

Subject: Devra Patton West: a narcissist leader of a Satanist Death Cult

Dear FBI, IRS and Sedona and Scottsdale police departments.

We write again in the sincere belief that Devra Patton West may be a serial killer. Prior to 1990, Devra Patton West and her husband Jack West were small time criminals and drug dealers. Since acquiring hidden (occult) knowledge between 1990 & 1991, Devra Patton West has managed to leverage her activities to that of a multimillion dollar a year criminal racketeering business model. At the same time, using the threat of murder or actual murder to silence victims and witnesses, she has run rings around law enforcement and avoided justice. She has done so because both victims and witnesses are too afraid to testify against her knowing that the police cannot protect them. Those that are murdered by her appear to die of 'natural' causes, like student Lisa Swidler who was murdered by West in 2005.

Whistleblower John Watson would have appeared to have died of natural causes had the attempt on his life been successful in 2007. To show how confident she was, she even had senior cult member **Geoffrey Reynolds** announce John Watson's death less than two weeks before she made her failed attempt. Then, there was the threatened murder of Marion Cantwell who, after being kidnapped and falsely imprisoned, was released after being forced to donate tens of thousands of dollars to Devra West. Marion was told if she went to the police she would be murdered. Then there was the threatened murder of Dr. Pat Cole MD in 2006; she got a reprieve after agreeing to pay \$1.3 million to Devra West \$460,000 of which Geoffrey Reynolds money laundered through her 'business.' Let me see, that is one murder in 2005, two threatened with murder in 2006, and one attempted murder in 2007.

With regard to the failed attempt on the life of the whistleblower John Watson in 2007, he and his family have been the subject of intimidation since then by Devra West and only ten days ago, Devra West made another failed attempt on his life. Fortunately, John Watson has been keeping a paper trail in the form of some 400 emails that he has sent to senior cult member **Julio Williams** over the past 3 to 4 years, which includes a message about the recent failed attempt on his life by Devra West. We would respectfully suggest that you obtain a warrant to view the emails in **Julio Williams** account. We feel sure that in addition to corroborating what we are saying, you may learn something about the scores of other victims at the hands of Devra West and her cult. After all, if she was only averaging one attempted murder a year and succeeding on every third attempt, that would amount to 9 murders over the past 27 years. It would also explain why in 2002 then husband, **Jack West**, volunteered the information that those who opposed his wife had a habit of dying suddenly.

It would also explain why Devra West believes she is a God, dresses like a God in public and has a website that portrays her as a God. This, in spite of a mountain of evidence to show she is a ruthless criminal, who in Montana committed racketeering on an industrial scale with apparent impunity with 80% of the victims belonging to her cult; hence the reluctance to go after her or go public (see examples below). This is the evidence that she tried to murder the whistleblower to stop the public having access to online. This is the evidence that would have threatened her multi-million dollar a year criminal racketeering business model that transitioned from New Mexico to Montana in 1995, and then from Montana to Arizona in 2011. Both **Geoffrey Reynolds & Julio Williams** were / are complicit in the past and ongoing attempts by Devra West to murder the whistleblower. We suggest you start with **Julio Williams'** email account which is jcwilliams@prodigy.net in our opinion Devra West may be one of the most prolific criminals in US history. **Reynolds** and **Williams** know this for sure and yet, they conspire with her to 'market' her to the public as a harmless guru.

Devra Patton West the narcissist leader of a Satanist Death Cult.

Devra Patton West is the narcissist leader of a Satanist death cult who believes that no matter how many crimes she commits, her occult knowledge puts her and her accomplices totally beyond the reach of the law.

Devra Patton West was forced to leave New Mexico in 1995 and Montana in 2010 after innumerable counts of theft, fraud, extortion in both states, and in Montana at least one murder of a 'student' and the attempted murder of the whistleblower, John Watson. Under the 'protection' of religious freedom laws, con artist and violent convicted criminal Devra Patton West asserted, upon arrival in Arizona in 2011, that she is:-

A Blessing for all Souls in Sedona & Scottsdale AZ. That she is an 'Instrument of Mercy.' That for hundreds of thousands of dollars she can deliver the phenomena of 'Divine Grace Healings.' She is the 'Sage of Sedona.' She is the 'Regent of the Hierarchy of the Western Hemisphere.' And that she is open for business and looking for more victims....

On her third western state since 1995, Devra Patton West continues to prey on spiritual seekers and the terminally ill in Sedona & Scottsdale AZ. Offering 'Divine Grace Healings' and 'Dispensation of Karma' (for six figure sums) Attempts to stop her crimes in the past would have been labeled by her cult as 'religious persecution.'

Devra Patton West is aided and abetted by the senior members of her cult / criminal gang, each of which is a willing accomplice in racketeering and murder. Chief amongst her accomplices are Geoffrey Reynolds CPA and Julio Williams MD. For more details about their role in Devra Patton West's cult / criminal racketeering gang please follow this link:-

[How Devra West, working with Cult / Gang Members Williams & Reynolds, work to silence Victims and Witnesses of Serious Crime.](#)

[Geoffrey Reynolds CPA – Ex-Devra Patton West \(Rishi Devra\) cult / gang member desperate to leave his criminal racketeering past behind.](#)

In brief, Geoffrey Reynolds' role in the cult / gang between 2006 & 2014 has included money laundering, complicity to commit murder and criminal conspiracy to extort \$10,000,000 from a fraud victim. While being interviewed by the Bigfork Eagle newspaper on August 9 2007, Reynolds told the reporter in what he thought was an 'off the record' conversation that John Watson, the whistleblower, would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family. A few short days later, just as predicted by Reynolds, Devra West made an unsuccessful attempt on John Watson's life. As part of the criminal conspiracy in 2010, Geoffrey Reynolds went before a Montana court and, on instructions from Devra Patton West, made [totally false pleadings](#) as part of the \$10,000,000 extortion scam.

