### **Idiot Con Artist 'Rishi Devra' AKA Devra Patton West Says She has been Prepared for Thousands of Years to Guide Humanity Through the Coming Times....**

**If so, why did Patton West, Geoffrey Reynolds CPA and Julio Williams MD (both senior members of her cult / criminal gang) try to murder the whistleblower John Watson in 2006, after he put up a website showing that Devra Patton West was a pathological liar, con artist and violent convicted criminal?**

*Above from left: Criminally insane, self-appointed deity and recipient of two arrest warrants and a conviction for assault in Montana, where she was also forced to sell her assets to pay past victims of crime \$2,000,000 in court fines and interest. Above center: Dr. Julio E Williams a brainwashed and conditioned member of Patton West's cult / criminal gang. Above right: Geoffrey Reynolds CPA was promised \$300,000 for silencing Watson either by intimidation, murder or bankrupting him.*

After being defrauded by Patton West in 2002, when she was calling herself the Ascended Master Devra Ji, the whistleblower John Watson did two things. First of all he sued Patton West for fraud and [won the law suit](#) in 2008 and secondly he put up a website in 2006 which showed Patton West to be a pathological liar, a thief, a fraudster, a serial extortionist and quite possibly a serial killer. In 2007, her criminal business model in ruins in Montana after several negative newspaper articles and her multiple appearances in court as the defendant in fraud related lawsuits, Patton West decided to move to another western state. However, before she could reincarnate herself in Arizona, she needed to silence John Watson and force down his websites in that endeavor she recruited two of the senior members of her cult / criminal racketeering gang Geoffrey Reynolds CPA and Dr. Julio Williams MD to intimidate him and his family, murder him and when that failed mount multiple frivolous lawsuits to bankrupt him.

**Why were Patton West, Reynolds & Williams so desperate to murder John Watson who turned whistleblower in 2007? Because his websites revealed the truth about Patton West which meant that her obvious lies would not be believed by anyone. As the MAFIA say you mess with the dough you gotta go....**

**Lies like these....**

Rishi Regent of the Great Masters

**1**

**Rishi Regent of the Great Masters**

**1.** As the light that stands behind leaders and world servers from across the globe, the Rishi's mission is to guide the influential nations that will change and uplift world conditions. As a Rishi and now Rishi Raja of the Sacred Knowledge of the Universal Paths of Enlightenment, she has been prepared for thousands of years to guide humanity through the coming times of spiritual and material. She will take pleasure in her well-earned reputation of spiritual enlightenment in a global sense.

**2.** As a planetary regent, her mission purpose offers the most significant for personal, planetary and universal for nations, world events and spiritual purposes, providing the supporting role of Rishi energy that creates human events, and the likelihood of most anything to happen. She provides the light of enlightenment through the principles of truth, love and service, the wisdom, vision, and discernment to enlighten and inspire, she holds the sacred mission of personal enlightenment in the traditions of the Sacred Knowledge of the Universal Paths of Enlightenment through spiritual or otherwise.

**3.** As a conveyor of holiness and spiritual initiation, she facilitates the regent light of the Rishi and her wisdom and her wisdom of sacred knowledge as the extension of the subtle vibrations of the universal spiritual frequency. The Rishi is dedicated to receiving world events and bringing them to the attention of the Rishi Raja, who will be the bringing of enlightenment to the masses of humanity through the wisdom of the Rishi Raja. She will be the phenomenon of Rishi Raja holding for the regent's manifestation of light, spirit and soul and the creation of the Rishi Raja, opening the doors to the Rishi Raja and the creation of the Rishi Raja.

**4.** As a conveyor of holiness and spiritual initiation, she facilitates the regent light of the Rishi and her wisdom and her wisdom of sacred knowledge as the extension of the subtle vibrations of the universal spiritual frequency. The Rishi is dedicated to receiving world events and bringing them to the attention of the Rishi Raja, who will be the bringing of enlightenment to the masses of humanity through the wisdom of the Rishi Raja. She will be the phenomenon of Rishi Raja holding for the regent's manifestation of light, spirit and soul and the creation of the Rishi Raja, opening the doors to the Rishi Raja and the creation of the Rishi Raja.

**5.** As an instrument of mercy she offers the phenomena of 'divine grace healing' and the 'karmic resolution' of divine dispensation.

Devra's education and titles -- she used to openly and regularly mention in front of all of us at events (a couple of hundred people -- yes, there used to be that many of us in the early years!) how she'd dropped out of high school (she was pregnant with her first son) and years later got her GED. She never went to college.

She suddenly started putting Ph.D. and later added D.D. after her name around 2001. When asked where she obtained these degrees, she said Christ had awarded them to her. It's around that time I decided to leave. Now she's apparently told the person who wrote the Whitefish article (July '07) she's a grad of some college in Redlands!

Above clockwise from the left: (1) A posting on Patton West's Facebook page announcing that she is a planetary regent that has been preparing for thousands of years to guide humanity. (2) She told her students that the Christ had awarded her two doctorates in person. (3) She announced in 2007 that she was holding open the gates of time -- single handedly!

