Re: Complaint against Dr. Julio Williams MD.

Preamble. In brief, and before I get into my complaint and the evidence I have against Dr. Julio Williams MD, let me set the scene so that you understand the dynamics and gravity of my accusations against him. Links shown on this document will only work from the digital copy included on the enclosed DVD. Numbers in the square brackets refer to the images / documents supplied on the enclosed DVD.

I believe I have the evidence to prove that Dr. Julio Williams has been a member of a cult / criminal racketeering gang led by long term con artist Devra Patton West. Devra West and her ex-husband Jack West were small times crooks, pot growers and drug dealers in the 1970's & 1980's in New Mexico according to one witness [Jeremy Samuelson](#) [1] who was conned out of \$10,000 by Devra West. After her jewelry business went bankrupt Devra West decided to become an Ascended Master (no I am not joking) and attended '[The Robert Jaffe School for Energy Mastery](#)' between 1990 & 1991. While attending the school, fellow student '[Satya](#)' [2] alleges that she too was defrauded out of \$6,000. Long story short Devra West has demonstrated over decades that she has criminal tendencies and that the purpose of attending the above mentioned school was to enable Devra Patton West to acquire occult (hidden) knowledge which she has since used, over the past 27 years, to leverage her criminal proclivity.

Using the occult knowledge that she acquired between 1990 & 1991, Devra Patton West was able to build a 'personality' cult around herself to convince the weak minded, spiritually confused and other students of the occult that she was a 'divine being' worthy of worship. Most who became members of her cult were subsequently brainwashed and conditioned into 'submitting' to her will and manipulated / coerced into funding her luxurious lifestyle and into fund raising millions of dollars for humanitarian projects none of which ever came to fruition because the money was misappropriated / stolen by Devra West.

Above left: Williams a doctor and a heart surgeon is shamelessly used by Devra West to give her criminal racketeering business model some respectability. Above right: Williams getting a 'blessing' from the leader of his cult con artist and violent convicted criminal Devra Patton West. Note the dazed woman in the foreground.

I do not have the space here to convince you that the occult / supernatural is real but I would like to draw your attention to a news article about an individual who was arrested on December 19 2018 in Brazil and who was accused of sexually assaulting 300 women.

If you read the [Daily Mail News Article](#) [3] you will see that around the arrest of this individual the police and news reporters all attested to the occurrence of many 'supernatural' phenomena. The phenomena described by these witnesses exactly matches the experience of many individuals at the hands of Devra Patton West who were victims of theft, fraud, extortion and especially those who went public about their experiences – like I did. What I am saying loudly and clearly is that Devra Patton West has used the occult knowledge she possesses, not to sexually assault hundreds of victims, but to a) to defraud and extort money from scores of individuals to feather her own financial nest b) to target those victims who do not pay up or who go public with occult 'under the radar' violence of the kind mentioned in the Daily Mail news article.

Several other victims, all unknown to me and living at a great distance from me, have also complained of being subject to this kind of 'under the radar' violent intimidation with several victims, witnesses to Devra West's vicious assault on another physician, Dr. Pat Cole MD, going to the police and reporting their experiences. The police, while sympathetic and believing what they were told, explained that because the 'weapon' being used by Devra West was not recognized as a weapon under legal statute there was little they could do.

One such victim, Rebecca West (no relation to Devra West), wrote to me in 2007 asking for help with Devra West's 'shamanic witchcraft.' Rebecca's harrowing email, entitled '[Help Me,](#)' [4] not only contains her request for help but also gives graphic detail about Devra Patton West's treatment of many other employees who were trapped inside her cult. Of particular interest are Rebecca's comments about the extortion of \$1.3 million from her friend Dr. Pat Cole MD and the other comment made was that at the time the only person giving money to Devra Patton West was Dr. Julio Williams MD who in March of 2007 had just donated \$100,000 to her!

Similar reports of occult 'under the radar' violence have been made by Devra West's daughter in law [Jamie Haywood](#) [5] (fighting for her infant daughter in a custody battle against West's son) and Devra West's [neighbor](#) [6] who ended up in a water dispute with Devra West.

The only common denominator between these individuals? They all ended up in disputes of one kind or another with Devra Patton West. But it is much worse than that. Devra Patton West's knowledge of the occult underpins a criminal racketeering business model that at the time of writing has endured for 27 years and operated under the authority's noses in three western states NM, MT & AZ.

The Ascended Master 'Devra Ji.' In 2002, when I became briefly involved as a business consultant, Devra Patton West was calling herself the Ascended Master 'Devra Ji.' After I was defrauded by Devra West in August 2002 I launched a civil lawsuit against her which I won in 2008. I also shared what I knew with the Secretary of State for Montana who, as a result of the evidence I supplied removed Devra West's charity 'The Circle of Divine Unity' from the Montana charity register; you can review the Revocation Certificate by going here [7]. Having nearly bankrupted her charity through rampant fraud, Devra West, in an attempt to fund her lifestyle costs and pay for court fines and interest totaling \$2,000,000 began 'harvesting' the wealthy members of her cult. In 2004 she defrauded student [Mike Hendrickson](#) [12] out of \$200,000 and she defrauded the charity out of its main asset a property largely paid for by public donations worth \$1,250,000. Follow this [link](#) for details of the theft of charity assets.

In 2005, she defrauded \$30,000 from one student [Dave Kushner](#), [9] kidnapped, falsely imprisoned and extorted tens of thousands of dollars from another [Marion Cantwell](#) [10]. A third member of the cult (also in 2005) Lisa Swidler, a young mother of two children under the age of ten, died suddenly and mysteriously after witnessing both the aforementioned crimes and trying to escape from the cult. Most inside the cult assumed that Devra West had murdered her; either way after her sudden mysterious death Mike Hendrickson chose to drop his fraud lawsuit against Devra Patton West for fear of being targeted by Devra Patton West.

Above left; Narcissist Devra Patton West posing for the cameras. Center and right: Lisa Swidler murdered shortly after trying to escape the cult. The coroner ruled Lisa’s death was as a result of ‘natural causes.’ According to ex-husband Jack West there have been several other sudden deaths similar in nature to Lisa’s.

To come to the point, either you submit to Devra West’s will and remain inside the cult, or you are unceremoniously rejected. In the case of employees, who are attracted from all over the USA to join nonexistent jobs, once they have burnt their bridges and travelled to their new place of employment they are met with a 20% pay cut on day one and if, by day 89, they have not submitted to the will of the ‘Master Abuser’ they are fired before Devra West has to pay employment insurance. The [harrowing email](#) [4] sent to me by an ex-employee who wrote to me for help in March 2007 explains just how lawless it was to be working for Devra Patton West.

Above: Devra Patton West’s cult / unaccredited school for occult studies July 2002. Note Dr. Julio Williams MD at the end of the yellow arrow and myself at the end of the red arrow. The image accurately describes Devra Patton West’s criminal racketeering business model. See below a detailed list of victims present in the photo.

State and Federal Laws do not apply inside Devra Patton West's presence – she is the only law. The fact that Julio Williams MD has remained a member of her cult since the year 2000 speaks volumes about his lack of integrity as I shall demonstrate later in this document.

Below are a list of victims when Devra Patton West was operating in Victor MT while calling herself the Ascended Master 'Devra Ji' between 1995 to 2005 – The following image gives details of some of the crimes committed by Devra West during that time period. Bear in mind, most crimes are committed against cult members and remain hidden inside the cult.

[Marion Cantwell](#) – Student kidnapped, held captive and beaten until she agreed to give up part of the sale proceeds of her house (tens of thousands of dollars?) to Devra West as a 'donation.' **Lakeside MT calling herself 'Surya Ma' 2005 to 2011.** The following image gives details of some of the crimes committed by Devra West during that time period bearing in mind most crimes are committed against cult members and remain hidden inside the cult.

Note: Dr. Julio Williams was not a victim because he was far too useful to Devra Patton West; both in terms of his large financial donations, his medical credentials that gave her credibility, and the ease with which she could manipulate him into getting involved with her legal disputes against others.

After the loss of her charity, Devra Patton West had no choice but to move elsewhere. The way she 'sold' this to the members of her cult was to announce that the Ascended Masters had prepared a new abode for her at Shamballa. Here is an excerpt from one of her communications.

For now, I will only say that there are none of you who are as yet fulfilling the standards of criteria for passage into the domain that the Masters will be anchoring at the Shamballa Sanctuary. As yet most of you are in the 30% to 40% range of balance of truth with me. You must fulfill balance of truth with me as well as with the ashram. Shirley and Lisa are approaching the 60% "wonder mark" and I hope will soon anchor a solid 66% exponential factor for both requirements. I remind you that at 66% the wheel turns, and the manner and timing of manifestation "time jumps" and this includes the truth of abundance. It is for this reason that I have been required to step out of the group energetic. I am in a time jump that is the reflection of my light and this is not to be disturbed by negative thought form. There can be no sacred manifestation in lower time. I can not succeed through co-creation with miasma. I can co-create with the to varying degrees with the Trusted Disciple. This increases as you increase your light.

She also made it clear that she could only take 12 disciples with her and only those who were prepared to commit 66% of their net worth to her! Dr. Pat Cole MD was one of those did!