Currently, Reynolds is working for Olympia WA accountancy firm [McSwain & Co](#). After McSwain & Co were informed of Reynolds' past criminality, we noticed that his resume on their website had been sanitized to remove all mention of his whereabouts and involvement with the cult between 2006 & 2014. More recently we note that his photograph has been removed from their website. Why McSwain

& Co. continue to allow him access to confidential client files or even employ him is beyond our understanding. A close look at his resume on his own website shows his involvement with the cult, so how do his employer's countenance deceiving the public about Reynolds's criminal past?

Experience

Outsourced CFO/Independent Consultant

Prior to joining McSwain & Company, P.S. Geoff was independent consultant. He worked as an Outsourced CFO for many companies needing CFO services but unable to hire a CFO internally, this included Start-up Consulting, Business Plan Development, Mergers & Acquisitions and many other services.

Intramedicine, Inc. – CFO

Prior to starting his consulting firm, he served as CFO for Intramedicine, Inc. a Web-based research and information company that maintains the world's leading database of scientifically validated complementary and conventional medical therapies and syndicates the database to Web sites and traditional companies in need of this kind of information.

Infinite Axis.com – CFO

Infinite Axis.com, Inc. a web development firm.

zCAN Media, Inc. – Director of Finance

zCAN Media, Inc. an Internet Advertising firm. While at zCAN he arranged interim financing, manage the cash flow and banking relationships and day to day operations. He also prepared all modeling and projections for the company. Geoff continued on as Director of Finance for AdSmart Networks after CMGI purchased zCAN to aid in the merger.

Above: Reynolds tried to leave the cult in 2014, joining accountancy firm McSwain & Co., in Olympia Washington. When they were apprised of his 'criminal' past, they at first sanitized his resume to remove all mention of the 8 years he spent as a member of Devra West's cult / criminal gang and more recently removed his photo.

It is a similar story for Julio Williams MD as well, as [funding organized crime](#) to the tune of hundreds of thousands of dollars, Williams' other roles within the cult / gang are [defaming victims of crime](#) at the hands of Devra West from her website, as he did with the whistleblower in 2005 after he announced he was suing Devra West for fraud. He also threatened the whistleblower via [an expletive laden email](#) in an attempt to intimidate him into giving up his lawsuit against the leader of his cult. In the same email he promised to give her \$2,000,000 for her legal fees (blatant funding of organized crime).

In the past 3 to 4 years, Williams has received approximately 400 emails from the whistleblower logging Devra Patton West's ongoing attempts at intimidation and murder and yet, Williams has failed to report these crimes to the police. Posting [propaganda statements](#) online asserting that the injunction his cult leader obtained was not as a result of her desperation to hide her criminal past from the citizens of Arizona, but as a result of an independent investigation by a judge investigating a fraud scam against Devra West. 'Mirroring' her crimes onto her victims are the very same tactics that Devra West used in Montana [against Dr. Cole](#) after West was found guilty of [assaulting her](#). And the same tactics [used against John Watson](#) after Devra West was found guilty of [defrauding him](#). Dr. Julio Williams' involvement with a Satanist cult / criminal gang affects every aspect of his life, including his day job as a thoracic surgeon. One of his [patients stated](#), and I quote, "If you see him coming run the other way!" End quote.

★★★★★ dangerous physician!!

Self-verified patient of Dr. Julio E Williams - Posted on June 24th, 2011

This MD appears caring but has a long history of not taking care of his patients post-operatively. He does not work well with the hospital staff/physicians and has had several complications and deaths. Superficially he appears ok but call his old hospitals in south tx and northeast tx.... he has been run out of each of them!! If you see him sun the other way FAST!!!!

Above from left to right: A reference from a patient. Center two shots of Williams in his 'day job.' Right: Williams on bended knee before the leader of his Satanist cult. Note the dazed look on the face of the woman in the foreground. Both are having their brainwashing and conditioning renewed.

There is plenty of evidence to show that both Reynolds and Williams are aware that Devra West may be a serial killer and plenty of evidence that at least, in the attempted murder of business consultant turned whistleblower John Watson, that Reynolds was complicit in the 2007 failed murder attempt by Devra West, and that Williams is complicit in the ongoing attempts by Devra West to murder or intimidate John Watson. Check out these links to see how Devra West uses the occult knowledge she acquired between 1990 & 1991 to underpin a 27 year criminal racketeering business model involving crimes from theft to murder using a weapon that the authorities do not recognize as a weapon. A fact that Devra West, Geoffrey Reynolds and ex-husband Jack West rely on.

[How Devra West uses occult knowledge to silence her critics and the victims and witnesses of crime.](#)

[A Comparison between Rishi Devra AKA Devra Patton West & Joao Teixeira de Faria AKA John of God.](#)

Below here. Guilty as Geoffrey Reynolds was complicit in the 2007 attempt on the whistleblower's life and subsequent attempt to extort \$10,000,000 from him in 2010. Julio Williams hopes that his cult leader (who he describes as a virtual wellspring of living divinity) is successful in her ongoing attempts to murder the whistleblower before the FBI access his email account to gather four years of evidence proving his complicity in attempted murder. The latest failed attempt made only ten days ago.

"Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward."

Geoffrey Reynolds CPA 2014

"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."

Julio Williams MD 2017

Let us now review 21 souls and entities that were 'blessed' as part of Devra Patton West's Racketeering 'World Service' efforts in Montana between 1995 & 2010!

