## FIRE OF MIND GALLERY

*Rishi's Sacred Art & Antiquities*

Rishi Devra's sacred art collection, has been lovingly curated directly from the Himalayas of India and Nepal. As a globally renowned meditation master, the exceptional nature of her collection is a reflection of her long-standing personal relationships with the monasteries and ashrams of the region. Each piece is brought to you directly from the artist's hands to yours. Many of these pieces are hand-carried down some of the world's highest Himalayan trails from high-altitude monasteries and villages to "pass the sacred" from the East to the West. Each work of art is deeply imbued with the prayers and meditations of their craftsmen, who painstakingly bring their meditations to life through the mastery of their craft, some taking over a year to complete. Each is also personally blessed by Rishi Devra, imparting an auspicious presence to your home, garden or office. Our statues and thangkas are rare curator pieces, many of which are large scaled in size ranging five to seven feet tall.

## MEDITATIVE ART FOR YOUR SANCTUARY

For thousands of years, the artistry of making these rare stone and wood carvings and bronze and multi-metal statuary have been handed down to family members from generation to generation. As proprietors of this exquisite collection, we are also honored to be their guardians until permanent loving homes are found for each priceless work of art. Our collection is derived from the ancient and spiritual civilizations of the Indian Sub-continent with an emphasis on the Hindu and Buddhist artistry and it is our joy to offer these beautiful heirloom, collector pieces, ancient and new, mystical and also custom designed to your vision.

What we present here on our website is only a very small sampling of what we love to curate. If one of our statues speaks to your heart, we invite you for private showing here at our Arizona Sanctuary. We also host sacred journeys to Nepal and India twice a year, so that our most conscientious collectors can make selections directly from our warehouses, as many of our exceptionally large statues are shipped directly from our collection in New Delhi. If you are looking for something unique, or spiritually inspirational, please be in touch with us about custom installations, including large scale works.