Devra Patton West on the verge of bankruptcy for the second time, also announced to her mailing list that the 'discomfort' she was suffering at the time was not related to her criminal activities but rather as a result of her move from the 5th dimension to the 7th dimension. Below is an excerpt from one the communications she made to her 'students' (cult members) which would have included Dr. Julio Williams MD.

Dear Ones,

It is with much joy and gratitude that I write to you to offer news of a most blessed personal transition that I am under going. Having fulfilled the necessary factors of purity of motivation, discernment of circumstances, and discipline of focus, I am uplifting into the vibration of Shamballa to begin to take my place upon the Council of Twelve at Planetary levels. 1

The process has been somewhat painful physically, but blissful at all other levels, as my nervous system is ongoing a revamping. I will require a far more rarified "vibrational container" to complete the transition. 2

As a result of this transition, my world work in its greater expanse of influence will begin to spread its wings and although I feel like a fledgling in this new place, I also feel such gratitude of heart. I feel like I am coming home to what I have always known to be true. I am also entering True Time as a result. I am making the transition from Master Teacher to Global Guardian in the truest sense. 3

My shift from fifth dimensional being, to seventh dimensional being is rapidly reshaping my "immediate personal world" if one might frame this shift in personal/impersonal terms. The shift is actually a shift into greater impersonality and yet also greater sense of Self within the Great Self. 4

Dr. Julio Williams' position on this propaganda is not known. Either he was brainwashed and conditioned enough to believe it or he did not believe it and went along with Devra West's obvious lies and deceit which in some ways is worse.

A leopard cannot change its spots and neither can Devra Patton West as within weeks of moving to 'Shamballa' (a journey north of 100 miles from Victor MT to Flathead Lake MT) she was thieving, defrauding, extorting and violently assaulting more of the herd-members of her cult.

In March 2007, I started to receive several emails from other individuals trapped inside the cult, like ex-employee **Carlida Finch** [11A] [11B] [11C], who overheard Devra West discussing the murder of Dr. Pat Cole MD. In view of the gravity of the situation I decided to share details of what I had discovered while researching my fraud lawsuit against Devra Patton West with two Montana newspapers. Shortly afterwards on July 12 2007 the [Whitefish Pilot](#) [12A] published an expose on Devra West's criminality which was followed three weeks later on August 9 2007 by another news article published by the [Bigfork Eagle](#) [12B].

Nothing makes it more clear how vile a creature Devra Patton West is, and how misguided Julio Williams is to be associated with her, than the treatment Devra Patton West meted out to her then business partner Dr. Pat Cole MD. Like Dr. Julio Williams, Cole was a student of Devra West's unaccredited school for occult studies (i.e. members of her cult). On or around the first two weeks in April 2006 Devra West, as part of an orchestrated campaign of violence whose objective was to extort \$1.3 million from Dr. Cole, viciously assaulted her such that the police were called, West was charged with assault and eventually convicted.

Ex-student and cult member Debra Coffey explains in [her statement](#) [14] how Devra Patton West orchestrates other members of the cult to target certain victims often for the purposes of extortion or because they have challenged her authority in some way. Below here is a subsequent missive that Devra West sent to her mailing list to justify the assault on Dr. Cole MD.

The Law of Severity on the Path of Purification
Response to the Call of [Master Surya Devi for Review](#)

April 17, 2006 From Master El Morya of the Shamballa Counsels

What must be taken into account in all matters of review on the part of the Shamballa Counsels is the surrounding circumstances and the root motivation that is at play within any given matter of cause and effect or in the case of Surya Ma's actions the matter of singular cause aligned in Divine Will. We therefore have come to the following determination:

At no time has Surya Ma's intentions been rooted in anything other than the highest of grace despite the seeming severity that was meted. And we are witness to the sacrifices that she has made on behalf of the awakening of those who are placed in her charge and on behalf of the Divine Plan itself. She has offered up very resource and body, mind and soul

Dr. Cole is long over due in the sound arighting of her soul with its Creator. Her role in the death camps of Europe during the reign of the Nazi defilement is as yet unrectified. The suffering that was administered directly from her hand was an unconscionable infliction of brutality and evil and more over was resultant in the compromise of her very soul of its inherent link with the light of God. This is a rift in time of planetary karma and many souls have been lost to this rift and remain entrapped in the astral planes of this horror of human disgrace. Her continued denial of this samsara remains a factor to be rectified and she cannot progress until she comes to terms with her compulsions of victimhood rationale, that are merely smokescreens that veil her memory of her perpetrations against her fellow human brethren.

Above: This is a couple of short excerpts that Devra Patton West sent to her cult mailing list in an attempt to justify the assault on Dr. Pat Cole MD. No mention of the \$1.3 million she extorted from the victim!

On April 17 2006, just days after the assault, Devra Patton West in an attempt to calm the disquiet at the violence other members of the cult had witnessed she issued a lengthy statement to the rest of her cult entitled '[The Law of Severity on the Path to Purification.](#)' [15] In that statement Devra West sought to justify the assault by asserting that the voices in her head from a long dead Ascended Master called 'El Morya' had told her that because Dr. Cole MD was a Nazi in the WWII death camps in another lifetime the beating she administered to Cole was not only appropriate but long overdue!

No mention in this missive of the \$1.2 million that Devra West successfully extorted from Dr. Cole which West needed to pay the \$2,000,000 in court fines and interest she had to pay her creditors which would shortly afterwards become the subject of a [Sheriff's Sale](#) [16] of Devra West's assets. This matter would, a year later, become the main topic of two newspaper articles which would also feature several other instances of theft, fraud etc. committed by Devra West at least one of which was aided and abetted by Dr. Julio Williams MD who was obviously aware of what was going on under right under his nose. This is how Dr. Pat Cole MD described the assault to [Whitefish Pilot](#) [12A] newspaper.

Spiritual leader has plans for healing center in Whitefish

Posted: Thursday, Jul 12, 2007 - 02:35:11 pm PDT

By **CONSTANCE SEE**
Whitefish Pilot

A self-styled clairvoyant and spiritual healer from Lakeside who claims the Osprey House on Angel Point as a future VIP spa faces criminal charges stemming from an alleged assault on a Whitefish doctor. Devra Patton West's goal of opening a series of healing spas -- including one in Whitefish -- has been stalled while she fights allegations ranging from black magic to fraud, extortion and breach of contract. A temporary restraining order against West, who calls herself **Surya Ma**, was issued by Judge David Ortley last October after Dr. Patricia Cole, of Whitefish, requested protection. Cole claims Ms. West abused her verbally and physically.

"She has told me that she has the 'spiritual' power and authority to 'take me out,' to be composted," Cole wrote in the temporary restraining order statement. Cole claims Ms. West **threw a lamp at her and hit her with a briefcase, cell phone and her hand. "She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes,"** Cole's statement reads. "She threatened to kill me with a gun to my head, 'blowing my brains out,' and advised me to commit suicide by slitting my wrists, after I'd taken out an insurance policy on myself."

West claims to have been trained in **shamanic visioning** and healing by Native American elders and to have been both a Cheyenne medicine woman and General George Patton in past lives. She also claims her "gifts" can heal people with various illnesses, including leukemia, and she plans to teach what she knows to cardiologists and other physicians when her plan for healing spas unfolds. **"If you ever saw me heal, you'd be down on your knees crying like a friggin' baby,"** West said.

Note above West's admission that she is trained in 'shamanic' visioning. Note her claims to be able to heal people. She is obviously not able to teach cardiologists and physicians anything but rather needs them on board to give her credibility which Dr. Julio Williams seems more than willing to do! Remember, in 2005 Devra Patton West manipulated three physicians Cornell, Cole and Williams to be a part of her latest giant fraud scam.

Cornell jumped ship immediately, Cole became the victim of violence and extortion and only Williams remains by virtue of his usefulness to her. It is not just that Williams is prepared to pimp his MD, heart surgeon, cardiologist status for West but he also gave her \$100,000 while this was all going down!

Immediately after the Whitefish Pilot news article appeared, Dr. Julio Williams in concert with other senior members of Devra West's cult each issued statements of denial. Denial that Devra West had assaulted Dr. Cole MD even though each had received their copies of her written admission, ['The Law of Severity on the Path to Purification,'](#) [15] that Devra West had assaulted Dr. Cole sent a year earlier in April 2006.

Below are the two statements of denial issued by Dr. Julio Williams who refused to support fellow physician, Dr. Pat Cole MD, in her hour of need and lied about the circumstances of the assault on Dr. Pat Cole MD by Devra Patton West - the leader of his cult.

July 17, 2007

To the Editor of the Whitefish Pilot,

As a physician and BOD member of the non-profit mentioned in your disparaging article about Devra West, I feel I owe a tremendous apology to Dr. Devra Patton West "Surya Ma." Having gifted the non-profit with millions of dollars, Devra resigned over five years ago due to the ineptitude with which the organization was run during that time. Unfortunately, there were those such as Mr. Watson who saw her as a cash-cow and perversely sought to take advantage of her enormous generosity. When she resigned, he launched a vendetta campaign as a means of illegally extorting financial gain. To her credit and admirable wisdom, Dr. West, has never once replied to over five years of Watson's stalker-like, obsessive hate e-mails, (sometimes several a day) or his obviously psychotic web-site.

