

Subject: Rishi Devra AKA Con Artist and Suspected Serial Killer Devra Patton West looking for more Wealthy Victims in Sedona & Scottsdale AZ.

Dear FBI, IRS and Sedona & Scottsdale police departments,

If Devra West carries out 'extra judicial' killings, are these deaths still considered murders even though the weapon she uses is not regarded as a weapon under legal statute? Clearly Geoffrey Reynolds, who announced the whistleblower's impending murder to the press days before she attempted his murder, believes that she cannot be prosecuted, however much of motive she had for his 'extra judicial' killing.

If Devra West uses her occult 'weapon' that is not regarded as a weapon under legal statute to commit scores of acts of theft, fraud and extortion are these crimes, or does she get a free pass in spite of the mountain of evidence to show what she is doing? If Devra West uses the same weapon to terrorize victim's witnesses into remaining silent and not going to the police, are these crimes or does she get a free pass?

Finally, with senior cult member Dr. Julio Williams providing a venue, paying for the venue and being present to testify to her ability to deliver 'divine grace healings' is this a crime? Is it a crime when in reality, having identified the wealthy, Devra West uses her weapon (that is not regarded as a weapon under legal statute) to make victims ill; after which she offers to 'cure' them for six figure sums?

As long as the answer is no, or the authorities choose not to investigate, there will be more victims of theft, fraud, extortion and more extra judicial killings. Maybe it is time to take a close look at the 'Regent for the Spiritual Hierarchy of the Western Hemisphere' AKA con artist Devra Patton West.

**Rishi Devra AKA Con Artist and Suspected Serial Killer Devra Patton West  
looking for more Wealthy Victims in Sedona & Scottsdale AZ.**

In Montana, where she was calling herself the Ascended Master Devra Ji (1995 to 2004) and then after her charity was [struck off for fraud](#) in 2004 the Ascended Master Surya Ma (2004 to 2010), Devra West was the leader of a cult / criminal racketeering gang. Prior to 1991 Devra West and her husband Jack West were pot growers, drug dealers and small time crooks defrauding thousands of dollars a time from individual victims. Victims like [Jeremy Samuelson](#) and [Satya](#). The latter victim Satya attended the 'Robert Jaffe School for Energy Mastery' with Devra West between 1990 & 1991. After acquiring occult (hidden) knowledge Devra West and Jack West used that knowledge to leverage their criminal tendencies thus starting a career of organized crime that endures until this day.

The occult hidden knowledge I am talking about is Shamanism; it is used by tribal elders for the benefit of their people. It is used by lunatics like Devra West to line their own pockets and to facilitate theft, fraud, extortion, murder and when necessary to intimidate victims and witnesses into not going to the police and to the law courts for restitution. The same threat of violence and murder is used by Devra West to enforce a strict code of silence within the cult which for most of the time is quite effective. However occasionally victims refuse to remain silent and refuse to be intimidated and, like the whistleblower, are difficult to murder.

After the whistleblower was recruited by West as a business consultant in January 2002 and, after being defrauded by her in August 2002 after completing all the tasks he had been set, the whistleblower decided to sue Devra West for fraud a lawsuit he won in 2008. In 2003 after announcing his decision to sue Devra West for fraud they had a meeting at which she threatened to get so down and f\*\*king dirty huge expenses coming out of his pocket and not hers as the senior members of her cult, willing accomplices in organized crime, would fund her legal fees. You can listen to Devra West say this to the whistleblower as he recorded the entire meeting on a digital tape recorder. Here is a link to two of the statements she made during their meeting:-

- [1. You are f\\*\\*king over a Spiritual Teacher for Christ's sake.](#)
- [2. If you sue me I'll get so f\\*\\*king down and dirty huge expenses coming out of your pocket not mine.](#)

Devra West was true to her word, as during the lawsuit she got down and f\*\*king dirty in the following ways:-

- 1.** Told her employees to manufacture false statements about the whistleblower on pain of being fired. She intended to use these statements in court to malign the whistleblower. One such statement by employee [Anandra George](#) was later retracted.
- 2.** She got three cult members to write a [defamatory statement](#) and publish it on her website in 2005. One of the authors was Dr. Julio Williams MD. In 2007 Dr. Julio Williams MD was persuaded to write a threatening expletive laden email to the whistleblower wherein Williams announced that he was putting up \$2,000,000 for Devra West's defense fund.
- 3.** In early 2007, when it looked like the whistleblower's lawsuit was going to be successful, Devra West started to use her 'secret weapon' and launched a campaign of occult 'under the radar' violent attacks at the whistleblower and his family. These attacks included severe headaches, partial paralysis, attacks to the digestive system, sleep deprivation etc. Devra West, being a card carrying Satanist, works with demonic entities who she uses to terrorize victims at night with banshee type screams and violent nightmares. There are no redeeming qualities with Devra Patton West her occult weapon, not recognized by the authorities as a weapon, allows her to target adversaries and wealthy victims safe in the knowledge that no one will believe the victim's stories and if they did there is little the authorities could do unless a group of victim's brought a lawsuit against Devra West based on her obvious intent to cause harm. Trying to get victims' to act together in a common cause is like trying to herd cats. A much better route is to use the obvious pattern of organized crime / racketeering over 27 years to mount a criminal investigation with the object of prosecuting Devra West and her accomplices under racketeering (RICO) statutes. Either way Devra Patton West is a **'berder.'**

TOP DEFINITION

## berder

**a thing** or person who is **on the level** below **the devil** and commits acts that the devil would consider evil

**4.** In July of 2007 the whistleblower shared his research with two Montana newspapers who both published stories about Devra West's criminality in the Flathead Lake area of North West Montana. The negative publicity from the stories in the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers brought to an end Devra West's criminal racketeering business model in Montana as wealthy spiritual seekers tend not to walk into a trap if they know it is there. As a result of this public relations disaster Devra West decided to murder the whistleblower and on August 9 2007 Geoffrey Reynolds CPA, a senior member of her cult, while being interviewed by the Bigfork Eagle newspaper let the reporter know that the whistleblower would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family.

