## Why is it that self-appointed deity Patton West AKA 'The Rishi' is not serving life to 100 years for racketeering and multiple murders?

We explain why the FBI and law enforcement have not (so far) investigated or arrested Patton West and her accomplices, Julio Williams, Geoffrey Reynolds and Jack West. After Patton West committed several suspected murders (according to her ex-husband), countless acts of theft, fraud, extortion and mentally and physically abused scores of victims, why after nearly three decades is Patton West not in jail or on death row?

The image shows a screenshot of the Flathead County Sheriff's Office website. The page is titled "Warrant Details" and features a photo of Devra Lynn West. A red arrow points from the photo on the website to a larger photo of her in white robes. Below the larger photo, the text reads: "SPIRITUAL NAME Malaji Rishi Devra Surya Sai Adi Maa Durga Devi".

Type	Number	Description	Issue Date	Bond

Above: From multiple arrest warrants and a conviction for assault in Montana between 2008 & 2009 to 'Divine Mother' and the 'Regent of the Western Hemisphere' in Arizona in 2019. Patton West's expensive website is a total work of fiction. Her fake 'life story' omits several convictions for fraud and one for assault but apparently this is all allowed under religious freedom laws.

It all comes down to serious flaws in the criminal justice system, which Patton West has exploited for 28 plus years. She and her accomplices continue to exploit these gaps in the criminal justice system, in the belief that she and they are totally beyond the reach of the law. The following explanation will explain to the FBI, law enforcement and others how it is that Patton West has, for nearly three decades, avoided a criminal trial for racketeering and murder. It will also shine a spotlight on how Patton West has accumulated tens of millions of dollars, either via theft, fraud or extortion or through the low paid or no paid labor of those recruited into her cult since she declared herself to be an Ascended Master in 1991.

### THE FBI, LAW ENFORCEMENT AND THE PUBLIC DON'T HAVE A 'CLUEDO.'

Paying homage to the very popular board game Cluedo, we are going to explain why Patton West has not been jailed for 28 plus years of racketeering that includes multiple murders, multiple violent assaults and scores of financial crimes. In Cluedo, the winner of the game is the person who correctly identifies the victim, the murderer, the room in which the murder took place and the weapon the murderer used to kill the victim. So to start with let us line up three of the variables. The Perpetrator(s) of the Crimes. The Location of the Crimes. The Weapon Used.

**The Perpetrator of the Crimes & Her Accomplices.**

Above from left to right: Devra Patton West AKA The Rishi (2011 to Present), AKA Surya Ma (2005 to 2010) AKA Devra Ji (1995 to 2005). Her accomplices Dr. Julio E Williams MD, Geoffrey Reynolds CPA & ex-husband Jack West who has been with her since the 1970's and witnessed her progression from pot grower, drug dealer, bankrupt and small time con artist to planetary regent.

**The Location Where the Crimes Were Committed**

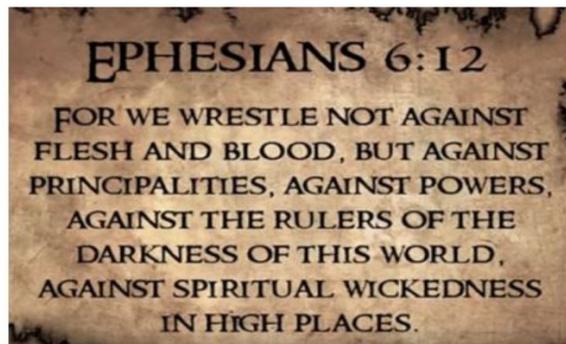

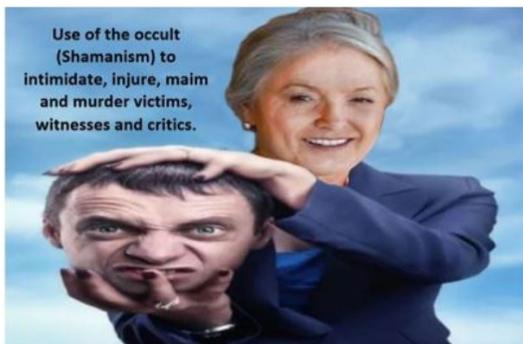

Above: Crimes including theft, fraud, extortion, mental and physical abuse, violent assaults, attempted murder and murder all occurred to members of the cult. Patton West ran her cult in Montana like a baronial fiefdom totally ignoring state and federal laws. Employees were recruited for non-existent jobs, forced to submit to her will and join her cult or be fired within 90 days.

