

Subject: Who is the next Victim of Rishi Devra's 'World Service' efforts AKA Devra Patton West's Death Cult?

Dear FBI, IRS and Sedona & Scottsdale police departments,

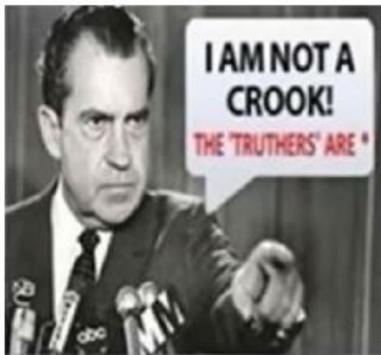

Where is all the money going? According to the whistleblower and some of the ex-students like [Elaine](#), [Judy Morris](#) and ex-employees like [Diane Stoner](#) and [Kathleen Francisco](#) much of it is received as cash and converted into jewels or precious metals that are easy to hide and move. A large chunk of the money officially declared and put through her business as 'normal business receipts' was obtained by extortion. It is clear from [Rebecca West's](#) emails and Geoffrey Reynolds's statements to the [Bigfork Eagle](#) newspaper that at least \$470,000 was money laundered by him through her business. It is clear from the [statement](#) that Devra West gave to the whistleblower's lawyer, while being deposed, that she credited Geoffrey Reynolds as the financial master mind. She even claimed to be penniless and living in an RV in his back garden although a short time after making this statement she moved into a mansion gated community in Cave Creek AZ, Reynolds's old home town, as a prelude to relocating her criminal / racketeering business model from Montana to Arizona.

Devra West was charging \$500,000 for 'Divine Grace Healings' in 2002 and while if people are stupid enough to be taken in they deserve all they get what about the murders committed and the violence used by Devra West to keep her past and the true nature of her 'World Service' secret? Look at her current website and pay particular attention to the '[Pay Portal](#)' set up to receive single contributions of \$500,000 each? But this is only the official money – where does all the cash go? Clearly, we are talking millions of dollars a year motive enough for multiple murders, attempted murders, violence and threats of violence from gang members [Geoffrey Reynolds](#) and [Julio Williams](#)!

The whistleblower remains the subject of constant intimidation, as Devra Patton West and her criminal gang believe he is the source of this information. The whistleblower stands by to be key witness for the prosecution should a criminal investigation be launched into Devra West and the senior members of her criminal gang.

## Who is the next Victim of Rishi Devra's 'World Service' efforts? AKA Devra Patton West's Criminal / Racketeering Murderous Death Cult?

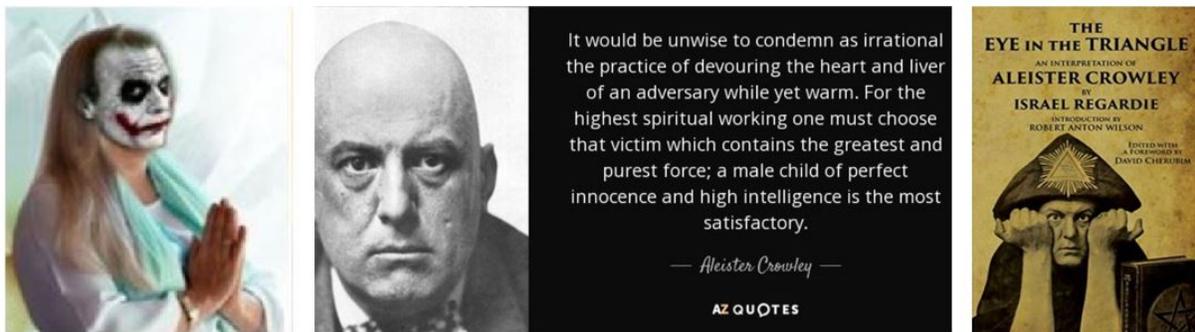

*Above left: Devra West is a prolific liar and spends hundreds of thousands of dollars trying to convince the public that her lies are their truth and that those who are telling the truth are liars however she cannot escape her*

**sordid past. Center: Her latest identity, 'Rishi Devra', the third in 14 years. The 'divine being' routine is the public face of her criminal racketeering business model that deals in theft, fraud, extortion, violent assaults and when necessary murder. Right: Behind the lies and propaganda is an occult thief / cold blooded suspected serial killer.**

Devra West goes to great lengths to hide her past, even as far as murdering those who threaten her criminal business model. In brief. As a victim of fraud [Jeremy Samuelson](#) points out in a letter he sent to the whistleblower in 2007, that back in the 1970's & 1980's, Devra West and her then husband, [Jack West](#), were pot growers, drug dealers and small time crooks defrauding individuals out of thousands of dollars at a time. After acquiring occult (hidden) knowledge while attending the '[Robert Jaffe School for Energy Mastery](#)' between 1990 and 1991, Devra West announced that she was an Ascended Master and that any one not agreeing was blocking the energies. Fellow class mate, [Satya](#), describes Devra West as a "deeply disturbed psychopathic person / personality."

**Long story short, once in possession of occult knowledge con artist Devra West, with husband Jack West in tow, got to multiply her criminality exponentially as will be seen if you read on...**

I do not have the time or space here to go into Shamanism or the occult; suffice it to say that Devra Patton West acquired knowledge that, had she been alive in medieval times, would have resulted in her being burnt at the stake as a witch. Of course in present times, we have all forgotten the old ways and are educated to believe that witchcraft is a load of superstitious rubbish. In reality, this knowledge is available today and being used all over the globe by native tribes in the Americas, Africa and in Asia. It has also been used extensively in the West by such well known practitioners as Aleister Crowley, generally recognized as one of the most knowledgeable black magicians.

**Above left: Devra West a black magician and card carrying Satanist, badly disguised as a 'do-gooding' guru. Center and Left: Aleister Crowley one of the most knowledgeable 20<sup>th</sup> Century practitioners of the dark arts.**

The best way to describe the use of this knowledge by a psychopath like Devra Patton West, is to imagine that you are living in one of a series of terraced houses all joined by connecting walls and all sharing a common roof space with the roof open along the length of the row of terraced houses. Now imagine that one of your neighbors climbs up into the roof area and moves along above your dwelling and starts to steal your electricity, drop sewage down in to the void between your walls, uses ultra sound (that you cannot hear) to target you so that you get migraine headaches, fall ill, get depression etc. In short, they decide to make your life a misery, with the end result of killing you without leaving a trace of their presence or involvement in your demise!

This is a poor illustration of what Devra West is capable of, using the occult knowledge that she acquired while studying at the '[Robert Jaffe School for Energy Mastery](#)' between 1990 and 1991. That

knowledge, and the power it gives her over the lives of others, combined with her narcissism and need to be worshipped is all the justification she needed to declare herself a minor deity and more recently, the planetary regent for the spiritual hierarchy of the western hemisphere.

