

Dear FBI, IRS and Sedona & Scottsdale Police Departments.

This week, we take another look at the criminal racketeering business model that Patton West has operated for the past 28 plus years in three western states; namely NM, MT and now AZ. Assuming racketeering, multiple murders and the acquisition of between \$30 to \$50 million via theft, fraud and extortion are not yet considered misdemeanors, could you please investigate this matter ASAP?

We continue to lay out the evidence against Patton West and her accomplices, Dr. Julio E Williams MD and Geoffrey Reynolds CPA, on these two websites. [www.omniawakening.net](http://www.omniawakening.net) and [www.therishi.info](http://www.therishi.info) Please be sure to compare the reality shown on these two websites with the lies, propaganda and fiction posted on her own website at [www.therishi.com](http://www.therishi.com) The obvious motive for the discrepancy can only be fraud, theft and extortion occasioned with violence and the odd murder of those who get in her way.

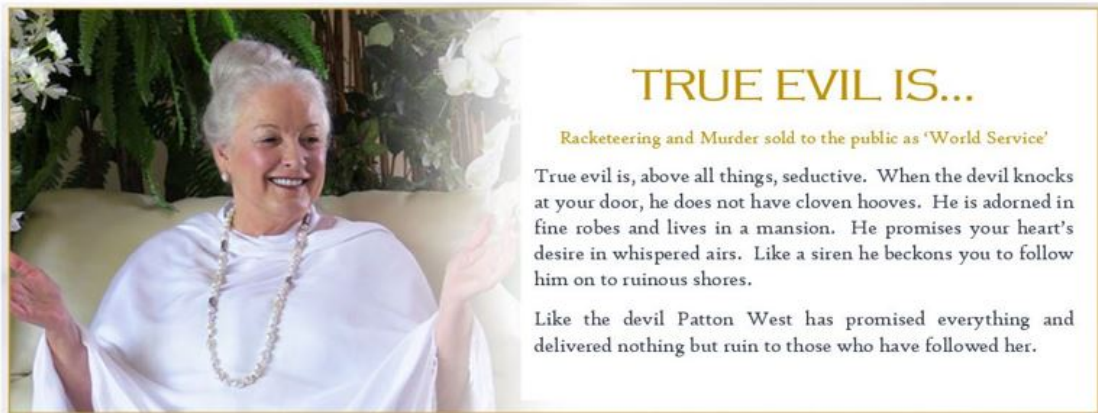

Perhaps it is time for the FBI to book its own 'Private Intensive' with Ms. Patton West?

Sincerely,

Richard S

## **'The Rishi' AKA Con Artist & Violent Convicted Criminal Devra Patton West. A 'Devil' Marketing Herself to the Public as a 'Divine Being.'**

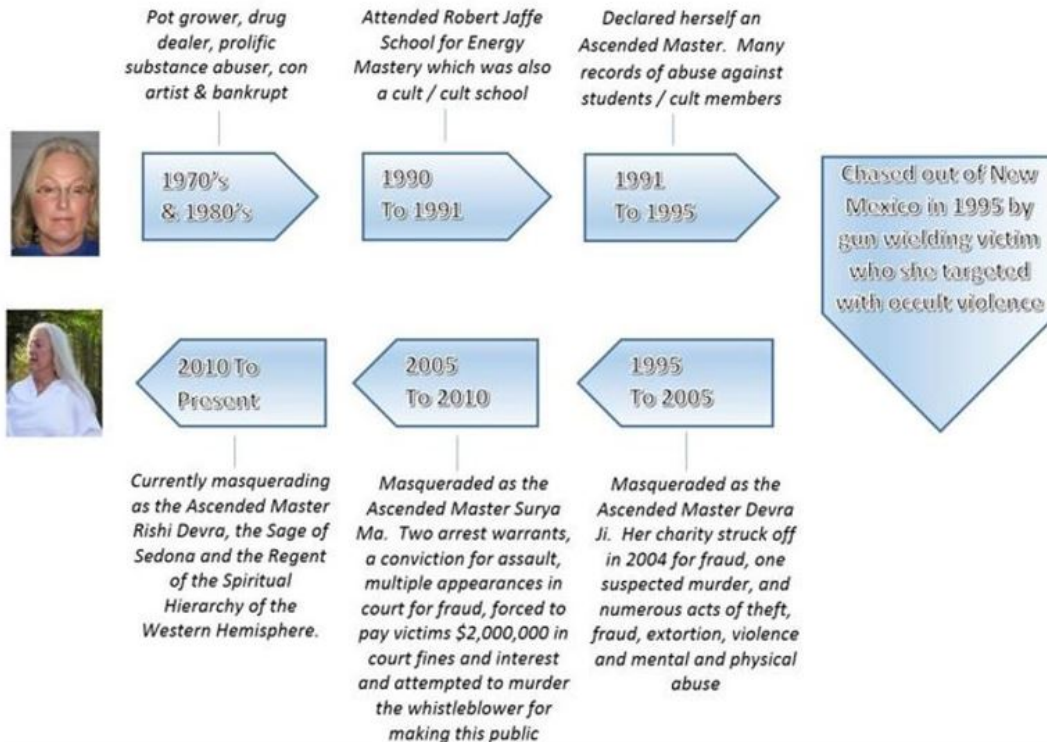

**Please Circulate within Sedona.**

*Above: A narcissist who believes she is totally beyond the reach of the law. Patton West was chased out of New Mexico in 1995 at the point of a gun. She was forced to leave Montana in 2010 after three newspaper articles revealed that her 'World Service' was a front for racketeering. Each time she moves to another state she leaves behind scores of victims of organized crime.*