Dr. Pat Cole whom I have known for six years, served as president of the non-profit board and is someone who has broken every moral, ethical, financial, and legal rule of protocol that can be counted. Her financial misappropriations and out-right fraud perpetrated on Dr. West is extensive to say the least. She sang Dr. West's praises for over six years until her past misdeeds as a medical professional came to light and Dr. West deemed her ineligible for one of her training programs. This is combined with Cole's failure to pay for the hefty bills she racked up. In view of the financial debauchery she has created, her claim of a gun wielding assault is preposterous and grossly out of character for Dr. West, who is a tiny woman barely over five feet tall.

It is no fault of Dr. West's that imbalanced people managed to attend her seminars (a rarity rather than the norm) however the vast majority are decent, respectable people and reputable professionals. I will also say that never have I witnessed so noble and intelligent a human being as Dr. West, whose philanthropic character is applauded by international circles for her renowned work of interfaith dialog in global regions of conflict. In my opinion, serious and responsible journalism would include coverage of her international work and service projects and her legacy as a pioneer in the healing arts. She truly is a remarkable soul who will bring much light, as well as economic benefit to the Flathead Valley community, as a business owner of health related enterprises and launches a promotional campaign that highlights the area as a Mecca for health and healing. I hope that the Whitefish Pilot comes to realize that it has played party to what boils down to a modern day witch-hunt.

In addition to funding the non-profit's ability to repay its debts to Dr. West, I will also be instrumental in funding and sponsoring her projects in the health arena on Flathead Lake, as will a number of my medical colleagues and I can not think of a better use of my capital investments. On this note, I am very eager to move forward with our projects, which will in time provide over two to three hundred jobs over the next several years for community residents.

Sincerely,

Julio Williams, MD
Cardiovascular and Thoracic Surgeon

Update Exposing Recent Press Misprint

- Case Against Surya Ma is Dismissed
- Ground and Merit do not warrant further litigation
- Claims made by Pat Cole against Surya Ma do not hold ground

Please be assured that recent attempts to discredit, slander and threaten Dr. Devra Patton West, "Surya Ma" and her family members are rapidly being exposed and duly brought to the attention of authorities. Petition filed by Pat Cole against Surya Ma has been dismissed. At no time, has Dr. Devra West, Surya Ma has been found guilty of assault, nor has she been sentenced to 6 months probation for any wrong doing, as claimed by John Watson in recent e-mails and postings on his websites.

The misprint in the Montana local newspaper "The Whitefish Pilot," has been corrected to restate that the legal petition filed by Pat Cole has been dismissed and will not be dignified by being heard by the courts. The dismissal was granted in line with an utter lack of supporting evidence for the implausible claims that she made, and the overwhelming evidence which exposes what is believed to be a financial fraud and conspiracy attempt on the part of Pat Cole. It is also believed that this mean-spirited ploy was authored by John Watson, who transparently colluded with Cole as a cover up for Cole's financial mismanagement and fraud of over \$1.3 million dollars. It appears that he sought to use Pat Cole's ploy, to further his own extortion scam to extract a fraudulent financial windfall from what he believes to be Surya Ma's ample coffers, due to his assumption of an inheritance received by Surya Ma from her father's passing last winter.

The amateur smokescreen that sought to portray Cole as a victim, when in reality Cole heartlessly abused Surya Ma's enormous generosity and trust, was perpetrated during a time period when Surya Ma was unable to supervise her affairs due to her devotion to her father John Patton, who suffered a year-long battle with cancer and subsequently passed away, as well as her attendance to the needs of her son who was severely injured in auto accident and has required ongoing rehab. Those of us who have witnessed the extensive evidence of Cole's irregularities, are appalled at Cole's shocking scope of deception and are more than willing to lend any support needed, to see that Surya Ma is fully vindicated. All religious prejudice stirring up local sentiment by Cole's scam that brands Surya Ma as a cult leader, is being vigorously rebutted.

The ongoing harassment that Surya Ma has endured, has become more than transparent to authorities, as being evident of an extortion scam on the part of John Watson and a handful of sordid supporters, who have used the sensationalist tactic of calling her a cult leader, even though no cult, no compound, no religious group and no questionable organization of any kind has ever existed. Surya Ma has no interest in anything of this nature and lives a very quiet life in relative seclusion. Those who have been a part of the financial fraud perpetrated against Surya Ma or in any way have misled state and federal agencies will be held accountable for their actions and severe error in judgment.

It is beyond despicable that John Watson's escalations have now extended to making threats on Surya Ma's life, as well as launching an unwarranted, and abusive campaign of harassment and slander upon her children and young grandchildren. There is no doubt on the part of witnesses and observers of this travesty, that his obsession has now reached fully psychotic proportions and warnings have been issued on the part of healthcare professionals that he is delusional and very likely dangerous. Rest assured however, that the truth will rise, justice will be done, and those who have master minded this attack on Devra Surya Ma and her family will each be prosecuted, putting the entire matter to rest.

We thank you for your support and trust that your discernment will be withstanding in knowing the difference between the truth of Surya Ma's inability to participate in the profane claims that have been made and the scams and ranting of those whose greed and self-aggrandizement have led them to not only disregard common decency, but also desecrate themselves in the process.

To her enormous credit, Devra Surya Ma has not responded to the attacks with any manner of commentary to either Cole or Watson and maintains her entire focus on her service work and positive endeavors.

Sincerely,
Dr. Julio Williams, MD
Geoff Reynolds,
Surya Enterprises Unlimited Inc.

As if by magic, and all on the same day, senior cult members Geoffrey Reynolds CPA and Devra West's ex-husband, Jack West, also posted statements of denial on Devra West's website. Below here are senior cult member Geoffrey Reynolds' public statements of denial and his attempts to vilify the press for publishing the truth.

[Statement 1](#) [17A]

[Statement 2](#) [17B]

[Statement 3](#) [17C]

[Statement 4](#) [17D]

Here is the statement published by ex-husband and longtime accomplice in organized crime, Jack West.

[Statement 1](#) [18]

In keeping with Devra West's assertion that "the truth does not actually matter (if she can persuade the public that her lies are their truth)," she goes on to deny she is at fault and blames the victims for the crimes she has committed against them! Dr. Julio Williams has played a major part in convincing the public that Devra Patton West's lies are their truth and continues to do so until this day!

In addition to her lies and propaganda, she also employs 'mirroring' which is the strategy of accusing her victims of the very crimes she has committed against them. Below are two examples of this that appeared on her website immediately after the Whitefish Pilot and Bigfork Eagle news articles were published; the first in respect of Devra West's assault on Dr. Cole MD:-

Court Rules to Dismiss Bogus Assault Case:

All allegations have been expunged from court records. Irregularities perpetrated by Cole to court officials, more than indicated Cole's direct involvement in the conspiracy to entrap and discredit Dr. West. The allegations were dismissed as implausible.

TRUTH: Cole's misguided attempt to entrap Dr. West was a ploy motivated by Cole's need to cover-up her own in-depth financial fraud, as well as to hide her medical malpractice issues that had been divulged to Dr. West. Cole, a medical doctor, resented Dr. West's refusal to allow her to attend a healing training program, due to Cole's lack of morality and professional integrity.

In reality, the case was not dismissed; Devra West was found guilty of assaulting Dr. Cole MD and the news article evidencing her conviction can be viewed by going [here](#) [26]. A scanned copy of the court documents can be viewed by going [here](#) [26A].

Millennia Mind Dispute with John Watson:

Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

TRUTH: No business contract between Dr. West and John Watson has ever existed. **The legal dispute was fabricated by Watson to leverage an extortion scam.** Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

Similarly, in respect of my fraud lawsuit against Devra Patton West, you can view the judgment handed to me by going [here](#) [19]; the award made to me by going [here](#) [20] and the news article announcing the results of the court case by going [here](#) [21].

To be clear, Devra West is at the head of a multi-million dollar a year criminal racketeering business model which Julio Williams is willingly acting as marketing director. Anything that interferes with that business model, or contradicts Devra West's narrative about being a 'divine' being, must be quashed immediately so as not to stop the flow of victims and money.

Above left: Devra Patton West has an insatiable appetite for other people's money. Second left: It is all about the money stupid! From left to right: Geoffrey Reynolds CPA, Julio Williams MD and ex-husband Jack West all willing accomplices in a criminal racketeering gang and all taking their directions from Devra Patton West.

While being interviewed by the [Bigfork Eagle](#) [12B] newspaper, senior cult member Geoffrey Reynolds CPA confided in the reporter in what he thought was an 'off the record' conversation that I would be dead within 12 months or in jail for reacting to what Devra West was going to do to me and my children. Shortly after he made that statement, Devra Patton West, using the same occult knowledge evidenced by witnesses in the Daily Mail newspaper article referenced above, made a failed attempt to murder me. Since the 2007 murder plot failed both I, my wife and children have since been the recipients of a campaign of 'under the radar' violence very similar to the events described in the Daily Mail news article. This has now continued for 12 years. View the [Geoffrey Reynolds PDF](#) [24] for a more lengthy analysis.