### If Patton West is the Regent of Anything she is the Regent of the Master Liars...

The above header depicting Patton West with her hand out is from a propaganda piece she posted on her Facebook pages in June of 2018. Below that on the left, is a small image of the entire posting which you can review full size by [going here](#). I have numbered five idiotic statements that Patton West made in her propaganda piece which are as follows:-

- 1. As the light that stands behind leaders and world servers from across the globe.**
- 2. She has been prepared for thousands of years to guide humanity through the coming times....**
- 3. As a planetary regent.**
- 4. A conveyor of holiness and spiritual initiation.**
- 5. As an instrument of mercy she offers the phenomena of 'divine grace healing' and the 'karmic resolution' of divine dispensation.**

Above right is an image that reflects what she told her students about her two fake degrees. In 2001, Patton West told her students that the [Christ had awarded her](#) two doctorates in person. Similarly in the bottom right image above, Patton West made a statement in 2007 to the effect that she was single handedly [holding open](#) the gates of time. She also told her students that [the more money they gave to her](#) the closer to God they would be. Watson's websites went up to counter these lies and propaganda which was obviously part of a massive effort to suck in spiritual seekers who would then be robbed, defrauded, be the subject of extortion and in some cases violent assaults.

**In a conversation with the whistleblower in March of 2003, Patton West admitted that she was a criminal. Not realizing that she was being tape recorded:-**

1. Patton West stated [that the truth does not actually matter](#) to her because she can convince her cult, the public, the police and a jury that her lies are their truth.
2. Patton West admitted that [her agreements are worthless.](#)
3. Patton West admitted that [she disposes of people like Kleenex.](#)

**Having been prepared over thousands of years to guide humanity through these times, here are some examples of what she did (after thousands of years of preparation)....**

## *Spiritual guru pleads guilty in assault*

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to

a six-month deferred jail term and fined \$500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortle issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

West's trial was postponed

from March 11 after she failed to show up for a March 7 pre-trial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West's trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

**After thousands of years of preparation** Patton West was the subject of a [Sheriff's Sale in 2008](#). This was to force her to pay past victims of organized crime \$2,000,000 in court fines and interest.

**Below are more lies, propaganda and bullshit that the Regent of the Great Master Liars expects the public to swallow. In this case a totally fake life story presented as fact!**

After arriving in Arizona, Patton West reincarnated herself as the Ascended Master Rishi Devra and to show how pleased she was with herself, she awarded herself two new accolades:-

[The Regent of the Spiritual Hierarchy for the Western Hemisphere.](#)

[THE SAGE OF SEDONA and the RISHI OF THE WEST!](#)

Below is Patton West's latest bio as featured on her website under the '[Rishi's History](#)' tab. All of it 100% fake and part of a massive criminal racketeering business model that has operated for 27 years in New Mexico, Montana and now Arizona, with Patton West targeting the wealthy in Sedona & Scottsdale spiritual communities.

The screenshot shows the website 'OmniAwakening' with the tagline 'Master Teachings with Rishi Devra'. The navigation menu includes: HOME, RISHI DEVRA, PRIVATE SESSIONS, ROYAL PATH, RETREATS & EVENTS, RISHI'S TEACHINGS, SHOP, ART GALLERY, CONTACT. There are also buttons for HELP/NEPAL, DONATIONS, INSTITUTE, and PLAY AMBIANCE. The main content area features a photo of a woman with long white hair holding a bouquet of orange and white roses. The text reads: 'THE RISHI OF THE NEW POTENTIAL' and 'The Sedona and Scottsdale Sanctuaries'. Below this is a paragraph: 'The Sedona and Scottsdale Abodes... As a spiritual guardian of the western region of the United States, her presence in both Sedona and Scottsdale is a blessing for all souls and especially for those who seek spiritual enrichment and the ultimate awakening of enlightenment. Her path of awakening has moved from an enriched epic of life experience that has encircled the globe. Embraced and recognized by spiritual heads and enlightened masters of multiple traditions, she is regarded as a 'Lotus Born Soul' by pundits and yogic masters.' Below that is another paragraph: 'Western Luminary, Sage of Ancient Wisdom, Embodiment of Feminine Mastery... She is embraced as the Rishi Elder and Sage of Sedona and the Illuminary and Oracle of Black Mountain, an area left to be sacred by our Native Americans, which is located in the desert highlands, north of'.

*Above: The above is all entirely fake. Created by the mind of psychopath / narcissist who believes that her lies will not be challenged by the authorities because they are protected by religious freedom laws.*

And this from the [same webpage](#). The [ ] brackets are mine.

The near epic range of her global experiences, from her dedication to planetary prosperity [1], to her life-changing quest for the ageless masters who appeared and disappeared into the mists of the high Himalayas is indeed groundbreaking. As a tireless servant of humanity [2], her largess of global awareness is nothing less than remarkable and her life story [3] even more so. Yet, what is inspiring for many seekers, is that Rishi Devra's homage to the divine has always been balanced by the joys and rigors of raising children and grandchildren, which she heartfully continues today as a spiritually awakened household [4].

With her illumination in full radiance, Devra continued to exemplify a 'feet on the ground' approach, expanding her focus for global awareness to a wide range of scientific and technological fields, as well as global financial systems, planetary sustainability and all aspects of human values. Organizing and attending conferences for world peace and humanitarian governance [5] increased her involvement with international leadership groups, humanitarian projects in regions of conflict, environmental initiatives and international think-tanks [6] which enabled her to gain a wide range of insight on the glaring urgency of contemporary global issues. She founded the Peace Promise Initiative in early 2000, a humanitarian endeavor that sponsored expos and seminars for world peace in the Middle East [7]. Her time spent in regions of conflict enabled her to have a visceral appreciation of the human devastation that came with the ravages of war and famine [8], and its inevitable impact on the entirety of the planetary system, all the while continually immersing ever deeper in the Divine [9]. As the founder of our institute for meditative life mastery, her hands on life approach enables her to be especially sensitive to modern life in its full context of demands, at the same time that she brings a profound eloquence to all that she does [10]. She is as practical in her pragmatic logic, as she is sublime in her divine grace.