Devra Patton West was chased out of New Mexico in 1995 by one gun wielding victim who realized that the police could not help him. After defrauding and bankrupting her Victor MT based charity she moved north 100 miles to Flathead Lake MT. Each time she moved she changed her identity, invented another fake life story and reincarnated herself as a 'divine being.' Below we will review the ['blessings Devra Patton West bestowed on souls'](#) while masquerading as the Ascended Master's 'Devra Ji' (1995 to 2005) and 'Surya Ma' (2005 to 2010) understanding that what you are going to read below here, is the tip of the iceberg with most crimes kept hidden inside her cult.

Victim 1 Susannah Felder. If you review the [notarized statement](#) given by ex-charity board member, AJ White, you will see that employee Susannah Felder discovered that Devra West had stolen \$80,000 from the charity she ran, to pay for her porn loving wife beating son's legal fees. Her son, Chris Haywood, was fighting for custody of his infant daughter from his first wife, Kendall. When Susannah confronted Devra West about the stolen \$80,000 donation Devra West viciously assaulted Susannah partially scalping her in the process.

THIS EX-EMPLOYEE, UPON CHALLENGING DEVRA WEST ABOUT AN \$80,000
DONATION THAT WEST HAD STOLEN FROM THE CHARITY, VICIOUSLY ASSAULTED
SUSANNAH LEAVING HER PARTIALLY SCALPED. DEVRA WEST STATED AFTERWARDS
THAT THE MONEY GIVEN TO THE CHARITY WAS HERS TO USE AS SHE SAW FIT!

This soul was 'blessed' by Devra Patton West.

Victim 2 John Watson. The whistleblower John Watson, hired as a business consultant in January 2002. Was defrauded out of wages and shares in August 2002; launched a fraud lawsuit in March 2003, which the courts awarded him [judgment for](#) in 2008. [Follow this link](#) to read the news article published by the Ravalli Republic and [follow this link](#) to learn how much he was awarded by the courts. During the five years he was researching his lawsuit, John Watson discovered scores of victims of organized crime and racketeering. After publicizing his research on a website dedicated to Devra West's criminality, he became the subject of a failed murder plot by Devra West and her stooge / accomplice, Geoffrey Reynolds.

During a meeting with Devra West in March 2003, which John Watson recorded with a digital tape recorder, Devra West admits defrauding John Watson, says she does not see herself writing out a check for the \$50,000 she owes him and then threatens him if he goes ahead and sues her. Listen to this 'Blessing to all Souls' prove in her own voice that she is not only a thief, a fraudster and an extortionist but that she is criminally insane.

2. [West agrees she has defrauded John Watson but does not see herself paying him!](#)
3. [West acknowledges that she is a control freak and admits to disposing of people like used Kleenex.](#)
4. [John Watson advises that she will not do the same to him.](#)
5. [West goes berserk and in an expletive laden tirade accuses the whistleblower of exploiting her vulnerability! This behavior proves beyond doubt that Devra West is criminally insane.](#)
6. [West says she feels stabbed in the back and f*cked up the arse by Watson's insistence that West pay her the \\$50,000 she owes him. West has an emotional melt down and leaves in hysterics!](#)

DEFRAUDED OUT OF WAGES AND SHARES BY DEVRA WEST, THE SUBJECT OF A
MURDER PLOT BY DEVRA WEST AND CULT MEMBER GEOFFREY REYNOLDS. WHEN
THAT FAILED A CONSPIRACY BY WEST & REYNOLDS TO BANKRUPT HIM TO STOP
HIM GOING PUBLIC ABOUT DEVRA WEST AND HER CRIMINAL PAST.

This soul was 'blessed' by Devra Patton West.

Victim 3 Beatrice McGuire. In 2002, ex-student Beatrice McGuire, was attending a seminar in Montreal for 'students' of Devra West's unaccredited school for occult studies, then called the Sacred Arts Institute (SAI). When Beatrice publicly challenged Devra Patton West in front of other students about some of the lies Devra West was spouting to the audience, Devra West reacted by violently assaulting Beatrice in front of the rest of the audience with the result that part of Beatrice's ear was ripped away. Devra West, though not acknowledging the assault, later paid for Beatrice to have plastic surgery to fix the injury. This assault and Devra West's violent nature is well documented in student [Debra Coffey's statement](#) to the whistleblower.

During the meeting with Devra West in March 2003 that he recorded with a digital tape recorder, the whistleblower John Watson called out Devra West on her assault of Beatrice McGuire. Listen to pathological liar Devra West's attempts to deny the assault, even though she did it in front of tens of other students and paid for the victim's plastic surgery.

[Having assaulted Beatrice McGuire in front of scores of witnesses and having paid her to have plastic surgery Devra West denies she was responsible asserting that Beatrice McGuire is being mentally ill.](#)

THIS EX-STUDENT WHO PUBLICLY CHALLENGED DEVRA WEST ABOUT HER LIES, DECEIT AND PROPAGANDA WAS VICIOUSLY ASSAULTED IN FRONT OF A LARGE AUDIENCE. THE RESULTING INJURY REQUIRED PLASTIC SURGERY TO CORRECT - THE COST OF WHICH DEVRA WEST PAID WHILE NOT ACKNOWLEDGING SHE WAS TO BLAME!

[This soul was 'blessed' by Devra Patton West.](#)

Victim 4 Dave Kushner. In 2005, ex-student [Dave Kushner](#) the victim of fraud at the hands of Devra West who used fellow student Lisa Swidler as a go-between to negotiate a \$30,000 loan that Devra West had no intention of ever repaying. Like most victims in the cult, Dave Kushner was aware of Devra West's reputation and feared he would be murdered if he pursued her for the return of his money.

VICTIM OF FRAUD WAS APPROACHED BY DEVRA WEST FOR A \$30,000 TWO WEEK BRIDGING LOAN. DEVRA WEST EVEN SIGNED AN AGREEMENT PROMISING TO REPAY THE FUNDS WITHIN 14 DAYS. DEVRA WEST REFUSED TO REPAY THE MONEY OR EVEN TALK TO THE VICTIM SHE HAD DEFRAUDED.