**5.** The murder plot failed though Geoffrey Reynolds prediction were correct as within days of his statement to the press Devra West made a failed attempt at murdering the whistleblower. Reynolds was also correct in his prediction that Devra West would launch a campaign of occult under the radar violence against the whistleblower designed to intimidate him into bringing down his websites and or have him react in a way that ended up in him being jailed while trying to avenge the attacks against him and his family. Interestingly in 2002, when the whistleblower was building a relationship with Jack West, Jack shared a couple of interesting facts the first was that people who crossed his wife had a habit of dying suddenly and the second was that he, his wife Devra West and their young daughter Anna were chased out of New Mexico by one gun wielding victim who realized that the police could not help him with Devra West's 'under the radar' violence.

**Above left: Devra Ji, Surya Ma & Rishi Devra – the same narcissist dressing up as a Greek Goddess believing that her fantasies are real. Unfortunately for anyone in her presence they are forced to play the role of serfs to her planetary regent. Go along with her delusions or risk being the victim of a violent assault or murder.**

**6.** As stated earlier, Devra West's criminal racketeering business model was dead in the water as long as the whistleblower's websites were up which contained thousands of documents and images about Devra West's criminal past. In 2010, while attending court to see what the court was going to award him for winning his lawsuit against Devra West both West and her stooge Reynolds served the whistleblower for defamation (for telling the truth)! While the truth is an absolute defense against defamation it only works if you can afford a lawyer and if you can afford to travel from abroad backwards and forwards to defend West's & Reynolds lies. They both gambled that after 7 years of

fighting and winning a fraud lawsuit against West that the whistleblower would not be able to defend their frivolous lawsuits against him – and they were right. Long story short the whistleblower's websites were forced down and Devra West moved to Geoffrey Reynolds' old home town of Cave Creek AZ where she reincarnated herself as the Ascended Master 'Rishi Devra' and like all serial killing narcissists who believe that no one would be stupid enough to challenge her version of reality she recently announced that eight short years after leaving Montana as a con artist and violent convicted criminal she was now:-

## [The Regent of the Spiritual Hierarchy for the Western Hemisphere.](#)

### [THE SAGE OF SEDONA and the RISHI OF THE WEST!](#)

While researching his lawsuit the whistleblower discovered that there were literally scores of victims of theft, fraud, extortion, one sudden mysterious [death of a witness](#), the threatened murder [of a student](#) who was kidnapped and held captive until she agreed to make a 'donation' of tens of thousands of dollars to West's lifestyle costs. The planned murder of a wealthy student, [Dr. Pat Cole MD](#), whose death sentence was only reprieved after she made a 'donation' of \$1.3 million to West's lifestyle costs. Then there was the attempted murder of the whistleblower blurted out to the press by senior cult member Geoffrey Reynolds CPA who also distinguished himself by money laundering \$460,000 of the cash stolen from Dr. Cole through West's business as normal business receipts.

Each of the senior cult members below were all well aware of:-

1. The two arrest warrants issued against Devra West in 2008 & 2009; one for [criminal check fraud](#) and one for [felony theft](#).
2. Were aware that Devra West was [convicted for assaulting](#) Dr. Pat Cole MD.
3. Were aware that Devra West was the subject of a [Sheriff's Sale](#) to force her to pay her creditors \$2,000,000 in court fines and interest.
4. That in 2008 she was ['convicted' of defrauding](#) the whistleblower.
5. That she was convicted of [defrauding](#) a local builder trading as Top to Bottom Construction.
6. That Devra West was a violent psychopath, who had a vicious temper that she used to viciously assault the female members of her cult. [Susannah Felder](#) and [Beatrice McGuire](#) being two further examples.
7. Senior cult members were also heavily involved in covering up West's crimes, lying and denying West's criminality, vilifying the press for publishing true stories about West's crimes and last but not least used to intimidate witness and victims.

## **Currently under investigation by authorities for their parts in West's criminal racketeering gang:-**

**Dr. Julio Williams MD.** Brainwashed and conditioned by Devra West over the past 18 years Dr. Williams is shamelessly used to promote Devra Patton West as a 'divine' being who can deliver 'Divine Grace Healings' if you are wealthy enough to pay the six figure sums that Devra West charges for these 'healings.' Williams is also used to intimidate witnesses and victims who go public. Williams has also donated hundreds of thousands of dollars to West which may come back to haunt him when she is prosecuted for racketeering. Recently, breaking every rule in the book, Williams rented a property from which West could target wealthy spiritual seekers or those with serious illness. What better recommendation / testimonial could con artist Devra West have than to hold her extortion sessions at the home of a physician / thoracic surgeon's home? I would not be surprised if Williams is struck off the medical register.

*Above left and center: Dr. Julio Williams MD for all outward appearances a respectable physician and thoracic surgeon. His other job is to use his perceived respectability to promote a psychotic con artist's claims of being able to deliver 'divine grace healings' at \$500,000 a go. Above right: Williams being blessed by his Satanist High Priest – note the dazed look on the face of the woman in the foreground – both being bound to West's will.*

Follow [this link](#) to review a copy of the complaint alleging serious misconduct on the part of Dr. Julio Williams MD, which the whistleblower made to all of the medical boards that Williams is registered with.

**Geoffrey Reynolds CPA.** Shortly after joining Devra West's employ in September 2006 Geoffrey Reynolds was duped into loaning her \$300,000 believing the rhetoric that she was out to save the world; the same rhetoric used on the whistleblower in 2002 but to less effect. After loaning his life savings Reynolds was on the hook and rather than go to the police or fight for the return of his money through the courts he decided to join her in a life of organized crime hoping to 'earn' the return of his \$300,000 while avoiding jail time. Not knowing the whistleblower from Adam, as their 'employment' was separated by 4 years, Reynolds none the less agreed to be complicit in a murder plot to kill the whistleblower in 2007 and when that failed he took part in, and fronted, a conspiracy to bankrupt the whistleblower. The clear motive on West's part was to both avenge the two newspaper articles that forced her to leave Montana, avenge the whistleblower's win in court against her for fraud and finally to remove his websites so that she could reincarnate herself elsewhere with yet another iteration of her well-oiled guru / cult / extortion business model. A business model that brings in millions of dollars a year money which allows her to stroke her narcissistic delusions of grandeur by having servants at her feet while also allowing her to dress up as a Greek Goddess all the while declaring her divinity to all who will listen.

Reynolds' employers [McSwain & Co.](#) were made aware of Reynolds' involvement in organized crime. The evidence was so compelling that instead of firing him, they simply sanitized his resume on their firm's website by removing all dates and all mention of his time with Devra West's criminal racketeering gang between 2006 & 2014. More recently, they also removed his photograph from his resume; presumably so that the public, their existing and future clients would not be able to identify him.