**The 'Weapon' used by Patton West to Facilitate Crime and, where Victims go to the Police or Law Courts for Restitution, used to Subvert Court Cases by Intimidating Victims & Witnesses.**

*Above: To successfully prosecute a murder or crime of violence the police need to produce a weapon that they can link to the perpetrator and the victim. The occult (hidden) weapon that Patton West has used for 28 plus years to facilitate crime is not recognized as a weapon under legal statute. A fact that Patton West and her accomplices have relied upon for 28 years.*

**FBI TAKE NOTE.** Just because the occult is not recognized as something real by 95% of civilized society, does not mean it does not exist. Just because the occult is not recognized by legal statute as a weapon, does not mean that it is not being used as a weapon by psychopaths and parasites like Patton West and [John of God](#); the latter having just been given [19 years in jail](#) for multiple rapes. Just FYI, Sabrina Bittencourt, the investigative reporter who blew the story that ended up in 'John of God' being jailed allegedly committed suicide. However, we suspect she was driven to doing so after becoming the target of a sustained campaign of occult attacks by 'John of God.' The same playbook has been used by Patton West against many of her victims to [subvert court cases](#) or police investigations. She also used this weapon against two of her ex daughter-in-laws who were fighting for custody of their infant daughters against Patton West's son.

We have a section on Patton West's [Secret Weapon](#) on our two websites. Clearly, her victims believe this weapon exists and that it is the source of Patton West's power over them and the members of her cult. Victims like her office manager, Rebecca West, (no relation to Patton West) who in a harrowing email entitled '[Help Me](#)' asked the whistleblower for help with Patton West's 'shamanic witchcraft.' Clearly Jamie Haywood, Patton West's ex-daughter-in-law was a believer, as she made clear in [her email](#) to the whistleblower and during her [testimony](#) in court. The whistleblower, John Watson, is also a believer as he told the Whitefish Pilot news reporter in July 2007 who mentioned it in her news report. Clearly, Patton West's ex-husband, [Jack West](#), is a believer as he told the whistleblower in 2002 that those who oppose his wife had a habit of dying suddenly. Clearly accomplices [Reynolds](#) & [Williams](#) believe it to be true as Reynolds announced Watson's impending murder to the same reporter, and Williams has been a disciple and a student of Patton West's unaccredited school for occult studies for 20 years.

**FBI TAKE NOTE.** If the 'occult' (it means hidden) is still too hard to swallow, then please apply the same logic that astronomers use to detect the presence of planets that they cannot see. They deduce that something must be there because it is having a gravitational effect on objects that they can see. So, as we list below tens or scores of crimes committed mainly against victims inside her cult, ask yourself the question why most victims decide to walk away without going to the police or law courts for restitution? The answer is that most are too afraid. Too afraid because they will not be believed. Too afraid because while the police and the courts line up their ducks over months or years their lives will be made a living hell or ended prematurely.

**Some of the Victims of Theft, Fraud, Extortion, Murder and Attempted Murder while Patton West was Masquerading as 'Surya Ma' between 2005 & 2010 in Montana.**

**Victim 1 Rebecca West.** Ex-employee Rebecca West, no relation to Devra West, was employed as an office manager by Devra West in early 2006, when Devra West assaulted Rebecca's friend Dr. Pat Cole MD. As a favorable witness to Dr. Cole, and a hostile witness to Devra West, Rebecca became a victim of a campaign of 'under the radar' occult violence directed at her by Devra West, who sought to intimidate her into withdrawing her damning statement about Devra West's assault on Dr. Cole MD; the subject of two newspaper articles in the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers.

Like several other hostile witnesses, Rebecca West went to the police in the summer of 2007 and reported that they were the subject of occult attacks directed at them by Devra West.

While the police acknowledged that the victim's claims of being on the receiving end of violent attacks were credible, they explained that the weapon being used was not recognized as a weapon under legal statute, therefore there was nothing they could do, as a successful prosecution was unlikely unless all the victims acted together and brought forward a civil lawsuit on the basis of Devra West's intent to 'cause actual bodily harm.' A series of three harrowing emails ([1](#), [2](#) & [3](#)) sent by Rebecca West to the whistleblower in March 2007, clearly shows that Devra West was running a cult, which in reality was (and still is) a criminal racketeering business model masquerading as a quasi-religious organization with Devra West labeling any criticism or investigations as 'religious persecution.'

