

Once again, I appeal to the FBI and Local law Enforcement in the Carefree / Cave Creek area of Arizona to open an investigation into gang leader / domestic terrorist Devra West and her accomplices; namely Dr. Julio Williams MD, Geoffrey Reynolds CPA and Jack West, all seen below here.

Devra West – Occult Thief / Con Artist & Self Appointed Deity

Jack West – Con Artist / Liar for Hire & Accomplice to Organized Crime

Geoffrey Reynolds – Liar for Hire & Accomplice to Organized Crime

Julio Williams – Liar for Hire & Accomplice to Organized Crime

In my opinion, and based on the information I have seen, I believe that Devra West is a very dangerous criminal whose crimes include theft, fraud, extortion, violent assault, attempted murder and with one very convenient and suspicious death, a murderer and possibly a serial killer to boot. In a previous communication, I posed the following question, “if Devra West, in the course of committing crime on an industrial basis, uses a ‘weapon’ that is not regarded as a weapon by legal statute are the crimes she commits – crimes? To be clear, if the whistleblower’s friend, Lisa Swidler, was murdered by Devra West in 2005 using an occult weapon, is it still murder?”

To be clear, there is evidence that over the past 26 years, scores of individuals have become the victim of theft, fraud, extortion, violent assault and even attempted murder at the hands of Devra West. The question is: are these still regarded as crimes if the weapon she used in the process of committing these crimes not regarded by legal statute as a weapon? I mean, countless victims have been forced to give up hundreds of thousands of dollars or in some cases their life savings and, in the case of student, Lisa Swidler (a witness to two serious crimes by Devra West), her life!

Certainly persuading a court that Devra West is using occult (hidden) knowledge to commit serious crimes might be difficult, which is why over the past 26 years tens of millions or even hundreds of millions of dollars have been acquired from victims and logged (if they are logged at all) as ‘donations.’ Similarly, any deaths (murders) caused by Devra West while committing or trying to cover up these crimes, are ruled as death by ‘natural’ causes because the authorities are totally ignorant of what she is capable of and if you try to explain what is happening they think you are crazy. So while bragging about her “healing” abilities to the media and although there are a trail of victims, ex-employees, ex-students and ex-family members by marriage, all asserting that she has used the occult against them, no one wants to look under the rock to see what else lies there.

Before going on any further with Devra West’s murderous criminal conspiracy entirely predicated by her knowledge of the occult, let’s look at something else, not a million miles away in terms of subject matter that was in the news very recently.

## America: How 21 US diplomats were hit by hearing and memory loss - and even mild brain damage - after suspicious attack

The attacks have usually come at night. Many victims say they never noticed anything amiss. Others insist they have definitely felt or heard something — either vibrations or any number of odd sounds including a loud ringing, a scraping noise and a high-pitched chirping like the noise made by crickets or cicadas. Several said the noises came in minute-long bursts.

I am sure the FBI has heard of this story. Indeed, your colleagues may be involved in investigating these matters. On the face of it, this story sounds somewhat like the whistleblower's (and the stories of many other victims of Devra West's) because it sounds rather fanciful and, given the poor level of education and understanding of science, totally implausible. However, there are some common threads between this story and the story I am trying to get you to investigate:-

1. There are victims at the hands of a hostile government – in this case, victims whose health has been demonstrably damaged.
2. The victims / witnesses are of a high caliber; that is to say, they are believable.
3. The weapon used is not understood or at least not publicly admitted to be understood.

I can tell you from my own studies, that technology being used does exist and if Veterans Today and other publications are to be believed, the CIA, MI6 and all the other alphabet agencies possess variants of this type of 'directed energy' weapon for use against individuals they see as a threat either to the status quo or to national security. Some directed energy weapons rely on line of sight (short range microwave) and can allegedly induce a heart attack in the victim that looks like – a natural heart attack! In the story described above, it seems that the brain is the target!

My point here is that shamans have been doing this kind of thing for thousands of years, maybe much longer, and they do not need physical apparatus to achieve the same result. Those living in North America or Europe hundreds of years ago knew this; that is why they started burning or drowning 'witches' because those that went rogue (like Devra

West) preyed upon the communities within which they lived and made the lives of those around them a living hell (like Devra West does). Similarly, those living NOW in the undeveloped parts of Africa, South America or Indonesia know that shamans possess these abilities but most have the spiritual understanding to use their knowledge for the good of their communities.

I will leave you guys at the FBI to investigate what is going on in Cuba, but one thing all of us can be sure of is that there is no smoke without fire. In Cuba there is a government that is 'hostile' to the USA, there are victims (and witnesses) who are of a high caliber such that their statements should be taken seriously and finally there is a weapon that is not yet 'understood.'

Now let's turn to Devra West and her accomplices.