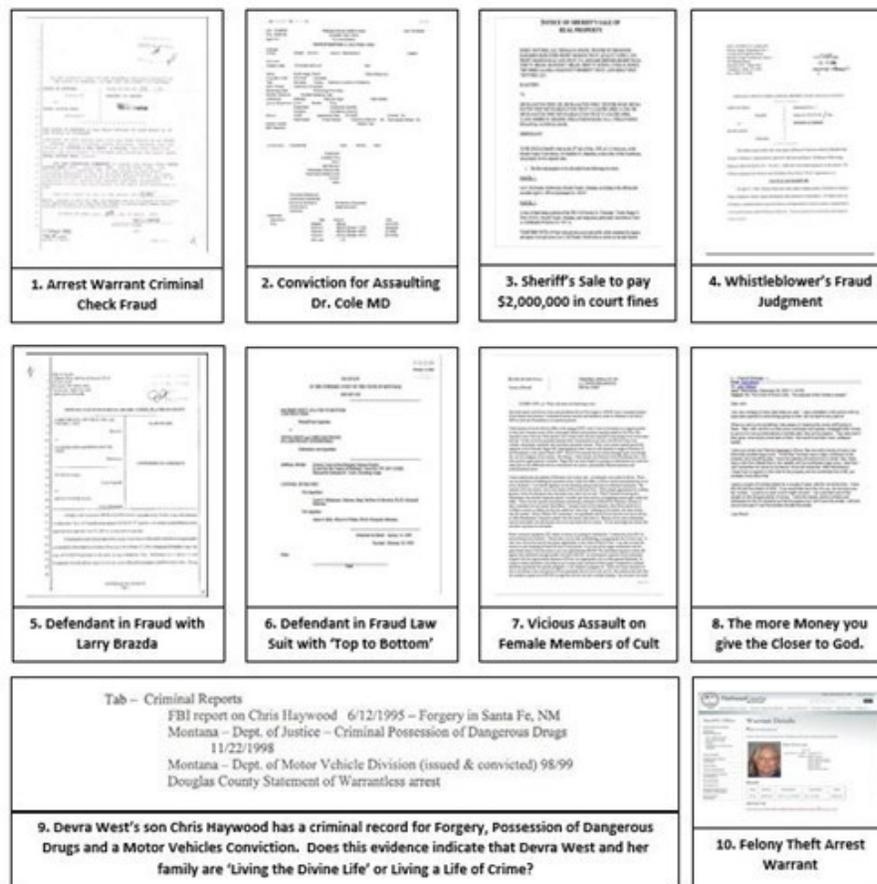

Just FYI, the Bigfork Eagle news reporter took Reynolds' threat seriously enough to pass it on to the government agent investigating Devra West at the time, who then relayed the threat by email to my lawyer. As with other victims, the weapon used by Devra West made it difficult for me to prove anything in spite of Reynolds's confident announcement to the press!

The motive for attempting to murder me was twofold. Firstly that I had gone public with the information that I had acquired while researching my lawsuit against Devra Patton West. Research that showed a clear and consistent pattern of criminality on her part against mainly members of her cult with 99% of victims too afraid to go to the police for reasons I have described. Secondly, having been responsible for a blaze of negative publicity that rendered her 'divine being' fraud scam impossible to continue in Montana she could not resurrect her criminal / racketeering business model in Arizona until all of the information I had posted on my websites about her activities in Montana were forced down. Her opportunity came in 2010 when, while attending court in Montana to see what the court was going to award me for my win against her for defrauding me, I was served by her and Geoffrey Reynolds for defamation – for telling the truth about her!

Devra West is a Master at manipulating others as I shall demonstrate when I get to the specifics of my complaint against Dr. Julio Williams MD. As an example, the cult member she used in 2010 to assist her in bringing down my websites was someone who only joined her cult in September 2006, a full four plus years after I had left her 'employ' in August 2002. To cut a long story short, Devra Patton West was able to blackmail / manipulate Geoffrey Reynolds CPA to go in front of a Montana court with totally false pleadings which stated that I had defamed him.

Both Reynolds and West gambled that I would not be able to travel to the USA from abroad (I moved from Montana to Nova Scotia for safety reasons in July 2005) and they were right (see Geoffrey Reynolds PDF below for more detail). As a consequence of me not being able to afford to defend their frivolous and dishonest law suits they were each given default judgments in the amount of \$5,000,000 each. Whether Devra West’s lawsuit had any merit or not is a moot point but Reynolds did not know I existed until he was briefed by Devra West shortly after commencing his ‘employment’ / membership of her cult in September 2006. This is what criminals do if they cannot intimidate you or murder you they ‘buy the law’ they want.

Following all the publicity in Montana which made it impossible for her to operate there, Devra West and her cult moved to Cave Creek Arizona. Below is the body count of victims from her activities in Flathead Lake MT while she was operating as the Ascended Master ‘Surya Ma.’

1. Arrest Warrant for [Criminal Check Fraud](#).
2. [Conviction](#) for Assaulting Dr. Cole MD & [News Article](#) announcing same.
3. Becoming the subject of a [Sheriff's Sale](#) to force her to pay her creditors \$2,000,000 in court judgments and interest.
4. Whistle-blower’s [judgment](#) against Devra West for fraud.
5. Defendant in [fraud case](#) brought by Larry Brazda and others.
6. Defendant in [fraud case](#) brought by ‘Top to Bottom’ Construction.

7. Vicious Assaults on female members of her cult i.e. Susannah [Felder & Beatrice McGuire](#), [Jamie Haywood](#) and [Dr. Pat Cole MD](#).
8. The Students who took out loans for Devra West after being told, "[They would be closer to God.](#)"
9. West's son's [criminal record](#). Like mother like son?
10. [Arrest Warrant](#) for felony theft.

"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."
 Julio Williams MD 2017.

In conclusion, Devra Patton West has a history of criminality which includes theft, fraud, extortion, violent assaults, threats of murder and at least one actual murder and the attempted murder of myself. She has coopted / manipulated / blackmailed weak minded individuals, who lack integrity and a moral compass, into joining her criminal activities. Below here are the links to five PDF's. The first goes into more detail about Devra West's criminal racketeering business model and some of her victims over the past 18 years or so. The second goes into more detail about Dr. Julio Williams' role in Devra Patton West's cult / criminal gang. The third details Geoffrey Reynolds' role in Devra West's cult / criminal gang. The fourth details the role of ex-husband, Jack West, in his ex-wife's criminal racketeering business model. The fifth is a copy of the Daily Mail newspaper article referred to above.

All of the above information and a digital copy of this complaint can be found on the accompanying DVD.

[Geoffrey Reynolds CPA](#) [24]

[Jack West](#) [25]

[Daily Mail News Article](#) [3]

There are three main reasons why Devra West has been able to stay out of jail.

1. Firstly, under religious freedom laws she is able to describe herself as a minor deity who is able to dispense miracle cures / divine grace healings (see below) for a large fee. Apparently religious freedom laws offer criminals like Devra west protection from mail and wire fraud!
2. Secondly, because the weapon she uses is not recognized as a weapon by legal statute she is free to use it to make the victims she targets ill and then charge them a fortune for 'curing' them. She is currently marketing this 'ability' as 'Divine Grace Healings.' Similarly if anyone attempts to go public or reveal this obvious fraud, as I did, they are targeted with the same weapon in the knowledge that Devra West has plausible deniability.
3. Thirdly, when things go wrong, victims complain to the police or go to court for restitution Devra West wheels out the senior members of her cult (including Dr. Julio Williams MD) to provide her with false witness statements making it very difficult for victims to get justice. During the several years it takes to get a result in a civil / criminal lawsuit both the victim and hostile witnesses will be targeted with 'under the radar' violence in the hope of intimidating them into withdrawing their complaints / witness statements against her. This is why 99% of victims walk away empty handed.

My detailed complaint against Dr. Julio Williams MD.

1. Dr. Julio Williams' involvement in Organized Crime. Dr. Julio Williams MD grew up in the Dominican Republic where one of the most prominent religions was / is Voodoo. To emigrate to the USA and then be able to become a member of a Satanist 'religious' cult run by Devra West, a fair haired female Occult Master, must have seemed like all of his birthdays come at once. While being a member of a Satanist cult is not a crime it is clear from the documentary evidence provided here and elsewhere that Dr. Julio Williams MD must have become aware of the criminal nature of Devra West's business model shortly after joining her unaccredited school for occult studies (cult) in the year 2000.

A review of the PDF dedicated to Devra Patton West's criminality, [Devra Patton West](#) [22], will show that most if not all of the 21 listed 'crimes' (the tip of the iceberg) occurred during Dr. Julio Williams' tenure between 2000 and 2010. In spite of this Dr. Williams continues to market this dangerous psychopath (to quote one of his testimonials) "as a virtual wellspring of living divinity." This in spite of being aware of three vicious assaults by Devra West against three female members of her cult including fellow physician Dr. Pat Cole MD, a [conviction for that assault](#) [26], two arrest warrants (one for [felony theft](#) [27] and one for [criminal check fraud](#) [28]) and a [Sheriff's Sale](#) [16] to force Devra Patton West to pay her creditors \$2,000,000 in court fines and interest. Additionally Dr. Julio Williams has funded her criminal activities to the tune of \$100,000 [4] and probably a lot more. He remains a loyal cult member and continues to this day to market 'market' her to the public as a 'divine being' when he knows full well that she is anything but.