### Verdict – Rebecca West

In early April 2006, **Patton West** viciously assaulted the victim, Dr. Pat Cole MD, in **the Cult** as part of a massive extortion scam that netted Patton West \$1.3 million. The police were called and Rebecca West and other employees gave witness statements affirming the assault. **Geoffrey Reynolds CPA** was aware of what was going on but told Rebecca West he was not going to tell the truth unless he was asked to do so by the authorities. Dr. Pat Cole and Rebecca West were the victim of **occult attacks / intimidation** for two years, during which time Patton West tried to intimidate Dr. Cole to withdraw her complaint, and Rebecca West to withdraw her witness statement.

**Victim 2 Dr. Pat Cole MD.** Local female doctor, Pat Cole MD, as one of the more wealthy members of Devra West's cult, was targeted for extortion by Devra West in early 2006. In one of the most vicious assaults in April 2006, Devra West repeatedly hit Cole over the head with the heel of her shoe until blood ran down the victim's blouse. The police were called, Devra West was charged with assault and convicted two years later in April 2008. On April 17 2006 Devra West, in an attempt to justify the assault to her cult, wrote a lengthy missive to her mailing list entitled '[The Law of Severity on the Path to Purification](#)' wherein she stated that that the victim was a Nazi in the WWII death camps therefore the beating was not only justified but long overdue! West also stated that the beating administered to Dr. Cole though severe was administered with grace! In July 2007 and August 2007 respectively, the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers published two news articles about West's criminality in the Flathead Lake area of Montana.

## Verdict Dr. Pat Cole MD

**Patton West** orchestrates a campaign of vicious assaults against Dr. Pat Cole, with the violence kept secret inside **the cult**. When it goes public in July 2007, senior cult members and 'liars for hire' **Geoffrey Reynolds CPA & Dr. Julio Williams MD** posted several statements of denial on Patton West's website along with other members of the cult.

You can read these statements in full by following the links below.

1. [Geoffrey Reynolds 1](#)
2. [Geoffrey Reynolds 2](#)
3. [Geoffrey Reynolds 3](#)
4. [Reynolds & J Williams](#)
5. [Julio Williams 1](#)
6. [Jack West](#)
7. [Bret Jahola](#)
8. [Dani Osborne](#)
9. [Devra West 1](#)
10. [Devra West 2](#)

'Liar for Hire' Reynolds' statements were posted by him at the same time he was desperately trying to force a copy of 'The Law of Severity on the Path to Purification' off the whistle-blower's website. To be clear, Geoffrey Reynolds had posted four statements of denial on Patton West's website while simultaneously trying to get her written admission of guilt removed from the internet. Go [here](#) to view Reynolds' email to the service provider of Watson's website, to read about how Patton West actually claimed copyright of her admission of guilt. In April 2008, Patton West was [convicted of assaulting](#) Cole. Patton West responded by posting a [statement of denial](#) on her website.

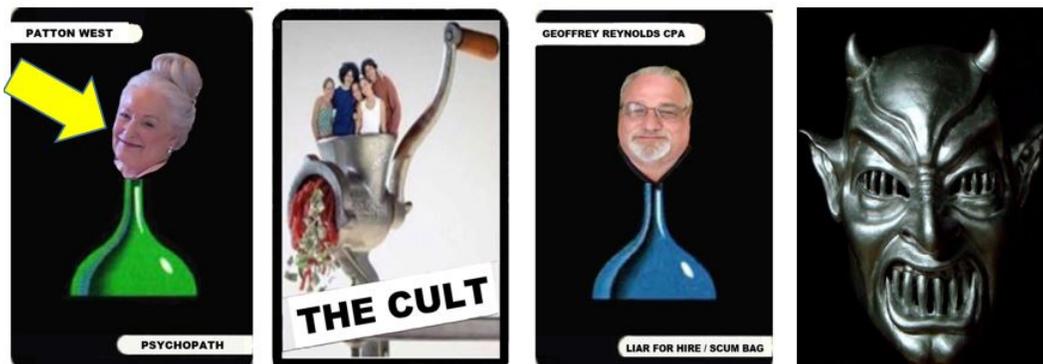

**Victim 3 Susannah Felder.** If you review the [notarized statement](#) given by ex-charity board member, AJ White, you will see that employee Susannah Felder discovered that Devra West had stolen \$80,000 from the charity she ran, to pay for her porn loving, wife beating son's legal fees. Her son, Chris Haywood, was fighting for custody of his infant daughter from his first wife, Kendall. When Susannah confronted Devra West about the stolen \$80,000 donation, Devra West viciously assaulted Susannah, partially scalping her in the process. As mentioned above, Patton West was using her occult weapon to [subvert the outcome of the child custody court case](#) which she succeeded in doing. By a conspiracy involving fake witnesses from her cult and by using her occult weapon to destroy the mental health of her son's first wife, Patton West succeeded in getting the court to award custody to her son, Chris Haywood.