## **Is Devra West hostile, a psychopath with criminal tendencies, or misunderstood and clumsy guru?**

There is much evidence that indicates that Devra West is a psychopath with criminal tendencies or rather that she is criminally insane. Prior to her attendance at the '[Robert Jaffe School for Energy Mastery](#)' (itself a cult) between 1990 & 1991, Devra and Jack West were known to be small time criminals conning individuals out of thousands of dollars at a time. A statement from [Jeremy Samuelson](#) about Jack and Devra West bears this out. Another statement from [Satya](#), who attended the course with Devra West between 1990 & 1991 also bears this out. As well as being conned out of \$6,000, Satya described Devra West as a deeply disturbed psychopathic person / personality – remember this was 26 years ago and Devra West has (de)evolved quite a bit since then, as we shall see.

Between 1991, at which time Devra West declared herself to be an Ascended Master and now Devra West has changed her identity three times (Devra Ji, Surya Ma and currently Rishi Devra) and moved her criminal business model between three western states (NM, MT & AZ) where they either do not understand 'white collar' crime or, because of lack of resources, choose not to prosecute it.

Surya Ma 2005 to 2011

Devra Ji 1995 to 2004

Alias 1991 to 1995??

**New Mexico – Until 1995.** Not much is known about Devra West's time in New Mexico, but one victim, Dr. Pat Cole MD, did know something. Here is an excerpt from what her friend, Rebecca West (no relation to Devra West) had to say in an email she sent the whistleblower in March 2007.

***"These files include statements by persons who previously worked for Devra West, citing dozens of abuses and dating back to 1995 in New Mexico (most are already court documents on record in Ravalli County, MT). At least 6 boxes of these files***

were recently removed from Attorney Karl Rudbach's Kalispell office, all belonging to the non-profits (Pat Cole).

**In addition, Patricia Cole contributed some \$750,000 combined assets and credit directly into Devra's personal and private accounts to pay for her living, housing, travel, staff payroll, personal assets, extravagant lifestyle, and bounced checks/fines. The information contained in these files may be relevant to Pat Cole's civil suit and Devra's non-compliance with the Judge's order constitutes withholding or potentially tampering with evidence.**

**Victor MT calling herself 'Devra Ji' 1995 to 2004** – The following image gives details of some of the crimes committed by Devra West during that time period. Bear in mind, most crimes are committed against cult members and remain hidden inside the cult.

9. West's son's [criminal record](#). Like mother like son?
10. [Arrest Warrant](#) for felony theft.

After all the publicity around Devra West's criminal activity in Lakeside MT, it became obvious that the 'divine being' routine / propaganda spun by Devra West, Julio Williams MD and the rest of the cult would no longer fly in Montana. So, reluctantly they had to leave that state and move to fresh hunting grounds, which turned out to be Carefree / Cave Creek AZ – Geoffrey Reynolds' old home town before he moved to Lakeside MT to join her employ in September 2006. This departure was a little less dramatic than Devra and Jack West's departure from New Mexico which, according to Jack West, resulted in them leaving in the middle of the night with what they could carry being chased by an angry victim with a large gun.

It is clear that Devra West's criminal business model is entirely predicated on her ability to use 'under the radar' violence against the victims she targets. It is also clear that many of the victims are members of her cult who, prior to becoming victims of theft, fraud, extortion and violent assault are brainwashed and conditioned not to go to the police or courts for restitution. It is also clear that immediately the victim has been robbed, beaten and mentally and physically abused, they are ejected from the cult. They are deemed to be persona non grata by those remaining, and of course, Devra West invents a totally false excuse as to why the victim left. They are also always at fault, thus deflecting the blame away from her! This is what happened with the whistleblower, and according to Devra West's ex-secretary of 5 years, [Barbara Costantino](#), what happens every time someone leaves under a cloud.

So I think we have definitively answered the question posed above:-

## **Is Devra West hostile, a psychopath with criminal tendencies, or misunderstood and clumsy guru?**

And like all psychopaths, Devra West is 'hostile' to everyone who crosses her path. Indeed, it would be fair to say, based on her past behavior, that Devra West does not see people as people but as 'things' that she uses, abuses and then discards when they no longer serve a useful purpose to her. After defrauding the whistleblower in 2002, and after the whistleblower announced he was going to sue her for fraud in early 2003, she insisted on a private meeting at the whistleblower's home; a meeting the whistleblower recorded with a digital tape recorder.

The meeting consisted of Devra West trying to domineer, bully and intimidate the whistleblower. At one point, Devra West admits that she did defraud him out of wages and shares but that did not see herself writing out a check to him! You can listen to the entire meeting by going [here](#) but what follows are some short excerpts that perfectly illustrate the point that Devra West is a dangerous psychopath, and like all psychopaths, a prolific liar.

1. [\*\*If you sue me I'll get so f\\*cking down and dirty huge expenses coming out of your pocket and not mine.\*\*](#)
2. [\*\*My agreements are worth nothing.\*\*](#)
3. [\*\*I dispose of people like Kleenex.\*\*](#)
4. [\*\*You are f\\*cking over a spiritual teacher for Christ's sake.\*\*](#)

What is hard to explain to the reader is the complete lack of integrity displayed by Devra West as he advertises herself as a Spiritual Teacher, a Lotus Born, the keeper of the Universal Archives, and Ascended Master on the Royal Path etc. The deceit is hard to comprehend, but listening to her voice in the sound bites above, one begins to understand the truth which is that Devra West is criminally insane. She has to be, in order to treat people this way, but the lies and propaganda are nothing compared to the violence and the ease with which she threatens murder, attempts murder and, with Lisa Swidler as an example commits murder.