*Above left: What Geoffrey Reynolds' [resume currently looks like](#) on McSwain & Co.'s website. Above right: the photo we believe that should be used in connection with Geoffrey Reynolds.*

Follow [this link](#) to read a copy of the complaint against Geoffrey Reynolds which clearly shows that he made false statements to a Montana court as part of a \$10,000,000 extortion scam orchestrated by Devra Patton West.

**Jack West**, Devra West's ex-husband and senior cult member seems to have gone to ground but following this link will take you to document that sets out his role in Devra West's criminal racketeering business model.

There is so much to say about Devra Patton West who is obviously a criminally insane narcissist who believes that her ability to murder people with plausible deniability makes her a God amongst men. Below here is a quote from a statement given by her personal housekeeper Tanya Hurley in 2003; you can read the entire statement by going [here](#).

*"I was single and raising 2 children, so it was not easy to walk away from that kind of financial security. I was so exhausted and stressed out from working insane hours, dealing on a daily basis with her demands and outbursts it started to SEVERELY affect me both mentally and physically. I was never physically abused by Mrs. West, but as we all know there are many forms of abuse. I was told by other employees that physical abuse was exacted on others before and after my employment. In closing, it is my opinion that Mrs. West is mentally ill and is a danger to herself and others."*

The image below speaks volumes. Are we supposed to believe that a member of the public wandered by and caught this candid unscripted photo? No of course not like all of the photos on her website and her Facebook pages they are all stage managed and scripted by a suspected serial killer who thinks she is a 'divine' being. Look at items 5, 6 & 7 on the list below.

**Above: A study of a delusional suspected serial killer whose narcissism has her frequently dressing up as a Greek Goddess. West, as the list above states, is arrogant, lives in a fantasy world, and dreams of unlimited fame and success often referring to herself as ["the light that stands behind leaders and world servers across the globe."](#)**

In a recent post, this raving lunatic (it would be funny if she was not so dangerous) announced that she was a "blessing to all souls!"

**The latest propaganda from con artist and violent convicted criminal Devra Patton West says that she is a “Blessing for all Souls.”**

**THE RISHI OF THE WEST**

*Devra Adi Maa...The Sage of Sedona*

*“As a spiritual guardian of the region, her presence in both Sedona and Scottsdale is a blessing for all souls and especially for those who seek spiritual enrichment and the ultimate awakening of enlightenment.”*

**Above: Devra Patton West personally writes and publishes this bullshit on both her [website](#) and her [Facebook pages](#). The ‘sheeple’ who ‘buy’ into this propaganda become the latest to fall victim to theft, fraud, extortion, mental and physical abuse and in some cases violent assault, attempted murder and murder.**

What better way to end this email than to share with you some of the souls she blessed in Montana while she was masquerading as the Ascended Masters Devra Ji & Surya Ma. As you can see from the images below she liked to dress up then but it is what narcissist’s do – live in a fantasy world. Unfortunately her victims live in a nightmare which can end in sudden death or as with the whistleblower subject to a campaign of ‘under the radar’ violence that has continued now for 12 years.

**We share below the details of 21 “souls who were blessed” by narcissist / psychopath Devra Patton West in Montana!**

**Victim 1 Susannah Felder.** If you review the [notarized statement](#) given by ex-charity board member, AJ White, you will see that employee Susannah Felder discovered that Devra West had stolen \$80,000 from the charity she ran, to pay for her porn loving wife beating son’s legal fees. Her son, Chris Haywood, was fighting for custody of his infant daughter from his first wife, Kendall. When Susannah confronted Devra West about the stolen \$80,000 donation Devra West viciously assaulted Susannah partially scalping her in the process.

**THIS EX-EMPLOYEE, UPON CHALLENGING DEVRA WEST ABOUT AN \$80,000 DONATION THAT WEST HAD STOLEN FROM THE CHARITY, VICIOUSLY ASSAULTED SUSANNAH LEAVING HER PARTIALLY SCALPED. DEVRA WEST STATED AFTERWARDS THAT THE MONEY GIVEN TO THE CHARITY WAS HERS TO USE AS SHE SAW FIT!**

**This soul was ‘blessed’ by Devra Patton West.**

**Victim 2 John Watson.** The whistleblower John Watson, hired as a business consultant in January 2002. He was defrauded out of wages and shares in August 2002; launched a fraud lawsuit in March 2003, which the courts awarded him [judgment for](#) in 2008. [Follow this link](#) to read the news article published by the Ravalli Republic and [follow this link](#) to learn how much he was awarded by the courts. During the five years he was researching his lawsuit, John

Watson discovered scores of victims of organized crime and racketeering. After publicizing his research on a website dedicated to Devra West's criminality, he became the subject of a failed murder plot by Devra West and her stooge / accomplice, Geoffrey Reynolds.

DEFRAUDED OUT OF WAGES AND SHARES BY DEVRA WEST, THE SUBJECT OF A MURDER PLOT BY DEVRA WEST AND CULT MEMBER GEOFFREY REYNOLDS. WHEN THAT FAILED A CONSPIRACY BY WEST & REYNOLDS TO BANKRUPT HIM TO STOP HIM GOING PUBLIC ABOUT DEVRA WEST AND HER CRIMINAL PAST.

**This soul was 'blessed' by Devra Patton West.**

**Victim 3 Beatrice McGuire.** In 2002, ex-student Beatrice McGuire, was attending a seminar in Montreal for 'students' of Devra West's unaccredited school for occult studies, then called the Sacred Arts Institute (SAI). When Beatrice publicly challenged Devra Patton West in front of other students about some of the lies Devra West was spouting to the audience, Devra West reacted by violently assaulting Beatrice in front of the rest of the audience with the result that part of Beatrice's ear was ripped away. Devra West, though not acknowledging the assault, later paid for Beatrice to have plastic surgery to fix the injury. This assault and Devra West's violent nature is well documented in student [Debra Coffey's statement](#) to the whistleblower.

THIS EX-STUDENT WHO PUBLICLY CHALLENGED DEVRA WEST ABOUT HER LIES, DECEIT AND PROPAGANDA WAS VICIOUSLY ASSAULTED IN FRONT OF A LARGE AUDIENCE. THE RESULTING INJURY REQUIRED PLASTIC SURGERY TO CORRECT - THE COST OF WHICH DEVRA WEST PAID WHILE NOT ACKNOWLEDGING SHE WAS TO BLAME!