### Verdict Susannah Felder.

Susannah Felder was viciously assaulted by **Patton West**, who partially scalped her. This all remained within **the cult** because Susannah was fearful of what would happen to her if she went to the police. The following day at a meeting to discuss the incident, **Jack West**, in an attempt to absolve his wife, Patton West, blamed the victim for the attack.

**Victim 4 Dave Kushner.** In 2005, ex-student [Dave Kushner](#) the victim of fraud at the hands of Devra West who used fellow student Lisa Swidler as a go-between to negotiate a \$30,000 loan that Devra West had no intention of ever repaying. Like most victims in the cult, Dave Kushner was aware of Devra West's reputation and feared he would be murdered if he pursued her through the courts for the return of his money.

**Verdict Dave Kushner.** Like every other member of her cult, Dave Kushner was looked upon as a 'resource' by **Patton West** rather like a farmer looks upon his cattle as a resource. In 2005, the consummate con artist Patton West, was herself conned out of \$650,000. We know this because it was the subject of [a lawsuit](#) by the Securities and Exchange Commission with Patton West appearing as one of the victims. Patton West's response to the loss was to start 'harvesting' cash from members of her cult. In 2005 & 2006 alone, the following cult members were either robbed, defrauded or fell victims to extortion. [Dave Kushner](#) \$30,000, [Marion Cantwell](#) \$50,000 (Marion was kidnapped and held captive and told she would be murdered if she went to the police) and [Mike Hendrickson](#) \$200,000. [Dr. Pat Cole MD](#) had \$436,000 in cash extorted from her right under **Geoffrey Reynolds'** nose and was forced to sign over her home worth [\\$700,000 to Patton West](#). Like Las Vegas, what happens inside **the cult** stays inside the cult.

**Victim 5 Marion Cantwell.** Ex-student [Marion Cantwell](#), was pretty much ignored until she sold her home in 2005. Immediately after which, she too, became the victim of extortion at the hands of Devra Patton West.

The whistleblower got first-hand knowledge that circumstances around Marion's story were correct when, after initially fleeing the US and returning a year later to Texas, her new employer phoned the whistleblower for a reference. Having seen Marion's name mentioned on his website, he sought assurances that Marion was a victim of Devra West and her cult, and in no way a perpetrator of organized crime.

**Verdict Marion Cantwell.** According to witness Dave Kushner, shortly after Marion sold her house she was kidnapped by **Patton West**, held captive and beaten until she agreed to make a large donation to Patton West. Clearly, **Jack West** was aware of what was going on. Upon release, Marion was told that if she went to the police she would be murdered. The use of **occult knowledge** to enforce discipline and secrecy within **the cult** meant that most victims of crime, like Marion and Dave Kushner etc., do not go to the police or to the law courts for restitution for fear of being murdered.

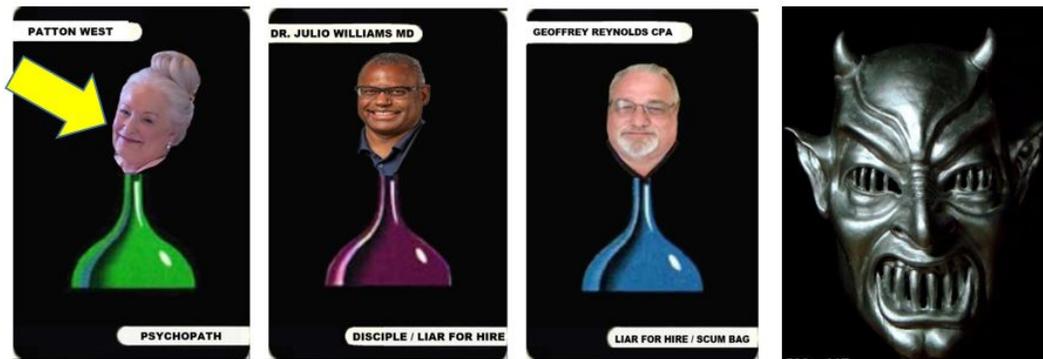

**Victim 6 Beatrice McGuire.** In 2002, ex-student Beatrice McGuire, was attending a seminar in Montreal for 'students' of Devra West's unaccredited school for occult studies, then called the Sacred Arts Institute (SAI). When Beatrice publicly challenged Devra Patton West in front of other students about some of the lies Devra West was spouting to the audience. Devra West reacted by violently assaulting Beatrice in front of the rest of the audience, with the result that part of Beatrice's ear was ripped away. Devra West, after receiving a lawyer's letter from Beatrice, while [not acknowledging](#) the assault, agreed to pay for Beatrice to have plastic surgery to fix the injury. This assault and Devra West's violent nature is well documented in student [Debra Coffey's statement](#) to the whistleblower. When questioned by the whistleblower about the assault on Beatrice McGuire in March 2003, Patton West denied she had assaulted Beatrice McGuire [saying that](#) Beatrice McGuire was mentally ill! Patton West is clearly the one who is mentally ill, as was pointed out in a statement volunteered by her housekeeper [Tanya Hurley](#).