[This soul was 'blessed' by Devra Patton West.](#)

Victim 5 Marion Cantwell. Ex-student [Marion Cantwell](#), was pretty much ignored until she sold her home in 2005. Immediately after which, she too, became the victim of extortion at the hands of Devra Patton West. The whistleblower got first-hand knowledge that circumstances around Marion's story were correct when, after initially fleeing the US and returning a year later to Texas, her new employer phoned the whistleblower for a reference. Having seen Marion's name mentioned on his website, he sought assurances that Marion was a victim of Devra West and her cult, and in no way a perpetrator of organized crime.

05 AFTER SELLING HER HOME SHE WAS KIDNAPPED, HELD CAPTIVE, BEATEN AND FINALLY RELEASED AFTER AGREEING TO 'DONATE' TENS OF THOUSANDS OF DOLLARS TO DEVRA WEST. SHE WAS TOLD BY DEVRA WEST THAT SHE WOULD BE MURDERED IF SHE WENT TO THE POLICE.

This soul was 'blessed' by Devra Patton West.

Victim 6 Lisa Swidler. In 2005, after being 'used' to negotiate a loan from [Dave Kushner](#) that Devra West had no intention of ever repaying and after witnessing the kidnap, false imprisonment and beating of [Marion Cantwell](#), Lisa Swidler decided to escape the cult. Worried that Lisa knew where the skeletons in West's cupboard were hidden, Devra West decided to murder Lisa Swidler. As with previous murders that ex-husband Jack West hinted at to the whistleblower in 2002, the victim's death was ruled as 'death by natural causes' by the coroner. Most of the cult knew that Lisa was murdered by Devra West; follow this link to see Lisa's [gravestone](#).

06 MURDERED BY DEVRA WEST AFTER WITNESSING CRIMES AGAINST DAVE KUSHNER & MARION CANTWELL. FLED THE CULT AND DIED SUDDENLY AND MYSTEROUSLY SHORTLY AFTERWARDS OF INTERNAL BLEEDING. THIS YOUNG SINGLE MOTHER LEFT BEHIND TWO SMALL CHILDREN UNDER THE AGE OF 10 YEARS.

This soul was 'blessed' by Devra Patton West.

Victim 7 Mike Hendrickson. Ex-student Mike Hendrickson, a partner in a Colorado firm of accountants, had previously signed a \$200,000 bank guarantee at Farmers Bank in Victor MT for West's charity 'The Circle of Divine Unity.' In January 2004, the charity was [struck off](#) the Montana charity register for 'paper work irregularities' which is 'code' for fraud. Shortly afterwards, Devra West transferred the bank guarantee amount of \$200,000 into a trust fund for herself and her eldest son, Rob Meador. The 2007 [Whitefish Pilot](#) news article mentions Mike Hendrickson as a victim of West's. A Montana judge unwound the trust fund in 2008 ordering that the contents, which included a property worth \$1,250,000 that she also stole from the charity, be sold at a [Sheriff's Sale](#) to pay her creditors \$2,000,000 in court fines and interest.

07 MADE SEVERAL VOLUNTARY 'DONATIONS' TO WEST'S CHARITY AND WAS DEFRAUDED AFTER SIGNING A BANK GUARANTEE FOR \$200,000 FOR THE 'CHARITY.' DEVRA PATTON WEST STOLE THE \$200,000 AND PUT IN A PERSONAL TRUST FUND FOR HER AND HER ELDEST SON ROB MEADOR.

This soul was 'blessed' by Devra Patton West.

Victim 8 Dr. Pat Cole MD. Local female doctor, Pat Cole MD, as one of the more wealthy members of Devra West's cult was targeted for extortion by Devra West in early 2006. In one of the most vicious assaults in April 2006, Devra West repeatedly hit Cole over the head with the heel of her shoe until blood ran down the victim's blouse. The police were called, Devra West was charged with assault and convicted two years later in April 2008. On April 17 2006 Devra West, in an attempt to justify the assault to her cult, wrote a lengthy missive to her mailing list entitled '[The Law of Severity on the Path to Purification](#)' wherein she stated that the victim was a Nazi in the WWII death camps therefore the

beating was not only justified but long overdue! West also stated that the beating administered to Dr. Cole though severe was administered with grace! In July 2007 and August 2007 respectively, the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers published two news articles about West's criminality in the Flathead Lake area of Montana.

EX-STUDENT AND BUSINESS PARTNER OF DEVRA WEST'S BECAME THE SUBJECT OF A CAMPAIGN OF VIOLENT ASSAULTS AT THE HANDS OF DEVRA PATTON WEST DURING THE COURSE OF DEVRA WEST EXTORTING \$1.3 MILLION FROM HER. WEST WAS OVERHEARD PLANNING THE VICTIM'S MURDER.

This soul was 'blessed' by Devra Patton West.

Victim 9 Rebecca West. Ex-employee Rebecca West, no relation to Devra West, was employed as office manager by Devra West in early 2006, when Devra West assaulted Rebecca's friend Dr. Pat Cole MD. As a favorable witness to Dr. Cole, and a hostile witness to Devra West, Rebecca became a victim of a campaign of 'under the radar' occult violence directed at her by Devra West, who sought to intimidate her into withdrawing her damning statement about Devra West's assault on Dr. Cole MD. Like several other hostile witnesses, Rebecca West went to the police in the summer of 2007 and reported that they were the subject of occult attacks directed at them by Devra West.