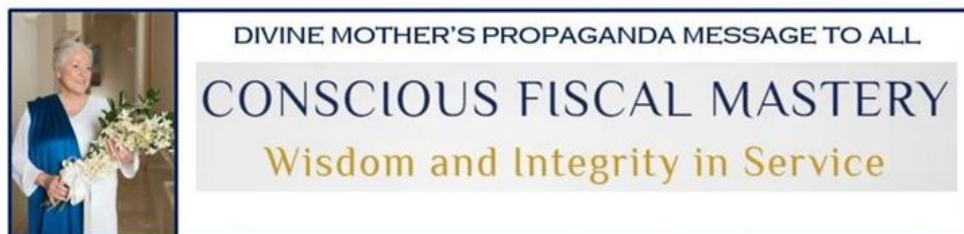

What we are going to share with you here will not appear in her [life story / bio](#) or anywhere else on her current website. Her website and its contents are a total fantasy, a huge lie and part of the propaganda designed to suck in spiritual seekers who after being brainwashed and conditioned, are used like 'batteries.' Batteries that finance her luxurious lifestyle and batteries that fuel her ego and rampant narcissism. Though the obvious motive is fraud, (born out by decades of evidence) apparently those who masquerade as quasi-religious figures appear to be immune from prosecution - however serious the crimes.

**Below is an overview of her career as the leader of a cult / criminal racketeering gang that has operated in three western states since 1991.**

*Above: Patton West's rapid rise from pot grower, drug dealer, con artist and bankrupt to 'The Teacher' and 'The Divine Mother' and 'The Western Regent.' Millions of dollars from organized crime used to portray a criminally insane narcissist as a god on a mission to lead humanity. If one looks at the evidence one sees that Patton West is a vicious ruthless criminal and a murderer.*

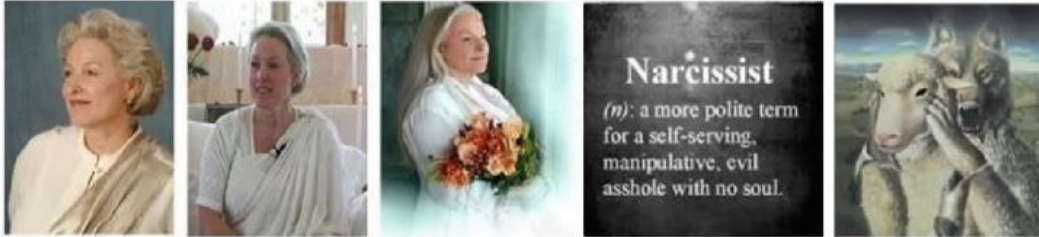

**Pre 1990.** Evidence prior to 1990, comes from two victims who responded to the whistleblower's website which was up between 2006 & 2010. The first statement came from [Jeremy Samuelson](#), whose business partner was Jack West, Patton West's then husband. Jeremy was defrauded out of \$10,000 by Patton West, who Jeremy described as totally dominating Jack West to the point of 'running him.' The second statement comes from Satya, who attended the 'The Robert Jaffe School for Energy Mastery' with Patton West between 1990 & 1991. Satya was defrauded out of \$6,000 by Patton West, who she described in her statement as a manipulative, delusional psycho/socio path. So even before declaring herself as an Ascended Master, there is a pattern of manipulation and fraud.

*Above: No amount of posing with bouquets of flowers with yards of curtain material draped over a king sized bed sheet are going to overcome Patton West's criminal racketeering past. Scores of lives ruined by violence, theft, fraud and extortion.*

**1991 to 1995.** Little is known about this period. What we do know is that after finishing a lengthy course at '[The Robert Jaffe School for Energy Mastery](#)' (itself a cult) between 1990 & 1991, Patton West declared herself to be an Ascended Master. She then proceeded to form a personality cult around herself, part of which was to brainwash and condition recruits into 'submitting' to her will. The processes she uses to achieve total submission from her slaves could have been taken directly from the CIA interrogation handbook.

Essentially, it meant mentally and physically abusing those in her cult until their personalities broke down and they became totally submissive to her. This process is described in a [statement](#) by Debra Coffey, a member of the cult who was both on the receiving end of this treatment and who took part in delivery the abuse to others. A [document](#) sent to the police in Flathead Montana, refer to dozens of statements by ex-employees alleging abuse by Patton West, dating back to her time New Mexico.