**Verdict Beatrice McGuire.** Clearly, **Patton West** had assaulted Beatrice McGuire and did so in front of 40 plus witnesses. That said, she told the whistleblower in March 2003 that, and I quote, "[It doesn't matter what is actually true](#)" (if she can persuade the public and her cult that her lies are their truth).

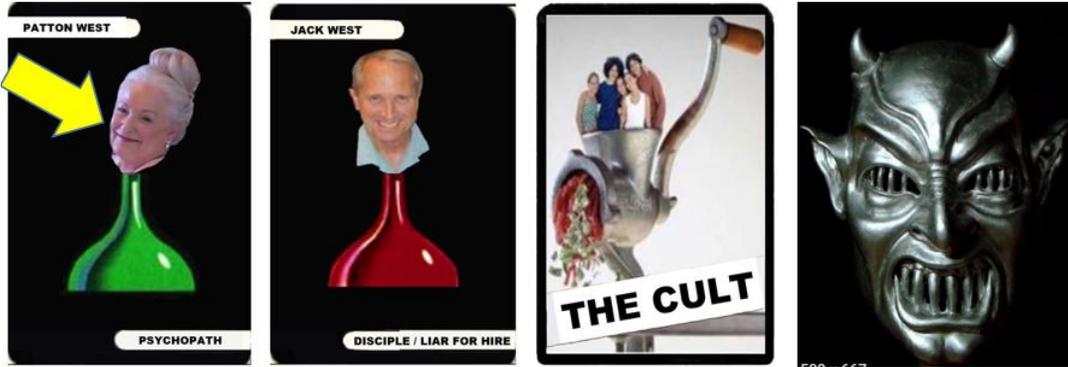

So, Patton West believes that her authority, based on fear of **occult attacks**, is such that she feels quite comfortable about rewriting history and forcing those **in her cult** to go along with her version of events – however dishonest.

**Victim 7 John Watson.** The whistleblower John Watson, hired as a business consultant in January 2002. Was defrauded out of wages and shares in August 2002; launched a fraud lawsuit in March 2003, which the courts awarded him [judgement for](#) in 2008. [Follow this link](#) to read the news article published by the Ravalli Republic and [follow this link](#) to learn how much he was awarded by the courts. During the five years he was researching his lawsuit, John Watson discovered scores of victims of organized crime and racketeering. After putting up a website to counter Patton West’s lies and propaganda, and to share his research about Patton West’s criminality in Montana, he became the subject of a failed murder plot by Devra West and her accomplices Dr. Julio E Williams MD and Geoffrey Reynolds CPA.

**Verdict John Watson.** After Watson decided to sue Patton West for fraud in 2003, he became the subject of dirty tricks that included [false witnesses](#) forced to ‘manufacture’ negative statements about him. He was sent an expletive laden [threatening email](#) from senior cult member Dr. Julio E Williams MD; clearly intended to intimidate him into dropping his lawsuit against Patton West. When that failed, senior cult member [Geoffrey Reynolds CPA](#) told a newspaper reporter that Watson would be [dead within 12 months](#) or in jail for what Patton West was going to do to him and his family (**occult attacks**). When that did not deter Watson, Dr. Julio Williams MD put up \$2,000,000 of his own money to fund multiple lawsuits against Watson with the intention of bankrupting him into silence. [Geoffrey Reynolds’](#) role was to front the conspiracy and make totally false statements to the court about the timing of his employment. A full analysis of Reynolds’ and Williams’ part in Patton West’s conspiracy can be read by going here to a previous bulletin entitled ‘[Gang Members.](#)’ Watson and his family have been continuously under attack by Patton West since December 2006. And why not? Patton West and her accomplices are convinced she can never be prosecuted for racketeering and murder. Dr. Julio E Williams has received 400 plus emails over the past 4 years about these attacks from Watson but Williams refuses to pass them on to the police because he believes Patton West, and by extension him, are safe from prosecution.