Above, while discussing the attacks on US diplomats in Cuba, I made the following three points:-

1. There are victims at the hands of a hostile government – in this case victims whose health has been demonstrably damaged.
2. The victims / witnesses are of a high caliber that is to say they are believable.
3. The weapon used is not understood or at least not publicly admitted to be understood.

That Devra West is mentally ill and very hostile is not in doubt. That there are scores of victims that have been physically and mentally abused, have been the victim of theft, fraud and extortion is not in doubt. Proving murder is a little more difficult but using the principle that there is no smoke without fire, let's now look at Devra West's use of murder (or likely use of murder) based on what witnesses have said.

Jack West told the whistleblower, during the short time they were friends in 2002, that some who had crossed his then-wife Devra West, had died suddenly. Let's leave that aside as hearsay.

In 2005, while the occult thief Devra West was calling herself the Ascended Master Devra Ji, the whistleblower was approached by [\*\*Dave Kushner\*\*](#), an ex-student to Devra West's unaccredited school for occult studies. Dave alleged the following:-

1. He was defrauded out of \$30,000.
2. His friend, also an ex-student, [\*\*Marion Cantwell\*\*](#) was kidnapped, falsely imprisoned, beaten and finally released after she was told that she would be murdered if she went to the police.
3. A witness to both crimes, a third ex-student, Lisa Swidler, immediately left the cult and shortly afterwards died of internal bleeding. The whistleblower can vouch that one of Devra West's favorite attacks is to direct 'energy' to the person's digestive organs, which can result in death.

**WAS ONE OF WEST'S SENIOR STUDENTS /  
TEACHERS MURDERED TO KEEP HER  
FROM GOING TO THE POLICE?**

I'd say we had a bit of smoke there, wouldn't you?

In July 2007, some 9 months after Devra West had viciously assaulted Dr. Cole MD (while extorting \$1.3 million from her) and about nine months before Devra West would be convicted of that assault in April 2008, news of the assault went into the public domain via the [Whitefish Pilot](#) news article. This was followed up by another news article published by the [Bigfork Eagle](#) in August 2007. In addition to the above, statements began to be 'smuggled' out of the cult by other victims of mental and physical abuse at the hands of psychopath Devra Patton West. One example of this came from ex-employee Carlida Finch, who was given the choice by Devra West of submitting to her will and joining the cult or be fired!

During the run up to the assault on Dr. Cole MD in April 2006, Carlida Finch overheard Devra West planning the murder of Dr. Cole MD, who was only spared from being murdered because she handed over her entire net worth estimated at \$1.3 million to Devra West. Below is a small portion of the statement that Carlida Finch made to the authorities. You can read the entire statement by going [here](#).

**Left Employment Due to Dissatisfaction with Working Conditions**

What working conditions were you not satisfied with?

Dr West was verbally abusive daily with Dr. Cole her "disciple" she attributed it to the "Law of Severity" required for spiritual enlightenment. Some time between Jan and Mar 2006 I overheard Devra tell Pat the she would "take a hammer and break every bone in her hands" Devra later told me that she did not care if she killed Pat because she, as an enlightened being had no ego so could spend her life in prison as easily as in a 6 million dollar home. On April 17th Dr. Cole came to work with bruises on her hands and wrists. I asked her about them and she said that she had whacked them. On April 22 I found a document written by Devra, it was an account of her asking the Masters about the "altercation" with Dr. Cole. According to Devra the Masters are the Shamballa Council, a group of enlightened beings that she meets with regularly in her meditations.

Above we read that Devra West, totally relaxed at the prospect of murdering Dr. Cole MD, demonstrates once again that psychopaths do not see people as people, but as things to be

disposed of once they have served their usefulness. And clearly, Dr. Cole had served her usefulness at that point.

In August 2007, while speaking on behalf of his employer, Geoffrey Reynolds CPA gave a statement to the [Bigfork Eagle](#) reporter, Constance See, that was riddled with lies, deceit and misinformation which we'll get to shortly. However, what he did say, in what he thought was an 'off the record' comment and which turned out to be entirely truthful was that, and I quote, "The whistleblower would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family." End quote!

### **Some ten days after this threat, there was a credible attempt on the whistleblower's life which he would love to share with the FBI in person!**

Note Reynolds' comments that the whistleblower would be dead or in jail for reacting to what Devra West was going to do to him and his family. The occult attacks against the whistleblower and his family started in December 2006, when it looked like his lawsuit against Devra West was going to be successful (which it was in 2008) – these assaults, this 'under the radar' violence, has now continued for nearly 11 years! Recently this violence has increased in intensity as Devra West, believing that the whistleblower is once again directly responsible for 'outing' her criminal conspiracy to law enforcement and the public, tries to intimidate or murder him.

Now let's once more compare the fate of the Diplomats at the US Embassy with the victims of Devra West's murderous reign of terror (and yes, she should be treated as a domestic terrorist – how many victims of terror does it take?).