*Above: Three identities used by criminally insane narcissist Devra Patton West. Devra Ji (1995 to 2005), Surya Ma (2005 to 2010) and Rishi Devra, Divine Mother & Western Regent (2010 to Present). Each times she outstays her welcome she moves to another western state where they either do not understand 'white collar' crime or choose to look the other way!*

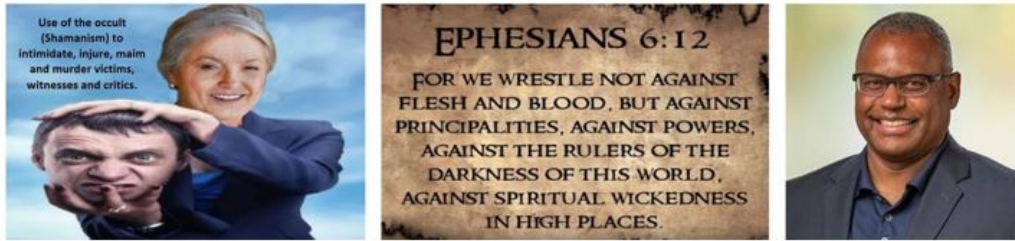

**1995 to 2010.** This period exactly mirrored what happened between 1991 & 1995. All that changed was the number of victims and the scale and frequency of the crimes. Go [here](#) to review the statements of approximately 30 ex-employees and ex-students who were mentally and physically abused, and in some cases robbed, defrauded and were the victims of extortion. Go [here](#) to review what happened to two of the best documented victims, Dr. Pat Cole MD and John Watson. Both were 'business' partners of Patton West's, with Cole being the subject of a series of vicious assaults and extortion. Patton West was overheard talking about Cole's murder. Watson was a business consultant who was defrauded by Patton West.

*Above from left to right: Patton West The 'Mother of a Thousand Suns' (gag). Stooge and 'liar for hire' Geoffrey Reynolds CPA. Brainwashed and conditioned disciple and 'liar for hire' Dr. Julio E Williams MD. Both Reynolds & Williams agreed to take part in a conspiracy to deny that Patton West had assaulted Dr. Pat Cole MD even though both knew for certain she had. In the case of the whistleblower both agreed to be complicit in the plot to murder Watson and when that failed bankrupt him into silence.*

After Watson sued Patton West for fraud in 2003 and went public in 2006 by putting up a website about her criminality in Montana, he became the subject of a murder plot by Patton West which her accomplice, Geoffrey Reynolds, announced to a local newspaper on August 9 2007, just days before she made a failed attempt on Watson's life. When Patton West could not intimidate or murder Watson, she conspired with senior cult members Dr. Julio E Williams and Geoffrey Reynolds to bankrupt Watson into silence. A detailed blow by blow analysis and timeline of Williams' & Reynolds' involvement in racketeering, attempted murder and criminal conspiracy can be reviewed by [going here](#).

Above: Patton West's power over her cult comes from her use of occult knowledge which she uses as a weapon. Dr. Julio E Williams has been a student of Patton West for 20 years and has personally witnessed scores of victims of mental and physical abuse, theft, fraud and extortion. When Patton West fails to murder Watson he puts up \$2,000,000 to bankrupt him into silence.

Go [here](#) to review Patton West's court record in Montana. During this time she attended court as the defendant, on no less than nine occasions and was found guilty in all of them! Included in these numbers are two arrest warrants, one for [criminal check fraud](#), and one for [felony theft](#), and a conviction for [assaulting](#) Dr. Pat Cole MD. There is also the matter of her having to sell her assets publicly at a [Sheriff's Sale](#), to force her to pay past victims of crime \$2,000,000 in court fines and interest. After all the bad publicity that arose from her frequent visits to court and the publication of three newspaper articles by the [Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#) newspapers, her cult / criminal racketeering business model was dead in the water in Montana. However, before she could reincarnate in Arizona with a new name and another fake life story / bio, she needed to silence John Watson and force his websites down. After all, who in Arizona would believe all the bullshit, lies and propaganda on her current website if they had access to the TRUTH? The answer very few.

Above: After several appearances in court as the defendant in mainly fraud related lawsuits and after multiple newspaper articles made it clear that her 'World Service' was a front for her criminal racketeering business model Patton West was forced to leave Montana and reincarnate herself in Arizona. New name, new fake bio / life story – same 'divine being' play book.

We have dealt with the attempt by Patton West to silence John Watson for good by murdering him [elsewhere](#). After the conspiracy to murder Watson failed, Patton West had to wait until 2010 to put Plan 'B' into effect. Plan 'B' was a criminal conspiracy to bankrupt Watson into silence and involved senior cult members Dr. Julio E Williams MD and Geoffrey Reynolds CPA. In January 2007, in a failed attempt to intimidate Watson into dropping his fraud lawsuit against Patton West, Dr. Julio Williams sent an expletive laden [threatening email](#) to Watson. For a break down and analysis of Williams' email go to this [webpage](#) and scroll down. In that email, Williams promised to give Patton West \$2,000,000 to fund multiple frivolous lawsuits against Watson, the objective being to outspend Watson in court, get judgment against him and force down his websites.

Above: Patton West has a huge advantage over most criminals in that her lies and propaganda are 'protected' by religious freedom laws, even though it is obvious her motive is fraud. Additionally, the weapon she uses to silence dissent is not regarded as a weapon under legal statute, so she is free to commit multiple murders which, according to her ex-husband, she has.