While the police acknowledged that the victim's claims of being on the receiving end of violent attacks were credible, they explained that the weapon being used was not recognized as a weapon under legal statute therefore there was nothing they could do as a successful prosecution was unlikely unless all the victims acted together and brought forward a civil lawsuit on the basis of Devra West's intent to 'cause actual bodily harm.' A [series of harrowing emails](#) sent by Rebecca West to the whistleblower in March 2007, clearly shows that Devra West was running a cult which in reality was (and still is) a criminal racketeering business model masquerading as a quasi-religious organization with Devra West labelling any criticism or investigations as 'religious persecution.'

EX-EMPLOYEE TRAPPED INSIDE DEVRA WEST'S CULT, AND A WITNESS TO DEVRA WEST'S VICIOUS ASSAULT ON DR. PAT COLE MD, WAS THE SUBJECT OF OVERT AND COVERT VIOLENT INTIMIDATION AS DEVRA WEST SOUGHT TO INTIMIDATE HER INTO CHANGING OR WITHDRAWING HER WITNESS STATEMENT.

This soul was 'blessed' by Devra Patton West.

Victim 10 Carlida Finch. In 2006, ex-employee Carlida Finch was given an ultimatum by Devra West - join her cult or be fired – Carlida resigned and made a formal complaint to the authorities about the 'dangerous working environment' while employed by Devra West. During her [testimony to the authorities](#), Carlida stated that she overheard Devra West planning the murder of Dr. Cole who, as a disciple of West's, had previously promised 66% of her net worth to Devra West but was too slow in transferring her wealth into Devra West's bank accounts.

EX-EMPLOYEE TRAPPED INSIDE DEVRA WEST'S CULT WAS TOLD BY DEVRA WEST TO JOIN HER CULT AND BECOME A LOW PAID OR NO PAID SLAVE OR BE FIRED. THIS EMPLOYEE OVERHEARD DEVRA WEST PLANNING THE MURDER OF DR. PAT COLE MD. THE MURDER WAS CALLED OFF AFTER DR. COLE PAID WEST \$1.3 MILLION.

This soul was 'blessed' by Devra Patton West.

Victims 11 Barbara Costantino, 12 Tanya Hurley, 13 Diane Stoner & 14 Kathleen Francisco. In 2002, at the time the whistleblower was serving as a business consultant to Devra Patton West, the occult thief / suspected serial killer was employing a number of staff as house managers, secretaries and personal assistants. Four such employees were Barbara Costantino (personal secretary, her replacement Diane Stoner (personal secretary), Kathleen Francisco (assistant housekeeper) and Tanya Hurley (housekeeper). All four of what were close personal aides to Devra Patton West agreed to be interviewed and / or give statements to the whistleblower John Watson fully aware that their statements were going to be used by him in his fraud lawsuit against Devra Patton West.

11. Barbara Costantino. This [statement from Barbara Costantino](#) asserting that each time someone leaves after a dispute with Devra West, she, (Devra West) lies about the circumstances and rewrites history to show the departing employee / student / consultant in a bad light.

12. Tanya Hurley. This [statement from Tanya Hurley](#) asserting that Devra West is mentally ill.

13. & 14. Diane Stoner & Kathleen Francisco. A small sample of audio statements from ex-employees Diane Stoner & Kathleen Francisco evidencing some of their experiences at the hands of Devra Patton West.

15. Robert & Tabby Ivy. For Devra West's criminal racketeering business model to be a success, it is very important that she presents herself to the public both as a successful business woman as well as a minor deity. The say an image is worth a thousand words. Below are two images taken from her 2007 website when she was operating as the Ascended Master 'Surya Ma' while targeting wealthy spiritual seekers in the Flathead Lake area of Montana. The third image is the only one based in reality.

Above left: The image of Robert and Tabby Ivy's property that Devra West used on her website and in her brochures fraudulently, implying that the property belonged to her. This, in 2007, when she was masquerading as the Ascended Master 'Surya Ma.' Center: A photoshopped poster Devra West put together for one of her 'seminars', note the lakeside image in the poster, again implying that she lived on the lake. Far right: Photo from one of two arrest warrants issued against Devra West in Montana.

When interviewed by the [Whitefish Pilot](#) newspaper Robert & Tabby Ivy explained that they repeatedly asked Devra West over a two year period not to use images of their property in her brochures and on her website. Devra West being a con artist and violent convicted criminal of course ignored them.

DEFRAUDED OVER A TWO YEAR PERIOD. DEVRA PATTON WEST, THEN
MASQUERADING AS THE ASCENDED MASTER 'SURYA MA,' USED IMAGES OF
THEIR PROPERTY IN HER BROCHURES AND ON HER WEBSITE.

16. Trails West Eagle Bend Realty. On April 28 2006, Devra Patton West issued a bad check for \$6,500,000 on a Wells Fargo bank account with insufficient funds in it.

ISSUING A BAD CHECK, a Felony.

The facts constituting the foregoing offense are:

The Defendant, DEVRA PATTON WEST, on or about April 28, 2006, in Flathead County, Montana, purposely or knowingly, issued or delivered a check to Trails West Eagle Bend Realty, of Bigfork, Montana, for payment of money upon a depository, to-wit: Wells Fargo Bank, Montana, knowing that the depository would not pay the check, in an amount being more than \$1000.00, to-wit: \$6,500,000.00, all contrary to the provisions of Section 45-6-316, MCA, and punishable as provided by Section 45-6-316(3), MCA, by a maximum term in the State Prison of ten (10) years and/or a maximum fine of \$50,000.00.

Accordingly, the first of two Montana arrest warrants was issued against Devra West for criminal check fraud. Follow these links [1](#). [2](#). & [3](#). to review the court documents / arrest warrant.