How can I be sure that Dr. Julio Williams MD is aware of Devra West's use of violence and attempted murder as a means of intimidating victims, witnesses and the rank and file of her cult into remaining silent? Because over the past three or four years, I have personally sent 300 to 400 emails to Dr. Williams complaining about the ongoing campaign of violence against me and my family members which has been ongoing since December 2006.

I am prepared to make these emails available to you if requested but the big question is why Dr. Williams has not shared these emails with the police? The obvious answer is that to do so would alert the police not just to what his cult leader is doing but his involvement in her criminal racketeering gang.

2. Dr. Julio Williams' character assassination, defamation and threats against me personally.

Shortly after I announced that I was going to sue Devra West for fraud in early 2003, she insisted on a private meeting with me which occurred on my ranch in March of that year. Because of her insistence that we meet alone and because I was concerned that she might do something stupid like attack me and blame me for her injuries I decided to record the meeting on a digital tape recorder. What follows are links to some short excerpts from that meeting which I provide to demonstrate the kind of person we are dealing with here and the kind of person that Dr. Julio Williams MD has aligned himself with.

Apart from getting her to admit on tape that she had defrauded me; that her agreements were worthless; that she disposes of people like Kleenex etc. the other important statement she made was that if I sued her she would get so down and 'f**king dirty and that there would be huge expenses coming out of my pocket – not hers. Not hers because the senior members of her cult would pay for her legal expenses which is exactly what Dr. Julio Williams subsequently did!

Most important of her comments was that “the truth does not actually matter,” one could convince the public that their lies were the public’s truth. Dr. Williams’ main role is to convince the public that Devra West’s lies are truth.

Here are those excerpts:-

[The truth does not actually matter \(if you can convince the public and a court of law that your lies are truth!\).](#)

[If you sue me I’ll get so f**king down and dirty, huge expenses coming out of your pocket and not mine \(because cult members would pay for her legal expenses\).](#)

[Yes I dispose of people like Kleenex.](#)

[My agreements are not worth anything.](#)

Immediately after that meeting Devra Patton West went back to her compound and ordered all of her employees to ‘manufacture’ false statements about me that she intended to use in court against me. As proof that this did happen please read the email below that was subsequently sent to my lawyer by one of those employees / cult members who later retracted her false statement and advised that she was threatened with the sack from her job if she had not complied with Devra West’s instructions.

Subject: Retraction of Statements - John Watson case

Retraction of Statements given by Anandra George regarding John Watson v. Devra West

To the attention of Mr. Dave Mc Lean:

I, Anandra George, wish to retract statements given by me in the case of John Watson v. Devra West. The statements were made under duress from Ms. West, my employer at the time.

Ms. West edited the statements herself, and verbally threatened to fire me if I did not include the information that she supplied me with. At no time was I privy to the details of the private discussions between John Watson and Ms. West, and therefore any statements I made should have no bearing on the case.

This statement is given freely on Monday, October 1st, 2007.

Signed,

Anandra George

Again; state and federal law did not / do not apply in Ms. West’s cult; the only way you can remain inside it is to show your usefulness to her by breaking the law.

In 2005, Dr. Julio Williams joined the campaign of character assassination and intimidation against me that Devra Patton West announced would occur when we met in March of 2003. Williams’ actions were clearly orchestrated by Devra Patton West, who has a long history of getting the members of her cult to show their loyalty to her by having them intervene in her disputes with others. His initial involvement came about when he jointly authored a defamatory statement posted on her website in 2005. The statement was also authored by two other physicians that Devra West had recruited / manipulated into joining her latest greatest fake fund raising project.

The purpose of these projects was to provide a goal for the rank and file cult members to focus their fund raising efforts around however as with past ventures (and others since) the money always ends up in her pocket rather than being used for the purposes being espoused in her literature.

The defamatory statement that Dr. Julio Williams signed off on was clearly designed to make it appear that I was at fault for suing Devra West for fraud, while seeking to portray her as being the innocent party. Again, to quote Devra West, the truth does not matter if she can persuade the public that her lies are their truth. Williams was and remains a central part of her propaganda machine. The authors of this statement quote non-existent programs that they allege were acts of generosity by Devra Patton West. What they fail to be aware of was that it was I, as Devra West's 'Business Manager' between January 2002 and August 2002, who set up these non-profit corporations and it was I who reported her to the IRS and Secretary of State for Montana providing both with evidence that she was defrauding her charity and the non-profits. Following my actions, her charity was struck off for fraud.

Below is an excerpt from Dr. Julio Williams' statement wherein he foolishly stakes his 'honor' and credibility, and further states how he is honored to serve on the 'board of directors' of a corporation that I set up and which, after my departure, was populated by Devra West with yes men / women like 'liar for hire' Dr. Julio Williams MD.

I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative.

To show you how poor Dr. Julio Williams' judgment really was / is and how worthless his honor and credibility is (if he ever had any in the first place) let me share with you what happened in the three years that followed the statement he published on Devra Patton West's website.

Spiritual guru pleads guilty in assault

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to

a six-month deferred jail term and fined \$500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortley issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

West's trial was postponed

from March 11 after she failed to show up for a March 7 pre-trial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West's trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

CONVICTION FOR FOR ASSAULT

In 2008 Devra Patton West became the subject of a [Sheriff's Sale](#) [29] to force her to pay her creditors \$2,000,000 in court fines and interest.

Statement by Dr. Julio Williams posted on Devra West's website March 23 2005.

The screenshot shows the Flathead County Montana Sheriff's Office website. The main heading is "Warrant Details". It features a photo of Devra Lynn West and a table of warrants. The table has columns for Type, Number, Description, Issue Date, and Bond. One warrant is listed: Felony, 200901002, THEFT, ALL OTHERS, Dec. 18, 2009, \$20000.00. The page also includes a sidebar with navigation links and a "Send Us A Tip" button.

ARREST WARRANT FOR FELONY THEFT

As anyone can see from the above Dr. Julio Williams MD has lacks both integrity and credibility and is a total disgrace to the medical profession and any allegiance he may have given to the Hippocratic Oath clearly takes a distant second place to the Satanic Cult that he is a prominent member of.

In 2007, Dr. Julio Williams was again persuaded to intervene on Devra Patton West's behalf and at her behest he sent me an email which was an obvious threat intended to intimidate me into giving up my lawsuit against her – which I subsequently won in 2008.

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally allocated Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

In the preceding image above, which contains two short excerpts from that [lengthy email](#) [30], Dr. Julio Williams MD announced that he was personally allocating \$2,000,000 of his own funds for his cult leader's legal defense. In the very same email he told me not to f**k with him. Why would an apparently well-educated physician agree to stand between Devra Patton West and a total stranger (me) who had every justification to sue Devra Patton West for fraud? The only logical answer is that he totally lacks integrity and is acting on Devra West's instructions as a fully paid up member of her cult.

On a website dedicated to patient reviews of doctors, Dr. Julio Williams is described by some his patients in very negative terms one saying that he has no soul another declaring him to be a dangerous doctor. Perhaps his membership in a Satanist cult might have something to do with his bedside manner and lack of empathy and compassion for others. See the PDF entitled [Dr. Julio Williams MD](#) [23] to review patient's negative / adverse comments.

3. Bringing the Medical Profession into disrepute. After joining the cult in the year 2000, Dr. Julio Williams quickly rose to a senior position inside that cult by virtue of his usefulness to Devra Patton West as a marketing tool. Since then, she has shamelessly used his apparent respectability as a Physician and heart surgeon was used by her to garner respectability as a 'healer.' Since then, Devra Patton West has shamelessly used Dr. Williams to promote herself as a 'divine' being who is able to dispense miracle cures (for a fee). For the past 13 years Dr. Julio Williams has also provided her with a steady stream of gushing 'testimonials' the latest being published on his Facebook page as recent as a couple of weeks ago; see PDF entitled ['Dr. Julio Williams MD'](#) [23].

The constant public support that Dr. Williams MD has provided Devra Patton West since she was 'obliged' to leave Montana in 2010 has helped her to establish the latest version of her guru / cult / extortion business model. In 2011 complete with a new name, a new fake life story / bio the narcissist Devra Patton West, now calling herself the Ascended Master Rishi Devra, announced herself to be:-

[The Regent of the Spiritual Hierarchy for the Western Hemisphere.](#)

[THE SAGE OF SEDONA and the RISHI OF THE WEST!](#)

Since 2011, Dr. Julio Williams has repeatedly led her fund raising campaigns and provided her with a raft of idiotic testimonials the most vomit inducing being his statement that she is "a virtual wellspring of living divinity." More worrying and in direct contravention of many US laws Dr. Julio Williams MD has fully supported her claims to be able to deliver cures for all ills.

Rishi Regent of the Great Masters

As the light that stands behind leaders and world servers across the globe

As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....

...and the karmic resolution of divine dispensation.