**This soul was 'blessed' by Devra Patton West.**

**Victim 4 Dave Kushner.** In 2005, ex-student [Dave Kushner](#) the victim of fraud at the hands of Devra West who used fellow student Lisa Swidler as a go-between to negotiate a \$30,000 loan that Devra West had no intention of ever repaying. Like most victims in the cult, Dave Kushner was aware of Devra West's reputation and feared he would be murdered if he pursued her for the return of his money.

VICTIM OF FRAUD WAS APPROACHED BY DEVRA WEST FOR A \$30,000 TWO WEEK BRIDGING LOAN. DEVRA WEST EVEN SIGNED AN AGREEMENT PROMISING TO REPAY THE FUNDS WITHIN 14 DAYS. DEVRA WEST REFUSED TO REPAY THE MONEY OR EVEN TALK TO THE VICTIM SHE HAD DEFRAUDED.

**This soul was 'blessed' by Devra Patton West.**

**Victim 5 Marion Cantwell.** Ex-student [Marion Cantwell](#), was pretty much ignored until she sold her home in 2005. Immediately after which, she too, became the victim of extortion at the hands of Devra Patton West. The whistleblower got first-hand knowledge that circumstances around Marion's story were correct when, after initially fleeing the US and returning a year later to Texas, her new employer phoned the whistleblower for a reference. Having seen Marion's

name mentioned on his website, he sought assurances that Marion was a victim of Devra West and her cult, and in no way a perpetrator of organized crime.

**AFTER SELLING HER HOME SHE WAS KIDNAPPED, HELD CAPTIVE, BEATEN AND FINALLY RELEASED AFTER AGREEING TO 'DONATE' TENS OF THOUSANDS OF DOLLARS TO DEVRA WEST. SHE WAS TOLD BY DEVRA WEST THAT SHE WOULD BE MURDERED IF SHE WENT TO THE POLICE.**

**This soul was 'blessed' by Devra Patton West.**

**Victim 6 Lisa Swidler.** In 2005, after being 'used' to negotiate a loan from [Dave Kushner](#) that Devra West had no intention of ever repaying and after witnessing the kidnap, false imprisonment and beating of [Marion Cantwell](#), Lisa Swidler decided to escape the cult. Worried that Lisa knew where the skeletons in West's cupboard were hidden, Devra West decided to murder Lisa Swidler. As with previous murders that ex-husband Jack West hinted at to the whistleblower in 2002, the victim's death was ruled as 'death by natural causes' by the coroner. Most of the cult knew that Lisa was murdered by Devra West; follow this link to see Lisa's [gravestone](#).

**MURDERED BY DEVRA WEST AFTER WITNESSING CRIMES AGAINST DAVE KUSHNER & MARION CANTWELL. FLED THE CULT AND DIED SUDDENLY AND MYSTEIOUSLY SHORTLY AFTERWARDS OF INTERNAL BLEEDING. THIS YOUNG SINGLE MOTHER LEFT BEHIND TWO SMALL CHILDREN UNDER THE AGE OF 10 YEARS.**

**This soul was 'blessed' by Devra Patton West.**

**Victim 7 Mike Hendrickson.** Ex-student Mike Hendrickson, a partner in a Colorado firm of accountants, had previously signed a \$200,000 bank guarantee at Farmers Bank in Victor MT for West's charity 'The Circle of Divine Unity.' In January 2004, the charity was [struck off](#) the Montana charity register for 'paper work irregularities' which is 'code' for fraud. Shortly afterwards, Devra West transferred the bank guarantee amount of \$200,000 into a trust fund for herself and her eldest son, Rob Meador. The 2007 [Whitefish Pilot](#) news article mentions Mike Hendrickson as a victim of West's. A Montana judge unwound the trust fund in 2008 ordering that the contents, which included a property worth \$1,250,000 that she also stole from the charity, be sold at a [Sheriff's Sale](#) to pay her creditors \$2,000,000 in court fines and interest.

**MADE SEVERAL VOLUNTARY 'DONATIONS' TO WEST'S CHARITY AND WAS DEFRAUDED AFTER SIGNING A BANK GUARANTEE FOR \$200,000 FOR THE 'CHARITY.' DEVRA PATTON WEST STOLE THE \$200,000 AND PUT IN A PERSONAL TRUST FUND FOR HER AND HER ELDEST SON ROB MEADOR.**

**This soul was 'blessed' by Devra Patton West.**

**Victim 8 Dr. Pat Cole MD.** Local female doctor, Pat Cole MD, as one of the more wealthy members of Devra West's cult was targeted for extortion by Devra West in early 2006. In one of

the most vicious assaults in April 2006, Devra West repeatedly hit Cole over the head with the heel of her shoe until blood ran down the victim's blouse. The police were called, Devra West was charged with assault and convicted two years later in April 2008. On April 17 2006 Devra West, in an attempt to justify the assault to her cult, wrote a lengthy missive to her mailing list entitled [‘The Law of Severity on the Path to Purification’](#) wherein she stated that that the victim was a Nazi in the WWII death camps therefore the beating was not only justified but long overdue! West also stated that the beating administered to Dr. Cole though severe was administered with grace! In July 2007 and August 2007 respectively, the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers published two news articles about West's criminality in the Flathead Lake area of Montana.

**EX-STUDENT AND BUSINESS PARTNER OF DEVRA WEST'S BECAME THE SUBJECT OF A CAMPAIGN OF VIOLENT ASSAULTS AT THE HANDS OF DEVRA PATTON WEST DURING THE COURSE OF DEVRA WEST EXTORTING \$1.3 MILLION FROM HER. WEST WAS OVERHEARD PLANNING THE VICTIM'S MURDER.**

**This soul was ‘blessed’ by Devra Patton West.**

**Victim 9 Rebecca West.** Ex-employee Rebecca West, no relation to Devra West, was employed as office manager by Devra West in early 2006, when Devra West assaulted Rebecca's friend Dr. Pat Cole MD. As a favorable witness to Dr. Cole, and a hostile witness to Devra West, Rebecca became a victim of a campaign of ‘under the radar’ occult violence directed at her by Devra West, who sought to intimidate her into withdrawing her damning statement about Devra West's assault on Dr. Cole MD. Like several other hostile witnesses, Rebecca West went to the police in the summer of 2007 and reported that they were the subject of occult attacks directed at them by Devra West.