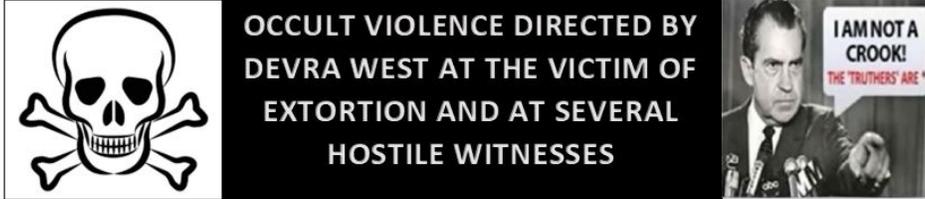

**Above: 1 & 2 an illusion created by unlimited funds acquired through organized crime over 27 years. 3: the serpent behind the disguise is a card carrying Satanist and a cold blooded killer who believes she is totally beyond the reach of the law. Center: a good description of a narcissist. 4: a mug shot taken from one of two arrest warrants in Montana. 5: The Ascended Master 'Surya Ma' the second of two identities in Montana. 6: An image taken from a posting on her website where she claims to be single handedly holding open the gates of time!**

What I am saying is that Devra West, using altered states of consciousness that she learned between 1990 & 1991, acquired the ability to manipulate an individual's energy body in a way that causes them physical harm, illness and even death – regardless of the distance between her and her target. It is well known among shamans that being able to focus and visualize on an outcome in a coherent way brings about a result, regardless of the distance between the shaman and the object / person they are focusing on. While those who pray and sing in church, do so with the best intentions. Their efforts are not coherent (not perfectly in tune) so each cancels out the other, whereas one individual who can visualize in a coherent way is more powerful than a whole congregation of incoherent worshippers, however large. This is the secret weapon that Devra West uses to manipulate and intimidate those she targets into doing her bidding.

**Let us review information about two victims, both unknown to the whistleblower, both of whom asserted that Devra West used occult 'under the radar' violence to intimidate them.**

**1. Extortion of \$1.3 million from Dr. Pat Cole MD.** In the first instance, Devra West's office manager Rebecca West (no relation to Devra West) explains in a [harrowing series of emails](#) sent to the whistleblower in March 2007, how Devra West used **"Shamanic witchcraft"** to target her and several other witnesses who saw Devra West viciously assault Dr. Pat Cole MD, while in the process of extorting \$1.3 million from her. In fact, seven witnesses contacted the Flathead police department and complained to Constable Jeanne Landis that they were being targeted by Devra West; who hoped to intimidate them into withdrawing their statements against her. Constable Landis, though empathizing with the victims, explained there was little she could do as the occult 'weapon' being used by Devra West was not regarded as a weapon under legal statute. She suggested that the victims mount a complaint on the basis of 'intent to cause harm.'

Here are three short excerpts that Rebecca wrote in her email entitled [‘Help Me.’](#)

Dear John,

**After more than 30 employees coming and going, (16 just since I started May 1, 2006, not counting myself, current employees or contract labor), there are currently three employees remaining. Two of the three are very much in her control due to fear and/or ignorance and have proven to me, I cannot trust them. I have been trying to get the monies she owes me before I end my contact with her, specifically a missing paycheck, overtime, overdraft charges and (wishful thinking) the bonus she promised me for the hundreds of hours of overtime I incurred. I will not return and subject myself to her violent and abusive behavior!**

*I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. **I need support in how to deal with her shamanic witchcraft.** Can you tell me more?*

*Dr. Cole and I are very afraid, but this does not preclude me from standing up for what is right even if I **lose my life over it!** My knowledge of and support goes to Dr. Cole for the **severe beatings** she suffered at the hands of Devra over an extended period of time.*

**2. Intimidation of Jamie Haywood to force her to give up her infant daughter.** On July 12 2007, Devra West appeared in a Montana court to give evidence on behalf of her porn loving / wife beating son in the matter of his custody battle for his infant daughter. The estranged wife and mother of the daughter was Jamie Haywood. On July 8 2007, days before the court case, the whistleblower received an email from Jamie Haywood asking for help. Here is the first part of that email sent from Jamie Haywood’s mother’s email account. You can read the rest by going [here](#).

**Subject:** **Another victim/ fighting for my life and my 11 month old daughter!**

*Hello, my name is Jamie Haywood, Chris Haywood's ex-wife. And Devra West's ex daughter in law. Well actually I am in the middle of the divorce.*

*I finally found this website and have been searching for you and Pat Cole due to the fact that my daughter and I have been subjected to this nasty woman. I thought that I was going crazy and thought there was something wrong with my daughter. Until my mother took me to see a true 'guide' and this wonderful woman told me that*

**I had a spell put on me. She then started to test where it was, lo and behold in the left front side of my brain. Yea something to make me go crazy and whatever else!**

Even allowing for the fact that Jamie Haywood was / is semi illiterate, it is clear that she felt that both she and her infant child were the recipients of a campaign of occult attacks by Devra West, designed to intimidate her into giving up her child to the father, Chris Haywood i.e. Devra West's son. On the 12 July 2007, when giving evidence in court at the custody hearing, Jamie Haywood reiterates her claim that she was the recipient of these attacks you can read the section of the [court transcript](#) where she mentions this by going to page 119, line 20.

Devra West's son has an FBI record for forgery, drug abuse and two DUI's. Like mother like son?

Tab – Criminal Reports

Montana – Dept. of Justice – Criminal Possession of Dangerous Drugs  
11/22/1998

Montana – Dept. of Motor Vehicle Division (issued & convicted) 98/99  
Douglas County Statement of Warrantless arrest

It is clear from Jamie Haywood's testimony that, like Rebecca West in example (1) above that she was the subject of a campaign of occult attacks designed to intimidate her into giving up her infant daughter. On this occasion it did not work and Jamie ended up getting custody of her daughter. However, a few short years earlier, Devra West and her son did managed to wrest another infant female child from its mother, who was Chris Haywood's first wife, Kendal.

How do you get the court to give custody of an infant female child to a wife beating, porn loving father with an FBI record? Simple. You conspire to make the mother look a lot worse than the father, which is exactly what Devra Patton West succeeded in doing. In the email above, Jamie Haywood refers to the fact that Devra West was targeting the left side of her brain to make her "go crazy." This tactic actually worked on Chris Haywood's first wife Kendal, who after a sustained and vicious campaign of attacks that broke down her mental health, was deemed to be "mentally ill" and lost custody of her child to Devra West's porn loving, wife beating son.