1. There are victims at the hands of a hostile government – in this case victims whose health has been demonstrably damaged.
2. The victims / witnesses are of a high caliber that is to say they are believable.
3. The weapon used is not understood or at least not publicly admitted to be understood.

While the weapon, as indicated in point 3 above, is not understood there clearly is a weapon in play because there are victims and so it is in the case of Devra West. We need look no further that the two following statements; one from egomaniac (and why not if you can commit murder repeatedly and get away with it) Devra West, and the other from one of her terrorized employees, Rebecca West (no relation) a witness to Devra West's violence against Dr. Pat Cole MD.

The following is an excerpt from Devra West's statement given to the [Whitefish Pilot](#) on 12 July 2007.

***West claims to have been trained in shamanic visioning and healing by Native American elders and to have been both a Cheyenne medicine woman and General George Patton in past lives. She also claims her "gifts" can heal people with various illnesses, including leukemia, and she plans to teach what she knows to cardiologists and other physicians when her plan for healing spas unfolds. "If you ever saw me heal, you'd be down on your knees crying like a friggin' baby," West said.***

And this from Rebecca West, a witness to Devra West's vicious assaults on Dr. Cole MD, and like the victim of the assault Rebecca was being targeted by Devra West with her "healing abilities" in the hope she could intimidate one into withdrawing the assault charge and the other into changing her witness statements. Below here is an excerpt from one of the harrowing emails that Rebecca West sent to the whistleblower asking for help!

***"I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. I need support in how to deal with her **shamanic witchcraft**. Can you tell me more?"***

***I suggested that since Devra owes Pat over \$700,000 maybe she has contacted you! I very much have the support of local law enforcement as the photos of Pat's beatings candidly show the truth and which she calls **Core Impacting and/or Shamanic Blows!*****

Back to the present! During the past week the whistleblower has been the subject of the following attacks by Devra West – there is absolutely no doubt that she is the source of these attacks.

1. What Rebecca West described above as "**shamanic** core impacting attacks to the head." These are designed to injure maim or kill with after effects similar to that of concussion.
2. Attacks to the heart – feels like a spike going through the heart.
3. Partial paralysis of the left leg.
4. Attacks to the digestive system – feels like a peptic ulcer coming on quickly.
5. Sleep deprivation – all victims report being waken up at 3.00 am.

The whistleblower has never met Rebecca West, and does not know Devra West's daughter-in-law, Jamie Haywood, nor has he met Devra West's neighbor, Michelle Fetveit, who also became the subject of occult attacks after getting into a water dispute with Devra West in Lakeside MT in 2007. The one common denominator is Devra West!

**What I am trying to say here, loud and clear, is that Devra Patton West is a **cold blooded killer** who, using a weapon not fully understood, has gotten away with murder, probably on one occasion (Lisa Swidler) and probably on multiple occasions if the calmness with which senior cult members Geoffrey Reynolds announced my friend's murder to the press.**

**What I am trying to say here is that Devra West has used that weapon for the past 26 years to commit the 'perfect crime' acts of theft, fraud, extortion and violent assault against countless victims who because of fear retribution, fear that they would not be believed by the authorities and fear that their families would be targeted have chosen to walk away empty handed.**

Victims like Mike Hendrickson defrauded out of \$200,000, like Dave Kushner defrauded out of \$30,000, like Marion Cantwell who had tens of thousands of dollars extorted from her after she sold her home. Victims like all of those who paid for the mortgage and upkeep of the property they thought was owned by a charity, only to see it stolen from the charity and put in a trust for Devra West and her son, Rob Meador. Victims like those who paid for and contributed art and valuables to the charity, only to see them, valued at \$4,000,000 in 2002 stolen, put in a lock up for a decade and then brought out and sold at auction in 2014. Some of these items are still being sold from Devra West's website as anyone can see if they follow this link to her 'art gallery' page.

Geoffrey Reynolds CPA

Dr. Julio Williams MD

Jack West

None of this would be possible without the help of accomplices; some lifelong accomplices like ex-husband Jack West, brainwashed and conditioned senior student Dr. Julio Williams MD and victim / opportunist / scum bag Geoffrey Reynolds CPA. Each have their motivations for being willing accomplices to organized crime which includes murder, though like Devra West they would rationalize that it cannot be murder if the weapon used is not regarded as a 'weapon' by legal statute!

In reverse order; there is not much to say about Jack West other than what Jeremy Samuelson said about him in an email he sent the whistleblower in 2007.

Dear John

I read your site with amusement I knew Deborah West back in the 70's and early 80's when she was Deborah Patton. She had no spiritual powers and was merely another person living the "hippie lifestyle" in Huerfano Valley, Colorado. **She subsequently married my land partner Jack West, a timid man with little experience with women. Suffice it to say she overwhelmed him and was soon "running him."**

She had a jewelry making business with him (they were also marijuana growers) I unfortunately loaned them \$10,000 and was of course never repaid; I had trusted Jack who was a moral man until she twisted his mind. There are many others who remember Deborah West as a powerful personality, willing to do whatever to achieve her ends. She never had any spiritual powers then or even claimed to and absolutely no one thought her a healer. It just goes to show that there is always someone willing to believe.