Many books could easily be filled to the brim with the range and complexity of her global experiences [11], from her educational work on world peace and prosperity, to her life-changing quest for the ageless masters who appeared and disappeared into the mists of the high Himalayas. Yet, in the midst of a virtual plethora of worldly experience [12], the example of her endeared grandmother was a constant, as Devra's steady homage to the divine, has always been balanced by the rigors of raising children and grandchildren that continues today. As a tireless servant of humanity [13] whose coherence of authenticity [14] is ever-present, her largess of planetary awareness is nothing less than remarkable and her life story even more so. She has engaged many enlightened endeavors over the years [15] and currently is devoted to serving as a bridge for bringing the beauty of eastern sacred art [16] and antiquities to the west, as a reminder of the ancient traditions that bring devotion and meditation into creating the enduring timelessness of sacred art.

**EVERYTHING written above is a total pack of lies and has ZERO foundation in truth, as you will find from Devra Patton West's REAL biography. We will respond to the numbered points raised in her FAKE biography above.**

[1] & [2]. There is zero evidence that Devra Patton West has any interest anyone's prosperity but her own. She is also tireless servant of her own self-interests at the expense of everyone she comes into contact with.

[3]. Her life story is remarkable in that it is totally fake and created from the imagination of a psychopathic / narcissist who believes that she can intimidate and if necessary murder those who challenge her version of reality.

[4]. Spiritually awakened household is a massive joke. Follow [this link](#) to evidence given in court by Patton West's daughter in law Jamie Haywood explaining how Patton West got into a fight with her porn loving wife beating son whose face she licked from top to bottom when he forced her up against a wall by her throat. Read the daughter in law's [entire testimony](#) to see how sordid Patton West's home life really is.

[5], [6] & [7]. Apart from an old circa 2001 photograph of West gate crashing a peace protest in Israel (where she has offshore bank accounts) for a photo opportunity there is zero evidence that Patton West attends leadership groups, humanitarian groups in regions of conflicts let alone international think tanks. The whistleblower John Watson set up the Peace Promise Initiative in 2002 that non-profit did not exist in the year 2000. A review of the [last page of the Bylaws](#) clearly show them being signed and dated [May 03 2002] the Bylaws also show the Secretary of States for Montana's date stamp showing May 15 2002. Note Devra Patton West's signature at the top and the whistleblower John Watson's underneath hers. Like all the other initiatives and businesses containers Patton West gets involved with they quickly become a total financial disaster as she drains

them of all finances to fund her lavish lifestyle. The newspaper article published by the [Bigfork Eagle](#) newspaper in August 2007 shows two of her 'businesses never being registered, two of them being involuntarily dissolved and one involuntarily revoked.

[8]. The only regions of conflict that Patton West has spent any time in is her home and business environment. The second part of the [custody hearing transcript](#) held on July 12 2007 makes it clear that Patton West's home life is a war zone. And her work life is no better. Here are three statements from ex-employees; the first her ex-office manager Rebecca west (no relation) her email is entitled '[Help Me.](#)' The second is from ex-employee Carlida Finch who overheard Patton West planning to murder Dr. Pat Cole MD if Cole did not hand over \$1.3 million to her. Carlida's [Statement of Fact](#) was part of a submission to the authorities about her unsafe working environment. Finally there is a statement that Dr. Pat Cole gave the [Whitefish Pilot](#) newspaper in July 2007. Cole stated that Patton West repeatedly beat her over the head with the heel of her shoe until blood ran down her blouse. Then there is Patton West's attack on her student Beatrice McGuire that left the victim needing plastic surgery which West paid for. Then there is the vicious attack on employee Susannah Felder that left Felder partially scalped. Yes Patton West's knows a lot about 'regions of conflict.'

[9]. If you believe Patton West's lies she was immersing herself ever deeper in the divine while, robbing, defrauding, extorting, beating both employees and students to her unaccredited school for occult studies. While immersing herself in the divine she picked up an arrest warrant for [criminal check fraud](#) in 2008, was forced to sell all her assets (those not hidden) at a [Sheriff's Sale](#) to make her pay past victims of crime \$2,000,000 in court fines and interest. Also in 2002 the whistleblower John Watson was awarded [judgment](#) against Patton West and [awarded](#) \$776,000 after being defrauded by her in 2002. In 2009 she was the recipient of an arrest warrant for [Felony Theft](#). She was the defendant in several fraud related lawsuits in Montana during this time (see below for details) and all this while immersing herself in the divine!

[10]. The reader can get a sample of that profound eloquence and divine grace by listening to just three excerpts of a 45 minute conversation that Patton West had with the whistleblower in March 2003 after he announced he was going to sue her for defrauding him a lawsuit he won in 2008. **WARNING** - eloquent and divinely graceful self-appointed deity dropping the F bomb more than once. Example 1 ([I feel f\\*cked up the arse](#)). Example 2 ([You are f\\*cking over a spiritual teacher for Christ sake](#)). Example 3 ([I'll go so f\\*cking down and dirty](#)) if Watson sues her for fraud after she admits in the same conversation that she did defraud him but does not see herself writing out a check for the money she owes him!