***Above: Kendal Strnad and the three daughters by her second marriage. The first daughter was wrested from her and given to her first husband, Devra West's son, after a sustained campaign of intimidation by Devra West.***

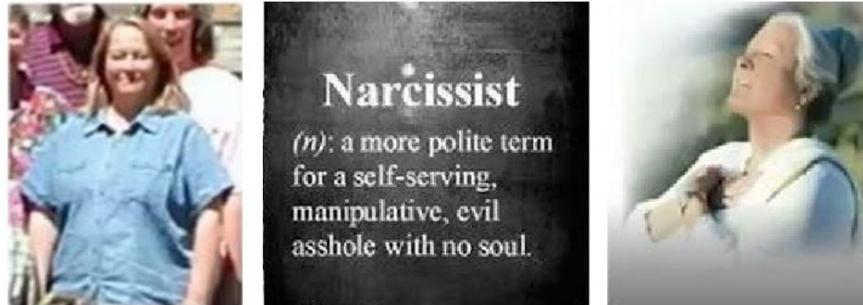

Above is a photo of Kendal with her three remaining children. Devra West's campaign of occult 'under the radar' violence succeeded in convincing those around Kendal, and the court, that this beautiful wife and mother was mentally ill. In reality, Kendal was subject to occult attacks day and night and subject to sleep deprivation. This was the exact same tactic used against Jamie Haywood in 2007, however on that occasion, it failed. Devra West in both cases attempted to pervert the course of justice and in Kendal's case, managed to 'throw' the court case in favor of her son.

***Above left: The illusion created by a narcissist and crafted with millions of dollars acquired through organized crime over 27 years. Center: Whether undermining custody hearings for her son or the many fraud related court cases she appears at as the defendant Devra West's occult weapon is always used to intimidate victims and witnesses. She does this in the knowledge that the 'weapon' she uses is not regarded as weapon under legal statute making it virtually impossible for her to be prosecuted for 'undermining' civil and criminal court cases.***

Now let us review one murder and one attempted murder by Devra West, neither of which she was prosecuted for. Confirming to her yet again, that she is a divine being with dominion over all.

**1. The murder of Lisa Swidler.** Lisa was a student / member of Devra West's cult who in 2005, witnessed Devra West defraud fellow students, Dave Kushner and Marion Cantwell, out of tens of thousands of dollars each; kidnapping and holding Marion captive until she agreed to hand over part of the sale proceeds of her home.

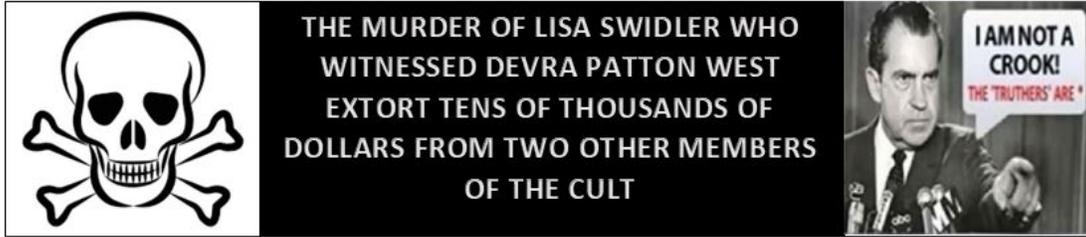

***Above left: Marion a member of Devra West's cult who was kidnapped, held captive and beaten until she agreed to make a large 'donation' to Devra West's good causes. She was eventually released and told she would be murdered if she went to the police. Like many other victims Marion chose to cut her losses and move on. Right: Narcissist occult thief / suspected serial killer Devra Patton West posing for the cameras.***

After witnessing these two crimes, Lisa Swidler decided to leave Devra West's cult only to die suddenly and mysteriously of internal bleeding shortly after escaping. Many in the cult realized that she had been murdered by Devra West to keep her quiet. This played heavily on the minds of other victims in the cult, like Mike Hendrickson who was defrauded out of \$200,000; rather than face death at the hands of Devra West, he too, decided to cut his losses and walk away empty handed.

***From left to right: Narcissist Devra Patton West posing for the cameras. She believes that her ability to commit multiple murders without any consequences makes her a god in fact recently she promoted herself to planetary regent! Center: Lisa Swidler's gravestone – her murder goes unpunished. Right: Lisa was a 'teacher' at Devra west's unaccredited school before it was struck off for fraud in January 2004.***

The coroner ruled the death of this young mother of two children under age ten was of 'natural causes.' What other decision could he come to, being totally ignorant of Devra West, her occult abilities and the fact that Devra West has a long history of violence and the use of murder to keep victims and witnesses from going public or to the police?

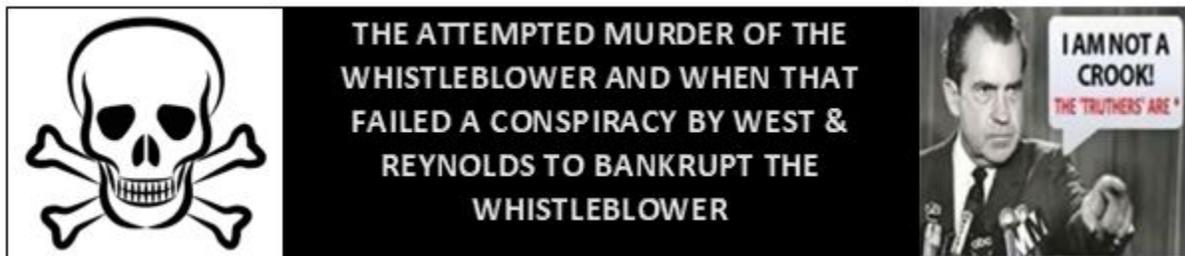

Not everyone is as easy to subdue, intimidate or murder.

**2. The attempted murder of the whistleblower.** In January 2002, the whistleblower was recruited by Jack West to act a consultant for his wife, Devra West. His task over the next few months was to create several for profit and non-profit corporations. After completing his tasks, Devra West announced that God had spoken to her and told her that shares in corporations were a thing of the past and as a consequence, he would not be paid the salary he was promised for 6 months work or be given the shares he was promised in the for profit corporation he had set up using his own lawyers and accountants.

Long story short, the whistleblower decided to sue Devra West for fraud; a lawsuit he won in 2008.

Along the way, he became the subject of threats, false witnesses, a campaign of occult attacks and a plot to murder him. As explained, Devra West has been thieving, defrauding, extorting and murdering people and getting away with it for some 27 years. It therefore came as no surprise that, while being interviewed by the [Bigfork Eagle](#) newspaper, and speaking on behalf of his 'employer' Devra West senior cult member, [Geoffrey Reynolds CPA](#) announced, in what he thought was an off the record conversation, that the whistleblower would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family.