While the police acknowledged that the victim's claims of being on the receiving end of violent attacks were credible, they explained that the weapon being used was not recognized as a weapon under legal statute therefore there was nothing they could do as a successful prosecution was unlikely unless all the victims acted together and brought forward a civil lawsuit on the basis of Devra West's intent to ‘cause actual bodily harm.’ A [series of harrowing emails](#) sent by Rebecca West to the whistleblower in March 2007, clearly shows that Devra West was running a cult which in reality was (and still is) a criminal racketeering business model masquerading as a quasi-religious organization with Devra West labelling any criticism or investigations as ‘religious persecution.’

**EX-EMPLOYEE TRAPPED INSIDE DEVRA WEST'S CULT, AND A WITNESS TO DEVRA WEST'S VIOLENT ASSAULT ON DR. PAT COLE MD, WAS THE SUBJECT OF OVERT AND COVERT VIOLENT INTIMIDATION AS DEVRA WEST SOUGHT TO INTIMIDATE HER INTO CHANGING OR WITHDRAWING HER WITNESS STATEMENT.**

**This soul was ‘blessed’ by Devra Patton West.**

**Victim 10 Carlida Finch.** In 2006, ex-employee Carlida Finch was given an ultimatum by Devra West - join her cult or be fired – Carlida resigned and made a formal complaint to the authorities about the ‘dangerous working environment’ while employed by Devra West. During her [testimony to the authorities](#), Carlida stated that she overheard Devra West planning the murder of Dr. Cole who, as a disciple of West’s, had previously promised 66% of her net worth to Devra West but was too slow in transferring her wealth into Devra West’s bank accounts.

EX-EMPLOYEE TRAPPED INSIDE DEVRA WEST’S CULT WAS TOLD BY DEVRA WEST TO JOIN HER CULT AND BECOME A LOW PAID OR NO PAID SLAVE OR BE FIRED. THIS EMPLOYEE OVERHEARD DEVRA WEST PLANNING THE MURDER OF DR. PAT COLE MD. THE MURDER WAS CALLED OFF AFTER DR. COLE PAID WEST \$1.3 MILLION.

**This soul was ‘blessed’ by Devra Patton West.**

**Victims 11 Barbara Costantino, 12 Tanya Hurley, 13 Diane Stoner & 14 Kathleen Francisco.** In 2002, at the time the whistleblower was serving as a business consultant to Devra Patton West, the occult thief / suspected serial killer was employing a number of staff as house managers, secretaries and personal assistants. Four such employees were Barbara Costantino (personal secretary, her replacement Diane Stoner (personal secretary), Kathleen Francisco (assistant housekeeper) and Tanya Hurley (housekeeper). All four of what were close personal aides to Devra Patton West agreed to be interviewed and / or give statements to the whistleblower John Watson fully aware that their statements were going to be used by him in his fraud lawsuit against Devra Patton West.

**11. Barbara Costantino.** This [statement from Barbara Costantino](#) asserting that each time someone leaves after a dispute with Devra West she, Devra West, lies about the circumstances and rewrites history to show the departing employee / student / consultant in a bad light.

**13 & 14 Diane Stoner & Kathleen Francisco.** A small sample of audio statements from ex-employees Diane Stoner & Kathleen Francisco evidencing some of their experiences at the hands of Devra Patton West.

**15. Robert & Tabby Ivy.** For Devra West's criminal racketeering business model to be a success, it is very important that she presents herself to the public both as a successful business woman as well as a minor deity. The say an image is worth a thousand words. Below are two images taken from her 2007 website when she was operating as the Ascended Master 'Surya Ma' while targeting wealthy spiritual seekers in the Flathead Lake area of Montana. The third image is the only one based in reality.

***Above left: The image of Robert and Tabby Ivy's property that Devra West used on her website and in her brochures fraudulently implying that the property belonged to her. This in 2007 when she was masquerading as the Ascended Master 'Surya Ma.' Center: A photo-shopped poster Devra West put together for one of her 'seminars' note the lakeside image in the poster again implying that she lived on the lake. Far right: Actual / Factual photo from one of two arrest warrants issued against Devra West in Montana.***

When interviewed by the [Whitefish Pilot](#) newspaper Robert & Tabby Ivy explained that they repeatedly asked Devra West over a two year period not to use images of their property in her brochures and on her website. Devra West being a con artist and violent convicted criminal of course ignored them.

**THESE OWNERS OF A MULTY MILLION DOLLAR LAKESIDE PROPERTY WERE DEFRAUDED OVER A TWO YEAR PERIOD. DEVRA PATTON WEST, THEN MASQUERADING AS THE ASCENDED MASTER 'SURYA MA,' USED IMAGES OF THEIR PROPERTY IN HER BROCHURES AND ON HER WEBSITE.**

**These 'souls were blessed' by Devra Patton West.**

**16. Trails West Eagle Bend Realty.** On April 28 2006, Devra Patton West issued a bad check for \$6,500,000 on a Wells Fargo bank account with insufficient funds in it.

ISSUING A BAD CHECK, a Felony.

The facts constituting the foregoing offense are:

The Defendant, DEVRA PATTON WEST, on or about April 28, 2006, in Flathead County, Montana, purposely or knowingly, issued or delivered a check to Trails West Eagle Bend Realty, of Bigfork, Montana, for payment of money upon a depository, to-wit: Wells Fargo Bank, Montana, knowing that the depository would not pay the check, in an amount being more than \$1000.00, to-wit: \$6,500,000.00, all contrary to the provisions of Section 45-6-316, MCA, and punishable as provided by Section 45-6-316(3), MCA, by a maximum term in the State Prison of ten (10) years and/or a maximum fine of \$50,000.00.

Accordingly, the first of two Montana arrest warrants was issued against Devra West for criminal check fraud. Follow these links [1](#), [2](#), & [3](#), to review the court documents / arrest warrant.