**Victim 8 Lisa Swidler.** In 2005, after being ‘used’ to negotiate a loan from [Dave Kushner](#) that Devra West had no intention of ever repaying and after witnessing the kidnap, false imprisonment and beating of [Marion Cantwell](#), Lisa Swidler decided to escape the cult. Worried that Lisa knew where the skeletons in West’s cupboard were hidden, Devra West decided to murder Lisa Swidler. As with previous murders that ex-husband, Jack West, hinted at to the whistleblower in 2002, the victim’s death was ruled as ‘death by natural causes’ by the coroner. Most of the cult knew that Lisa was murdered by Devra West; follow this link to see Lisa’s [gravestone](#).

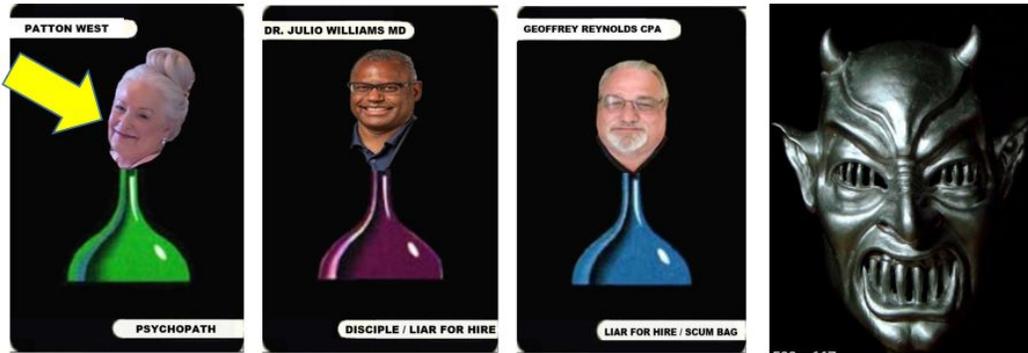

**Verdict Lisa Swidler.** It was made clear to John Watson by Patton West's husband, **Jack West** in 2002, that those who opposed his then wife (Patton West) had a habit of dying suddenly. Lisa Swidler was a classic case of this. After witnessing the crimes committed by **Patton West** against Dave Kushner, Marion Cantwell and Mike Hendrickson (see above) Lisa Swidler tried to leave the cult and died suddenly and mysteriously shortly afterwards. Though Lisa was a young mother of two children under the age of ten, with no previous health issues, Lisa apparently died of internal bleeding. Completely unaware of Patton West or her **occult weapon**, the coroner ruled Lisa's death as the result of natural causes. John Watson was supposed to have died of natural causes had Patton West been able to murder him remotely. In the [Statement of Fact](#) that employee Carlida Finch gave to the authorities, she states that she overheard Patton West talking about the murder of Dr. Pat Cole MD. So Dr. Pat Cole MD was also destined to die suddenly of 'natural causes'. However, after handing over \$1.3 million Dr. Cole was allowed to live. How many others have been murdered quietly? It all remains a secret in **the cult**.

**9. Robert & Tabby Ivy.** For Devra West's criminal racketeering business model to be a success, it is very important that she presents herself to the public both as a successful business woman as well as a minor deity – even if neither is true. The say an image is worth a thousand words.

*Above from left to right: The first two images were taken from her 2007 website when she was calling herself the Ascended Master 'Surya Ma' and targeting spiritual seekers in Flathead Lake MT. The third image is the only one based in reality.*

The image above left is of Robert and Tabby Ivy's property. This would be the property that Patton West fraudulently depicted on her website and in her brochures as belonging to her. The middle image above was a photo-shopped poster Patton West put together for one of her 'seminars'; note the lakeside image in the poster, again implying that she lived on the lake. Far right: Actual / Factual photo from one of two arrest warrants issued against Devra West in Montana. When interviewed by the [Whitefish Pilot](#) newspaper Robert & Tabby Ivy explained that they repeatedly asked Patton West over a two year period not to use images of their property in her brochures and on her website. Patton West ignored all the requests from them.

**Verdict Robert & Tabby Ivy.** Patton West is a violent convicted criminal, a con artist and a pathological liar. The life story and fake bio she was using in Montana was just as fake as the one she is using now in [Arizona](#). She sits at the head of a **cult / criminal racketeering gang** based around a totally fake persona which changes on a regular basis. Both **Julio E Williams MD** and **Geoffrey Reynolds** knew that the property belonged to Robert & Tabby Ivy and that Patton West was using it fraudulently. Dr. Julio E Williams MD even had [his own bio posted](#) on the same website right next to images of the Ivy's property, but he seemed to be quite comfortable with that. Just as Reynolds was quite comfortable with money laundering the \$436,000 extorted from Dr. Cole through Patton West's business as 'normal' receipts. Even though Reynolds' [predecessor resigned](#) rather than be forced to 'manufacture' false invoices.