[11]. Many books could be filled about her criminal racketeering business model that has operated so far in three western states. States that either do not understand white collar crime or do not have the resources to prosecute it successfully. Patton West would not get away with her crimes in the eastern states; Martha Stewart went to jail for far less.

[12]. Patton West is a dangerous psychopath and suspected serial killer. Point [4] above speaks to the sordid home life; the fact that her son has an [FBI record](#) for forgery, dangerous drugs and motor vehicle offenses is a testimony to West's mothering skills. The apple does not fall far from the tree! As far as grandchildren are concerned there is evidence that Patton West has

targeted both of her son's ex-wives in an attempt to intimidate them into giving up their female infant children to West's son Chris Haywood. Her campaign of occult 'under the radar' violence succeeded in subverting the custody case involving Haywood's first wife Kendal (she lost her daughter to West's son) but did not succeed a second time against Chris Haywood's second wife Jamie who [wrote an email](#) about it to the whistleblower. She also mentioned the occult attacks in [her testimony](#) at the custody hearing. Read [this bulletin](#) to see how Patton West uses occult knowledge to intimidate witnesses to court cases, subvert court cases and even manipulate judges to get the outcome she wants.

[13]. As you can see from the above Patton West is a tireless servant to lining her own financial nest at the expense of everyone she meets and why not the weapon she uses to subdue and silence (intimidate and murder) victims and witnesses is not recognized as a weapon under legal statute so she has been on a criminal rampage for 27 years with no sign of stopping.

[14]. Coherence of authenticity? What a friggin joke. The woman is a pathological liar as the above shows but here are four more well documented examples that show that Patton West is a pathological liar. Example 1. On April 17 2006, just days after Patton West had assaulted Dr. Pat Cole MD and days after the police carried out their investigation, Patton West writes to her entire mailing list sending a missive entitled '[The Law of Severity on the Path to Purification.](#)' In this missive, that Patton West wants us to believe she channeled from the long dead Ascended Master El Morya, she admitted beating Dr. Cole, she admitted that the assault meted was severe but administered with grace. She went on to assert that as the victim was a Nazi in the WWII death camps (in another lifetime) that the assault was long overdue. Did I say that Patton West is criminally insane? No mention of the \$1.3 million she extorted from Dr. Pat Cole. Example 2. When appearing in court as a witness for her son on July 12 2007, West was asked by counsel if she had assaulted Dr. Cole. [Patton West replies](#) No way no how No! Example 3. While in court she was asked by her lawyer if her business was a multi-billion dollar enterprise. West replied yes. Three weeks later on August 9 2007, a newspaper article was published by the [Bigfork Eagle](#) newspaper which showed that Patton West had just been evicted from two rental properties in quick succession and had a lien for unpaid employment insurance against her in the amount of \$2,287 and had just bounced a check for deposit on the purchase of a property. Example 3. The [Whitefish Pilot](#) published a news article on July 12 2007, the very same day that Patton West was telling lies at the custody hearing for her son Chris Haywood. The article reveals that Patton West was fraudulently using images of a multimillion dollar lakeside property owned by Robert & Tabby Ivy in both her brochures and on her website. She was doing this in spite of the fact that the real owners had for 2 years being asking her not to do so. Clearly this is all part of a massive fraud to present herself to the public as something she is not. Example 4. What follows are three excerpts from a conversation the whistleblower John Watson had with Patton West in March 2003. She did not realize he was recording the conversation. 1. [The truth does not matter](#) (if I can convince the public that my lies are their truth). 2. [My agreements are worthless.](#) 3. [I dispose of people like Kleenex.](#) This is about as authentic as it gets where Patton West is concerned!

[15] & [16]. Patton West's criminal business model works on many levels when operating as Devra Ji in Victor MT she had the cult constantly fund raising for donations to fund her latest greatest save the planet scheme when in reality the money went straight in her pocket. The whistleblower knew this and when he tried to fix the problem she constructively dismissed him which led to his lawsuit. About a year earlier employee [Susannah Felder](#) caught Patton West stealing \$80,000 from her charity and when she challenged Patton West she was viciously assaulted and partially scalped. When the whistleblower reported the fraud the Secretary of State for Montana he struck her charity off the register by [revoking its status](#). Patton West, losing her source of income stole the charity's main asset (worth \$1,250,000 in 2002) and put it in a personal trust fund for herself and her eldest son Rob Meador. In 2008, a judge forced the breakup of the trust to make Patton West sell those assets at a [Sheriff's Sale](#) to force her to pay her creditors \$2,000,000 in court fines and interest. In addition to the property that she stole from the charity \$4,000,000 (as valued in 2002) worth of art work and valuables were stolen and hidden in a lock up for 10 years until the statute of limitations on theft expired. In 2009, while being deposed by the whistleblower's lawyer, Patton West was questioned about these items. In her [statement](#), taken under oath, Patton West denies knowing the whereabouts of these items, acknowledges that they did exist but suggests they were stolen or hauled off. She further stated that she had given up all physical possessions. In 2014, items exactly matching the items presented to West [on a list](#) in 2009 suddenly appeared at [auction](#) and for sale from her website. Today these items can be seen on her website under the [art gallery](#) tab.

**After thousands of years of preparation? It must be obvious to all that Patton West is a pathological liar and / or criminally insane.**

With thousands of documents available on Watson's website that proved that Patton West was an occultist thief, and possibly a serial killer, Patton West's criminal racketeering business model was 'dead in the water' until they could silence Watson and force the truth off the internet.