In 2010, when Watson flew to the US to see what the court was going to award him for winning his lawsuit against West for defrauding him Patton West and her stooge Geoffrey Reynolds, served Watson with multiple defamation lawsuits – for telling the truth! For more on Geoffrey Reynolds' role in Patton West's conspiracy against Watson, go [here](#) and [here](#). For more on Julio Williams' role go [here](#) and [here](#) and [here](#). Long story short, Patton West, using Williams \$2,000,000 and Reynolds false pleadings to the court got a \$10,000,000 default undefended judgment against Watson (for telling the truth) and the injunction she desperately needed to force down his websites. In so doing, all mention of her past criminality in New Mexico and Montana was removed from the internet.

**Whatever name she is using and whatever version of her fake life story / bio she is using, it must be obvious to all that Patton West is not a guru but a vicious, cruel criminal and quite possibly a serial killer.**

**2010 to Present Day.** Enter the latest iteration of Patton West's cult / criminal racketeering business model.

Above: After leaving scores of victims of organized crime behind in New Mexico and Montana just like magic she reincarnates herself anew in Arizona with yet more ridiculous names and accolades. The reason? Apart from the obvious answer that she is criminally insane? Because she knows that she can use her occult weapon to silence any dissent by murder if necessary.

Patton West has now been operating in Arizona for nearly ten years and as of late, she has been targeting Sedona & Scottsdale. We know that a leopard cannot change its spots and that being the case, there may be many more victims of organized crime at Patton West's hands that we do not yet know about. If you are a victim, or know someone else who is a victim, of theft, fraud, extortion or mental and physical abuse at the hands of 'Divine Mother' then please email us about your experiences. Send your email to Richard Squires at [veritas1211@yahoo.co.uk](mailto:veritas1211@yahoo.co.uk), we will not publish your email without your permission.

Below are three examples of crimes committed by Patton West against victims in Montana.

**1. Below Susannah Felder – Employee.** Notarized [witness statement](#) from charity board member, AJ White. This was the same charity, The Circle of Divine Unity, that was [struck off](#) by the Montana Secretary of State after it was revealed Patton West was stealing cash donations from the public. AJ White refers to one donation of \$80,000 that Patton West stole to pay her son’s legal fees.

	<p>I observed many occasions of verbal cruelty in which she ranted at people, threw water in their faces and caused severe emotional anguish, all in name of assisting them in their spiritual quest. In late July 2001, while I was on a business trip to Denver, Susanna Felder, a committed assistant for over 9 years and editor of Devra’s writing, called me.</p> <p>She called me in severe distress as she had gotten into a heated discussion with Devra on whether or not I should be put on the BOD – there was no Foundation BOD at that time. Devra became so incensed that <a href="#">she attacked her and ripped clumps of hair out of Susanna’s head</a>. This was severe abuse and ultimately led to Susanna leaving DU within the month.</p> <p>AJ White – Former charity board member.</p>
-----------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

*Above: A totally false staged managed persona which does not exist in reality but only exists for those foolish enough to buy into it. The mansion, Greek Goddess outfits and the bouquet of flowers are part of a criminally insane narcissist’s delusions that she is a God on a mission to lead humanity. After 28 plus years of ripping everyone else off she can afford to indulge her fantasies.*

**2. Below Dr. Patricia Cole MD - Student and Business Partner to Patton West.** After Patton West’s charity was struck off for fraud she had to move her Victor MT ashram and her cult elsewhere. Not one to miss an opportunity, Patton West told her students / disciples that she could only take 12 disciples with her to Shamballa (Flathead MT) and only those willing to [commit 66% of their net worth](#) to her good causes (always herself). Dr. Pat Cole was a bit slow in handing over her 66%, so Patton West decided to beat it out of her. In early April 2006, after a particularly vicious assault on Cole, the police were called and Patton West was charged with assault and [convicted of assault in April 2008](#). Days after the assault, on April 17 2006, Patton West wrote to her entire mailing list in a missive entitled ‘[The Law of Severity on the Path to Purification](#),’ in which she sought to justify the assault on Cole by asserting that Cole was a Nazi in the WWII death camps [in another lifetime](#). Patton West went on to say that because of Cole’s alleged role in the death camps, the beating she administered to Cole was long overdue and that, though administered with severity, was none the less delivered with grace. Have I said that Patton West is criminally insane?