**Victim 10 Mike Hendrickson.** Ex-student Mike Hendrickson, a partner in a Colorado firm of accountants, had previously signed a \$200,000 bank guarantee at Farmers Bank in Victor MT for West's charity 'The Circle of Divine Unity.' In January 2004, the charity was [struck off](#) the Montana charity register for 'paper work irregularities' which is 'code' for fraud. Shortly afterwards, Devra West transferred the bank guarantee amount of \$200,000 into a trust fund for herself and her eldest son, Rob Meador. The 2007 [Whitefish Pilot](#) news article mentions Mike Hendrickson as a victim of West's. A Montana judge unwound the trust fund in 2008, ordering that the contents, which included a property worth \$1,250,000 that she also stole from the charity, be sold at a [Sheriff's Sale](#) to pay her creditors \$2,000,000 in court fines and interest.

**Verdict Mike Hendrickson.** After Patton West's charity was struck off the Montana charity register, because she and husband **Jack West** were using it as their own personal bank account, Patton West emptied the bank account into her personal trust fund with the result that Mike Hendrickson had to make good the bank guarantee to the tune of \$200,000. Just as with Dave Kushner, Marion Cantwell and scores of other victims, Mike Hendrickson chose not to go to court to recover his losses because he did not want to become a victim of occult attacks or be murdered.

**Witness Carlida Finch.** In 2006, ex-employee Carlida Finch was given an ultimatum by Devra West - join her cult or be fired – Carlida resigned and made a formal complaint to the authorities about the ‘dangerous working environment’ while employed by Devra West. During her [testimony to the authorities](#), Carlida stated that she overheard Devra West planning the murder of Dr. Cole who, as a disciple of West’s, had previously promised 66% of her net worth to Devra West but was too slow in transferring her wealth into Devra West’s bank accounts.

**Witness 12 Barbara Costantino.** This [statement from Barbara Costantino](#) asserting that each time someone leaves after a dispute with Devra West, she, (Devra West) lies about the circumstances and rewrites history to show the departing employee / student / consultant in a bad light.

**Witness 13 Tanya Hurley.** This [statement from Tanya Hurley](#) asserting that Devra West is mentally ill.

**Witnesses Diane Stoner & Kathleen Francisco.** A small sample of audio statements from ex-employees Diane Stoner & Kathleen Francisco, evidencing some of their experiences at the hands of Devra Patton West.

People are being robbed, defrauded, are the victims of extortion and of mental and physical abuse. In some cases they are murdered to keep them quiet. What we have shared here cannot be found on her current website, which is full of propaganda and lies.

#### SPIRITUAL NAME

*Mataji Rishi*

Devra Surya Sai Adi Maa Durga Devi

## REGENT OF THE MASTERS

### *The Unity of Souls & Nations*

After many years of quietude and seclusion, the Rishi has stepped forward to accept sincere applicants into her auspices in the spiritual mecca of Sedona. She welcomes those who are compelled by the inner imperative to serve as awakened instruments of the divine. She is sanctified to embody the role of Regent of the New Americas, foretelling a time when North, South, and Central America will be unified in the common welfare of all souls. As a revered executor of the Divine Plan, she is assigned the "Great Work" of guiding humanity through an extraordinary time of global upheaval and profound transformation that charts a new course for a thriving, peaceable fellowship amongst souls, peoples and nations.

*Above: Patton West is not a recluse like all narcissists she craves attention, she demand attention. The truth is that Patton West left so many enemies behind in Montana that she is forced to live behind a gated secure property for her own safety. She was chased out of New Mexico in the middle of the night by one gun wielding victim who realized the police could not help!*

What we have shared with you here, will not appear in her [life story / bio](#) or anywhere else on her current web site. Her website and its contents are a total fantasy, a huge lie and part of the propaganda designed to suck in spiritual seekers who after being brainwashed and conditioned will be used like 'batteries.' Batteries that finance her luxurious lifestyle and batteries that fuel her ego and rampant narcissism. Though the obvious motive is fraud (born out by decades of evidence), apparently those who masquerade as quasi-religious figures appear to be immune from prosecution - however serious the crimes.