**These ‘souls were blessed’ by Devra Patton West.**

**17 Kendal Strnad & Jamie Haywood.** Both these woman were ex-wives of West’s porn loving wife beating son, Chris Haywood. Both bore him infant daughters and both ended up in custody battles for their infant daughters when the marriages failed. What made these two custody battles different from any others was that Chris Haywood’s mother was Devra Patton West, a dangerous psychopath / suspected serial killer who used her knowledge of the occult to intimidate both her daughters in laws with a view to undermining the custody hearings in favor of her son. Using occult hidden knowledge, Devra West mounted a campaign of hidden ‘under the radar’ violence against both women and succeeded in causing the mental health of her first daughter in law to be called into question.

Given that Kendal was a squeaky clean decent mother with no legal issues, Devra West had an uphill struggle to persuade the courts to hand over an infant female child to her son. The answer was to make Kendal look a worse bet in the eyes of the court than her son which she succeeded in doing. As a result of the relentless targeting of Kendal by West, combined with false or bribed witnesses, the court decided to award custody of Kendal’s infant daughter to her husband, Devra West’s son Chris Haywood. This even though Haywood had an [FBI record](#) for forgery, drug abuse and DUI.

The same playbook was used a few years later when Chris Haywood’s marriage to Jamie Haywood broke down, only this time the attempts by Devra West to destroy the mental health of Jamie Haywood failed. If the reader reviews both the [harrowing email](#) sent by Jamie Haywood to the whistleblower days before the custody hearing was held on July 12 2007, and read the three part transcript (parts [1](#), [2](#) & [3](#)) of the custody hearing itself one can see just how sordid Devra West’s home life really is and how this vile serpent tried to obtain a second infant child by ‘throwing’ and manipulating the court and some of its witnesses. Also worthy of note is when Devra West gives her evidence under oath. A review of [part 1](#) of the trial transcript shows she lied about [assaulting Dr. Pat Cole MD](#) and lied when she described her business as [a multi-billion dollar enterprise](#). In reality she had been evicted twice in quick succession from two rental properties and had a \$2,000 plus lien against her for unpaid employment insurance. Please review the [Whitefish Pilot](#) & [Bigfork Eagle](#) newspaper articles for details.

**DEVRA WEST USED HER OCCULT KNOWLEDGE AGAINST BOTH YOUNG MOTHERS IN AN ATTEMPT TO INTIMIDATE THEM INTO GIVING UP CUSTODY OF THEIR INFANT DAUGHTERS TO DEVRA WEST'S PORN LOVING WIFE BEATING SON.**

**These 'souls were blessed' by Devra Patton West.**

**18 Avis rent a Car.** On December 6 2009, the second of Devra West's two Montana arrest warrants was issued after Devra West failed to return an Avis rental car; this one for felony theft.

Clearly as an Ascended Master, time has no meaning. Indeed, in Devra West's defense, she had claimed in 2007 to be **"single handedly holding open the gates of time."** Had she frozen time, she could have kept the car without paying for the additional rental period? In reality, and very aware of her reputation in Montana, Avis decided to act rather than wait to find out that she had slipped over the border into Mexico with their property.

**20. Top to Bottom Construction.** Devra West is an equal opportunity con artist. It matters not to her whether her victims are students of her unaccredited school, employees, business consultants or tradesmen like Mathew West (no relation to Devra West) trading as Top to Bottom Construction (TTBC). Just as with the whistleblower Devra West had TTBC do all of the work then simply refused to pay for it. Just as with the whistleblower Devra West forced Mathew West / TTBC to go to court to recover what was owed. Just as with the whistleblower, Devra West ignored the courts until they gave the plaintiff judgment against her after which she

then got involved and appealed judgment. Just as with the whistleblower it took some considerable time and expense for the plaintiff to get justice and during that time, five years for the whistleblower, you can bet that Devra West is targeting the plaintiff with occult ‘under the radar’ intimidation in an attempt to intimidate the plaintiff into withdrawing from their lawsuit.

Plaintiff and Appellee,  
v.  
DEVRA WEST and CHRIS HAYWOOD,  
d/b/a HAYWOOD STONEWORKS,  
Defendants and Appellant.

**Both the ‘soul of Mathew West and TTBC were blessed’ by Devra Patton West.**

As stated earlier, the above 20 examples of Devra West’s criminality are the very tip of the iceberg of a well-oiled criminal racketeering business model that has endured for 27 years! One thing must be obvious to all and that is the behavior expressed by Devra Patton West is not the behavior of a guru but is exactly the behavior you would expect from a dangerous violent criminal.

Devra West, because of the occult knowledge she possesses, sees herself as the apex predator. I am often asked by readers how, if all this information about her past is true - which it is, how she has the nerve to continue with what is obviously a giant criminal racketeering operation. The answer comes in two parts. Devra Patton West is at best a narcissist and at worst criminally insane because of her psychosis she needs to both control the lives of those around her and be worshiped as a minor deity; hence the ever increasing titles and accolades she gives herself. Secondly, Devra West has gotten away with serious crimes, including perhaps multiple murders, for 27 years she also knows that anyone stupid enough to contradict her version of reality is soon intimidated into silenced or murdered with a weapon she knows cannot be traced back to her. In Montana her business model was best described by the following image.

*Above top left: Devra West's cult as it was in 2002. Above lower left: spiritual seekers (sheeple) are herded into her cult and then 'harvested' as and when needed. Above right: Whether student, employees, business consultants or tradesmen all eventually become victims of Devra West's insatiable appetite for others money.*

By the time the whistleblower was recruited by Devra West's then husband, Jack West in 2002, their criminal racketeering business was running like a production line with victims coming in at one end, being processed and then spat out the other end after being mentally and physically abused, robbed, defrauded the victim of extortion and in some cases violently assaulted and murdered. Nothing makes this clearer than a [series of harrowing emails](#) sent to the whistleblower in March 2007, from one of West's employees trapped inside the cult and afraid for her life. Below here is an excerpt from the beginning of one email entitled ['Help Me.'](#)

*Dear John,*

*After more than 30 employees coming and going, (16 just since I started May 1, 2006, not counting myself, current employees or contract labor), there are currently three employees remaining. Two of the three are very much in her control due to fear and/or ignorance and have proven to me, I cannot trust them. I have been trying to get the monies she owes me before I end my contact with her, specifically a missing paycheck, overtime, overdraft charges and (wishful thinking) the bonus she promised me for the hundreds of hours of overtime I incurred. She sent her intimidating demand of me through her finance controller [Geoffrey Reynolds CPA] last evening, and I have until 5 p.m. today to talk to her. I must return and either give a 2-week notice and/or plan to be demoted from office manager to some other lowly position, (seems from historical accounting, I would become her personal care assistant).*

Note the high turnover in employees who respond to adverts for work, travel from all over the USA, and then on arrival are given a 20% pay cut and denied the healthcare benefits they were promised. That is all on the first day! If they refuse to become low paid no paid slaves in her cult, they are fired before 90 days is up after which Devra West would have to pay employment insurance.