Yours, Jeremy  
Jeremy Samuelson

Jack West's main role in his ex-wife's cult is to move among the new recruits to see where the money is.

He's also used to clear up the mess after she has one of her violent episodes. Extreme violence often occurs against those who challenge her authority as a superior being such was the case in 2000 when [Susannah Felder](#) caught Devra West stealing \$80,000 from the charity to pay for her son's legal fees and ended up being partially scalped for challenging Devra West's right to plunder public donations for personal reasons. The

following morning at a meeting to discuss the incident Jack West and another cult member blamed the victim for the attack!

Or in 2002 when, giving a seminar to students in Montreal, she lashed out at student [Beatrice McGuire](#) who caught the divine being in a lie and had part of her ear ripped off as a reward for pointing it out! Then in 2006 Devra West, tired of waiting for Dr. Cole MD to cough up 66% of her net worth, repeatedly hit her over the head with the heel of her shoe until blood ran down the victim's face onto her blouse. It is all related in the [Whitefish Pilot](#) news article.

In spite of 26 years of non-stop crime, several serious assaults on other women and perhaps the odd murder or two Jack West still maintains that:-

*"She remains as utterly free of wrong doing and as ethically virtuous as any human being can be."*

*Ex-husband and senior cult member Jack West. 2008*

**What I am trying to say here, loud and clear, is that Devra Patton West is a **cold blooded killer** and her ex-husband and longtime accomplice, Jack West, is well aware of this. But what can a timid man that has been overwhelmed by Devra West and effectively been 'run' by her for 30 plus years do?**

### **Dr. Julio Williams MD - Liar for Hire & Accomplice to Organized Crime**

Julio Williams has been very aware of the revolving door policy to students and employees alike since he joined the cult in 2000, because of his brainwashing and conditioning, he chooses to rationalize the sudden departures as failings on the part of the victims of theft, fraud, extortion or violent assault rather than any failing on the part of Devra West! Apart from 'donating' the odd \$100,000 to organized crime to assist the 'world server' Julio Williams's main value to Devra West comes in the form of her using his 'perceived' respectability as a doctor and a heart surgeon to market her to the public as the 'second coming.' Though a [review of some of his patients](#) comments make it clear that he is not that well respected!

[Here is a link](#) of a posting he made on Devra West's website in 2006 to 2008 timeframe, when she was the Ascended Master 'Surya Ma.'

[Here is a link](#) that shows that he performed exactly the same function in 2014, when having been obliged to leave Montana, she moved to Arizona and morphed into the Ascended Master Rishi Devra.

And below is a more recent posting that Julio Williams made on behalf of the leader of his cult. Note the gushing testimonials that bear no relation to reality or the facts! Note also that Julio Williams actually rented a house close by to Devra West so that his, and I quote, "virtual wellspring of living divinity" could use that location to vet / cultivate future victims rather than the divine being use the "Abode of the Masters" where she resides.

## Comments from Students:

*"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" -*

**Julio Williams MD, heart surgeon and devoted seeker**

*"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."*

**Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker**

Julio Williams MD is totally aware of:-

Devra West's reign of terror as the self-appointed Ascended Master Devra Ji between 1995 & 2004 and her reign of terror between 2005 & 2011 and yet he is still out front marketing her to the public as a "wellspring of virtual living divinity" which is akin to marketing Hitler, Stalin or Pol Pot as social workers! Let us review some of the '**world service**' attributed to this "well spring of divinity" that Julio Williams MD would have been witness to since he joined the cult in 2005.

1. The violent assaults on three female members of the cult i.e. **Felder, McGuire & Cole**.
2. The whistleblower being defrauded by Devra West in 2002 and successfully suing Devra West with judgment granted against her in 2008. Along the way, Julio Williams tried to intimidate the whistleblower into withdrawing his lawsuit by sending him a **threatening email**.
3. The charity the Circle of Divine Unity **struck off** for fraud in November 2003.
4. Fellow students **Dave Kushner, Marion Cantwell** and **Mike Hendrickson** all becoming victims of fraud or extortion with a witness to two of the crimes, **Lisa Swidler**, dying suddenly and mysteriously.
5. On July 12 2007 Devra West described her business in court as being a **multi-billion dollar** enterprise.
6. In 2007 the **Whitefish Pilot** & **Bigfork Eagle** newspapers revealed the depth of Devra West and her cult's criminal activities in Lakeside MT. Amongst the secrets revealed was that Devra West was misrepresenting a multi-million dollar lakeside home belonging to Robert & Tabby Ivy, as belonging to her, referring to it as her Montana Abode. This, while being evicted in quick succession from two rental properties, while having a lien against her for unpaid employment insurance.
7. Williams would be aware of West's lies and her financial problems not least because he gave her \$100,000 during this time to keep the giant fraud scam going!
8. Two arrest warrants, one in 2008 for **criminal check fraud** and one in 2009 for **felony theft**.
9. Becoming the subject of a **Sheriff's Sale** to force her to pay her creditors \$2,000,000 in court fines and interest.