The reporter, Constance See, took the threat seriously enough to report it to an IRS criminal investigations agent, John Neilson, who was at the time investigating Devra West's finances. He in turn, passed the threat on to the whistleblower by email. It is worth elaborating the second part of Reynolds' comment to the reporter which was, and I quote, "**or in jail for reacting to what Devra west was going to do to him and his family.**" Since December 2006, both the whistleblower, his wife and children have been subject to a vicious campaign of occult 'under the radar' attacks from Devra West designed at first to intimidate him into withdrawing his lawsuit against her for fraud. These attacks were also revenge on her part for him going public about her criminal / racketeering business model, which resulted in two news articles being published by the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers in July & August 2007, respectively.

**DEVRA PATTON WEST IS A COLD BLOODED KILLER WHO BELIEVES SHE IS A GOD, AND THEREFORE IMMUNE FROM PROSECUTION. CLEARLY, GEOFFREY REYNOLDS BELIEVES THIS TOO!**

Reynolds was clearly privy to the plot to murder the whistleblower and the campaign of violence directed against him and his family. This bottom feeding scum bag is now working as an accountant, managing client's money at [McSwain & Co](#), an Olympia Washington accountancy firm. As you can see from the entry on [McSwain & Co.'s](#) website, Reynolds does not mention his membership of Devra West's cult between 2006 and 2014, or the fact that he was complicit in a plot to murder the whistleblower, was aware of West's ability to violently intimidate victims and witnesses with plausible deniability or that he money laundered several hundreds of thousands of dollars through West's business that were extorted from Dr. Cole MD. After the two newspaper articles appeared detailing Devra West's criminal / racketeering murderous business model to the citizens of Montana, it was clear that the 'divine being' routine was no longer going to work in Montana. As a result, Devra West and her cult were forced out of the state into another western state (where they either do not understand or choose not to prosecute 'white collar' crime). This was a repeat of what happened in 1995, when Devra West was chased out of New Mexico at the point of a gun by one very upset victim, who realized that the authorities could not help or protect him against Devra West's **shamanic witchcraft!** Below, another instance of someone pretending to be a divinely appointed being! As with Devra Patton West, the rhetoric and propaganda does not match this person's actions!

**Above left: Pope Ratzinger only the second pontiff to 'retire' in 1,700 years! Could it have anything to do with the fact that he was in the Hitler youth in the Second World War or that he was allegedly connected to the huge**

Devra West makes full use of 'religious freedom' laws, understanding that she is unlikely to be prosecuted for the huge lies she tells about herself on her website even though, based on those lies, she is asking the public to make single donations of up to \$500,000! Apparently, 'wire and mail' fraud is not a concept that applies to 'religious figures.'

Using hundreds of thousands of dollars acquired from organized crime over two decades, Devra West floods the internet and social media with news of her divinity. **LIES, DECEIT & PROPAGANDA.** It is very difficult for those who do not know about Devra Patton West's past criminality in Montana and New Mexico, to comprehend the enormity of the lies, deceit and propaganda that are used by her and the senior members of her cult to market her as a 'divine being.'

Let us analyze the above Facebook posting and counter the lies, deceit and propaganda with some well documented facts.

**1. As the light that shines behind leaders and world servers across the globe.** Like all psychopaths, Devra Patton West is a compulsive liar. Some of examples of this are as follows:-

1. In 2007, Devra West then calling herself the Ascended Master Surya Ma, announced that she was [single handedly holding open the gates of time](#).
2. A few years earlier, when she was calling herself the Ascended Master Devra Ji, she told her students that the two fake doctorates she held were given to her [by the Christ in person](#).
3. She told students to her non-accredited school that the more money they gave to her, [the closer to God they would become](#). It seems that Ms. West has elevated herself to a position between Jesus Christ and God, so the only promotion she can give herself now is to announce that she is the one true God!
4. Devra West appeared in court on July 12 2007, as a witness for her porn loving wife beating son, Chris Haywood, who was seeking custody of his infant daughter from its mother, his estranged wife, Jamie Haywood. During her statement to the court, West described her business as a multibillion dollar affair. Unfortunately for her, on that very same day, the first of two damning articles appeared in the [Whitefish Pilot](#) newspaper, the second in the [Bigfork Eagle](#) newspaper, which made it clear that Devra West had just been evicted from two rental properties in quick succession and had a lien against her for \$2,600 in unpaid employment insurance. You can review details of Devra West's sordid personal life by going [here](#) to review the transcript of her testimony in court, and [here](#) to review Jamie Haywood's testimony in court.

**2. As planetary regent, her auspicious presence offers the rare opportunity for private mentoring and audience for initiates, world servers and spiritual protégées.** Using religious freedom laws, Devra West can tell as many lies about herself as she wishes. This 'divine being' routine is exactly the same routine that Devra West used in New Mexico, before being chased out of that state in the middle of the night in 1995 by one gun wielding victim. It was the same routine used in Montana, before her charity was struck off for fraud in January 2004. After the [Whitefish Pilot](#), [Bigfork Eagle](#), [Ravalli Republic](#) and others

published several newspaper articles in Montana, that revealed that her 'world service' efforts were in fact, a cover for a criminal racketeering business model that involved numerous counts of theft, fraud, extortion, violent assaults and at least one suspicious death; Devra West and her cult left Montana and are now operating the same tried and tested guru / cult / extortion business model in Arizona.

The latest con involves getting the sheeple to sign up for 'private mentoring' and audiences so that they can be sorted by their net financial worth and targeted for extortion (donations) as described below in this email.

**3. As an instrument of mercy, she offers the phenomena of 'Divine Grace Healings' and 'karmic resolution of divine dispensation.** What this criminally insane con artist is saying is that (for a price which was \$500,000 in 2002 when she was calling herself the Ascended Master Devra Ji) she can cure all serious diseases and give karmic dispensation (again for a price). Here again are some examples of Devra Patton West's 'mercy.'

*From left to right: Susannah Felder; second left Beatrice McGuire; center Dr. Pat Cole MD; second from right Ingrid Smith's son; and far right the golden Labrador dog that was abused by Devra West.*

Violent assaults on three female members of her cult. Susannah Felder, Beatrice McGuire and Dr. Cole MD (all employees and students). [Susannah partially scalped](#) after challenging Devra West after she caught her stealing \$80,000 from the charity. [Beatrice had part of her ear ripped off](#) in front of a crowd at a seminar after challenging West's lies. [Pat Cole was repeatedly hit over the head](#) with the heel of West's shoe until blood ran down the victim's blouse.

Devra Patton West, a deeply disturbed psychopathic person / personality, does not reserve her criminality and violence just for adults. One student, [a professional educator](#), reported that Devra West assaulted her 6 year old son. Devra West was gifted a dog by a student in 2002. Shortly afterwards, a [couple of employees](#) who worked for Devra West in her residence reported that the dog used to empty

its bladder every time Devra West approached it. Here is a link to document that sets out [the protocol](#) that anyone in her presence was to observe – or else!