	<p>"She has told me that she has the 'spiritual' power and authority to 'take me out,' to be composted," Cole wrote in the temporary restraining order statement. Cole claims West threw a lamp at her and hit her with a briefcase, cell phone and her hand.</p> <p>"She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes," Cole's statement reads. "She threatened to kill me with a gun to my head, 'blowing my brains out,' and advised me to commit suicide by slitting my wrists, after I'd taken out an insurance policy on myself." Photos taken after the alleged beating were submitted to the sheriff's office.</p> <p>Dr. Pat Cole’s comments to the Whitefish Pilot newspaper July 12 2007.</p>
-------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

*Above: Divine Mother at work. If she is not thieving, defrauding or extorting money she is mentally and physically abusing those around her. As a child Patton West was badly abused so now as an adult Patton West treats everyone else the same way. Every one she meets is forced to submit to her will and play the role of worshipper while she acts out the role of a God on a mission.*

**3. Beatrice McGuire Student.** Beatrice was attending a seminar in Montreal with scores of others students when she challenged Patton West on an obvious lie. Patton West responded physically attacking Beatrice, which resulted in part of Beatrice's ear being ripped away. Witness Debra Coffey describes what happened in a [statement](#) she gave to the whistleblower John Watson. Shortly after the attack, Beatrice had a lawyer write to Patton West, and the [other board members](#) of the charity, insisting that Patton West pay for her medical expenses. Patton West [wrote to Beatrice](#) agreeing to pay for the cost for her to have plastic surgery. However in her letter to Beatrice, Patton West said that her recollection of the events differed from Beatrice's version of events. In other words, in spite of attacking Beatrice in front of 30 or 40 witnesses, Patton West appeared to be distancing herself from the assault.

	<p>I witnessed three occasions in which Ms. West violently pulled the hair, of three female staff members. In each case the hair was pulled and the head was shaken forcefully from side to side. On some occasions she would hit people in the face. I witnessed one occasion in which she hit a man in the forehead, leaving an abrasion where her ring cut the skin. She said afterwards, that she didn't do it, God or a deity of God did it. This was the rationale she often used to justify her own violence. I was present in Montreal in which Ms. West <u>tore a woman's ear</u>. The woman was kneeling in front of Ms. West and had quietly challenged her authority. Ms. West reacted physically. <u>She grabbed her hair on both sides of her face and shook her and told her to leave</u>. I learned later that the <u>woman was injured</u>. Evidently the woman's ear had been grabbed too and then torn.</p> <p>Debra Coffey - Student</p>
-----------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

*Above: Some of 'The Western Regent's' work while masquerading as the Ascended Master Devra Ji in Montana. Patton West denies the violence attributing it instead to God or a deity. These are the actions of someone who is criminally insane or someone so certain that they are not going to be called to account that they just does not care what people think.*

About a year after the assault on Beatrice McGuire occurred, John Watson announced that he was going to sue Patton West for fraud. In March 2003, Patton West insisted on having a private meeting with John Watson at his home, which he recorded using a hidden digital tape recorder. You can listen to the entire exchange by [going here](#). During the meeting, Patton West admitted defrauding Watson but did not see herself writing out a check for what she owed him. She went on to threaten him as to what would happen if he went ahead with his lawsuit. During the conversation, Watson brought up the assault on Beatrice McGuire to which Patton West went into a tirade and insisted that she had not assaulted Beatrice McGuire, and by the way, [Beatrice McGuire was mentally ill](#).

Again, Patton West had forty witnesses who saw her attack Beatrice McGuire. Patton West paid for her medical expenses. And yet a year later, Patton West is denying the assault and accusing Beatrice McGuire of being mentally ill! In the same conversation, Patton West [admitted defrauding John Watson](#) but did not see herself paying him what she owed him! She goes on to say that [her agreements are worthless](#) and that she [disposes of people like Kleenex](#). Now you can see why Patton West, conspiring with Julio Williams and Geoffrey Reynolds, tried to murder John Watson so that no one in Arizona could access this information.

**Now you can see why Patton West, conspiring with Julio Williams and Geoffrey Reynolds, tried to murder John Watson so that no one in Arizona could access information like this...**

[The Fake Bio](#) - [The Secret Weapon](#) - [The Lies](#) - [The Crimes](#) - [The Narcissist](#) - [Evidence of Insanity](#)  
[Fake Miracle Cures](#) - [Fake Career Opportunities](#) - [Fake Testimonials](#) - [Racketeering in 1,000 Images](#)

Now let's look at the part that cult / gang members Williams & Reynolds played in the attempted murder of Watson, and when that failed, the conspiracy to bankrupt him into silence.

**4. Dr. Julio E Williams MD.** Williams had in 2005, at Patton West's instructions, [defamed Watson](#) in an attempt to discredit him and his lawsuit. By sending Watson a [threatening expletive laden email](#), Williams had committed a felony called 'witness tampering.'

When Watson refused to stop his lawsuit, Williams waited to see if Patton West could silence Watson by murdering him and when that failed, he funded a criminal conspiracy to bankrupt Watson into silence.