Above: Devra Patton West offering 'Divine Grace Healings' and 'Dispensation of Karma' to those who can afford to pay six figure sums. Dr. Julio Williams MD not only associates himself with this con artist and violent convicted criminal but actively uses his 'perceived' respectability as a physician and surgeon to promote her.

As one can see from the image above taken recently from Devra Patton West's Facebook page she is offering 'Divine Grace Healings' to the wealthy and gullible (for six figure sums). This obvious fraud (allowed under religious freedom laws?) takes place while her website is replete with [testimonials](#) from Dr. Julio Williams that seem to infer that she is the 'real deal.' Clearly his 'status' and perceived respectability as a physician and a heart surgeon are being used to 'sell' Devra West to the unsuspecting public.

What follows are a series of statements made by and or endorsed by Dr. Julio Williams MD on behalf of the leader of his cult. However, before reviewing them, it is worth noting what Dr. Julio Williams MD must have known about Devra Patton West in 2007 at the time he made the first statement featured below. He was certainly aware of this information in 2011 when, after being obliged to leave Montana Devra West changed her identity and reincarnated herself in Arizona. For an in depth analysis of the [Whitefish Pilot](#) [12A] and [Bigfork Eagle](#) [12B] newspapers, which both detail the many crimes being committed by Devra Patton West and her criminal gang in 2007 please go [here](#) [13].

Below is another brief summary of some of the crimes that Dr. Julio Williams must have been aware of that were committed between 2000 and 2010.

1. Arrest Warrant for [Criminal Check Fraud](#).
2. [Conviction](#) for Assaulting Dr. Cole MD & [News Article](#) announcing same.
3. Becoming the subject of a [Sheriff's Sale](#) to force her to pay her creditors \$2,000,000 in court judgments and interest.
4. Whistleblower's [judgment](#) against Devra West for fraud.
5. Defendant in [fraud case](#) brought by Larry Brazda and others.
6. Defendant in [fraud case](#) brought by 'Top to Bottom' Construction.
7. Vicious Assaults on female members of her cult i.e. Susannah [Felder & Beatrice McGuire](#), [Jamie Haywood](#) and [Dr. Pat Cole MD](#).
8. The Students who took out loans for Devra west after being told, "[They would be closer to God.](#)"
9. West's son's [criminal record](#). Like mother like son?
10. [Arrest Warrant](#) for felony theft.

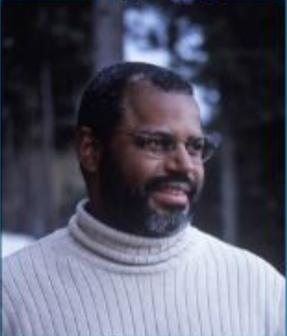

Below is a sample of the [propaganda piece](#) [31] that appeared on Devra Patton West's website in Montana in 2007 / 2008 timeframe. Dr. Julio Williams MD endorsed this piece a) knowing about Devra West's criminality (see preceding page) and b) knowing full well that his perceived respectability as a physician and heart surgeon is being used to attract more victims to what is obviously a cult / criminal racketeering business model.

Global Guardianship Initiative Biography

Julio Williams, MD

A gifted cardiothoracic surgeon, Doctor Williams graduated Cum-Laude from Madre & Maestra Catholic University in the Dominican Republic. During his training as a medical student, his rotations for "social medicine" involved treating the poor and disadvantaged in the city slums and the Sierra Mountains of the Caribbean Islands, and as a result he felt drawn to the holistic concept of medicine.

"Because economic and cultural influences were so obviously at play, I could not help but view the patients not only as the disease process they exhibited, but also from the holistic causative stand point: the Bio-Psycho-Social triad that allows us to access the root cause of the disease process. This early experience of medicine in an underdeveloped country awakened within me the sensitivity for serving those in need. From the day that I graduated I have perceived medicine and health care as a God given right belonging to all of humanity."

Dr. Williams then completed his residency in general surgery at Albert Einstein College of Medicine and Bronx-Lebanon Medical Center in New York city, during the peak years of the Aids epidemic, and he shares, "This was a trying time emotionally and a time of enormously hard work, however I was a witness to the evolution of medicine and the disease process. I also had the privilege of working in scientific research for a year with Dr. Stanley Levenson, professor Emeritus of Surgery at the Albert Einstein College of Medicine, who is considered to be a pioneer in wound healing research. Reading about the great minds of early science was mandatory prior to engaging our actual work project, and this inspired a keen interest in the work of Louis Pasteur, Dr. Dubois among others. But what I remember the most about Dr. Levenson was the wisdom he passed to us as surgeons, residents, and students, as he shared the stories of his exodus from Russia as an orphan Jewish immigrant traveling a post holocaust Europe and coming to America to become a leading authority in the world of academic Surgery and Basic Science research and the recipient of awards from the American College of Surgeons. His wisdom and perseverance instilled in me the courage to seek beyond conventional norms."

During his senior years in his surgical training, Dr. Williams received the mentorship of Dr. Robert Frater, Acting Chairman of the Cardiothoracic Surgery Department at Einstein, who introduced him to the world of cardiothoracic surgery and who endorsed him as a potential candidate for fellowship training in cardiothoracic surgery. Dr. Williams then went on to train in cardiothoracic surgery at the University of Medicine and Dentistry of New Jersey (UMDNJ- New Jersey Medical School) Newark campus.

"The cardiothoracic surgery training was intense and demanding but full of rewards for the heart. Again, working in the inner city and its population help me see the other part of society with its continuous problems like a vicious cycle with no end in sight. As I came face to face with this every day, it made me see clearly and first hand the problems that plague our health care system." Dr. Williams completed his board certification in General Surgery in 1997(American Board of Surgery) and Cardiothoracic Surgery in 2001(American Board of Thoracic Surgery)

The bottom part of his statement is continued on the next page...

After completion of his surgical training, Dr. Williams began his private practice.

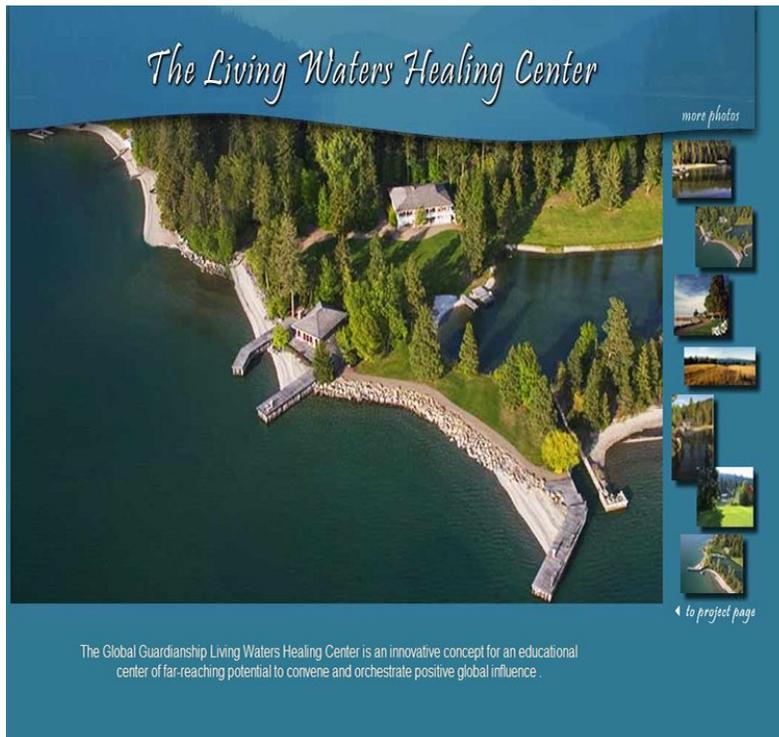

It was during the beginning of my practice that "I heard the call to service".

It became clear that for him path of medicine would lead him to a higher purpose and that caring for those in need went far beyond the financial rewards in which our health care system is entangled at this time.

It was in the fall of 2000 when I first came into contact with Dr. Devra West, whom we graciously and fondly call "Surya Ma" (a name reflecting high honors on the spiritual path) during a transformational training at her retreat center in Montana. I quickly came to recognize that she is one of her kind among the few contemporary illumine minds here in the west. She is a modern day pioneer and visionary who lives her life as an example in service for the greater good of humanity. It was as if I had been ignited to see and know and experience at all new levels of possibility, and as a physician, I felt privileged to receive the gold that her teachings have to offer. And I have been inspired to pass on to society at large, the tools that have empowered me to engage the philanthropic spirit in service to humanity and more over into my medical practice. She is a Master Healer because she is a Master Soul. Her very presence is a healing presence. Because she heals from a greatness of heart, she has opened my sight to my own greater capabilities as a human being.

I am delighted and honored to further her work in all ways possible and for the opportunity to serve as board member of the Global Guardianship Initiative and look forward to becoming a dynamic force in the implementation of the different projects on a long-term basis.

There are a number of issues I have with this statement. Firstly, there is the obvious use of his medical credentials to pimp himself on behalf of Devra Patton West, the leader of his cult, for the obvious purposes of using his 'perceived' credibility to give her credibility! Secondly, leaving aside the revelations contained in the [Whitefish Pilot](#) [12A] newspaper about Devra West's obvious criminality, is the fact that right next to Dr. Williams' gushing testimonial about his cult leader is the image [32] below here.