**In 2007, Patton West conspired with Geoffrey Reynolds and Julio Williams to murder Watson and when that failed bankrupt him via multiple frivolous defamation lawsuits. The following bulletin gives a timeline to Reynolds & Williams involvement in the murder plot and subsequent criminal conspiracy to bankrupt and silence Watson.**

[Rishi Devra - How Devra West, working with Cult / Gang Members Williams & Reynolds, work to silence Victims and Witnesses of Serious Crime.](#)

[Gang members Geoffrey Reynolds & Julio Williams both willing accomplices in a plot to murder the whistleblower to hide Devra Patton West's criminal past in Montana.](#)

*Above: Patton West has operated right under the authorities noses for 28 years. Her lies are protected under 'religious freedom laws' even though it is obvious her intention is to defraud the public. The occult (hidden) weapon she uses to both commit and cover up her crimes is not regarded as a weapon under legal statute so she can do as she pleases with apparent impunity!*

In 2002, the whistleblower John Watson was told by Patton West's then husband, Jack West, that those who oppose his wife had a habit of dying suddenly. This [link takes the reader to a bulletin](#) that describes how Patton West attempted to murder the whistleblower John Watson in 2007. The same occult knowledge was / is used to intimidate or murder others who do not empty their bank accounts fast enough (Dr. Pat Cole for example) or those who oppose her or threaten to go public about her crimes. Murder is clearly an important and regular tool used by Patton West, as the following image of victims or intended victims shows.

*Above from left to right: Lisa Swidler murdered by Patton West in 2005. Marion Cantwell kidnapped, falsely imprisoned, beaten and robbed of tens of thousands of dollars. Dr. Pat Cole MD viciously assaulted and her entire net worth amounting to \$1.3 million extorted from her by Patton West. Gang members Reynolds & Williams vehemently denied this happened.*

### **This is what 'Master Liar' Patton West calls "Guiding humanity through these difficult times."**

Patton West murdered one of her students [Lisa Swidler](#) in 2005, after the victim witnessed Patton West committing two serious crimes. Lisa fled the cult and died suddenly and mysteriously of internal bleeding shortly afterwards. Another student [Marion Cantwell](#) was kidnapped, falsely imprisoned and beaten until she agreed to give up tens of thousands of dollars from the sale proceeds of her house. Dr. Pat Cole MD was viciously assaulted (repeatedly) as part of Patton West's campaign of violence whose objective was to separate Cole from her \$1.3M fortune which Patton West succeeded in doing at a cost of a \$500 fine and a six month suspended jail sentence. Gang members Reynolds & Williams denied this ever happened even though Patton West [admitted in writing](#) that it had! The [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers cover this and several other crimes being committed by Patton West and her cult / criminal gang. The whistleblower John Watson was defrauded in 2002, so decided to sue Patton West for a fraud a lawsuit he won in 2008 the announcement covered by the [Ravalli Republic](#) newspaper. While researching his lawsuit he found out that there were scores of other victims of organized crime at her hands so he put all of his research up on a website.

**Here is Gang Member Geoffrey Reynolds' contribution to 'silencing' the whistleblower.**

Above from left to right: Gang member Geoffrey Reynolds. While being interviewed by the Bigfork Eagle newspaper in Aug 2007, Reynolds 'admits' to money laundering \$436,000 extorted from Cole and in an 'off the record' comment tells the reporter of Watson's impending murder by Patton West. Reynolds makes false statement to a court. Reynolds is a pathological liar.

'Liar for hire' Geoffrey Reynolds CPA having loaned Patton West \$300,000 was totally under her control. And at her instructions he did the following:-

- 1. While being interviewed by the Bigfork Eagle reporter on August 9 2007, Reynolds denied that Patton West had assaulted Dr. Cole MD even though at the time of the denial Reynolds was desperately trying to force a copy of Patton West's written admission that she had assaulted Cole off Watson's website.
- 2. While being interviewed by the Bigfork Eagle reporter Reynolds let it be known that Watson would be dead within 12 months or in jail for reacting to (the campaign of occult attacks) what Patton West was going to do to him and his family.

Above: If murder was not used regularly by Patton West to silence her critics, how come Reynolds so nonchalantly announced Watson's impending death to the Bigfork Eagle newspaper reporter? Why did Jack West say that those who oppose his wife have a habit of dying suddenly (like Lisa Swidler did in 2005)? Was Cole allowed to live after 'donating' \$1.3 million?

Just how many murders has Patton West committed right under the authorities noses and got away with?

- 3. Wrote four statements of denial which Reynolds published on Patton West's website. To review follow these links 1, 2, 3 & 4.
- 4. In 2010, even though Watson was a total stranger to Reynolds and their 'employment' was separated by over 4 years, Reynolds made false statements to a Montana court as part of a criminal conspiracy to bankrupt Watson via two frivolous lawsuits. Unable to defend these lawsuits because he lived abroad, West & Reynolds were awarded \$5,000,000 each and granted the injunction forcing down Watson's websites.

A full analysis of Reynolds' role in Patton West's criminal racketeering gang can be reviewed by going to a webpage entitled:- Why do McSwain & Co. continue to employ Geoffrey Reynolds CPA when there is clear evidence of his involvement with organized crime and racketeering between 2006 & 2014?

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Debra West and the nonprofit. How me very clearly see "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and/or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally advanced Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with us and you will meet your match.