10. Fellow cult member, Geoffrey Reynolds CPA, announcing to the press on August 9 2007 that the whistleblower would be dead within 12 months or in jail for reacting to the occult violence directed at him by Devra West. This threat passed on by the reporter to a federal agent investigating Devra West's finances.

This is just the tip of the iceberg and yet.....

*"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."*

*Julio Williams MD 2017.*

Let us be clear, Julio Williams is well aware that Devra West is a Satanist and a cold blooded killer but like the other senior members of the cult, Williams relies upon the fact that that the weapon used to commit serious crimes is not regarded as a weapon by legal statute. And, even if the FBI join the dots and link all the victims to Devra West proving she murdered, thieved, defrauded and extorted money from them, might still be hard. So for someone who grew up in the Dominican Republic, where Voodoo was the national religion, being a senior student of someone like Devra West is a dream come true for Williams.

Williams is very aware of the murder plot against the whistleblower but has done nothing – why would he? Apparently the murder of Lisa Swidler did not disturb him one bit! However, what makes the murder plot against the whistleblower different from the death of Lisa Swidler is that this time, Julio Williams MD is complicit in the murder plot whereas before he was just a 'spectator.'

For the past 3 plus years, up to present day, the whistleblower has been sending Julio Williams on average 3 emails a week detailing the daily / nightly 'under the radar' violence and further attempts by Devra West to murder him, so as to stop the truth about her past / true nature undermining her multi-million dollar a year wire and mail fraud scam / criminal conspiracy. What has Julio Williams done with the 350 plus emails that he has been sent which detail what amount to violent crimes / attempted murder? NOTHING! It must be clear to Williams that Devra West trying to finish the murder plot that Geoffrey Reynolds announced to the press while being interviewed on August 9 2007 by the Bigfork Eagle newspaper? The fact that Williams has not gone to the police makes it obvious that he is a fully paid up member of the cult / criminal gang and that he is complicit in Devra West's plot to murder the whistleblower.

Below is an excerpt of an email Williams sent the whistleblower in 2007, when it looked like the whistleblower's lawsuit for fraud against Devra West was going to be successful.

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. **I have personally allocated Two million dollars for Dr. West defense and legal expenses.**

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. **You fuck with me and you will meet your match.**

Julio E. Williams, MD

**What I am trying to say here loud and clear is that Devra Patton West is a **cold blooded killer** and Julio Williams MD is not only aware of that, but is complicit in the ongoing attempts by his "well spring of divinity" to murder the whistleblower.**

## **Geoffrey Reynolds – Liar for Hire & Accomplice to Organized Crime**

The Urban Dictionary defines the word 'scum' thusly:-

*(adj.) Possibly the worst word you can have your name associated with.*

*It is hard to define the word, but it is basically used to describe someone so disgraceful that they are seen as the lowest form of life. "Worthlessness", "waste of skin", "dirt". "Nothing". Far worse than most other insults, where the victim is often just referred to as genitalia.*

I am sure that when Geoffrey Reynolds CPA commenced his employment as 'Financial Controller' with Devra West's company 'Sacred Environments LLC', he thought like many employees and consultants before him, that he was joining a 'normal' business enterprise that would be in full compliance with state and corporate law. Unfortunately for Reynolds, he only found out about the criminal nature of Devra West's business model after he was duped by her into loaning her his life savings amounting to \$300,000 shortly after he commenced his employment in September 2006.

What is crystal clear from several emails sent by Devra West's office manager, **Rebecca West** (no relation) in March 2007, is that Geoffrey Reynolds by then was totally under Devra West's control, was turning a blind eye to the many crimes being committed by Devra West against her own employees, which included ignoring Rebecca West's cries for help. Some people, like Geoffrey Reynolds, would sell their own family if the price was right, which is exactly what Geoffrey Reynolds did as if these matters go to criminal trial, he will be the subject of huge fines and a jail sentence.

**Below are a list of actions that Geoffrey Reynolds did take on behalf of his employer / cult leader / crime boss in an attempt to 'earn' his life savings of \$300,000 back!**

(1). **Perjury.** Reynolds appeared as a favorable witness in court for West's porn loving / wife beating son, Chris Haywood, who was seeking custody of his infant female child from his second wife, Jamie Haywood. Chris Haywood's mother, Reynolds' employer, was fully engaged in the process, not only to the extent of giving and providing false witness in the form of herself and Reynolds but was also targeting her daughter in law with a campaign of 'under the radar violence' intended to intimidate the Jamie Haywood into giving up her child. [Here is a link](#) to a copy of the court transcript, which from page 43 lists Reynolds's statement, part of which was to describe Chris Haywood as a good father who he would leave his own children with! After listening to the testimony of Jaime Haywood, I suspect Reynolds' wife, Leslie, would have dissented on that idea!

(2). **Lies, Deceit & Propaganda.** On 12 July 2007, the [Whitefish Pilot](#) newspaper published a story about West's vicious assault on Dr. Pat Cole MD, along with details of several other 'world service' acts / crimes being committed in the Lakeside MT area by Devra West. The immediate response of Geoffrey Reynolds CPA (and several other members of the cult) was to issue statements of denial from West's website. In Reynolds case he was working hard for the return of his \$300,000 because he authored no less than four statements; three of his own and one jointly authored by senior cult member Julio Williams MD. His statements can be viewed by following [this link](#) to a webpage dedicated to the senior members of the cult and their participation in West's crime spree.

*Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.*

*Geoffrey Reynolds CPA 2014*

(3). **Lies, Deceit & Admission of Money Laundering.** On August 9 2007, the [Whitefish Pilot](#) story was followed by another story published by the [Bigfork Eagle](#) newspaper to which Geoffrey Reynolds gave a statement on behalf of his employer. While being interviewed by the Bigfork Eagle newspaper, and totally aware that Devra was guilty of the assault, Reynolds lied to the reporter by a) asserting that Dr. Cole's injuries were caused by an earlier fall at her apartment and b) asserting that Dr. Cole MD owed Devra West \$1.3 million part of which, some \$470,000, was owed for "therapy" and an "internship." Here are two excerpts from his statement to the [Bigfork Eagle](#):-

***Speaking for West, Geoff Reynolds claims the charges are untrue. He said photos of the first alleged assault were taken on a different date, and the bloody clothing in the photos resulted from Cole falling down a stairs at her Cherry Creek condo in Lakeside, not from an assault. 'Reynolds, who is a financial adviser for West, said he has worked as an accountant in Los Angeles, where he dealt with well-known personalities. He is helping West raise several hundred million dollars to purchase and develop three properties around Flathead Lake for VIP spiritual-healing spas.***

***The man who took the photos, however, tells a different story about the alleged assault. He came from out-of-state and was sharing the condo with Cole while he attended sessions with West. He said he was meditating when Cole appeared wearing a bloody sweatshirt. The man said they cleaned some of the blood off***

***Cole's scalp and then took photos so Cole, as a doctor, could see her injuries and decide how to treat the wound. Cole said West hit her on the head with a shoe, the roommate said.'***

And more lies here:-

***'Reynolds claims Cole owes West \$753,484 and that colors Cole's allegations. Cole's bills for 2004-2006 totaled \$1.3 million, including \$250,000 for an "internship" under West and \$213,750 in "therapy fees" for eleven months last year. Cole managed to pay West \$621,484, but it didn't come easy. At one point, Cole cashed out her IRA and paid West \$293,843.'***

It is crystal clear that Geoffrey Reynolds had money laundered the funds extorted from Dr. Cole MD through West's business, in an attempt to make it look like the funds were received through normal trading; he said as much during his statement to the [Bigfork Eagle](#) newspaper. Even more damning is the fact that Geoffrey Reynolds' predecessor, Betty, had resigned rather than be forced to by Devra West to 'manufacture' false invoices to make it look like the funds extorted from Dr. Cole were received as normal business.

(4). **Complicity to Commit Murder.** While being interviewed by reporter, Constance See, of the [Bigfork Eagle](#) newspaper, Geoffrey Reynolds, in what he thought was an 'off the record' conversation, stated that the whistleblower would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family (using occult 'under the radar' violence). The statement was taken seriously by the reporter who conveyed it to federal agent John Nielson who passed it on to the whistleblower.

Shortly after Reynolds made this statement, there was a credible attempt on the whistleblower's life which failed.

(5). **Conspiring with Devra West to hide evidence of her assaulting Dr. Cole MD.** In November 2007, in a move worthy of the film 'Dumber and Dumberer' Reynolds, still totally under Devra West's control, tried to get the copy of West's written admission that she had assaulted Dr. Cole MD, '[The Law of Severity on the Path to Purification](#),' taken down from the whistle-blower's website. Reynolds approach was to claim copyright of the missive on behalf of Devra West saying that the whistleblower was using the piece without the author's permission. Here is an image of the email that Geoffrey Reynolds sent to the whistle-blower's web hosting company.

(6). **Felony Fraud.** Geoffrey Reynolds had been at the center of the fraudulent application of \$33,000,000 in government grants referred to in the [Bigfork Eagle](#) news article and also referred to in [emails](#) that Rebecca West sent to the whistleblower in March of 2007. This crime follows hot on the heels of Devra West's involvement in a giant Ponzi scheme run by a well-known Hong Kong criminal called [the 'General.'](#) In a lawsuit launched by the SEC Devra West represents herself as a victim but the question is where did she get **the \$650,000** from? And was this amount declared to the IRS investigation into her affairs under way at the time?

(7). **Criminal Conspiracy.** In October 2009, a year after the whistleblower received judgment in the Montana courts against Devra West for fraud, the whistle-blower's lawyers deposed Devra West to see if they could find out where Devra West had hidden all the money; you can review the full statement by going here [deposition statement](#); it is worth reading not least because throughout her statement West denies all knowledge of financial matters asserting that Reynolds was the money man.

(8). **Criminal Conspiracy - Extortion.** When the plan of the murder plot against the whistleblower failed in 2007, (see point (4) above) the occult criminal Devra West came up with plan 'B' which involved using the civil law courts in a criminal conspiracy to bankrupt the whistleblower. Remember, Devra West's guru / cult / extortion business model only works if the public are ignorant of the truth and buy into the 'divine being' routine which of course they would not do if, as is the case now, there is plenty of evidence to the contrary on the internet! To be clear, both the murder plot and the subsequent conspiracy by West & Reynolds were both motivated by the desire to 'silence' the whistleblower so that he could not publish the truth about Devra West's criminal business model on-line.