**4. THE OMNI INSTITUTE FOR THE DIVINE SCIENCES** a nonprofit institute dedicated to Rishi's teaching legacy. There is no teaching legacy. As with everything else to do with Devra West, it is all illusion, lies and propaganda. When the whistleblower was associated with Devra West in 2002 as a consultant, she would have some of the slaves in her cult dedicating their time to preparing her self-aggrandizing missives which she would self-publish. The result was that she would have storage units full of books she could not sell, but which were a written testimony to her psychosis / mental illness.

As with her previous nonprofit, which was [struck off by the authorities](#) in 2004 for fraud, Devra West will use the current 'container' to have members of her cult work for no wages or low wages on her projects which while publicized as 'world service' but which always end up as projects that fill her financial coffers at the expense of others. Below is an image of those working for her nonprofit, 'The Circle of Divine Unity,' in 2002; the same nonprofit that was struck off because Devra West was pocketing all of the public donations. In addition, many of the faces you see in this image, including the whistleblower, were the subject of theft, fraud, extortion, violent assault with one of those faces (Lisa Swidler) being murdered by Devra West to keep her from going to then police about two serious crimes West had committed.

**5. REGENCY INTERNATIONAL. The Rishi's primary steering entity for benefaction of her sanctuaries, service endeavors and enterprises.** This vehicle will be a way that Devra West moves vast amounts of money offshore, so that when the authorities finally move in to close down her criminal / racketeering business model, she will be able to flee abroad knowing that the tens or hundreds of millions of dollars that she has extorted from wealthy victims, will be there to fund her lavish lifestyle. As far back as 2002, when the whistleblower worked for her as a consultant, she was apparently obsessed with offshore bank accounts and made frequent trips abroad to hide the fruits of organized crime.

**FBI / IRS EVIDENCE OF OFFSHORE ACCOUNTS WHERE MILLIONS OF DOLLARS FROM HER CRIMINAL RACKETEERING BUSINESS MODEL ARE FUNNELLED.**

The whistleblower remembers one well documented trip made by Devra West, to meet a banker in Israel. She apparently missed her flight because she was [spending \\$2,000 of her charity's money](#) to buy a pearl necklace at the airport. This flight to Israel occurred shortly after two members of her staff overheard her jumping for joy that she had just made \$500,000 from some victim who paid her that amount in cash for a 'Divine Grace Healing.' You can review what her staff members had to say by going [here](#). Needless to say, none of that money went to her so called charity. Similarly, tens of thousands of dollars would be collected for the monks in Nepal but as stated by her bookkeeper, occasionally she would send the monks \$50.00. She still has a tab on her [current website](#) which purports to be raising funds for the monk's in Nepal. Along with her [go-fund me campaign](#) to raise thousands for her dental bills Devra Patton West fleeces the sheeple at every opportunity she can.

**6. THE RISHI COLLECTION. Fine Art, Sacred Heirlooms and Antiquities.** Con artist Devra West, claims that the artwork and valuables in her collection have been 'spiritually activated' whereas the truth is somewhat more interesting as these articles were stolen from her Montana charity and largely paid for by public donation. [Follow this link](#) to read a statement given under oath by Devra West in 2009, wherein she states that the artwork and valuables she stole from the charity did not exist or were stolen.

As stated above, it is all lies however as Devra West told the whistleblower in March 2003, "the truth does not actually matter (because she can convince the public that her lies are their truth)." Below, you can hear Devra Patton West make this statement in her own words and hear several other telling statements that she made while being recorded by the whistleblower.

**WARNING FOUL MOUTHED PLANETARY REGENT!**

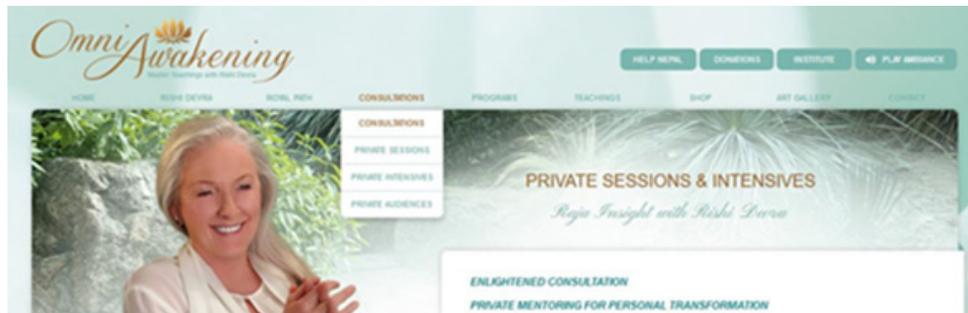

1. [The truth does not actually matter \(if you can convince the public and a court of law that your lies are truth!\).](#)
2. [If you sue me I'll get so f\\*\\*king down and dirty, huge expenses coming out of your pocket and not mine \(because cult members would pay for her legal expenses\).](#)
3. [Yes I dispose of people like Kleenex.](#)
4. [My agreements are not worth anything.](#)

This is how the current con works. A series of seminars are announced by the 'divine being' like these currently being advertised.....

### ***Sedona Gateway Retreats - Intro to the Path of Enlightenment***

***May 26 thru 29th   July 28 thru 31   Sept 2 thru Sept 5   Dec 1 thru 7***

**Step 1.** Those identified as wealthy targets when attending **seminars like those listed above** are invited to attend a 'Private' Sessions or a 'Private' Intensive' as advertised on her website below here.

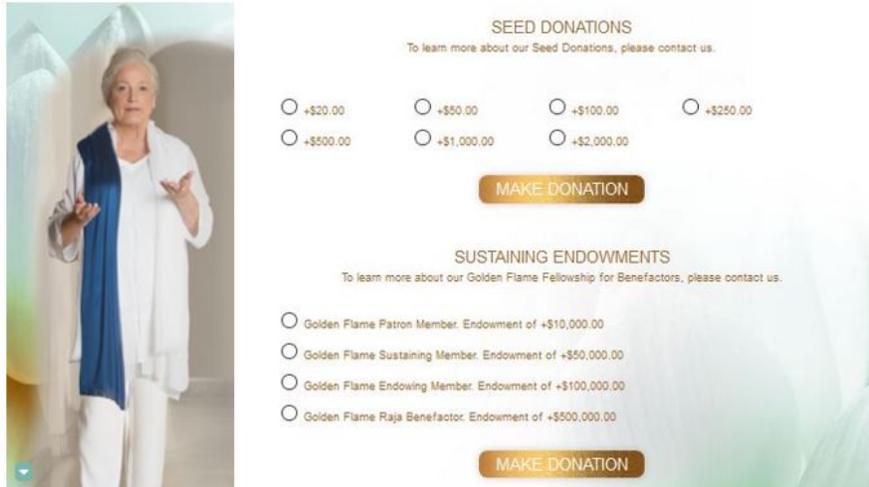

**Step 2.** Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee. In reality Devra West, having identified a wealthy target, induces the symptoms of a serious illness in the victim using the same occult knowledge she uses against those who oppose (see above).
2. That Devra West and the targeted individual were sisters in a former lifetime during which the target is persuaded that she betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for those nonexistent wrongs). If the target does not agree to pay the target becomes the subject of a campaign of occult attacks designed to convince them to pay!