### TRUE EVIL IS...

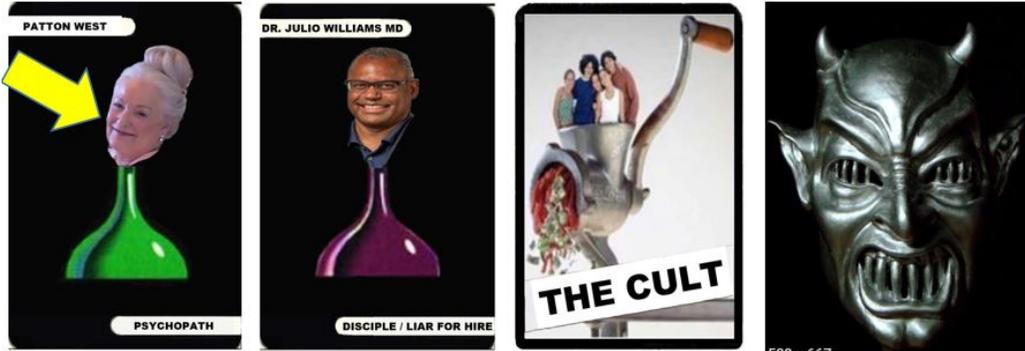

**Racketeering and Murder sold to the public as 'World Service'**

True evil is, above all things, seductive. When the devil knocks at your door, he does not have cloven hooves. He is adorned in fine robes and lives in a mansion. He promises your heart's desire in whispered airs. Like a siren he beckons you to follow him on to ruinous shores.

Like the devil Patton West has promised everything and delivered nothing but ruin to those who have followed her.

*Above: A narcissist who believes she is totally beyond the reach of the law. Patton West was chased out of New Mexico in 1995 at the point of a gun. She was forced to leave Montana in 2010 after three newspaper articles revealed that her 'World Service' was a front for racketeering. Each time she moves to another state she leaves behind scores of victims of organized crime.*

While Patton West's name has changed since arriving in Arizona to 'The Rishi' and while she has awarded herself several new accolade sand titles such as 'Divine Mother' and 'The Western Regent' her criminal racketeering business model remains the same.

**The Verdict.** Patton West still runs a cult. Patton West is still masquerading as a guru when in reality, she is an occult master masquerading as a guru. Guru's do not rob, defraud, and extort money from victims. Guru's do not mentally and physically abuse their followers. Guru's do not use **occult knowledge** to intimidate, make ill, injure and murder those who oppose them or tell the truth about them. Gurus are not pathological liars. Patton West is guilty of all the above, and her disciple of 20 years **Dr. Julio E Williams MD** knows it. And yet, after everything he witnessed in Montana, Williams continues to provide Patton West with a series of idiotic testimonials in an attempt to suck in more victims?

Go to [this webpage](#) to review the many 'testimonials' Williams has given to Patton West. Like this invitation below here to attend a "Sacred Sunday with Rishi" at Dr. Julio E Williams' home. Maybe it is a coincidence that Patton West stated, in her interview with the [Whitefish Pilot](#) newspaper on July 12 2007, that she was teaching physicians and cardiologists how to cure cancer. Surely a respectable physician like Dr. Julio E Williams MD would not dream of hosting a venue for a con artist like Patton West? And if he did, surely he would not encourage sick people to 'buy' her fake cures? Would he?

*Above: Probably nothing to worry about that Dr. Julio E Williams MD, himself a pathological liar, is hosting a 'Sacred Sunday with Rishi' AKA Patton West. Though Williams has been a student and disciple of this con artist for 20 years surely he would not provide a venue for her and endorse her ability to deliver miracle cures for a large fee? Would he?*

It is probably just a coincidence that in addition to claiming in July 2007 that she was training physicians and cardiologists to cure cancer that in a recent Face Book posting Patton West claimed to be able to deliver the phenomena of 'Divine Grace Healings.' For those who can afford the six figure sums she demands for her miracle cures.

## *Rishi Regent of the Great Masters*

As the light that stands behind leaders and world servers across the globe ....

As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....

...and the karmic resolution of divine dispensation.

*In spite of the scores of victims of theft, fraud, extortion and mental and physical abuse Patton West, a card carrying psychotic, insists that she is a blessing to all souls and an instrument of mercy. Apparently lies and propaganda are all allowed under religious freedom laws even if the obvious motive is mail and wire fraud, racketeering and murder.*

Probably nothing to worry about...

**Julio Williams** So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey.  
My humble salutations to thy lotus feet.

*Above: Dr. Julio E Williams MD is a willing accomplice in organized crime and remains a key player in Patton West's cult / criminal racketeering gang. Williams remains on-call as a 'liar for hire' and a purveyor of fake testimonials.*