DEVRA WEST ISSUED A BAD CHECK FOR \$6,500,000 KNOWING THERE WERE INSUFFICIENT FUNDS IN THE ACCOUNT. PERHAPS AS AN ASCENDED MASTER SHE THOUGHT THAT SHE COULD MANIFEST THE FUNDS INTO THE ACCOUNT OUT OF THIN AIR (AS OPPOSED TO EXTORTING MONEY FROM OTHERS).

These 'souls were blessed' by Devra Patton West.

17 Kendal Strnad & Jamie Haywood. Both these women were ex-wives of West's porn loving wife beating son, Chris Haywood. Both bore him infant daughters and both ended up in custody battles for their infant daughters when the marriages failed. What made these two custody battles different from any others was that Chris Haywood's mother was Devra Patton West, a dangerous psychopath / suspected serial killer who used her knowledge of the occult to intimidate both her daughters in law with a view to undermining the custody hearings in favor of her son. Using occult hidden knowledge, Devra West mounted a campaign of hidden 'under the radar' violence against both women and succeeded in causing the mental health of her first daughter in law to be called into question.

Given that Kendal was a squeaky clean decent mother with no legal issues, Devra West had an uphill struggle to persuade the courts to hand over an infant female child to her son. The answer was to make Kendal look a worse bet in the eyes of the court than her son which she succeeded in doing. As a result of the relentless targeting of Kendal by West, combined with false or bribed witnesses, the court decided to award custody of Kendal's infant daughter to her husband, Devra West's son Chris Haywood. This even though Haywood had an [FBI record](#) for forgery, drug abuse and DUI.

The same playbook was used a few years later when Chris Haywood's marriage to Jamie Haywood broke down, only this time the attempts by Devra West to destroy the mental health of Jamie Haywood failed. If the reader reviews both the [harrowing email](#) sent by Jamie Haywood to the whistleblower days before the custody hearing was held on July 12 2007, and read the three part transcript (parts [1](#), [2](#) & [3](#)) of the custody hearing itself one can see just how sordid Devra West's home life really is and how this vile serpent tried to obtain a second infant child by 'throwing' and manipulating the court and some of its witnesses. Also worthy of note is when Devra West gives her evidence under oath. A review of [part 1](#) of the trial transcript shows she lied about [assaulting Dr. Pat Cole MD](#) and lied when she described her business as [a multi-billion dollar enterprise](#). In reality she had been evicted twice in quick succession from two rental properties and had a \$2,000 plus lien against her for unpaid employment insurance. Please review the [Whitefish Pilot](#) & [Bigfork Eagle](#) newspaper articles for details.

DEVRA WEST USED HER OCCULT KNOWLEDGE AGAINST BOTH YOUNG MOTHERS IN AN ATTEMPT TO INTIMIDATE THEM INTO GIVING UP CUSTODY OF THEIR INFANT DAUGHTERS TO DEVRA WEST'S PORN LOVING WIFE BEATING SON.

18 Avis rent a Car. On December 6 2009, the second of Devra West's two Montana arrest warrants was issued after Devra West failed to return an Avis rental car; this one for felony theft.

Clearly as an Ascended Master, time has no meaning. Indeed, in Devra West's defense, she had claimed in 2007 to be "[single handedly holding open the gates of time.](#)" Had she frozen time, she could have kept the car without paying for the additional rental period? In reality, and very aware of her reputation

in Montana, Avis decided to act rather than wait to find out that she had slipped over the border into Mexico with their property.

20. Top to Bottom Construction. Devra West is an equal opportunity con artist. It matters not to her whether her victims are students of her unaccredited school, employees, business consultants or tradesmen like Mathew West (no relation to Devra West) trading as Top to Bottom Construction

(TTBC). Just as with the whistleblower Devra West had TTBC do all of the work and then simply refused to pay for it. Just as with the whistleblower Devra West forced Mathew West / TTBC to go to court to recover what was owed. Just as with the whistleblower, Devra West ignored the courts until they gave the plaintiff judgment against her after which she then got involved and appealed judgment. Just as with the whistleblower it took some considerable time and expense for the plaintiff to get justice and during that time, five years for the whistleblower, you can bet that Devra West is targeting the plaintiff with occult 'under the radar' intimidation in an attempt to intimidate the plaintiff into withdrawing from their lawsuit.

As stated earlier, the above 20 examples of Devra West's criminality are the very tip of the iceberg of a well-oiled criminal racketeering business model that has endured for 27 years! One thing must be obvious to all and that is the behavior expressed by Devra Patton West is not the behavior of a guru but is exactly the behavior you would expect from a dangerous violent criminal.

Devra West, because of the occult knowledge she possesses, sees herself as the apex predator. I am often asked by readers how, if all this information about her past is true - which it is, how she has the nerve to continue with what is obviously a giant criminal racketeering operation. The answer comes in two parts. Devra Patton West is at best a narcissist and at worst criminally insane because of her psychosis she needs to both control the lives of those around her and be worshiped as a minor deity; hence the ever increasing titles and accolades she gives herself. Secondly, Devra West has gotten away with serious crimes, including perhaps multiple murders, for 27 years she also knows that anyone stupid enough to contradict her version of reality is soon intimidated into silenced or murdered with a weapon she knows cannot be traced back to her. In Montana her business model was best described by the following image.

Above top left: Devra West's cult as it was in 2002. Above lower left: spiritual seekers (sheeple) are herded into her cult and then 'harvested' as and when needed. Above right: Whether student, employees, business consultants or tradesmen, all eventually become victims of Devra West's insatiable appetite for other's money.