Devra West has been perpetrating this extortion racket for at least two decades. Two of her admin staff who worked for in 2002, overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

**Remember, Devra West is an Occult Master who can, using Shamanic Visioning, induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. In the above scam, she 'induces' the symptoms in those who do not pay and then miraculously cures them after they go to her 'Pay Portal' and make a large six figure 'donation.'**

**Step 3.** The victims go to the Sage of Sedona's '[Pay Portal](#)', recently updated, which is now set up to receive single donations of \$500,000 or more by pressing one or a combination of buttons and empty your bank account into hers. Note her standing there with her hands out saying "give me, give me."

This well-oiled criminal / racketeering scam has been going on for 27 years right under the noses of the FBI and the IRS. At the very least, it is wire and mail fraud! At the very least, it is illegal for a lay person, even if they are claiming to be a 'divine being' to be able to cure / heal someone. Apparently not so for Devra West! At \$500,000 a go, it is no wonder she can afford the trappings, clothing, lifestyle and home of a multi-millionaire even though she claims to be penniless and the funds she extorts from victims are nowhere to be seen, let alone declared to the IRS as income in her tax returns.

**CAN ANYONE GIVE ANY FACTUAL EVIDENCE OF 'WORLD SERVICE' ON THE PART OF DEVRA PATTON WEST OVER THE PAST 27 YEARS? NO!**

The three senior members of Devra West's cult / criminal / racketeering business model (see below), now operating in Sedona AZ, are all aware that Devra West's claim to 'divinity' is entirely based on her ability to use occult violence and murder to silence anyone who challenges her 'divine being' narrative however Geoffrey Reynolds CPA is the only member of the cult to actually share this fact with the media.

***The vermin acting in concert with Devra West and willing accomplices in her criminal / racketeering business model are from left to right: Geoffrey Reynolds CPA, Dr. Julio Williams MD and ex-husband Jack West.***

Let me share each member's role within the cult / criminal gang in brief.

**Geoffrey Reynolds CPA.** Reynolds was co-opted into the cult like many 'professionals' before him, the whistleblower included; believing that he was applying for a post at a normal corporation, Reynolds traveled from his former employment in Cave Creek AZ to join West's employ in Lakeside MT. Shortly after arriving, he was duped into loaning his life savings, amounting to \$300,000, to Devra West after which he either became a willing accomplice in her criminal / racketeering business model or was

blackmailed into joining her murderous crime spree. What follows are some of the crimes he participated in – these are the ones that we know about.

**1.** Fraudulently applied (with Devra West) for \$30,000,000 in CPEA grant money to build a Spa complex though correspondence from employee [Rebecca West](#) (no relation to Devra West) and West's own stepmother [Carol Patton](#) makes it clear West intended to use at least \$2,000,000 to pay off her debts.

**2.** Money laundered the proceeds of crime through Devra West's business as normal receipts; this after his predecessor resigned rather than be forced to 'manufacture' false invoices to make it look like approximately \$470,000 extorted from Dr. Cole to pay for an 'internship' and for 'therapy' was received as a result of 'normal' business activity. Admits as much in the [Bigfork Eagle](#) newspaper article where he was speaking 'on behalf of his employer.'

*Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.*  
Geoffrey Reynolds CPA 2014

**3.** Posted four statements on West's website immediately following the publication of the Whitefish Pilot newspaper article on July 12 2007, wherein he asserted that Devra West had not assaulted Dr. Cole MD even though at the time, he was desperately trying to force the removal of copy of Devra West's written admission that she had assaulted Dr. Cole MD from the whistleblower's website.

You can review his four statements of denial by following these links.

[Statement 1](#)   [Statement 2](#)   [Statement 3](#)   [Statement 4](#)

You can review a copy of Devra West's missive to her cult mailing list entitled '[The Law of Severity on the Path to Purification](#)' wherein she admits assaulting Dr. Cole, admits that the assault was severe but administered by her with grace?? West also seeks to justify the assault by asserting that the victim was a Nazi in the WWII death camps in another lifetime.

You can review a copy of the [email Reynolds sent](#) to the whistleblower's web hosting service wherein Devra West claims copyright of her written admission that she had assaulted Dr. Cole while she, Reynolds and the rest of the cult were vehemently denying it and rubbishing the media for 'religious persecution.'

**4.** Reynolds was complicit in the plot to murder the whistleblower, announcing the plot to the press on August 9 2007, while being interviewed by the [Bigfork Eagle](#) newspaper reporter.

*Devra West's criminal / racketeering business model is entirely based on her ability to commit murder multiple times and not be called to account. Clearly Reynolds was briefed about the murder of Lisa Swidler and thought that the murder of the whistleblower would also be a 'slam dunk' with no consequences for Devra West or himself. Why else would this scum bag announce the whistleblower's impending murder to a newspaper reporter two weeks before Devra West made her attempt.*

**5.** In October 2009, Devra West was deposed by the whistleblower's lawyer, in an attempt to find out where she had hidden the millions of dollars she had acquired as a result of her criminal activities. During [her statement](#), West repeatedly referred to Geoffrey Reynolds as the 'brains' behind the money, asserting that she was \$2,000,000 in debt and living in an RV in the back of Reynolds's property in Lakeside MT. West also said that Reynolds and his wife, Leslie, were funding her lifestyle, making them both complicit in Devra West's organized crime / racketeering criminal business model.

*Above left: Clearly, Devra West did not live in a caravan in Geoffrey Reynolds's back garden. Center and right: the property Devra West moved into just a few weeks after perjuring herself to the Montana court. The mansion was in a gated community with the rent costing \$7,000 a month.*

Shortly after giving her statement and pleading poverty, Devra West's fortunes changed suddenly for the better, in that she moved into a \$7,000 a month mansion inside a gated community in Cave Creek AZ where she now operates her criminal racketeering business model.

**6.** In 2010, while attending court to see how much he was to be awarded for [winning his fraud lawsuit](#) against Devra West in 2008, the whistleblower was served for defamation by West & Reynolds - for [telling the truth](#). It shows how committed to West's criminality [Geoffrey Reynolds](#) was, that he was prepared not only to go before a Montana judge and make totally false statements about himself and his relationship to the whistleblower, but that having done that, he was then perfectly willing to 'front' the pair of frivolous lawsuits so that Devra West could remain in the shadows.

