditors \$2,000,000 in court fines and interest!

Geoffrey Reynolds's involvement in organized crime did not stop at writing what he knew to be lies, deceit and propaganda, in an attempt to keep the multi-million dollar fraud scam going as the 'money man' Reynolds was front and center of the criminal conspiracy as the following list shows.

1. It is clear from the correspondence between the whistle-blower and [Rebecca West](#) and [Carlida Finch](#), both employees of Devra West's at the time of Devra West's assault of Dr. Cole MD, that Reynolds was aware that Devra West had assaulted Dr. Cole MD. However, because Reynolds had loaned \$300,000 to Devra West, Reynolds made the choice to at first turn a blind eye to her crimes then later join in and become a full participant in those crimes.
2. In the interview Reynolds gave to the [Bigfork Eagle](#) on August 9 2007 he not only denied that Cole's injuries were caused by West's assault but went on to state that Dr. Cole MD owed West 1.3 million \$470,000 of which was for an "internship" and for "therapy."
3. It is clear from Reynolds's own statement to the [Bigfork Eagle](#) that he had money laundered the proceeds of crime through West's business making it look like the receipts of normal business trading. What makes this even more obvious is that his immediate predecessor [had resigned](#) rather than be forced by Devra West to 'manufacture' false invoices!

INSPIRATION FOR THE PATH

Wisdom Posters for Home and Office

4. In what Reynolds thought was an 'off the record' conversation with the Bigfork Eagle reporter, Reynolds confided that the whistleblower would be dead within 12 months or in jail for retaliating at what Devra West was going to do to him and his family. The reporter took it seriously enough to report the threat to a federal agent. Three weeks later, an attempt was made by Devra West on the whistleblower's life. Had that attempt succeeded, then the whistleblower, like Lisa Swidler and perhaps many others, would have been murdered at the hands of Devra West by 'natural causes.' All part of Devra West's **'world service'** efforts.
5. In November 2007, Reynolds wrote an email to the whistleblower's web hosting provider claiming copyright over Devra West's written admission that she had assaulted Dr. Cole MD entitled, ['The Law of Severity on the Path to Purification'](#) yet more proof if needed that West was guilty as hell and that Reynolds knew it all along!

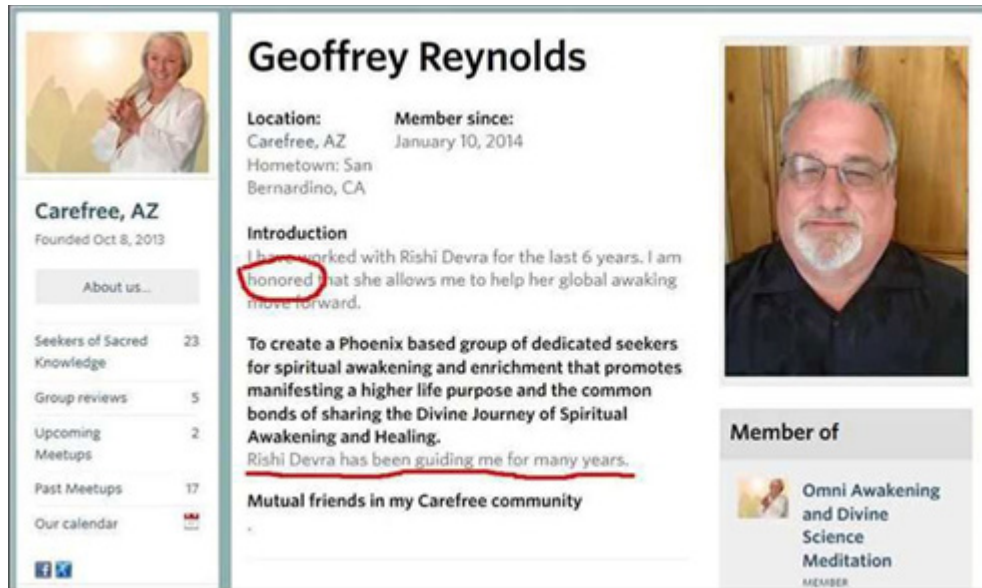

LIVING THE DIVINE LIFE

Emergence of a Lotus Born

6. In 2010, Geoffrey Reynolds CPA went before a Montana court and lied through his teeth on behalf of Devra West, in an attempt to force down the whistleblower's websites. The whistleblower, having emigrated abroad in 2005, could not afford to challenge Reynolds & West's lies, so his websites got forced down and they each received a non-defended default judgment in the amount of \$5,000,000 in respect of their defamation claims – which is the information you are reading now! Here is a copy of [Reynolds' pleadings](#) to the court and you won't need to be a genius to see that Reynolds's claims are not only totally false but could not impossible be true!

And finally, below is a statement issued by Geoffrey Reynolds CPA on behalf of the leader of his cult / criminal organization in 2014.

The above 30 examples or **'world service'** are the tip of the iceberg.

DO YOU THINK THAT DEVRA WEST IS A 'WORLD SERVER' OR IS IT MORE LIKELY SHE IS AN OCCULT THIEF / SUSPECTED SERIAL KILLER WHO DRESSES LIKE A GREEK GODDESS BECAUSE SHE HAS GOTTEN AWAY WITH MURDER BEFORE AND EXPECTS TO DO SO AGAIN!

As the whistleblower and other victims of crime have found to their cost, if you do not go quietly into the night, she will try to kill you and she will use scum bags like Geoffrey Reynolds CPA not only to achieve that end, but to cover up the crime, all the while spewing propaganda out on her websites to the effect that she is the victim and not the scores of others who have gone through the meat grinder that is her guru / cult / extortion business.

If murder, attempted murder, conspiracy to commit murder not to mention theft, fraud, extortion, money laundering etc. are still crimes, it is time to bring Devra West and Geoffrey Reynolds and the rest of the cult in for questioning. In the meantime, anyone from the media wishing to interview the Ascended Master Rishi Devra can do so via the **'contact' coordinates** on her Omni Awakening website. However, do not be surprised if her **'world service'** commitments result in her being unavailable!

As for Geoffrey Reynolds CPA, he is currently 'moonlighting' at an Olympia WA firm of accountants called McSwain & Co. believing that he can walk away from what he has done without setting matters right, or without consequence to himself and his family. He can be reached via [McSwain and Co.'s website](#).

CAN WE BE OF SERVICE?

We'd love to hear from you

As you can see from the image above, the cult and Devra West would love to hear from you....! You can do your part to stop others in your community from becoming victims of this dangerous psychopath and her cult by circulating this email to others in your contact list and via social media.

And FBI / Law enforcement be aware that although Devra West has given up ambitions to murder the whistleblower, the campaign of 'under the radar' violence continues day and night, as it does with all the victims who go public about her **'world service'** efforts.

Thanks for your time.

Richard Squires.