By the time the whistleblower was recruited by Devra West's then husband, Jack West in 2002, their criminal racketeering business was running like a production line with victims coming in at one end, being processed and then spat out the other end after being mentally and physically abused, robbed, defrauded the victim of extortion and in some cases violently assaulted and murdered. Nothing makes this clearer than a [series of harrowing emails](#) sent to the whistleblower in [March 2007](#), from one of West's employees trapped inside the cult and afraid for her life. Below here is an excerpt from the beginning of one email entitled ['Help Me.'](#)

Dear John,

After more than 30 employees coming and going, (16 just since I started May 1, 2006, not counting myself, current employees or contract labor), there are currently three employees remaining. Two of the three are very much in her control due to fear and/or ignorance and have proven to me, I cannot trust them. I have been trying to get the monies she owes me before I end my contact with her, specifically a missing paycheck, overtime, overdraft charges and (wishful thinking) the bonus she promised me for the hundreds of hours of overtime I incurred. She sent her intimidating demand of me through her finance controller [Geoffrey Reynolds CPA] last evening, and I have until 5 p.m. today to talk to her. I must return and either give a 2-week notice and/or plan to be demoted from office manager to some other lowly position, (seems from historical accounting, I would become her personal care assistant).

Note the high turnover in employees who respond to adverts for work, travel from all over the USA, and then on arrival are given a 20% pay cut and denied the healthcare benefits they were promised. That is all on the first day! If they refuse to become low paid no paid slaves in her cult, they are fired before 90 days is up after which Devra West would have to pay employment insurance.

Above left: It is all about the money! Above center: Victims are processed through West's criminal racketeering business model just like cattle – a resource for the apex predator to feed on. For a psychopath like Devra West devoid of empathy and compassion, this is not personal just business. All this while the occult thief / suspected serial killer masquerades as a guru within the community in which she has embedded herself.

Lisa Swidler was going to go public when she was murdered; the whistleblower John Watson sued her for fraud and went public and they (West and Reynolds) plotted to murder him. When the murder plot failed, they conspired to bankrupt him to force down his website which contained all the data he had compiled about Devra West while researching his lawsuit against her.

To give you an idea of just how sophisticated Devra West's criminal racketeering business model was by the year 2002, when the whistleblower was recruited as a business consultant, let me share with you details of another set of victims notably the State of Montana, Montana charities, the public who made donations to West's charity believing those funds were to be used for the good causes espoused and finally the IRS.

21 The IRS, the State of Montana and thousands of public donors. In 'Victim 1' above we shared with you statement given by ex-charity board member AJ White wherein she clearly states that in around the year 2000 Devra West was caught stealing money from the charity. In 2002, while the whistleblower

was acting as a consultant to the charity, he noticed that vast sums of money were being diverted out of the charity by Devra West for personal purchases, such as jewelry etc. When the whistleblower tried to separate out the charity's assets and finances from Devra West's, she constructively dismissed him.

Shortly after he was fired, he wrote to the Secretary of State for Montana and reported the fraud, after which her charity's license was revoked in January 2004. Shortly after that, Devra West bankrupted the charity and, by a series of fake invoices and fake loans claimed the charity owed her a huge sum of money. In this way, Devra West claimed the charities main asset a large property on 20 acres worth \$1,250,000 in 2003 in lieu of the fake unpaid loans. At the same time in 2004, \$4,000,000 worth of artwork and valuables belonging to the charity (which were gifts to the charity or paid for largely by public donation) went missing.

In October 2009, the whistleblower's lawyers in an attempt to find out what happened to the millions of dollars that Devra West had acquired through organized crime, deposed Devra West and forced her to make a statement under oath about her missing fortune which included the artwork and valuables that went missing from the charity. You can read Devra West's statement, a pack of lies from start to finish, [by going here](#). When questioned about the missing artwork and valuables, Devra West had this to say....

25 Q. Did you ever have numerous pieces of art?
Page 61
1 A. At one point in time I had some art. Again,
2 a great deal of it was stolen as well.
3 (Exhibit I marked for Identification.)
4 Q. If you would take a look at that, Ms. West.
5 Have you seen that document before?
6 A. Yes, I sure have.
7 Q. Can you tell me what it is?
8 A. This was created by some of the non-profit
9 people. It was shown to me. They were trying to I
10 believe at the time convince me to become involved in
11 trying to -- they were trying to not lose the
12 property down there. It was I think -- I'm thinking
13 they were late on their payments or whatever. So
14 this was created by a couple of people.
15 Most of it is pretty far-fetched. I mean I
16 can tell by looking at it that the monies -- and I
17 told them that I thought this was ridiculous. I
18 thought that, you know, it was pretty crazy. I mean,
19 I really walked away from my life. I walked away
20 from all of my possessions. All of this stuff was
21 left at Naka Sheila for over a year and a half. The
22 property has been entirely furnished with my personal
23 family's furniture and so on. And by the time they
24 got around to actually transporting my items back to
25 me, well over half of it had been carted off. Entire

Page 62
1 rooms full of furniture were missing, had been carted
2 off, as well as a great deal of this.
3 Anything that was really of value has been
4 sold. I mean, I know that I sold a few things way
5 back when years ago. Do you have any other questions
6 about this? I didn't create the list.
7 Q. Who did create it?
8 A. It was not my doing. It was not something
9 that I created or wanted to create or participated in
10 creating it. I know that perhaps -- I really
11 couldn't say. I know who might have been involved; I
12 really couldn't say who actually did it. The
13 organization was so loosely formed and
14 scatter-brained, and they never really had specific
15 committees other than in lip service. You know, they
16 would come to these retreats and gather together in
17 little circles. But once everybody went home you
18 never knew who was doing what. It was pretty hard to
19 tell.
20 I think an Esther, somebody named Esther
21 that they had had for a consultant there for a while.
22 I recall her being the one who actually gave me this.
23 Q. Esther Michaels?
24 A. Maybe so, correct. I know a large gal with
25 dark hair --

Above: an excerpt from Devra West's statement given under oath in October 2009 wherein she states that the items on the list of assets belonging to the charity were "carted off, missing or anything of value sold.