This above image was of a multi-million dollar lakeside property owned by Robert & Tabby Ivy which Devra Patton West was portraying, on her website and in her brochures, as belonging to her. She did this to give the public that she was a wealthy business woman – clearly this was fraud. Dr. Williams must have known about this since his testimonial was on the very same website as the above image. Robert & Tabby Ivy were interviewed by the Whitefish Pilot newspaper; here is what they had to say about this matter:-

A third Lakeside property -- the well-known Osprey House on Angel Point, owned by Robert and Tabby Ivy -- is promoted in the Surya Ma Enterprise brochure as the "Surya Devi VIP Retreat Spa." Tabby Ivy refutes that claim.

"Devra consistently misrepresents her involvement with our house, erroneously saying she has an offer on it, but we have had no formal offer nor accepted any from her," she said. "After I saw our house in her brochure, I walked into her office and said, 'I don't want my house on any of your marketing materials.' For two years, she claimed she was going to buy our home. She wrote a bad check for several million dollars to the Realtor, and that was our experience with her."

On July 12 2007, Devra West appeared in court as a witness for her son in his custody battle against his estranged wife Jamie Haywood. It is well worth reviewing the court transcript [32] [33] [34]. When Devra West was asked whether her company was a multi-billion dollar affair she replied:-

15	Q. Okay. On the last page of this exhibit --
16	first of all let me ask you some questions. Is it fair
17	to characterize your company as a multi-billion dollar
18	enterprise?
19	A. Correct.

In reality, as a further excerpt from the [Whitefish Pilot](#) [12A] news article makes clear, Devra Patton West was close to bankruptcy for the second time:-

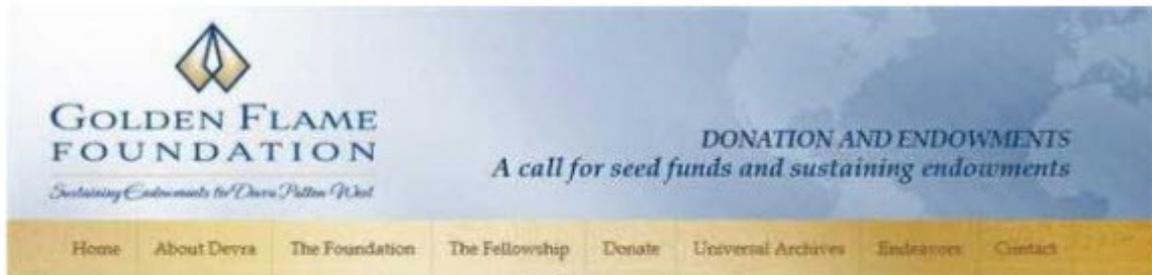

Here in the Flathead, West ran into problems over several properties where she lived. On June 1, she was evicted from a \$2 million Lakeside waterfront home when she failed to pay a second \$50,000 down payment. She then moved into another Lakeside with her son and daughter-in-law. "All she got out of the house was her cat," said Larry Phillips, a Realtor with Land Rush Realty. When asked about the eviction, West said a few weeks away from home were worth the trouble. She claims to be negotiating a better deal on the property due to a water rights dispute. According to court documents, West is behind in payments on the second home. The issue has not yet been resolved, according to one of the homeowners, Larry Brazda.

An article that appeared in the [Bigfork Eagle](#) [12B] newspaper on August 9 2007 confirms this:-

Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environments LLC. Two were never registered -- Divine Unity Foundation and Millennium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive Institute. Besides being evicted from her Bayside home in Lakeside and bouncing a check for the purchase of the well-known Osprey House on Angel Point, West has a \$2,287 lien against her for failing to pay unemployment taxes for her Montana employees.

Dr. Julio Williams MD must have known all about this campaign of lies and deceit!

Note in the piece below [33] from 2014 that he mentions being Cardiovascular & Thoracic Surgeon.

Introduction
I'm a cardiovascular surgeon who is very grateful to Rishi Devra for opening my heart to the divine. Now, I'm dedicated bringing spirit into medicine.

To create a Phoenix based group of dedicated seekers for spiritual awakening and enrichment that promotes manifesting a higher life purpose and the common bonds of sharing the Divine Journey of Spiritual Awakening and Healing.
As a meditation teacher I would like to show health care providers and spiritual seekers how to integrate spirit/holistic with current medicine.

In the piece below here [35] Dr. Julio Williams MD has actually rented a home close by the location of his cult leader so that he can host 'Sacred Sundays with Rishi.' Note the two testimonials to the right of the image; one mentions that he is an MD and a heart surgeon and a devoted seeker the other mentions that he is an MD, cardiologist and thoracic surgeon and an avid seeker.

~ Our June 12th ~
Sacred Sunday with Rishi
 will be hosted at the home of Dr. Julio Williams
 7390 East Stagecoach Pass Carefree, Arizona 85377
 ~ 10 am to 12 pm ~

Comments from Students:

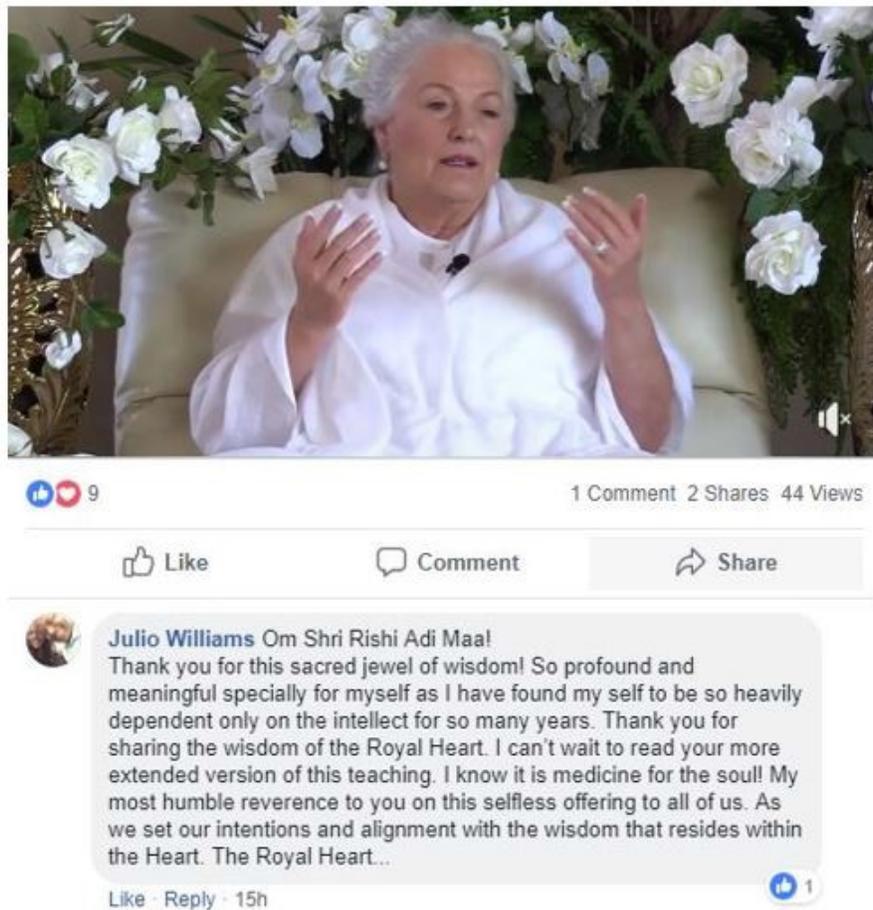

"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" -

Julio Williams MD, heart surgeon and devoted seeker

"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."

Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker

And this [36] recently 'pulled' from Dr. Julio Williams' Facebook pages:-

In the piece above and the earlier 'Golden Flame Foundation piece, Dr. Julio Williams MD harps on about the 'Divine Feminine' choosing to completely forget the multiple occasions when Devra Patton West has brutalized women sometimes in his presence. Here are three examples of that:-

Above from left to right: Employee Susannah Felder partially scalped by Devra West after challenging her about an \$80,000 donation that West stole from the charity she ran. Center: Beatrice McGuire needed plastic surgery after part of her ear was ripped off after she challenged West in a lie in front of a large audience. Right: Dr. Pat Cole MD repeatedly hit over the head with West's shoe until blood ran down her blouse.

Below [37] is an example of the current propaganda one can find on Devra West’s website; propaganda that Dr. Julio Williams MD both endorses personally and willingly allows his medical qualifications as a physician and a surgeon to be used to endorse her ridiculous claims.

THE RISHI OF THE WEST

Devra Adi Maa... The Sage of Sedona

As a spiritual guardian of the region, her presence in both Sedona and Scottsdale is a blessing for all souls and especially for those who seek spiritual enrichment and the ultimate awakening of enlightenment. She is embraced as the Rishi Elder and Sage of Sedona and the Illuminary and Oracle of Black Mountain, an area left to be sacred by our Native Americans, which is located in the desert highlands, north of Scottsdale.