*Above left: It is all about the money! Above center: Victims are processed through West's criminal racketeering business model just like cattle – a resource for the apex predator to feed on. For a psychopath like Devra West devoid of empathy and compassion this is not personal just business. All this while the occult thief/ suspected serial killer masquerades as a guru within the community in which she has embedded herself.*

Lisa Swidler was going to go public she was murdered; the whistleblower John Watson sued her for fraud and went public and they (West and Reynolds) plotted to murder him. When the murder plot failed they conspired to bankrupt him to force down his website which contained all the data he had compiled about Devra West while researching his lawsuit against her.

To give you an idea of just how sophisticated Devra West's criminal racketeering business model was by the year 2002, when the whistleblower was recruited as a business consultant, let me share with you details of another set of victims notably the State of Montana, Montana charities, the public who made donations to West's charity believing those funds were to be used for the good causes espoused and finally the IRS.

**21 The IRS, the State of Montana and thousands of public donors.** In 'Victim 1' above we shared with you statement given by ex-charity board member AJ White wherein she clearly states that in around the year 2000 Devra West was caught stealing money from the charity. In 2002, while the whistleblower was acting as a consultant to the charity, he noticed that vast sums

of money were being diverted out of the charity by Devra West for personal purchases such as jewelry etc. When the whistleblower tried to separate out the charities assets and finances from Devra West's she constructively dismissed him.

Shortly after he was fired, he wrote to the Secretary of State for Montana and reported the fraud after which her charities license was revoked in January 2004. Shortly after that, Devra West bankrupted the charity and, by a series of fake invoices and fake loans claimed the charity owed her a huge sum of money. In this way, Devra West claimed the charities main asset a large property on 20 acres worth \$1,250,000 in 2003 in lieu of the fake unpaid loans. At the same time in 2004, \$4,000,000 worth of artwork and valuables belonging to the charity (which were gifts to the charity or paid for largely by public donation) went missing.

In October 2009, the whistleblower's lawyers in an attempt to find out what happened to the millions of dollars that Devra West had acquired through organized crime, deposed Devra West and forced her to make a statement under oath about her missing fortune which included the artwork and valuables that went missing from the charity. You can read Devra West's statement, a pack of lies from start to finish, [by going here](#). When questioned about the missing artwork and valuables, Devra West had this to say....

<p>25 Q. Did you ever have numerous pieces of art? Page 61</p> <p>1 A. At one point in time I had some art. Again, 2 a great deal of it was stolen as well. 3 (Exhibit I marked for Identification.) 4 Q. If you would take a look at that, Ms. West. 5 Have you seen that document before? 6 A. Yes, I sure have. 7 Q. Can you tell me what it is? 8 A. This was created by some of the non-profit 9 people. It was shown to me. They were trying to I 10 believe at the time convince me to become involved in 11 trying to -- they were trying to not lose the 12 property down there. It was I think -- I'm thinking 13 they were late on their payments or whatever. So 14 this was created by a couple of people. 15 Most of it is pretty far-fetched. I mean I 16 can tell by looking at it that the monies -- and I 17 told them that I thought this was ridiculous. I 18 thought that, you know, it was pretty crazy. I mean, 19 I really walked away from my life. I walked away 20 from all of my possessions. All of this stuff was 21 left at Naka Shela for over a year and a half. The 22 property has been entirely furnished with my personal 23 family's furniture and so on. And by the time they 24 got around to actually transporting my items back to 25 me, well over half of it had been carted off. Entire</p>		<p>Page 62</p> <p>1 rooms full of furniture were missing, had been carted 2 off, as well as a great deal of this. 3 Anything that was really of value has been 4 sold. I mean, I know that I sold a few things way 5 back when years ago. Do you have any other questions 6 about this? I didn't create the list. 7 Q. Who did create it? 8 A. It was not my doing. It was not something 9 that I created or wanted to create or participated in 10 creating it. I know that perhaps -- I really 11 couldn't say. I know who might have been involved; I 12 really couldn't say who actually did it. The 13 organization was so loosely formed and 14 scatter-brained, and they never really had specific 15 committees other than in lip service. You know, they 16 would come to these retreats and gather together in 17 little circles. But once everybody went home you 18 never knew who was doing what. It was pretty hard to 19 tell. 20 I think an Esther, somebody named Esther 21 that they had had for a consultant there for a while, 22 I recall her being the one who actually gave me this. 23 Q. Esther Michaels? 24 A. Maybe so, correct. I know a large gal with 25 dark hair --</p>

*Above: an excerpt from Devra West's statement given under oath in October 2009 wherein she states that the items on the list of assets belonging to the charity were "carted off, missing or anything of value sold.*

It is worth reading this statement because amongst other things, Devra Patton West claimed to be destitute, \$2,000,000 in debt, homeless and living in an RV in the back of senior cult member Geoffrey Reynolds' back garden! Just a few short weeks after her statement was taken, Devra West was living in a \$7,000 a month gated mansion declaring it to be the new 'Abode of the Masters.' Clearly being an Ascended Master has its advantages, as Devra West was able to

manifest wealth out of thin air in the short time that had elapsed since she stated under oath that she was on the verge of bankruptcy for the second time.

*Above left: Devra West at the time of the statement she gave to a Montana court declared she was living in an RV in accomplice Geoffrey Reynolds back garden. Center and right: The \$7,000 a month gated mansion she took residence in just a few weeks later after taking up Geoffrey Reynolds offer to mover her criminal activities to AZ.*

In 2014, all the items listed on the schedule of assets belonging to the charity that Devra West was shown, while giving her statement to the whistleblower's lawyer in October 2009, suddenly turned up in Arizona! They turned up at auction (managed by Geoffrey Reynolds CPA) and for sale on Devra West's website. Currently these items are featured as being part of the 'Rishi Collection' on the [art gallery tab](#).