Julio E. Williams, MD

*Above left to right: Gang Member Julio Williams MD. A statement he made in 2005 staking his honor and credibility on Patton West's integrity and establishing the truth! An expletive laden threatening email sent to Watson, in the hope he would be intimidated into withdrawing his lawsuit against Patton West. After the plot to murder Watson failed, Williams puts up \$2,000,000 to silence him. Williams, far from wanting to establish the truth, is a pathological liar like Patton West & Reynolds.*

Below is a short excerpt of a lengthy [statement](#) Dr. Julio Williams published on Patton West's website in 2005.

*"I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative."*

In 2007, as Watson's lawsuit against Patton West was drawing to a successful close, Williams sent a [threatening email](#) to Watson telling Watson not to "Fu\*k with him" and promising \$2,000,000 to Patton West so that she could fund endless frivolous (without merit) lawsuits against Watson until he was bankrupted, his websites forced down and silenced for good. Since staking his honor and credibility on Patton West's integrity and establishing the truth, Patton West has been the recipient of two arrest warrants, a conviction for assault, forced to sell her assets to pay past victims of crime \$2,000,000 and made several visits to court as the defendant in fraud related lawsuits.

At the beginning of 2018, and with more and more of Patton West's past criminal history turning up on the internet (i.e. the truth), Dr. Julio Williams (doubtless on Patton West's) instructions posted a statement on the web which sought to totally misrepresent the nature of the injunction Patton West had obtained in 2010. Once again, we make the point that armed with millions of dollars supplied by Williams, Patton West was able to outspend Watson in court and 'buy' the result she wanted.

**This included an injunction forbidding Watson from discussing her past. Neither Williams or Patton West are saying that Patton West's past as shown here and elsewhere is false, only that Watson is not allowed to share that information with the public!**

If one goes to Patton West's website by following [this link](#), you'll see a tab entitled 'LEGAL UPDATE.' This, like the rest of the content on Patton West's website is a total pack of lies however this particular pack of lies is published by and signed off by Dr. Julio Williams MD (see below here).

*Above left: As a director of quasi-religious organization that is a front for organized crime and murder, and someone we have shown to be a pathological liar, should Dr. Julio Williams be holding the lives of patients in his hands.*

For a full analysis of Williams' propaganda statement, which seeks to portray the court victory Patton West 'bought' with the millions of dollars Williams donated to her, [go here](#).

Finally, and another big nail in Williams' coffin, the campaign of intimidation against Watson and his family (that Geoffrey Reynolds announced to the press, along with Watson's impending murder in 2007) continues to this day some 12 to 13 years later. Watson has been 'logging' these incidents and sending Dr. Julio Williams two or three emails a week about this matter for the past 3 to 4 years. And yet, with 400 plus emails in his possession reporting the crimes being committed by the leader of his cult, Williams has failed to turn a single email over to the police or the FBI as to do so would implicate him as an accomplice. As a 20 year student of Patton West's unaccredited school for occult studies, Williams knows exactly what Patton West is doing and has probably taken part in campaigns against Watson and other victims.

**A full analysis of Williams' role in Patton West's criminal racketeering gang can be reviewed by going to a webpage entitled:- [Who Wants to be Operated on by a Corrupt and Dishonest Surgeon who is a Prominent Member of a Satanist Death Cult?](#)**

**Gang Member Dr. Julio Williams MD is currently working for [Essentia Health](#) in Fargo ND and [Yakima Regional](#) Hospital in WA.**

## Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

*Above: It is extremely unlikely that Williams declared to his two employers that he was a 20 year member of a Satanist Death cult led by an occult thief / suspected serial killer who, along with Williams' own lies is trying to convince the public that she was prepared over thousands of years to guide humanity through these difficult times.*

I doubt whether the public would want a 20 year member of a Satanist cult, like Dr. Julio Williams MD, standing over them with a scalpel any more than they would want bottom feeding scum bag Geoffrey Reynolds CPA, having access to their confidential financial records. When are their respective employers going to come clean and either fire them or let the public know the truth about their links to organized crime?

**Patton West has motive and opportunity to murder Watson and when that failed to mount a criminal conspiracy involving Reynolds and Williams to bankrupt him.**

In 2003 Watson (1) decided to sue fake guru Patton West (2) for fraud. After researching his lawsuit he found that there were scores of other victims of theft, fraud and extortion. After going public and posting his research on-line Patton West decided to murder Watson enlisting the help of senior cult member Geoffrey Reynolds CPA (3), who on August 9 2007 announced Watson's impending death and the campaign of intimidation to be launched against Watson's family. When the murder plot failed senior cult member Julio Williams MD (4) gave Patton West \$2,000,000 so that she could launch a series of frivolous (without merit) lawsuits against Watson.

The motive for Watson's murder and the lawsuits was to force down Watson's websites so that Patton West could reincarnate herself in Arizona without the truth of her criminal past in Montana contradicting the totally false 'divine' being narrative.

*Above from left to right: John Watson a victim of fraud, a failed murder attempt and a conspiracy by Patton West to bankrupt him. Motive? To stop him sharing details of her criminal past. Patton West's three identities since 1995. Devra Ji (1995 to 2005) Surya Ma (2005 to 2010) and Rishi Devra (2011 to Present). Cult members Geoffrey Reynolds CPA and Julio Williams MD.*

The motive for wanting to murder Watson? Revenge for her public humiliation and the millions of dollars a year in lost revenue from organized crime. We have spelt out the 'opportunity' in this and other bulletins. The big question is this? If Watson and Cole are just two of scores of victims of theft, fraud, extortion violent assault and Lisa Swidler is just one of many murder victims ...