She received her first spiritual initiation at the age of seven, being spontaneously flooded with wave after wave of light, experiencing the direct presence of the Great Masters. Enveloped in divine illumination for many days thereafter, she received her "call to serve the world." Throughout adolescence, Rishi Devra continued to receive the ageless wisdoms from the hierarchy of spiritual masters, who gave her an in-depth understanding of the soul's universal existence and the malleable fluidity of reality.

Above: It is West’s ability to use “the fluidity of reality” (lies, deceit and propaganda) that allow her to call herself a, “guardian of the region” and a “blessing for the souls in Sedona and Scottsdale” (just as she was in Montana?). In view of the facts does anyone believe that this idiot was called to “serve the world at age 7?”

And below here [38] more propaganda. Note the excerpt below claims to be able to deliver ‘Divine Grace Healings’ and ‘Dispensation of Karma’ all for a large six figure fee to those wealthy enough and gullible enough to believe this bullshit. That said, Dr. Julio Williams MD a real doctor and a real heart surgeon enthusiastically endorses her claims so it must be true right?

Rishi Regent of the Great Masters

As the light that stands behind leaders and world servers across the globe

As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....

...and the karmic resolution of divine dispensation.

Above: The occult thief / suspected serial killer Devra Patton West in full disguise - hand out - in invitation to future victims. She is wearing yards of curtain material over her shoulder (the preferred uniform of female guru’s) all part of the deceit directed at the Sedona & Scottsdale spiritual communities.

THE CURRENT CON WORKS LIKE THIS.....

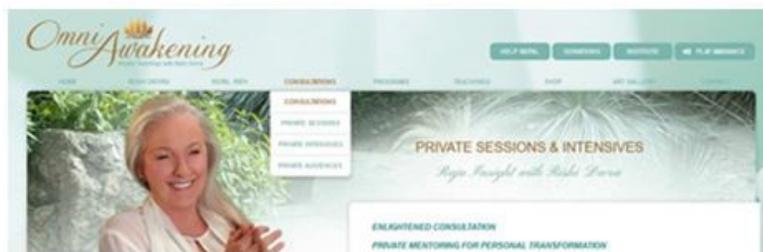

A series of ‘private sessions’ ‘private audiences’ and ‘private intensives’ like the dates recently listed below are offered to lure potential victims into the ‘kill zone.’

Sedona Gateway Retreats - Intro to the Path of Enlightenment

**May 26 thru 29th July 28 thru 31 Sept 2 thru Sept 5
Oct 18 thru 21 Dec 1 thru 7**

Step 1. Those identified as wealthy targets are invited to attend a ‘Private’ Sessions or a ‘Private’ Intensive’ as advertised on her website below. [Dr. Julio Williams MD is actually in attendance at some of these ‘events’ and has even rented a property nearby for her to use to hold these events. Billed by him as a ‘Sacred Sunday with Rishi’ if that is not an endorsement by an MD I do not know what is.]

Step 2. Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

Divine Grace Healings. Victims are convinced that they are suffering from a totally non-existent brain tumor or a cancer, which Devra West guarantees she can cure for a large fee. In reality Devra West, having identified a wealthy target, induces the symptoms of a serious illness in the victim using the same occult knowledge she uses against those who oppose (see above).

Karmic Resolution. Devra West convinces the targeted individual that she and they were sisters in a former lifetime, during which, the target betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for those nonexistent wrongs). If the target does not agree to pay the target becomes the subject of a campaign of occult attacks designed to convince them to pay!

Devra West has been perpetrating this extortion racket for at least two decades. Dr. Julio Williams MD is clearly a willing accomplice in what is a massive extortion scam.

Notes:

The 'Divine Grace Healing Scam.' Two of her admin staff who worked for her in 2002, overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#) [39], Diane Stoner and Kathleen Francisco talking about one this.

The 'Karmic Resolution Scam.' Devra West uses this scam against wealthy female heiresses like the one below who has 'donated' millions to her charitable causes. After the heiress' son found out how much money had been given / extorted by Devra West, he phoned Devra West demanding that the money be returned to his mother Corrine Coffin! Please read [this email from Devra West's office manager](#) [4] in 2007 wherein she writes about this matter and many others.

Above: Devra West extracting millions of dollars from a wealthy heiresses who she convinced owed her from a previous lifetime. With others she just promises to remove bad karma for a very large fee!

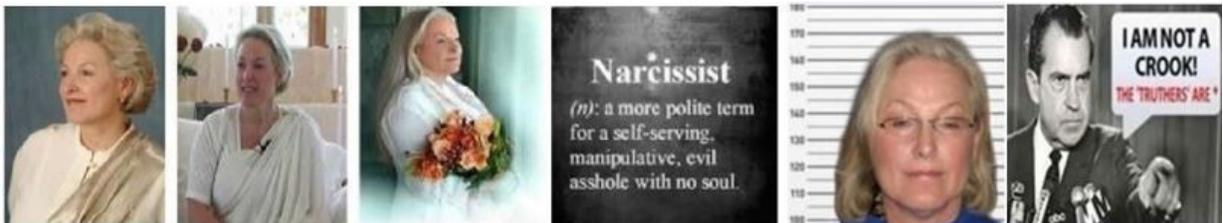

Remember, Devra West is an Occult Master who can, using Shamanic visioning, induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her.

In the above scam, she 'induces' the symptoms of serious illness in the wealthy victims that she targets and then miraculously cures them after they go to her 'Pay Portal' and make a large six figure 'donation.' She got \$500,000 from one victim [39] in 2002 for doing just this!

Step 3. The victims go to the Sage of Sedona's ['Pay Portal'](#) [40], recently updated, which is now set up to receive single donations of \$500,000 or more by pressing one or a combination of buttons and empty your bank account into hers. Note her standing there with her hands out saying "give me, give me."

This well-oiled criminal / racketeering business model has been operating for 27 years right under the noses of the FBI and the IRS. When people become aware of a criminality and victims go public she simply moves to another western state where they either do not understand ‘white collar’ crime or do not have the resources to prosecute it. Along the way she recruits weak minded stooges like Dr. Julio Williams MD (and Geoffrey Reynolds CPA) who because they lack a moral compass and even a shred of integrity agree to be willing participants in organized crime.

Above from left to right: The Ascended Master Devra Ji (1995 to 2005), the Ascended Master Surya Ma (2005 to 2010), the Ascended Master Rishi Devra 2011 to present day. An apt description of a narcissist. One of two Montana arrest warrant photos of Devra West. Dr. Williams will assert that she is not a crook – the truthers are!

At the very least, it is wire and mail fraud! At the very least, it is illegal for a lay person, even if they are claiming to be a ‘divine being,’ to imply or state that they are able to cure / heal someone especially if they do not have a medical license. I can think of many occasions in the US where ‘quack’ healers have been the subject of litigation for much less. Again apparently state and federal laws do not apply to Devra Patton West!

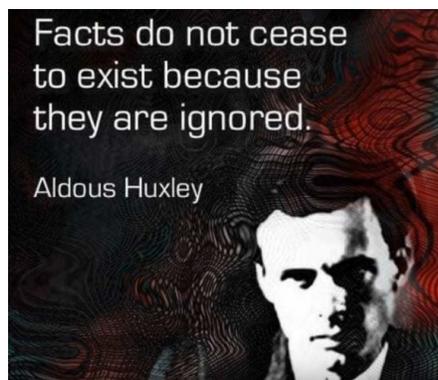

In conclusion Dr. Julio Williams MD is obviously a willing accomplice in a criminal racketeering business model that has operated in three western states since 1995. His alignment with a Satanist cult and its criminal leader not only brings himself into personal disrepute but also the medical profession he is a part of. At best his actions show a complete lack of judgment which begs the question whether he should be allowed to wield a scalpel over an unconscious patient? At worst Dr. Julio Williams is a willing accomplice in a massive mail and wire fraud scam, a criminal racketeering business model involved in theft, fraud, extortion, violent assaults and worse. Williams is totally aware that my family and I have been on the receiving end of a continuous campaign of intimidation that has now lasted 12 years. However I do not see him sharing the 300 emails that I have sent him about this with the police.

Julio Williams MD, a consummate liar, may attempt to deny all the above accusations however **the facts are the facts!** Another line of defense he may try is to say that I was the subject of a successful defamation lawsuit by Devra West and senior cult member Geoffrey Reynolds in 2010. As explained earlier when I travelled from the east Coast of Canada to attend a Montana court to see what I was going to be awarded for winning my fraud lawsuit against Devra West for fraud she, and another of her stooge / puppets Geoffrey Reynolds, served me for defamation for telling the truth about her. If you want to know the truth of this matter simply review the PDF about [Geoffrey Reynolds](#) [24] where there is a detailed explanation about this matter. Long story short as long as my websites were up Devra West's criminal racketeering business model was dead in the water.

None of this changes the FACTS! It just shows the lengths that criminal will go to silence the truth!

Dr. Williams MD, a physician, should be held to a higher standard. All of this information has been passed to the FBI who will doubtless review which RICO statutes have been breached. In the mean time, you should consider the enclosed evidence and whether Dr. Julio Williams MD is fit to be a licensed medical practitioner and especially whether someone with his morals should be wielding a scalpel.

I will close with the following quotation from Aldous Huxley...