**Remember, Geoffrey Reynolds traveled from Cave Creek AZ to join West's employ in Lakeside MT in September 2006, and yet in Reynolds' pleadings to the Montana court below, he states clearly that he was defamed by the whistleblower between 2002 and 2006??**

As one can see from an excerpt of Reynolds’ resume taken from his own website (full copy available [here](#)), at the time he made these false claims to the Montana court in 2010, Reynolds did not join Devra West’s employ until September 2006, and so did not know that the whistleblower existed until he was briefed about West’s vendetta against the whistleblower after September 2016.

**Consultant,** Geoffrey L. Reynolds, CPA, 2003 to 2006. Established financial management consultancy. Provided fund raising and management advice for various publications and movie productions. Services also included tax and estate planning, forensic accounting, and developing / implementing accounting and computer systems.

So, using the unlimited resources of decades of criminal activity, Devra West was able to neutralize the whistleblower’s win in court against her by using her ‘liar for hire’ Geoffrey Reynolds CPA, to make [false pleadings](#) to the court on her behalf – this is a criminal conspiracy.

**This is what criminals do if they cannot intimidate you or murder you - they go to law and use their unlimited financial resources to 'buy' the law they want.**

**7.** Like Devra West, or because of Devra West, Reynolds is a compulsive liar. In addition to not knowing that the whistleblower existed, pre September 2006, but still joining with Devra West in a criminal conspiracy to bankrupt him after their murder plot failed, Reynolds statements about his duties and achievements while working with Devra West are totally false. Below is a further excerpt from the resume posted on Reynolds' website.

### **Selected Accomplishments**

**Secured funding for company start up.** Newly-formed Surya Enterprises needed funding. Prepared financial projections and developed strategy for five, ten, fifteen and twenty years of operation, and crafted business plan. Working in secondary financial markets, secured \$30M in wrap loans with no expenditure of company equity.

Reynolds states in the 'Selected Accomplishments' section at the top of his website that he, and I quote, "Prepared financial projections and developed a strategy for five, ten, fifteen and twenty years of operation, and crafted [a] business plan. Working in secondary financial markets, secured \$30M in wrap loans with no expenditure of company equity." End quote.

The above is a total pack of lies, as anyone can see from the following documents that were in the public domain as early as 2007.

A. The following is an excerpt from a news article published by the [Bigfork Eagle](#) on August 9 2007 – the same newspaper that Reynolds confided in that the whistleblower was about to be murdered for going public about West's criminal / racketeering business model.

***Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environments LLC. Two were never registered -- Divine Unity Foundation and Millenium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive Institute.***

***Besides being evicted from her Bayside home in Lakeside and bouncing a check for the purchase of the well-known Osprey House on Angel Point, West has a \$2,287 lien against her for failing to pay unemployment taxes for her Montana employees.***

As for the '\$30M in wrap around loans' that Reynolds refers to, these loans were never granted because it seems that the con artist Devra West was herself conned out of a \$650,000 deposit that she paid to another pair of con artists, Wilson & Ross, who were going to provide these loans. Below are two short excerpts to the court documents, in respect of a case brought by the 'Securities Commission' against Edmund Wilson and Walter Ross.

And here...

WILSON DEFRAUDS FIRST FOUNTAIN GROUP INVESTOR

20. The first sale of securities by Fountain Group occurred in September 2005. In the spring of 2005, Devra Patton-West ("West"), who had been looking for funding to build a medical spa as a high end resort, was referred to Wilson by Brennan.

So where are the \$30M in 'wrap loans mentioned by Reynolds in his resume?' The only other possibility was the fraudulent application of \$30M in CPEA grant money, but that too never materialized either. Fraudulent because Reynolds would not have declared in the application for the grants that corporations were a sham, that if there were any other directors / shareholders apart from Devra West they were impotent because the corporation was a front for a cult / criminal / racketeering business model.

Long story short, Reynolds resume is a fiction just like West's [life journey / history](#) as quoted on her current website.

**8.** In 2014, Reynolds oversaw the fencing of several million dollars of artwork and valuables that Devra Patton West had stolen from a Montana charity in 2004. The items, valued at \$4,000,000 in 2002, went missing after her charity was [struck off](#) for fraud but turned up ten years later in Arizona after the statute of limitations on theft had expired. In 2009, while being deposed by the whistleblower's lawyer, amongst other reasons to find out where these items had gone, West denied they existed and suggested that they had been "carried off."

Above left; millions of dollars of artwork and valuables closely matching the identity of those stolen from the charity turn up at auction and as for sale from West's website in 2014. Currently these items are featured on West's website under the ['art gallery'](#) tab. Center; Reynolds overseeing the auction of stolen property in 2014. Far right; page 61 of the statement Devra West gave under oath in October 2009 wherein she states that the items were "carried away."

For his part in Devra West's criminal / racketeering business model, and in particular, the murder plot and conspiracy to bankrupt a total stranger to please Devra West, Geoffrey Reynolds CPA has earned the accolade of 'scum.'

**Scum** (adj.) possibly the worst word you can have your name associated with. It is **hard** to define the word, but it is basically used to describe someone so disgraceful that they are seen as the lowest form of life. "Worthlessness", "waste of skin", "dirt". "Nothing". Far worse than most other insults, where the victim is often **just** referred to as genitalia.

Reynolds is now working for [McSwain & Co.](#) a respectable firm of accountants based in Olympia Washington. It is unlikely Reynolds declared his association with organized crime before being hired by them or that his resume was for the most part a fiction.

**Dr. Julio Williams MD.** Senior cult member, Dr. Julio Williams, distinguishes himself by the fact that he both finances Devra West's criminal racketeering business, to the tune of hundreds of thousands of dollars, but also acts as chief recruitment officer for new blood / victims to the cult. Unlike Geoffrey Reynolds who is totally corrupt, it is believed that Williams is totally brainwashed and conditioned to do as he is told. Below is a photo of Williams getting what he thinks is a blessing from his occult master, when in reality, she is just using ritual magic to bind him to her will and it seems to have worked well on him – note the confused and dazed women in the foreground.

Here are a few of Julio Williams' outstanding contributions to his occult master's criminal / racketeering business model.

1. In 2005, Williams, along with two other cult members, were co-opted into [publishing a statement](#) on West's website designed both defame and to vilify the whistleblower because he had decided to sue Devra West for fraud.

2. In 2007, when it looked like the whistleblower's website was gaining traction Williams sent a [threatening email](#) to the whistleblower designed to intimidate the whistleblower into withdrawing his website. Below is a short excerpt from that email.

Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN".

I have personally allocated Two million dollars for Dr. West defense and legal expenses. If you want to continue with your insanity go head but just know that you will have to go through me first. If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down.

Mr Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

3. When the Whitefish Pilot newspaper article appeared in July of 2007, Julio Williams, like Geoffrey Reynolds and Jack West, all senior members of West's cult, also published two statements of denial on Devra West's website, even though he knew full well she was guilty and had received her written admission of guilt over a year earlier.