Gambling that the whistleblower would not have the finances to a) fly backwards and forwards from the East coast of Canada and b) be able to afford to pay lawyers to fight another lengthy and expensive lawsuit both West and Reynolds waited for the opportunity to execute their plan. In 2010, while the whistleblower attended a court hearing in Montana

to see what that court was going to award for winning his fraud lawsuit against Devra West in 2008, both Devra West & Geoffrey Reynolds served him for defamation (for telling the truth about West's criminality and Reynolds's involvement in it). And because the whistleblower could not afford to defend the case, West's & Reynolds' lies resulted in a default judgement against the whistleblower of \$10,000,000 (\$5,000,000 for Reynolds and the same amount for West).

To give an idea of just how corrupt Geoffrey Reynolds was / is please review below the first part of his pleadings to the court in 2010 that led to an undefended default judgment against the whistleblower.

The obvious point to make here is this; how could Geoffrey Reynolds have been defamed by the whistleblower between 2002 & 2006 if Geoffrey Reynolds CPA was working in Carefree AZ and had never met the whistleblower nor was even aware that he existed? Remember, Geoffrey Reynolds did not commence his employment with Devra West until September 2006! Here is an excerpt from a statement he gave under oath in court on July 12 2007 where he says as much....

Here is a link to [Geoffrey Reynolds's entry](#) on McSwain & Company's website which as you can see below, has no mention of his tenure with Devra West and her cult. In an obvious lie, Reynolds states that during that period of time he was an "Outsourced CFO / Independent Consultant" even though on his personal website he states that from 2006 until his departure from Devra West's cult in 2014, Reynolds was clearly only working for one employer!

**What I am trying to say hear loud and clear is that Devra Patton West is a **cold blooded killer** and Geoffrey Reynolds knows it. What makes Geoffrey Reynolds different from Jack West and Julio Williams is that Reynolds was so certain that Devra West would get away with the whistleblower's murder that he announced his impending death to the press shortly before Devra West made her failed attempt on the whistleblower's life!**

In conclusion, and returning to the Daily Mail article about your diplomats in Cuba, clearly there is no smoke without fire. It is a fact that your diplomats are suffering serious injuries as well as suspected brain damage, loss of memory etc. Obviously there is a 'directed energy' weapon being used to cause these injuries whether the nature of that weapon is understood at this time or not!

#### **And so it is with Devra West!**

There are scores of victims of serious crimes from theft all the way to murder and whether you understand the 'weapon' being used or not something must be causing most of these victims and witnesses to walk away without going to the police or the law courts for redress. Those that do not walk away (like the whistleblower) all report the use of an occult (hidden) weapon that is being used by Devra West to intimidate them into silence or in the case of Lisa Swidler and the whistleblower murder them or attempt to murder them!

The fact that Devra West has this knowledge and has obviously used it to commit crime on an industrial basis over the past 26 years, explains why the senior members of her cult are blasé about her use of murder. Jack West knows what has been going on since his wife elevated herself to the godhead after completing her training at the 'Robert Jaffe School for Energy Mastery' in 1991.

Julio Williams was aware of Lisa Swidler's sudden death in 2005 and Devra West's attempt to murder the whistleblower in 2007. For the past 3 years he has been receiving 3 emails a week cataloguing the on-going attempts by Devra West to murder / intimidate the whistleblower which makes him complicit in a murder plot.

Finally 'bottom feeder' Reynolds not only announced the impending murder of the whistleblower in August 2007 but when that failed joined with and fronted the frivolous lawsuits mounted by Devra West and himself (a total stranger to Reynolds) in order that

Devra West could reincarnate as the Ascended Master Rishi Devra in the Cave Creek / Carefree area of Arizona which is Reynolds's old home town prior to September 2006.

**What I am trying to say hear loud and clear is that Devra Patton West is a cold blooded killer who believes that she is totally beyond the reach of the law a belief obviously shared by the senior members of her cult! I sincerely hope that bring the people responsible for targeting and seriously injuring your diplomats in Cuba but the same urgency is required where Devra Patton West is concerned. Clearly her 'weapon' is as much designed to kill, maim and injure as the weapon being used against your diplomats in Cuba however in the case of the whistleblower there is no doubt who the perpetrator is and what their motive is.**

I ask once again that you open an investigation into Devra West's past and ongoing attempts to murder the whistleblower, the sudden death of Lisa Swidler and the many other financial crimes and crimes of violence. I ask that you investigate the roles that Jack West, Julio Williams and Geoffrey Reynolds have played in both facilitating these crimes and attempting to cover them up. You may not yet understand the 'weapon' being used by Devra West but I am sure once you start interviewing the scores of victims they will all have a similar story to tell.

Below are links to 6 websites dedicated warning the public about the dangers of associating with Devra West.

Sincerely,

Richard Squires