<p>The Physician</p>  <p>Cult / Gang Member</p>	<p>The following excerpt is from an email that cult / gang member Dr. Julio E Williams sent to John Watson who had been defrauded by Patton West who was the leader of Williams' cult / criminal racketeering gang. Williams was not involved in any way but became involved at Patton West's request.</p> <p><u>I have personally allocated Two Million dollars for Dr. West defense and legal expenses.</u> If you want to continue 9with your lawsuit) you will have to go through me first. If you want to wrestle with me in the legal arena I will do everything in my power to bring you down. Your actions will have consequences and I will personally see to it that it happens. Mr. Watson, You will have your day in court. <u>You fuck with me and you will meet your match.</u></p> <p>Dr. Julio E Williams MD January 6 2007.</p>
----------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**5. Geoffrey Reynolds CPA.** Reynolds joined Patton West's 'employ' in September 2006. Like Watson and many before and since, he thought he was joining a proper corporation as opposed to a cult / criminal racketeering gang. After being duped into loaning Patton West \$300,000, did it dawn on Reynolds that he was not working for a proper corporation. As a result of being \$300,000 down, Reynolds fell totally under Patton West's control as is made obvious by this series of emails from Patton West's then office manager, Rebecca West, (no relation to Patton West). You can review some of Rebecca's emails here ([1](#), [2](#) & [3](#)). Reynolds took to organized crime like a duck to water, agreeing to money launder some \$436,000 that Patton West had extorted from Dr. Pat Cole through West's business as 'normal' business receipts. He did this even though [his predecessor had resigned](#) rather than be forced to 'manufacture' false invoices. He also announced Watson's impending murder to the press days before Patton West made her failed attempt on Watson's life. Reynolds then waited 3 years and ['fronted' the criminal conspiracy](#) to bankrupt Watson. Reynolds pleadings to the court were totally false.

<p>The CPA Accountant</p>  <p>Cult / Gang Member</p>	<p>While being interviewed by the Bigfork Eagle newspaper cult / gang member Geoffrey Reynolds CPA made the following statement in what he thought was an 'off the record' conversation with the reporter.</p> <p>"John Watson will be dead within 12 months or in jail for reacting to what Devra Patton West was going to do to him, his wife and children."</p> <p>Geoffrey Reynolds CPA August 9 2007.</p> <p>In 2010 Reynolds agreed to be part of a \$10,000,000 extortion conspiracy orchestrated by Patton West. The plan was to issue multiple frivolous civil lawsuits against Watson (funded by Dr. Julio E Williams MD) that they knew he could not afford to defend himself against. The objective was to bankrupt Watson and force down his websites.</p>
-----------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**6. Jack West.** Jack West has been an important part of Patton West's criminal life, as is made clear by Jack West's ex-business partner, Jeremy Samuelson. After Patton West acquired occult (hidden) knowledge and elevated herself to the godhead, Jack West continued to be fully engaged and a willing accomplice to his wife. Jack West's role was to recruit potential victims from his mediation group and to provide false witness for his wife, as and when needed. For instance, after Patton West viciously assaulted Susannah Felder (see above) Jack West acted to cover up the matter by asserting it was the victim's fault she had been assaulted and partially scalped.

AJ White's [statement](#) goes into detail. After details of Patton West's vicious assault on Dr. Pat Cole, and her defrauding of John Watson went public in July 2007, [Jack West posted a statement](#) on his wife's website which included the following phrase. "She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be."

<p>The Ex-Husband</p>  <p>Cult / Gang Member</p>	<p>In late 2001 John Watson attended a meditation group run by Patton West's then husband Jack West. In January 2002 Watson was recruited by Patton West to work on what he thought were charitable projects. Early on in their relationship Jack West made the following comment to Watson.</p> <p>"Those that oppose my wife have a habit of dying suddenly."</p> <p>A statement from Jack West April 2002.</p> <p>Watson thought nothing more about this until in 2005 when Lisa Swidler, one of Patton West's senior students, died suddenly after trying to leave the cult. Watson later learned that Lisa Swidler had been witness to Patton West defrauding \$30,000 from one student and kidnapping, holding captive another student until that person agreed to make a large financial 'donation.'</p>
-----------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

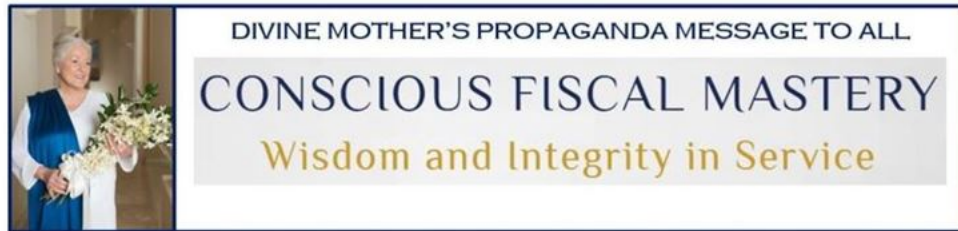

**7. The Murder of Lisa Swidler.** Patton West uses murder or the threat of murder as a weapon. Just as Jack West stated, "Those who oppose my wife have a habit of dying suddenly." We know that Patton West attempted to murder the whistleblower; unfortunately for Patton West, he survived the failed attempt and has lived to tell the tale. We know Reynolds announced Watson's murder days before Patton West tried to kill Watson. Why was Reynolds so confident that Patton West would get away with the murder? For all we know, Reynolds was told that Patton West had murdered Lisa Swidler in 2005 and gotten away with it. Why was Reynolds so sure that there would be no consequences to him for announcing the murder ahead of time? Well we suspect that Reynolds had received the same briefing that Watson got in 2002, which was that Patton West had murdered several people and got away with those murders because they were ruled by the authorities as death by 'natural causes.' Why? Because the authorities can only prosecute murders that are committed by a recognized weapon i.e. a bomb, a gun, a knife, poison or a blunt instrument.