[Statement 1](#)   [Statement 2](#)

4. Julio Williams is well aware that Devra West is a Satanist and an Occult Master, who uses her knowledge of the occult to prey on others. However, Williams grew up in the Dominican Republic where voodoo was one of the religions, so using black magic against others will seem quite normal to someone like Julio Williams. He is aware of Devra West's two arrest warrants, one in 2008 for criminal check fraud and one in 2009 for felony theft. He is aware of her conviction for assault against a fellow physician Dr. Cole MD. He is aware that Devra West was the subject of a Sheriff's Sale to force her to pay her creditors \$2,000,000 in court fines and interest. He is aware of her multiple appearances in Montana court houses as the defendant in fraud-related lawsuits.

However, having no volition of his own, Julio Williams can only do as he is told; which explains why in 2007 he posted a gushing testimonial for Devra West on her website. Below is a short excerpt from that statement – the full statement can be viewed by going [here](#).

*Global Guardianship Initiative*  
**Biography**

**Julio Williams, MD**

It was in the fall of 2000 when I first came into contact with Dr. Devra West, whom we graciously and fondly call "Surya Ma" (a name reflecting high honors on the spiritual path) during a transformational training at her retreat center in Montana. I quickly came to recognize that she is one of her kind among the few contemporary illumine minds here in the west. She is a modern day pioneer and visionary who lives her life as an example in service for the greater good of humanity. It was as if I had been ignited to see and know and experience at all new levels of possibility, and as a physician, I felt privileged to receive the gold that her teachings have to offer. And I have been inspired to pass on to society at large, the tools that have empowered me to engage the philanthropic spirit in service to humanity and more over into my medical practice. She is a Master Healer because she is a Master Soul. Her very presence is a healing presence. Because she heals from a greatness of heart, she has opened my sight to my own greater capabilities as a human being.

I am delighted and honored to further her work in all ways possible and for the opportunity to serve as board member of the Global Guardianship Initiative and look forward to becoming a dynamic force in the implementation of the different projects on a long term basis.

5. And then, when Devra West's 'divine being' bullshit was seen for what it was in Montana, forcing her to leave for new hunting grounds, Julio Williams MD was there, selling his cult leader as a 'divine being' to a brand new set of potential victims in Carefree AZ. [Here is a link](#) to a 2014 posting on her website asking for donations for the 'Divine Feminine' even though he knows Devra West has a long history of violence towards other women.

6. Below is a posting in 2017, showing that Williams actually rented a property close to Devra West's bullshit 'Abode of the Master's' in order to host a venue for new potential victims of Devra West's latest fraud scam i.e. 'Divine Grace Healings' selling at \$500,000 a go!

*"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."*

7. Finally, Devra West puts Dr. Julio Williams out front to recruit new ‘blood’ / victims for her cult because she believes that his perceived respectability as a heart surgeon will attract the ‘sheeple.’ Unfortunately for Dr. Williams, some of his patients do not rate him as a good doctor with one saying if you see him, “run the other way.”

★★★★★ dangerous physician!!

Self-verified patient of Dr. Julio E Williams - Posted on June 24th, 2011

This MD appears caring but has a long history of not taking care of his patients post-operatively. He does not work well with the hospital staff/physicians and has had several complications and deaths. Superficially he appears ok but call his old hospitals in south texas and northeast tx.... he has been run out of each of them!! If you see him sun the other way FAST!!!!

Here is a link to that testimonial:-

Currently, Williams is the contact point for West’s latest recruitment drive to attract individuals into taking up employment positions for non-existent jobs. Over the past two decades, Devra West has deceived countless professionals / senior employees into taking up what are billed as ‘great career opportunities’ only to find out after commencing their employment that they have joined a cult and that they are expected to ‘surrender’ to the will of the Master Abuser and finance her non-existent good causes. Williams is a willing accomplice in this deceit but still agrees to work in concert with his cult leader to defraud and extort money from new recruits.

Past victims of ‘special word of mouth job opportunities include the whistleblower defrauded out of \$765,000, Mike Hendrickson defrauded out of \$200,000, Dr. Pat Cole MD defrauded out of \$1.3 million with the vast majority of lower level employees defrauded out of smaller amounts – details elsewhere in the is email. Below is an excerpt from a posting advertising the latest fake job offerings by West with Williams acting as the contact person – one of his many contributions to her criminal racketeering business model. [To view the entire posting go here.](#)

This is a very special word-of-mouth job opportunity.

**Jack West (ex-husband of Devra West).** Jack West for the most part, plays a low profile role in Devra West’s guru / cult / extortion business, being used to recruit cult members from ‘meditation’ groups, social media and ‘meet up’ groups; although I noticed Devra West has been banned from Cave Creek’s ‘meet up’ groups. Here are some examples of his activities within the cult.

1. Victim of fraud, [Jeremy Samuelson](#), describes how ex-friend Jack West, with little experience of women and being totally ‘run’ by Devra West, loaned them \$10,000 and never got repaid.

**2.** Another example of what Jack West does in the cult can be ascertained by reading [this statement](#) from AJ White, an ex-board member of West's so called charity, which was [struck off for fraud](#) in November 2003. In her statement, AJ White describes how, after employee Susannah Felder challenged Devra West about an \$80,000 donation that West stole from the charity, Devra West partially scalped Susannah during a vicious attack. Jack West's role was to lie about the circumstances of the attack in an attempt to blame the victim for partially scalping herself!

**3.** After the [Whitefish Pilot](#) published its story about Devra West's criminality and the assault on Dr. Cole MD on July 12 2007, Jack West reprised his role as 'liar for hire' by publishing a lengthy statement on his ex-wife's website. The statement asserted that the assault never took place and that the victim Dr. Cole, who been defrauded out of \$1.3 million by Devra West, was in fact part of an extortion scam (with the whistleblower) to ruin Devra West. Below is the statement of denial from Jack West posted on Devra West's website on exactly the same day as the other statements of denial posted by Geoffrey Reynolds CPA and Julio Williams MD.

Please circulate this to your mailing list, as to do so may save someone in the spiritual / metaphysical community in Sedona or Scottsdale from being the victim of extortion or much worse. The 'seminars' due to be held on the following dates are clearly intended to be the latest round of 'auditions' for the next raft of victims. The dates again to avoid are:-

### ***Walk the Path of Ruin with Devra Patton West.....***

#### ***Sedona Gateway Retreats - Intro to the Path of Enlightenment***

***~~May 26 thru 29th~~ ~~July 28 thru 31~~ Sept 2 thru Sept 5 5 Dec 1 thru 7***

Avoid these dates like the plague and advise others in the Sedona / Scottsdale spiritual communities to do the same. It must be obvious to all, that someone with a history like Devra Patton West has nothing to teach others about enlightenment!

Richard Squires.