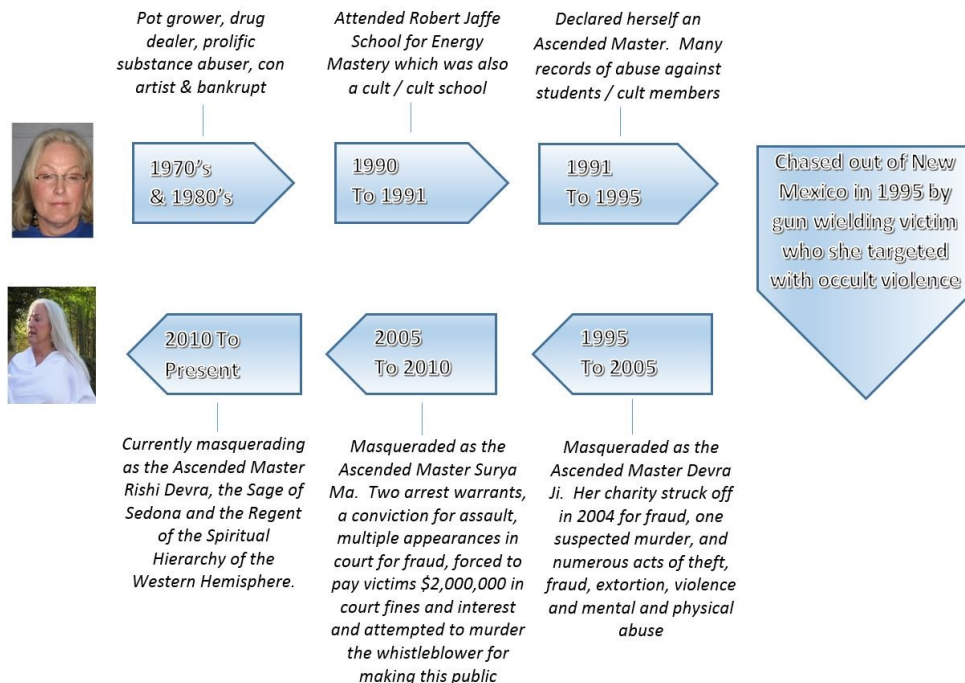

Above: Occult thief / suspected serial killer Devra Patton West believes that her ability to use the occult to commit serious crimes, to intimidate victims and witnesses into silence and to murder those who oppose her, makes her a minor deity worthy of worship. Geoffrey Reynolds & Julio Williams market her to the public as such, deny the crimes she commits, and conspired with her to murder John Watson when he turned whistleblower.

When are we going to see the FBI and the Police issue WANTED POSTERS like the ones above against Patton West, Geoffrey Reynolds and Julio Williams MD?

[WANTED' POSTERS' for Cult / Gang Members Devra Patton West, Geoffrey Reynolds & Julio Williams](#)

Below shows how con artist and violent convicted criminal, Patton West, has been preparing for the past 40 years to rob, defraud, extort, violently assault, murder and get away with it.

Above: The true 'life story / bio' that Patton West, Reynolds and Williams tried to murder whistleblower John Watson to hide from the public. From pot grower and drug dealer, to bankrupt, to a planetary regent that has been preparing for thousands of years to guide humanity. Only a friggin idiot would believe this bullshit, but with millions of dollars from organized crime over the past 28 years, Patton West can buy a lot of propaganda in the form of an expensive website containing scores of stage managed photo shoots, expensive Greek Goddess outfits and hundreds of pages of lies, propaganda and disinformation. All allowed under religious freedom laws.

**The idea that this idiot has been preparing to guide humanity for thousands of years would be laughable but for the fact that this lunatic may be a serial killing occultist (according to Geoffrey Reynolds in 2007 and Patton West's ex-husband Jack West in 2002).**

Below are some recent lies and propoganda from cult / gang member Dr. Julio Williams MD, who is still desperately trying to convince spiritual seekers in Sedona & Scottsdale AZ to accept Patton West's lies as their truth! What follows, are from Dr. Julio Williams' Facebook pages and from Patton West's website.

**Julio Williams** So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey. My humble salutations to thy lotus feet.

*Above: "Thy humble salutations to thy lotus feet." Williams is aware of her true criminal nature how could he not be? However being a Satanist cult the more harm, upset and grief that he and Patton West can cause to others the more they are happy.*

**She has been preparing over thousands of years to guide humanity through these difficult times....**

**Julio Williams** Om Shri Rishi Ma Addi Ma Mataji! Forever grateful to the living Rishi of the Solar lineage. You who are the embodiment of that light May you continue to be the beacon of light for the destiny souls that are called to world service. No words will ever describe the gratitude I feel for your selfless sacrifices to open the way to those us who would take thy hand as we learn to embrace ourselves through service to humanity.

*Above: Mimicking the same propaganda as appears in Patton West's fake bio / Life story, Williams uses such phrases as "Touched by her grace" and "Our Rishi mother whose wisdom, grace and spiritual mastery etc." Is Williams mentally ill or a willing accomplice in a massive deception, a monumental fraud and a senior member of a cult / criminal gang?*

And Patton West, shamelessly using Dr. Julio Williams' perceived respectability as a physician and thoracic surgeon, featured him on a posting she made on her Facebook page where she invited attendees to 'Sacred Sundays with Rishi' pointing out that these would be held at the home of Dr. Julio Williams MD.