It is worth reading this statement because amongst other things, Devra Patton West claimed to be destitute, \$2,000,000 in debt, homeless and living in an RV in the back of senior cult member Geoffrey Reynolds' back garden! Just a few short weeks after her statement was taken, Devra West was living in a \$7,000 a month gated mansion declaring it to be the new 'Abode of the Masters.' Clearly being an Ascended Master has its advantages, as Devra West was able to manifest wealth out of thin air in the short time that had elapsed since she stated under oath that she was on the verge of bankruptcy for the second time.

Above left: In 2009, Devra West told a Montana court that she was living in an RV in accomplice Geoffrey Reynolds' back garden. Center and right: Within days of making that statement she took up residence in a \$7,000 a month gated mansion in Carefree Arizona, with a completely new identity.

In 2014, all the items listed on the schedule of assets belonging to the charity that Devra West was shown, while giving her statement to the whistleblower's lawyer in October 2009, suddenly turned up in Arizona! They turned up at auction (managed by Geoffrey Reynolds CPA) and for sale on Devra West's website. Currently these items are featured as being part of the 'Rishi Collection' on the [art gallery tab](#).

Above left: Art work and valuables that Devra West stated under oath did not exist, being sold at auction. Center: Geoffrey Reynolds CPA overseeing the sale / fencing of stolen property. Right: Narcissist / occult thief / suspected serial killer Devra Patton West draped in king sized white bed sheets posing for the cameras in her latest disguise as the 'Sage of Sedona' and 'The Regent of the Spiritual Hierarchy of the Western Hemisphere.

Clearly, Devra West had stolen the artwork and valuables (valued at \$4,000,000 in 2002), put the stolen goods in a lock up where they remained until the statute of limitations (ten years??) on theft had expired. Once in the clear and in another state Devra West pulled these items out and started fencing selling them at auction and from her website with Geoffrey Reynolds CPA aiding and abetting her as he had done in Montana when he money laundered funds extorted from Dr. Cole MD, plotted the murder of John Watson and when that failed fronted a conspiracy by West to bankrupt him via frivolous lawsuits he knew the whistleblower could not afford to defend.

\$5,250,000 OF PROPERTY (2002 VALUES) BELONGING TO A MONTANA REGISTERED CHARITY WAS 'ACQUIRED' / STOLEN BY DEVRA PATTON WEST WITHOUT HER HAVING TO PAY A SINGLE DOLLAR IN INCOME TAX.

BY LAW IN MONTANA WHEN A CHARITY IS DISSOLVED OR STRUCK OFF FOR FRAUD ALL OF THE ASSETS PAID FOR BY PUBLIC DONATION SHOULD BE DISTRIBUTED AMONGST OTHER MONTANA CHARITIES AND NOT GIVEN TO THE PERSON WHO BANKRUPTED THE CHARITY.

The 'Souls' of the IRS & the State of Montana were blessed' by Devra Patton West.

Do you think, having read the 21 serious crimes committed by Devra West in Montana, that Devra Patton West is delivering "blessing" to everyone she meets or whether she is perverting and destroying everyone and everything she touches.

Here is how the latest con works:-

Step 1. Those identified as wealthy targets are invited to attend a 'Private' Sessions or a 'Private' Intensive' as advertised on her website below and as occasionally hosted by Dr. Julio Williams MD.

The screenshot shows the homepage of the 'Omni Awakening' website. At the top, there's a navigation bar with links for 'HOME', 'RISHI DEVRA', 'ROYAL PATH', 'CONSULTATIONS', 'PROGRAMS', 'TEACHINGS', 'SHOP', 'ART GALLERY', and 'CONTACT'. Below the navigation, there's a large image of a smiling woman with blonde hair, identified as Rishi Devra. To the right of the image, the text 'PRIVATE SESSIONS & INTENSIVES' is displayed, along with the subtext 'Royal Insight with Rishi Devra'. At the bottom of the page, there's a call-to-action box containing the text 'ENLIGHTENED CONSULTATION' and 'PRIVATE MENTORING FOR PERSONAL TRANSFORMATION'.

Step 2. Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. Divine Grace Healing. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee.

2. Karmic Resolution. Devra West convinces the targeted individual that she and they were sisters in a former lifetime, during which, the target betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for those nonexistent wrongs). If the target does not agree to pay the target becomes the subject of a campaign of occult attacks designed to convince them to pay!

Above: Devra West extracting millions of dollars from a wealthy heiress who she convinced owed her from a previous lifetime. When the heiress' son found out, he demanded millions of dollars be returned.

Devra West has been perpetrating this extortion racket for at least two decades; two of her admin staff who worked for in 2002 overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

Remember, Devra West is an Occult Master who can, using Shamanic Visioning, induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. In the above scam, she ‘induces’ the symptoms in those who do not believe or do not pay and then miraculously cures them after they go to her ‘Pay Portal’ and make a large six figure ‘donation.’

Step 3. The victims go to the Sage of Sedona’s [‘Pay Portal’](#) which is set up to receive single donations of up to \$500,000 or more by pressing a single button or a combination of buttons. In this way the target receives an imaginary cure and in return [The Regent of the Spiritual Hierarchy of the Western](#)

[Hemisphere](#) gets to empty the targets bank account into hers. Note her standing there with her hands out saying “give me, give me.”

This has been going on for 27 years right under the noses of the FBI and the IRS. It is illegal for a lay person to assert that they are able to cure someone of a health condition. Apparently not so for Devra West! At \$500,000 a go, it is no wonder she can afford the trappings, clothing, lifestyle and home of a multi-millionaire even though she claims to be penniless and the funds she extorts from victims are nowhere to be seen, let alone declared to the IRS as income in her tax returns.