*Above left: Art work and valuables that Devra West stated under oath did not exist being sold at auction. Center: Geoffrey Reynolds CPA overseeing the sale / fencing of stolen property. Right: Narcissist / occult thief / suspected serial killer Devra Patton West draped in king sized white bed sheets posing for the cameras in her latest disguise as the 'Sage of Sedona' and 'The Regent of the Spiritual Hierarchy of the Western Hemisphere.'*

Clearly, Devra West had stolen the artwork and valuables (valued at \$4,000,000 in 2002), put the stolen goods in a lock up where they remained until the statute of limitations (ten years??) on theft had expired. Once in the clear and in another state Devra West pulled these items out and started fencing selling them at auction and from her website with Geoffrey Reynolds CPA aiding and abetting her as he had done in Montana when he money laundered funds extorted from Dr. Cole MD, plotted the murder of John Watson and when that failed fronted a conspiracy by West to bankrupt him via frivolous lawsuits he knew the whistleblower could not afford to defend.

**\$5,250,000 OF PROPERTY (2002 VALUES) BELONGING TO A MONTANA REGISTERED CHARITY WAS 'ACQUIRED' / STOLEN BY DEVRA PATTON WEST WITHOUT HER HAVING TO PAY A SINGLE DOLLAR IN INCOME TAX.**

**BY LAW IN MONTANA WHEN A CHARITY IS DISSOLVED OR STRUCK OFF FOR FRAUD ALL OF THE ASSETS PAID FOR BY PUBLIC DONATION SHOULD BE DISTRIBUTED AMONGST OTHER MONTANA CHARITIES AND NOT GIVEN TO THE PERSON WHO BANKRUPTED THE CHARITY.**

**The 'souls of the IRS & the State of Montana were blessed' by Devra Patton West.**

Please circulate news of these '**blessings**' to the spiritual community in Sedona & Scottsdale as to do so may save someone from being the victim of theft, fraud, extortion or much worse.

*Above left: Devra Patton West wearing her Paramahansa Yogananda disguise while standing next to an item that was part of a \$4,000,000 haul of artwork and valuables stolen from a Montana charity she bankrupted. West told the court [in a statement](#) that these items did not exist. Second left: Devra West the Hannibal Lector of gurus. Right: senior cult members Geoffrey Reynolds, Julio Williams MD and ex-husband Jack West each accomplices in a racketeering business model that has operated in three western states for over 27 years.*

Below is a recent posting from her Facebook page....

*Rishi Regent of the Great Masters*

*As the light that stands behind leaders and world servers across the globe ....*

*As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....*

*...and the karmic resolution of divine dispensation.*

*Above: The occult thief / suspected serial killer Devra Patton West in full disguise - hand out - in invitation to future victims. She is wearing yards of curtain material over her shoulder (the preferred uniform of female guru's) all part of the deceit directed at the Sedona & Scottsdale spiritual communities.*

[Divine Grace Healings](#) (see above) offered to victims at a cost of between \$300,000 & \$500,000 to wealthy victims that are made ill by her after visiting one of her ‘private sessions.’ She was running this con in 2002, and charging some victims \$500,000 each. Follow [this link](#) to a short audio recording where you will hear two of West’s personal staff talking about her “making \$500,000 dollars today from one victim.”

[Dispensation of Karma](#) (see above) offered to victims on a P.O.A basis (price on announcement) after she has assessed your ability to pay. Bear in mind, most victims have paid \$2,000 to attend a 4 day seminar like the ones advertised below here, to listen to this occult thief / suspected serial killer talk so if she only gets \$10,000 from each ‘sheeple’ for waving her hands and wiping out the victim’s non-existent karma, it is still a fortune when you multiply this by 100 victims a year.

## THE CURRENT CON WORKS LIKE THIS.....

A series of ‘private sessions’ ‘private audiences’ and ‘private intensives’ are offered to lure potential victims into the ‘kill zone.’

**Step 1.** Those identified as wealthy targets when attending [seminars like those listed above](#) are invited to attend a ‘Private’ Sessions or a ‘Private’ Intensive’ as advertised on her website below here.

**Step 2.** Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. **Divine Grace Healings.** Victims are convinced that they are suffering from a totally non-existent brain tumor or a cancer, which Devra West guarantees she can cure for a large fee. In reality Devra West, having identified a wealthy target, induces the symptoms of a serious illness in the victim using the same occult knowledge she uses against those who oppose (see above).

2. **Karmic Resolution.** Devra West convinces the targeted individual that she and they were sisters in a former lifetime, during which, the target betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for those nonexistent wrongs). If the target does not agree to pay the target becomes the subject of a campaign of occult attacks designed to convince them to pay!

Devra West has been perpetrating this extortion racket for at least two decades.

**The 'Divine Grace Healing Scam.'** Two of her admin staff who worked for her in 2002, overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

**The 'Karmic Resolution Scam.'** Devra West uses this scam against wealthy female heiresses like the one below who, having 'donated' millions to her charitable causes. After the heiress' son found out how much money had been given / extorted by Devra West, he phoned Devra West demanding that the money be returned! Please read [this email from Devra West's office manager](#) in 2007 wherein she writes about this matter and many others.

*Above: Devra West extracting millions of dollars from a wealthy heiresses who she convinced owed her from a previous lifetime. With others she just promises to remove bad karma for a very large fee!*

Remember, Devra West is an Occult Master who can, using Shamanic Visioning, induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. In the above scam, she ‘induces’ the symptoms of serious illness in those she targets and then miraculously cures them after they go to her ‘Pay Portal’ and make a large six figure ‘donation.’ She got \$500,000 from one victim in 2002 for doing just this!

**Step 3.** The victims go to the Sage of Sedona’s [‘Pay Portal’](#), recently updated, which is now set up to receive single donations of \$500,000 or more by pressing one or a combination of buttons and empty your bank account into hers. Note her standing there with her hands out saying “give me, give me.”

This well-oiled criminal / racketeering scam has been going on for 27 years right under the noses of the FBI and the IRS. At the very least, it is wire and mail fraud! At the very least, it is illegal

for a lay person, even if they are claiming to be a 'divine being' to be able to cure / heal someone. Apparently not so for Devra West! At \$500,000 a go, it is no wonder she can afford the trappings, clothing, lifestyle and home of a multi-millionaire even though she claims to be penniless and the funds she extorts from victims are nowhere to be seen, let alone declared to the IRS as income in her tax returns.

Richard Squires.