**The weapon Patton West uses to murder those who oppose her is not regarded as a weapon under legal statute, therefore she cannot be prosecuted no matter how many murders she commits. Or can she?**

<p>Lisa Swidler</p>  <p>Victim of Murder</p>	<p>In 2005 Watson learned of the sudden and mysterious death of his friend Lisa Swidler who was a senior student of Patton West's. He later learned that Lisa had been asked by Patton West to negotiate a \$30,000 loan from another student Dave Kushner. The loan was granted on the basis the money was returned within 14 days. After 14 days Patton West refused to return the money or even discuss the loan with Dave Kushner even though she had signed an agreement to say the loan was for just 14 days only.</p> <p>The above outright fraud by Patton West followed by the kidnap and false imprisonment of another student Marion Cantwell led to Lisa's sudden departure from the cult. Shortly afterwards Lisa died of internal bleeding which was ruled by the coroner as death by natural causes. Many in the cult thought she was murdered by Patton West to keep her quiet.</p>
---------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Patton West sits at the head of a dangerous cult / criminal racketeering gang and we believe she is responsible for multiple murders. Clearly gang members Geoffrey Reynolds CPA, Dr. Julio E Williams MD know all about this and along with ex-husband Jack West are perfectly comfortable following a serial killer.**

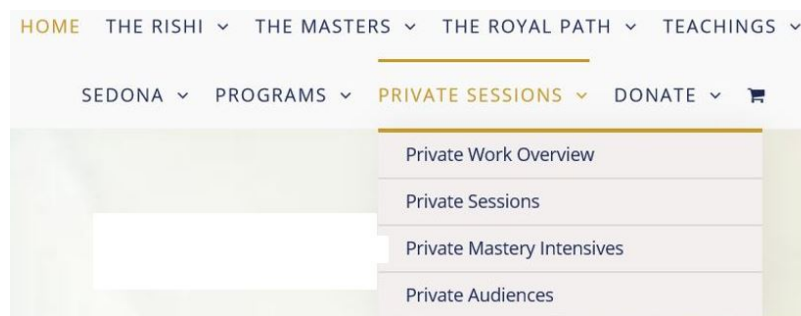

Over the past 28 years, we estimate that Patton West's cult / criminal racketeering business model has netted her some \$30 to \$50 millions of dollars. Some has been raised from the public or members of her cult as cash donations. If one compares her actual track record over the past 30 years or more, it is obvious that her bio / life story is totally false, as are the two doctorates she touts, as are many of the testimonials. Donations are being acquired from the public based on lies and propaganda. At the very least this is mail and wire fraud.

*Above: No amount of posing with bouquets of flowers with yards of curtain material draped over a king sized bed sheet are going to overcome Patton West's criminal racketeering past. Scores of lives ruined by violence, theft, fraud and extortion.*

The [fake bio](#), the [lies](#) and the [fake testimonials](#) are the 'shop window' to a giant fraud scam whose objective is to separate victims from their bank balances. This is a multi-level fraud / extortion scam. In addition to receiving cash donations from the public, predicated on her totally false persona, for 'good causes' that will never receive those funds, Patton West uses two other tried and tested strategies:-

1. She advertises non-existent 'career opportunities' which involves recruiting employees from all over the US to nonexistent jobs. She then mentally and physically abuses new recruits in an attempt to brainwash and condition them into submitting to her will and joining her cult as low paid or no paid slaves. Those that refuse are summarily dismissed before 90 days, after which she would have to pay employment insurance.
2. She invites wealthy members of the public to attend 'Private Sessions' etc. like the ones advertised below.

Those attendees who are identified as wealthy, are targeted in one of three ways. Either they are made ill by Patton West's use of occult knowledge and then forced to pay for a cure. Or Patton West convinces the targeted individual that they were sisters in a past life and that the targeted individual did Patton West wrong in a past life and now it is time to pay in this lifetime. The targeted individual either pays or starts to get ill. Patton West has already, ahead of time, filled their heads with the idea that the Ascended Masters are watching and if they do not pay, the target will be made ill (by the Ascended Masters). The target quickly becomes believer and pays up. If you think this is too far-fetched, then read a copy of ['The Law of Severity on the Path to Purification.'](#) Which was Patton West's appeal to the Ascended Masters for an opinion on her vicious assault of Dr. Pat Cole MD. Patton West may be criminally insane, but she is not stupid. The vicious assault on Dr. Pat Cole MD, a wealthy heiress, occurred while Patton West was extorting \$1.3 million from Cole. According to Patton West's Ascended Masters, her assault on Cole was sanctioned because they alleged Cole was a Nazi in the WWII death camps in another lifetime!

## Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

*Above: There is no indication from the smiling photos above that Dr. Julio E Williams MD is a 20 year member of a criminal racketeering gang led by con artist and violent convicted criminal Patton West. We are about to shatter Williams' facade of respectability with a series of indisputable facts that Williams cannot dispute no matter how desperately he may try.*

The third route is Patton West offering miracle cures to the public fully supported by Dr. Julio E Williams MD who is a 20 year member of her cult. Patton West made it clear in an interview she gave the [Whitefish Pilot](#) newspaper in July 2007, that she was training cardiologists to cure cancer. Have Williams' medical regulators approved this? I seriously doubt it. So why has Dr. Julio E Williams MD made his home available for Patton West to use as a venue to con sick and terminally ill patients in to buying her fake cures?