#### Comments from Students:

"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" -

**Julio Williams MD, heart surgeon and devoted seeker**

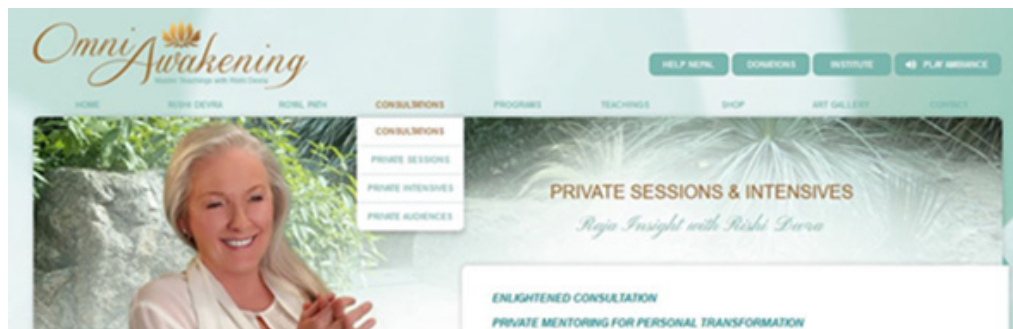

"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."

**Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker**

Above: What could possibly be better for a con artist selling 'divine grace healings' for \$500,000 a go, than to have a tame physician / thoracic surgeon on hand to verify that she is a divine being and therefore capable of delivering a miracles! Although Dr. Williams knows that all she will deliver is more organized crime, as was the case in Montana and New Mexico before that.

### The current con, totally impossible without Dr. Julio Williams' help, works like this.....

**Step 1.** Those identified as wealthy targets are invited to attend a 'Private' Sessions or a 'Private' Intensive' as advertised on Devra Patton West's website (see below here). In the past, these have been held at Dr. Williams' personal residence rented by him for that purpose.

**Step 2.** Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee.
2. That Devra West and the targeted individual were sisters in a former lifetime during which the target is persuaded that she betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for the nonexistent wrongs the target committed).

Devra West has been perpetrating this extortion racket for at least two decades; two of her admin staff who worked for in 2002 overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

### *Rishi Regent of the Great Masters*

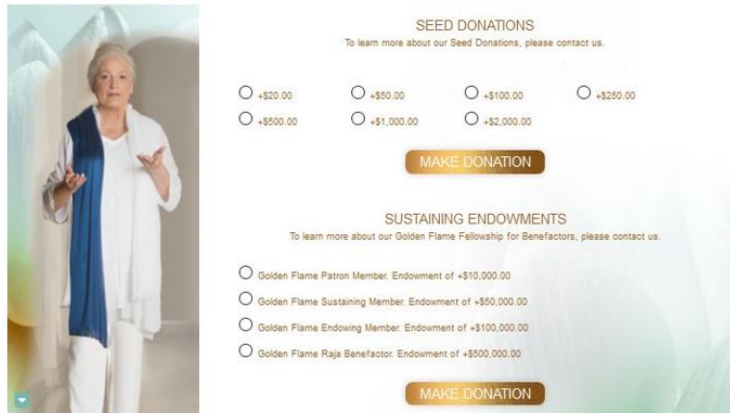

*As the light that stands behind leaders and world servers across the globe ....*  
*As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....*  
*...and the karmic resolution of divine dispensation.*

*Above: With her brainwashed and conditioned stooge Dr. Julio Williams on hand to verify that she is capable of delivering 'divine grace healings' (if the price is right) Devra Patton West is laughing all the way to the bank. The big question is this. Is Dr. Julio Williams MD throwing his career and life away because he is a brainwashed droid or a willing accomplice?*

Devra West is an Occult Master who can, using [Shamanic Visioning](#), induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. See above in this bulletin regarding the violent occult attacks directed at John Watson and his family and many others. In the above scam, she 'induces' the symptoms in those who do not believe or do not pay and then miraculously cures them after they go to her 'Pay Portal' and make a large six figure 'donation.' With Dr. Julio Williams MD present at these 'private sessions' and 'private interviews' Devra Patton West has her own tame and totally brainwashed and conditioned physician and thoracic surgeon, who has proved many times that he will do just as he is told, however immoral or illegal.

**Step 3.** The victims go to the Sage of Sedona's '[Pay Portal](#)' which is set up to receive single donations of up to \$500,000 or more by pressing a single button or a combination of buttons. In this way, the target receives an imaginary cure and in return [The Regent of the Spiritual Hierarchy of the Western Hemisphere](#) gets to empty the targets bank account into hers. Note Devra West standing there with her hands out saying "give me, give me."

This has been going on for 27 years, right under the noses of the FBI and the IRS. It is illegal for a lay person to assert that they are able to cure someone of a health condition. Apparently not so for Devra West, and Dr. Julio Williams does not mind risking his career! At \$500,000 a go, it is no wonder she can afford the trappings, clothing, lifestyle and a home of a multi-millionaire, even though she claims to be penniless and the funds she extorts from victims are nowhere to be seen, let alone declared to the IRS as income in her tax returns.

### **HOW MUCH EVIDENCE DO THE FBI, IRS & POLICE DEPARTMENTS NEED BEFORE THEY MOVE AGAINST PATTON WEST'S CRIMINAL RACKETEERING GANG?! THE EVIDENCE IS ALL LAID OUT FOR THEM!**