~ Our June 12th ~  
**Sacred Sunday with Rishi**  
 will be hosted at the home of Dr. Julio Williams  
 7390 East Stagecoach Pass Carefree, Arizona 85377  
 ~ 10 am to 12 pm~

### Comments from Students:

*"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" -*

**Julio Williams MD, heart surgeon and devoted seeker**

*"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."*

**Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker**

*Above: Note Williams own home is being used by Patton West as a venue for fraud. Note the two sycophantic testimonials from Dr. Julio E Williams MD who after 20 years under Patton West's control appears not to totally lack discernment.*

In spite of all the crimes in Montana & New Mexico before that, many of which we have featured here, Patton West insists that she is the 'Regent of the Great Masters' and that she is able to dispense the phenomena of 'Divine Grace Healing.' See below.

## *Rishi Regent of the Great Masters*

*As the light that stands behind leaders and world servers across the globe ....*

*As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....*

*...and the karmic resolution of divine dispensation.*

*Above: Con artist and violent convicted criminal Patton West insists that she is capable of delivering 'Divine Grace Healings' (not allowed to say 'miracle cures') - for a fee. Apparently she can also dispense with a person's past karma - for a fee.*

And clearly Dr. Julio E Williams, a 20 year member of her cult, believes her. Why else would he:-

1. Send an expletive laden threatening email to John Watson, the plaintiff, in a fraud lawsuits against her.
2. Give her \$2,000,000 of his own money so she could mount multiple lawsuits against John Watson after he had won his fraud lawsuit against her.
3. Receive 400 plus emails from Watson alleging an ongoing campaign of intimidation by Patton West against him and his family and fail to pass them on to the police.
4. Continue to provide her with a series of 'testimonials designed to use his perceived respectability as a physician to suck in more victims of fraud and extortion.

Testimonials like these...

*"For me, coming into Rishi Devra's presence has opened the doors to my spiritual life in an all new way, allowing me to palpably experience love and to know that love should be the basis of all healing. Her training sessions have helped me to merge the world of modern medicine with the ancient wisdom of the "Sacred Art of Healing" as it was once practiced and passed on to humanity by the Masters and mystics of ancient times."*

**Julio Williams, MD**, Cardiovascular Surgeon/Humanitarian

And this...

**Julio Williams** Om Shri Rishi Ma Addi Ma Mataji!  
 Forever grateful to the living Rishi of the Solar lineage. You who are the embodiment of that light May you continue to be the beacon of light for the destiny souls that are called to world service. No words will ever describe the gratitude I feel for your selfless sacrifices to open the way to those us who would take thy hand as we learn to embrace ourselves through service to humanity.

Like · Reply · 3d

*Above: Williams says he is "Forever grateful to the living Rishi of the Solar lineage." Gag! What drugs is he on?*

And this...

**Julio Williams** So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey. My humble salutations to thy lotus feet.

*Above: Dr. Julio E Williams MD gives his vomit inducing "humble salutations" to Patton West's lotus feet!*

And this..

*Above left: Dr. Julio E Williams MD on bended knee before the leader of his Satanist cult in 2003. Above right: Dr. Julio E Williams MD on bended knee before the leader of his Satanist cult Devra Patton West in 2019. Many, convictions later, scores of victims later and millions of dollars out of his own pocket later Dr. Julio E Williams is still groveling in front of Patton West.*

Is Dr. Julio E Williams MD mentally ill or a willing accomplice in organized crime, racketeering and murder? These are questions for a judge and jury to decide.

## Rishi Regent of the Great Masters

As the light that stands behind leaders and world servers from across the globe, the Rishi's mission is to guide the influential endeavors that will change and uplift world conditions. As a destiny soul and Surya Rishi of the Sacred Knowledge of the Universal Halls of Illumination, she has been prepared for thousands of years to guide humanity through the coming times of upheaval and turmoil, that will take place side by side with unprecedented surges of spiritual awakening on a global basis.

*Above: Who in their right mind is going to believe that a con artist and violent convicted criminal with multiple arrest warrants, a conviction for assault, forced to pay past victims of crime \$2,000,000 by the sale of her assets at a Sheriff's Sale, who appeared in court as the defendant in multiple fraud related lawsuits has been planning for thousands of years to lead humanity?*

Who knows? After an extensive review of the evidence, a judge and jury might decide that Dr. Julio E Williams MD is not mentally ill, is not a willing accomplice in organized crime, and that Devra Patton West really has been preparing to lead humanity for thousands of years. They may also decide that all the lies, the crimes, the victims of mental and physical abuse, the multiple arrest warrants, the conviction for assault and the suspicious deaths are just all one big misunderstanding.

Our role is to get Patton West and her accomplices, Dr. Julio E Williams MD and Geoffrey Reynolds CPA, into a criminal court so that a judge and jury can review the evidence. God knows there is enough of it.
